Engaging Presentation and Interactive Activities Educate 100 Students on

Traffic Regulations and Road safety.

Mahindra Powerol conducted a road safety awareness program at a nearby Zila Parishad Marathi Government School, Nighoje, Pune. The event proved to be an engaging and interactive experience for all participants. We shared our

insights while encouraging the children to share their own experiences. The program was co-chaired by our senior team alongside Powerol employees. The students showcased their talents through performances, which added to the event's vibrancy. We concluded the program by presenting a small token of appreciation from our side. Overall, it was a truly enriching experience for all of us at Powerol.

This initiative aimed to cultivate a sense of responsibility and awareness among the young students, highlighting the essential significance of road safety in their everyday activities. The event represented a praiseworthy endeavour by the volunteers of Mahindra Powerol, Pune making a substantial contribution to the Road Safety Month campaign.
