New Delhi, March 19, 2019 : Mahindra & Mahindra's Farm Equipment Sector, India's leading tractor manufacturer and a part of the USD 20.7 billion Mahindra Group, today announced the winners of the Mahindra Samriddhi India Agri Awards (MSIAA) 2019. Instituted in 2011, the Mahindra Samriddhi India Agri Awards are bestowed upon farmers and institutions to recognize their noteworthy and purposeful contributions in the field of agriculture, the backbone of the Indian economy.

The Honourable Chief Executive Officer for NITI Aayog, Shri Amitabh Kant, was the Chief Guest at the awards ceremony. Shri Sanjay Agarwal, Secretary, Department of Agriculture, Cooperation and Farmers Welfare, Government of India was also present at the awards ceremony.

At the awards, Mahindra reinforced its commitment to Farming 3.0, the new age in agriculture defined by Innovation and Technology. Launched in 2017, Farming 3.0 is based on advanced farming techniques and leverages synergies of various agricultural stakeholders for a concerted effort in driving farm tech prosperity. The key components of Farming 3.0 include ***Smart Farm Machinery, Precision Farming, Digital Platforms, Custom Hiring services and a Connect with the Ecosystem.***

The Mahindra Samridhi Krishi Shiromani Samman (Lifetime Achievement Award) 2019 was conferred upon Dr. E A Siddiq for his immense contribution to Indian agriculture. The award was handed over to recognise his contribution of enhancing productivity of paddy (Both Basmati & Non Basmati).

According to **Dr. Pawan Goenka, Managing Director, Mahindra & Mahindra Ltd**, "The contribution made by our farming community is a manifestation of this new age of farming which we celebrate through our annual awards. As part of Mahindra Agri Village (MAV) program, we have worked closely with more than 50 villages. Our Prerna initiative has empowered nearly 2000 women farmers over 40 villages, through the introduction of gender-neutral farm tools for reducing farm drudgery, and dissemination of knowledge and essential capabilities. We believe that these

interventions are transformational and will provide the necessary impetus for Farming 3.0 to flourish and drive farm tech prosperity in the country".

Several Mahindra dealerships have been transformed into Samriddhi Centres offering the farmer easy access to technological know-how, hybrid seeds, soil and irrigation water testing facilities, demo farms, finance and insurance, internet updates, apart from sales and service of tractors and advanced implements
