**Consolidated Audited Financial Results for the quarter and nine months ended December 31, 2015****Segmental Capital Employed**

Segregation of assets, liabilities, depreciation and other non-cash expenses into various primary segments has not been done as the assets are used interchangeably between segments. Accordingly no disclosure relating to Segmental assets and liabilities has been made.

**Notes :**

1. The quarterly and nine monthly results have been reviewed by the Audit Committee and taken on record by the Board of Directors in its meeting held on February 1, 2016.

**2. Matters pertaining to erstwhile Satyam Computer Services Limited (erstwhile Satyam):****2.1 Investigation at erstwhile Satyam:**

In the letter dated January 7, 2009 Mr. B. Ramalinga Raju, the then Chairman of erstwhile Satyam, admitted that the Balance Sheet of erstwhile Satyam as at September 30, 2008 carried inflated cash and bank balances, non-existent accrued interest, an understated liability and an overstated debtors position. Consequently, various regulators/investigating agencies such as the Serious Fraud Investigation Office (SFIO)/Registrar of Companies (ROC), Directorate of Enforcement (ED), Central Bureau of Investigation (CBI), etc., had initiated investigations on various matters and conducted inspections and issued notices calling for information including from certain subsidiaries which have been responded to.

On April 13, 2009, SFIO filed seven cases out of which erstwhile Satyam was made accused in two cases for Companies Act violations. The Company Law Board vide its Order dated October 16, 2012 has compounded the said violations by levying a compounding fee of Rs. 11 Lakhs, which has already been paid by the Company in October 2012. There are no other proceedings initiated by SFIO against the Company and the Management does not expect any further proceedings or penal action against the Company.

On May 22, 2013, the ED has issued a show-cause notice to the erstwhile Satyam for contravention of provisions of the Foreign Exchange Management Act, 1999 (FEMA) for alleged non-repatriation of American Depository Receipts (ADR) proceeds aggregating USD 39.2 Million. The internal forensic investigation by the Management of erstwhile Satyam had also indicated possible diversion aggregating USD 41 Million from the proceeds of the ADR relating to erstwhile Satyam which was revised to USD 19 Million based on further details of utilization obtained. The Company has responded to the ED's show-cause notice on March 28, 2014 and has not received any further communication in this regard.

The ED had also issued a show-cause notice to the erstwhile Satyam on April 28, 2011 for contravention of the provisions of FEMA and the Foreign Exchange Management (Realisation, Repatriation and Surrender of Foreign Exchange) Regulations, 2000, in respect of the realisation and repatriation of export proceeds to the extent of foreign exchange equivalent to Rs. 5060 Lakhs for invoices raised during the period July 1997 to December 31, 2002. The erstwhile Satyam has responded to the show-cause notice and has not received any further communication in this regard.

The CBI has also completed the investigation and filed their charge sheet naming 10 accused. The Special Session Court vide its Order dated April 9, 2015 in the matter, has convicted all the 10 accused for offences punishable under various sections of Indian Penal Code. The erstwhile Satyam (since merged with the Company) was not an accused party and there were no proceedings initiated against it by the CBI on completion of their investigation. Thus, in the opinion of the Management, the matter is closed so far as the Company is concerned and no further proceedings against the Company is envisaged.

As per the assessment of the Management, based on the forensic investigation and the information available, all identified/required adjustments/disclosures arising from the identified financial irregularities, had been made in the financial statements of erstwhile Satyam as at March 31, 2009. Considerable time has elapsed after the initiation of investigation by various regulators / agencies and no new information has come to the Management's notice which requires adjustments to the financial statements. Further, no new claims have been received which need any further evaluation/adjustment/ disclosure in the books of account. However, further adjustments, if any, would be made as and when the aforesaid matters progress are concluded.

**2.2** Various investigation agencies had identified certain non-compliances / breaches of various laws and regulations by erstwhile Satyam under the former Management (prior to Government nominated Board) including but not limited to the following - payment of remuneration /commission to whole-time directors/non-executive directors in excess of the limits prescribed under the Act, unauthorised borrowings, excess contributions to Satyam Foundation, loan to ASOP Trust (Satyam Associates Trust) without prior Board approval under the Act, delay in deposit of dividend in the bank, dividend paid without profits, non-transfer of profits to general reserve relating to interim dividend declared, utilisation of the Securities Premium account, declaration of bonus shares and violation of SEBI ESOP Guidelines. In respect of some of these matters, erstwhile Satyam (under the Management post Government nominated Board) has applied to the Honorable Company Law Board for condonation and the matters in respect of two cases were compounded as discussed in Note 2.1 above.

In respect of foreign currency receivables for the period's upto March 31, 2009, the required permission under the provisions of FEMA for extension of time had not been obtained from the appropriate authorities. Erstwhile Satyam under the Management post Government nominated Board has fully provided for these receivables.

In the opinion of the Management, considering that the other investigations namely CBI/SFIO having completed and the above matters not being pursued therein, the Management does not expect any further proceedings or penal action against the Company in these matter. However, further adjustments, if any, would be made as and when the aforesaid matters progress are concluded.

**2.3 Alleged Advances**

Consequent to the aforesaid letter, the erstwhile Satyam received letters from 37 companies requesting confirmation by way of acknowledgement for receipt of certain alleged amounts by the erstwhile Satyam (referred to as alleged advances). These letters were followed by legal notices from these companies dated August 4/5, 2009, claiming repayment of the alleged advances aggregating Rs. 123040 Lakhs stated to be given as temporary advances. Further, the internal forensic investigation was also unable to identify the nature of these transactions. The legal notices also claimed damages/compensation @18% per annum from the date of the advances till the date of repayment. The erstwhile Satyam has not acknowledged any liability to any of the 37 companies and has replied to the legal notices stating that the claims are legally untenable.

The 37 companies have filed petitions/suits for recovery against the erstwhile Satyam before the City Civil Court, Secunderabad (Court), with a prayer that these companies be declared as indigent persons for seeking exemption from payment of requisite court fees.

One petition where court fees have been paid, the pauper petition was converted into a suit which is pending disposal. The petitions filed by remaining 36 companies are before the Court, at various stages of rejection of pauperism/trial of pauperism/ inquiry to condone the delay in applications. In one petition, the delay in submission of the petition has been condoned by the Court and the Company has obtained an interim stay Order from the Honorable High Court of Andhra Pradesh, which has remanded the matter to the lower Court directing to consider the application afresh. Lower Court upon hearing the application has condoned the delay in re-submission of pauper petition. Company is taking necessary step to challenge the said Order.

Further in the course of the merger petition of erstwhile Satyam with the Company, the Honorable High Court held inter-alia, in its Order approving the merger of the erstwhile Satyam with the Company, that the contention of the 37 companies that Satyam is retaining the money, i.e. the alleged advances, of the 'creditors' and not paying them does not appear to be valid and further held that any right of the objecting creditors can be considered only if the genuineness of the debt is proved beyond doubt which is not so in this case.

The Honorable High Court in its Order, further held that in the absence of Board resolutions and documents evidencing acceptance of unsecured loans, i.e. alleged advances, by the former Management of the erstwhile Satyam, the new Management of the erstwhile Satyam is justified in not crediting the amounts received in their names and not disclosing them as creditors and in disclosing such amounts as 'Amounts pending investigation suspense account (net)' in the financial statements.

The said 37 companies have filed appeals before the Division Bench of the Honorable High Court of Andhra Pradesh, against the Orders of the Honorable High Court of Andhra Pradesh and the Honorable High Court of Judicature at Bombay sanctioning the scheme of merger of Satyam Computer Services Limited (Satyam) with the Company w.e.f. April 1, 2011, which are yet to be heard. One of the aforesaid companies has also appealed against the Order rejecting the Petition for winding-up of the erstwhile Satyam. These matters have been combined for hearing.

**Consolidated Audited Financial Results for the quarter and nine months ended December 31, 2015**

The Directorate of Enforcement (ED) is investigating the matter under the Prevention of Money Laundering Act, 2002 (PMLA) and directed the erstwhile Satyam not to return the alleged advances until further instructions. In furtherance to the investigation, certain fixed deposits of the Company with certain banks, then aggregating to Rs. 82200 Lakhs having alleged to be 'proceeds of crime' were provisionally attached vide Order dated October 18, 2012 by the Directorate of Enforcement (ED) (the Order). The Honorable High Court of Andhra Pradesh (the Court) had, pending further orders, granted stay of the said Order and all proceedings thereto vide its Order dated December 11, 2012. The ED had challenged the interim Order passed by the Single Judge before the Division Bench of the Court. During the quarter ended December 31, 2014, the Honorable High Court upon hearing the matter, has dismissed the Appeal filed by ED and continued the Stay granted by the Single Judge vide its Order dated December 31, 2014. Fixed Deposits initially attached aggregated to Rs 82200 Lakhs, of which Rs. 35700 Lakhs have been redeemed pursuant to the Order passed on December 31, 2014. Certain banks have not released the attached deposits and matter is being pursued legally.

A criminal case was filed by the ED before the Honorable XXI Additional Chief Metropolitan Magistrate, Hyderabad cum Special Sessions Court (Trial Court) under the Prevention of Money Laundering Act (PMLA), 2002 against erstwhile Satyam along with 212 accused persons. The Company had challenged the above complaint before the Honorable High Court of Andhra Pradesh which quashed the criminal complaint against the Company vide its Order dated December 22, 2014. On appeal, the Divisional Bench of the High Court, however passed an interim Order allowing the hearing for framing 'Charges'. A Special Leave Petition was filed by the Company before the Honorable Supreme Court of the India, which requested the Honorable High Court of Andhra Pradesh to dispose of the Writ Appeal within a period of four months and further directed the Trial Court to defer the trial till the said Writ Appeal is disposed off.

In view of the aforesaid developments and also based on legal opinion, the Management is of the view that the claim by the 37 companies for repayment of the alleged advances, including interest thereon is not legally tenable and the same has been reinforced.

However, notwithstanding the above, pending the final outcome of the recovery suit filed by the 37 companies in the City Civil Court and the ED matter under the PMLA pending before the Honorable High Court, the Company, as a matter of prudence, at this point of time, is continuing to classify the amounts of the alleged advances as 'Amounts pending investigation suspense account (net)', which would be accordingly dealt with/reclassified as and when appropriate.

**2.4. Provision for taxation**

The erstwhile Satyam had accounted for provision for taxation for several prior years aggregating Rs. 49892 Lakhs (net of taxes paid) as at March 31, 2013 (before giving effect to its amalgamation with the Company), for which the assessments are under dispute.

Subsequent to the amalgamation of erstwhile Satyam with the Company, considering the professional advice obtained in the matter, the Management has re-evaluated the effects of the possible outcomes of the tax matters in dispute relating to erstwhile Satyam and the estimated excess tax provision aggregating Rs. 22660 Lakhs, has been written back during the previous year ended March 31, 2014. In the opinion of the Management the balance provision for taxation carried in the books is adequate.

**2.5 Satyam Venture Engineering Services Private Limited (SVES)****Accounting for sales commission**

During the financial year 2011-12, the Board of SVES re-assessed the need to accrue sales commission in its books and based on such re-assessment took the view, when the financial statements of SVES for the year ended March 31, 2012 was tabled for approval, that the accrual of sales commission from FY 05-06 to FY 10-11 of Rs. 3590 Lakhs on be written back as other income in the Statement of Profit and Loss and the sales commission for the period from April 2011- December 2011 be reversed.

However, as a prudent measure, the Board directed that SVES to provide an amount of Rs. 5290 Lakhs as a provision for contingency, covering the period from FY 05-06 to FY 11-12 which in its opinion would be adequate to cover any possible outflow that may arise in respect of the above aforesaid matter and adjustments to the financial statements if any, arising out of dispute between joint venture partners to be made on final disposal of legal proceedings.

Taking into accounts subsequent legal developments and an order of the Honorable High Court of Andhra Pradesh dated August 23, 2013 in the matter directing all parties to maintain status quo, the Board of SVES did not make any provision for contingency in the current year towards sales commission but instead disclosed an amount of Rs. 7100 Lakhs (March 31, 2015: Rs. 5290 Lakhs) as contingent liability to cover any possible charge that may arise in respect of the above said matter, in the financial statements for the nine months ended December 31, 2015 and by way of abundant caution considering the issues before judicial authorities, notwithstanding the Board's view that there is no need to accrue sales commission.

**Preparation of financial statements**

At the Annual General Meetings of the SVES held on October 29, 2012, September 10, 2013, September 22, 2014 and September 07, 2015 one of the shareholders abstained from voting on the resolution for adoption of audited financial statements as at and for the year ended March 31, 2012, March 31, 2013, March 31, 2014 and March 31, 2015 respectively. Therefore, the said financials have not been approved by the shareholders.

The financial statements as at and for the nine months ended December 31, 2015 have been drawn up incorporating the opening balances based on above said financial statements which have not been adopted by the Shareholders. Adjustments required, if any, will be made in accounts as and when determined.

3. Other income includes Rs. 3185 Lakhs write back during the quarter ended September 30, 2015 of an estimated excess provision for contingencies provided in an earlier year by erstwhile Satyam, based on actual receipt of VAT refund from the Joint Commissioner of Commercial Tax, Bangalore for Karnataka Value Added Tax and Central Sales Tax.

Subsequent to the amalgamation, considering the professional advice obtained in the matter, the Company's Management has re-evaluated the effects of the possible outcomes of the tax matters in dispute relating to erstwhile Satyam and the estimated excess tax provision amounting to Rs. 22660 Lakhs has been written back during the year ended March 31, 2014.
