Mumbai, August 5, 2026: Mahindra & Mahindra, India's leading SUV manufacturer, today announced the introduction of a suite of advanced features in the Scorpio-N.

New Features include:

- Panoramic Skyroof™ adding a sense of open space inside the cabin.
- 540-Degree Surround View System with Blind View monitor for enhanced safety and convenience.
- Newly designed R18 Diamond Cut Alloy wheels reinforcing its bold and commanding road presence.
- Enhanced IP centre facia featuring a 31.24 cm Floating HD Touchscreen Infotainment System with six physical buttons for easy navigation between functions.
- New 26.03 cm HD Digital Cluster with full screen navigation and three display layouts – normal, information and minimal.
- 65W USB Type-C fast-charging port in front row for added convenience.

- Adventure Statistics which provide vehicle information such as Engine Performance, Roll and Pitch, Compass and Altimeter, G-Force etc.

About Scorpio-N

Since its 2022 debut, the Scorpio-N has achieved over 3,80,000 units in sales, continually evolving with feature enhancements like the Z8 Select in 2024, Z8T in 2025, and the incorporation of Level 2 ADAS to stay ahead of market trends and customer preferences, ensuring Mahindra remains at the forefront of automotive progression.

The SUV has redefined its segment since launch with standout Design, Exciting Performance, Advanced Tech, and Superior Dynamics. It continues to offer proven Engine options G20 TGD_i mStallion and D22 mHawk, with RWD and 4WD options. Key features include Level 2 ADAS, 12-Speaker SONY Audio System, Ventilated Seats, Auto-dimming IRVM, a 6-way Powered driver seat with Leather upholstery, and an Electronic Parking Brake.
