Commenting on the performance, Kavinder Singh, Managing Director and Chief Executive Officer, Mahindra Holidays & Resorts India Ltd.

said, "Despite the Omicron wave, we have delivered a strong Q4 with the highest ever resort income, growth in margins and Profit Before Tax (PBT). At a full year level, we have delivered exceptional performance with healthy growth in member additions, occupancies, Income, PBT and cash position. Our resort count has increased to 84 and our room count crossed the 4,500

mark. This clearly demonstrates our execution excellence along with the strength and resilience of our business model.”

Commenting on European operations, he added, “Despite multiple Covid-19 waves severely impacting our European subsidiary, Holiday Club Resorts (HCR) during the year, HCR delivered close to breakeven EBITDA demonstrating the strength of its business model. In periods when restrictions were eased off, HCR recovery was strong and rapid. Domestic leisure travel remains strong and we have a positive outlook for FY23.”
