Mahindra Offers Proactive Inspection of The Rear Driveshaft in Rexton

- Proactive check, in keeping with the company's customer centric approach, for the possibility of any loss of torque in the rear driveshaft
- To be carried out free of cost, for Rexton customers, with immediate effect

Mumbai, August 12, 2016: Mahindra & Mahindra Ltd. (M&M Ltd.), India's leading SUV manufacturer, today announced the proactive inspection of the rear driveshaft on all Rexton vehicles, manufactured on or before September 2014. This is in keeping with the company's customer centric approach.

The inspection and subsequent rectification will be carried out free of cost for all Rexton customers, who will be individually contacted by the company. As an endeavour to ensure a hassle-free experience for its customers, the company is proactively carrying out this activity. This action is also in compliance with SIAM's voluntary code on vehicle recall.

Customers can also visit the website (Service Action section) and check if their vehicle is part of the service action.
