Overall Business:

Quarterly disbursements remained healthy at ₹17,184 crore, registering an 11% YoY growth amidst geopolitical headwinds while demand momentum continued to remain positive following GST rate cuts. Tractor disbursement grew 63% YoY during the quarter, driven by consistent efforts to pivot towards profitable growth. The company's business assets grew 12% YoY, reaching ₹1,34,096 crore, driven by tractors, PVs and MSME-led secured lending products.

Asset quality improved both sequentially and on YoY basis with Stage 3 assets at 3.4% and Stage 2 assets at 4.8%, indicating gradual normalization of the portfolio and improved slippage control. Collection efficiency improved to 98% in Q4FY26 vs 97% in Q4FY25, driven by renewed momentum in collection on account of new stack adoption, digital workflows, data-led prioritization, and sharper focus on early delinquencies.

Segment Update

Vehicle Business:

During FY26, Mahindra Finance continued to maintain its leadership position in tractor financing and remained amongst the leading NBFCs for financing passenger vehicles (PVs), light commercial vehicles (LCVs) and used passenger vehicles.

The Company continued to leverage digitally enabled field operations allowing faster sourcing, underwriting, and servicing across geographies. AI-driven early warning systems and customer self-service platforms supported improved delinquency management and customer engagement. The Company significantly scaled up MTezz, app adoption, resulting in improved productivity, quicker response to market while maintaining underwriting discipline. Company strengthened its operating model through centralized processing capabilities, enhanced fraud control frameworks, and a streamlined retail branch structure, supporting greater operating efficiency, cross-sell opportunities and customer experience.

New Engines

Diversification beyond vehicle finance remains a key strategic priority for Mahindra Finance. The non-vehicle finance portfolio continued to grow 32% YoY. The company is steadily expanding its presence across SME lending, mortgages, fee-based income through insurance and investment products and leasing. Fee Income has been witnessing growth across quarters in line with companies strategy to strengthen non-interest revenue streams.

SME:

The company recognizes the growth potential of the MSME sector in India, with specific focus on micro and small enterprises segment. Asset book at ₹ 8,090 crore as of March 31, 2026, expanded 32% on a YoY basis. Growth was largely driven by Loan Against Property (LAP) portfolio which grew 41%

YoY.

Mortgages:

The mortgages business sustained its strong growth trajectory. Asset quality remained stable with GS3 levels sustained below 3%, reflecting disciplined portfolio management and continued strengthening of collections.

Operational efficiencies improved across the network, driving faster turnaround times and sharper process controls. The business remains focused on building a scalable and high-quality mortgage franchise through stronger underwriting frameworks and enhanced digital-led customer acquisition capabilities.

Leasing:

The leasing business continued to expand its presence in the B2B domain by acquiring strategic corporate customers and deepening existing relationships. User experience was enhanced through strategic partnerships, stronger engagement rigour, hybrid channel approach, and a reinforced value proposition.

Insurance:

The insurance segment continues to witness encouraging response from customers on insurance proposition across both Life and General insurance category. Company is regularly strengthening its product portfolio to cater to the customers requirement with seamless tech enabled journey for best-in-class customer experience.
