Aims to amplify human potential and solve complex problems to future-proof business operations

New Delhi - April 27th, 2022 – Tech Mahindra, a leading provider of digital transformation, consulting and business reengineering services and solutions, today announced the launch of TechM amplifAI0->∞ - a suite of Artificial Intelligence (AI) offerings and solutions to democratize and scale the deployment of AI in a responsible manner. Through these offerings & solutions, Tech Mahindra will help enterprises amplify human potential and solve complex problems to future-proof business operations.

TechM amplifAI0->∞ has software-driven offerings at its center such as Artificial Intelligence for IT Operations (AIOps) and Machine Learning Operations (MLOps) platform GAiA, advanced speech analytics solution, Sayint and AI-powered marketing studio, MobiLytix . These offerings & solutions aim to help customers discover opportunities, strategize efforts in

the right direction, and chalk out the roadmap to scale and sustain their AI journey.

Hasit G. Trivedi, Chief Technology Officer & Global Head- AI, Tech Mahindra, said, *"AI is sacrosanct today for enterprises eyeing digital acceleration. It not only empowers organizations to reimagine everyday processes, but also helps future-proof their businesses. With the launch of TechM amplifAIO->∞, we are strengthening our focus on AI to help our customers in their digital acceleration journeys. It will provide tailor-made, transformative, and agile solutions to organizations to unlock the NXT of growth."*

TechM amplifAIO->∞ will enable enterprises to capitalize on the latest developments in AI. Its AI solutions will eliminate existing bottlenecks by offering tailor-made services and automating processes to increase the throughput and profitability of enterprises.

Tech Mahindra believes in DigitALL philosophy for comprehensive business transformation. Digital technologies catalyze the transformations – they humanize businesses by helping them think, sense, connect, communicate, secure, and act better than before. As part of NXT.NOWTM framework, which aims to enhance 'Human Centric Experience', Tech Mahindra focuses on investing in emerging technologies and solutions that enable digital transformation and meet the evolving needs of the customer.
