Tractor that offers more value with unrivaled power and outstanding performance

Kathmandu, July 21, 2022: Swaraj Tractors announced the launch of its new tractor, 744 XT, in the 50 HP category in Nepal. This tractor features one of the biggest engines in its category, with 3478 cc displacement, that delivers maximum performance in agri and haulage applications.

The 744 XT comes standard with a constant mesh transmission, Multispeed forward and reverse PTO, Dual clutch, Oil immersed disc brakes, Power steering & offers high ground clearance with bigger front tyres. With directional control valve and best-in-class lift capacity of 1700 kgs, the 744 XT can handle heavy implements with ease & precision.

This tractor also comes with an industry leading 6-year warranty, guaranteeing absolute peace of mind. Swaraj Tractors has very high customer loyalty & trust built around the value of being authentic, reliable

and powerful, fondly called as “Hamro Swaraj”. With widespread sales and service network spread across the length and breadth of the country, the brand is the market leader in the country.

About Swaraj

Swaraj Tractors is India’s second largest and fastest growing tractor brand. Established in 1974, based in Punjab, the grain bowl of India, Swaraj is a brand that is made by the farmer, for the farmer as many of its employees are also farmers. They bring real world performance and create an authentic, powerful product with assured performance and enduring quality, designed with one purpose – enabling the farmers to Rise. Swaraj Tractors manufactures tractors in the range of 15HP to 65HP and also provides complete farming solutions.
