

Mahindra
Rise.

Ravi is the President and Chief Operating Officer at Tech Mahindra, where he is leading the creation of innovative, customer-centric and connected tech solutions for a connected world. Under his guidance and leadership, Tech Mahindra has landed the prestigious Forbes 2015 list as among the 'Fab 50 companies in Asia.'

Ravi is a vital part of the organisation's senior executive leadership team. In a career spanning 37 years, he has played a significant part in building and delivering technology and business solutions to many Fortune 500 organisations across the world.

At Tech Mahindra, Ravi heads global delivery across all verticals, competencies and geographies. He also plays a critical role in many initiatives, including alliances and acquisitions.

Ravi's strength lies in creation of new business lines and he is known for his capability to create high performance teams, deliver quality solutions and nurture strong client relationships.

Prior to Tech Mahindra, Ravi was Chief Operating Officer at Perot Systems, India. He has worked with reputed organisations including Tata Infotech Ltd, where he headed the Application Solutions division and managed client relations, services and delivery of large accounts.

Ravi holds a Master's degree in Computer Science and is a distinguished alumnus of the Indian Statistical Institute, Kolkata.

Mahindra & Mahindra herein referred to as M&M, and its subsidiary companies provide a wide array of presentations and reports, with the contributions of various professionals. These presentations and reports are for informational purposes and private circulation only and do not constitute an offer to buy or sell any securities mentioned therein. They do not purport to be a complete description of the markets conditions or developments referred to in the material. While utmost care has been taken in preparing the above, we claim no responsibility for their accuracy. We shall not be liable for any direct or indirect losses arising from the use thereof and the viewers are requested to use the information contained herein at their own risk. These presentations and reports should not be reproduced, re-circulated, published in any media, website or otherwise, in any form or manner, in part or as a whole, without the express consent in writing of M&M or its subsidiaries. Any unauthorized use, disclosure or public dissemination of information contained herein is prohibited. Unless specifically noted, M&M or any of its subsidiary companies is not responsible for the content of these presentations and/or the opinions of the presenters. Individual situations and local practices and standards may vary, so viewers and others utilizing information contained within a presentation are free to adopt differing standards and approaches as they see fit. You may not repackage or sell the presentation. Products and names mentioned in materials or presentations are the property of their respective owners and the mention of them does not constitute an endorsement by M&M or its subsidiary companies. Information contained in a presentation hosted or promoted by M&M is provided “as is” without warranty of any kind, either expressed or implied, including any warranty of merchantability or fitness for a particular purpose. M&M or its subsidiary companies assume no liability or responsibility for the contents of a presentation or the opinions expressed by the presenters. All expressions of opinion are subject to change without notice.
