October 22, 2019, Alwar, Rajasthan: Mahindra First Choice Wheels Ltd. (MFCWL), India's No. 1 multi-brand certified used car company, today inaugurated its outlet in Alwar, Rajasthan. The new outlet, J S Automart, Delhi Road, Alwar – 301001, was inaugurated by Mr.Ashutosh Pandey, MD & CEO, Mahindra First Choice Wheels Ltd. This is the company's 53rd outlet in the state of Rajasthan.

"We are delighted to partner with J S Four Wheels Ltd which is an established name in Alwar and the surrounding areas of Bharatpur, Dholpur and Karoli. Rajasthan is a strategic market for Mahindra First Choice Wheels and we look forward to creating value for all our stakeholders through innovative, industry-first products and services. Our strong franchisee network will also play an important role in helping us to fulfill their goal," said Mr. Pandey at the inauguration.

"Mahindra First Choice Wheels enjoys strong brand equity in Rajasthan as India's pre-eminent multi-brand used car company. J S Automart will serve as a one-stop shop, offering customers a range of services, including purchase and sale of multi-brand certified used cars, car finance, insurance, fitment of car accessories and assistance with paperwork and documentation," said Mr. Rishabh Sanghi, Director of J S Automart

Mahindra First Choice Wheels' footprint in Rajasthan currently encompasses **53** dealerships and it further plans to expand this number to **70** outlets in the financial year ending March 2020.

Over the years, Mahindra First Choice Wheels has not only emerged as India's leading used car company but has also contributed to the creation of a used car ecosystem by bridging wholesale and retail channels while leveraging physical and online infrastructure. The company is driven by its

mission to transform the way used cars are retailed and has introduced several innovations along the way. The company has received an excellent response from C&D category towns as well.

The list of innovations include developing a unique franchisee based business model, selling certified multi-brand used cars under warranty and offering the most comprehensive warranty product available on used cars in the country.

MFCWL has also developed a variety of industry first products which use technology to ease used vehicle operations. The company has recently launched innovative products which are smart, simple, standalone tools that solve many challenges for every kind of stakeholder including consumers, dealers, financiers, leasing companies and manufacturers. In short, buying a used car from Mahindra First Choice offers several advantages, including quality assurance, safety and a hassle-free driving experience. To give complete peace of mind to the used car buyer, the company has Warranty products like **WARRANTYFIRST**, **CERTIFIRST** and **CERTIFIRST+**.

Subject to specific terms and conditions, **WARRANTYFIRST** provides

Warranty for all the major mechanical and electrical components of the car.

The concerned components are covered for a period of 12 months or

15,000 km, whichever is earlier. The **CERTIFIRST** Warranty covers the

car's Engine and Transmission for a period of 6 months or 7,500 Km,

whichever is earlier while **CERTIFIRST+** covers for a period of 12 months or

15000 kms, whichever is earlier.

The Warranty products come with the facility of 24X7 Roadside Assistance across the country. The 24x7 Roadside Assistance, subject to specific terms and conditions, assures the certified used car buyer that should the car breakdown, he will be provided assistance.

The Warranty product gives tremendous peace of mind to buyers of certified used cars. Mahindra First Choice has a website -

www.mahindrafirstchoice.com - which provides complete assistance to customers wishing to buy or sell a car. Mahindra First Choice also has retail finance relationships with major banks like Mahindra Finance, HDFC, Kotak Mahindra and ICICI Bank for helping consumers buy their dream cars through loans.

The used car market in India is expected to reach between 6.7mn/year to 7.2mn cars/year by FY22.The current slowdown notwithstanding, it is expected that the used car market will become almost double the size of the new car market in the next 5 years.
