NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

Company Overview and Material Accounting Policies and Information

1. Company Overview

Mahindra Solarize Private Limited (the 'company') is domiciled in India and is a subsidiary of Mahindra Sustainable Energy Private Limited. The Company has been incorporated under the provisions of the Companies Act, 2013.

The Company is engaged in the business of providing services in the areas of Engineering, Procurement and Construction of power plants in renewable energy, operations and maintenance, analytics, sale of modules and related components and sale of solar water pump. The company is also engaged in sales of engines and related components.

2. Material Accounting Policies and Information

2.1. Basis of Preparation of financial statements

The Company's financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs under sections 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules 2017. The Company has investment in Subsidiary, however in view of the provisions of para 4 of the IND AS 110- Consolidated Financial Statements and Rule 9.1.6 Companies (Accounts) Rules, 2014, Company has not prepared Consolidated Financial Statements.

The financial statements of the Company for the year ended 31 March 2026 were approved for issue in accordance with the resolution of the Board of Directors on 15 April 2026.

2.2. Basis of accounting

The Company maintains its accounts on accrual basis following the historical cost convention, except for certain financial instruments that are measured at fair values in accordance with Ind AS. Further, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

2.3. Presentation of Financial Statements

The Balance Sheet, Statement of Profit and Loss, Statement of Cash Flows and Statement of Changes in equity are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards.

2.4. Current / Non-Current classification

An asset or liability is classified as 'current' when it satisfies any of the following criteria:

(i) it is expected to be realized or settled, or is intended for sale or consumption in, the company's normal operating cycle;

(ii) it is held primarily for the purpose of being traded;

(iii) it is expected to be realized or settled within twelve months from the reporting date; or

(iv) an asset is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for atleast twelve months from the reporting date

(v) in case of liability, the company does not have an unconditional right to defer settlement of the liability for atleast twelve months from the reporting date.

All other assets and liabilities are classified as non-current.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out above which are in accordance with Schedule III to the Act.

Operating Cycle

Based on the nature of products and services of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.5. Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of material accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

This note provides an overview of the areas that involved a higher degree of judgement or complexity and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in the relevant note.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

A. Judgements in applying material accounting policies

The judgements, apart from those involving estimations (see note below) that the Company has made in the process of applying its material accounting policies and that have a significant effect on the amounts recognised in these financial statements pertain to useful life of assets. The Company is required to determine whether its intangible assets have indefinite or finite life which is a subject matter of judgement.

B. Key source of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

a) Property, Plant and Equipment

Determination of the estimated useful lives of Property, Plant and Equipment (PPE) and the assessment as to which components of the cost may be capitalized. Useful lives of items of PPE are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

b) Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined based on the prevailing market yields of Indian Government Securities as at the Balance Sheet Date for the estimated term of the obligations.

c) Recognition of deferred tax assets

A deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised.

d) Recognition and measurement of other provision

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the figure included in other provisions.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

e) Discounting of long-term financial instruments

All financial instruments are required to be measured at fair value on initial recognition. In case of financial instruments which are required to be subsequently measured at amortised cost, interest is accrued using the effective interest method.

2.6. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

2.7. Property, plant and equipment and Depreciation

Property, Plant and Equipment is recognized when it is possible that future economic benefits associated with the item will flow to the Company and the cost can be measured reliably.

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company. Advance given towards acquisition of Property, Plant and Equipment outstanding at the reporting date are disclosed as capital advances under Non-Current Assets.

Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition is recognized in the Statement of Profit and Loss in the same period.

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is generally recognised in the statement of profit and loss. Assets acquired under finance leases are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the company will obtain ownership by the end of the lease term. Freehold land is not depreciated.

Estimated useful lives as follows:

Office Equipment	3 to 5 years
Computer	3 years
Plant & Machinery	5 years

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

2.8. Intangible Assets

Intangible assets that the Company controls and from which it expects future economic benefits are capitalised upon acquisition at cost comprising the purchase price and directly attributable costs to prepare the assets for its intended use.

Intangible Assets is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition is recognized in the Statement of Profit and Loss in the same period.

Intangible assets that have finite lives are amortised over their useful lives by the straight-line method.

2.9. Investments in Subsidiaries, Associates and Joint ventures

Investments in Subsidiaries, Associates and Joint Ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount.

On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

2.10. Inventories

Construction material, components, stores and spares are valued at lower of cost or net realisable value. Cost is determined on weighted average method basis and comprise all cost of purchase, duties, taxes and all other costs incurred in bringing the inventory to their present location and condition.

2.11. Impairment of non-financial assets

The Company assesses at each balance sheet date whether there is any indication that an asset or cash generating unit (CGU) may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or CGU's net selling price or its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount.

Impairment losses are recognised in the statement of profit and loss. They are allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets in the CGU on a pro rata basis.

An impairment loss in respect of goodwill is not reversed. For other assets, an impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

2.12. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial Recognition

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets that are not at fair value through profit or loss are added to the fair value on initial recognition.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in two broad categories:- i] Financial assets at fair value and ii] Financial assets at amortised cost. Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss [i.e fair value through profit or loss], or recognised in other comprehensive income [i.e. fair value through other comprehensive income]. A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Derecognition

The company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retain substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

Impairment of financial asset

The Company applies the expected credit loss (ECL) model for recognizing impairment loss on financial assets with respect to Trade receivable and loans, the Company measures the loss allowance at an amount equal to lifetime expected credit loss.

Financial liabilities

Initial recognition

The company initially recognises borrowings, trade payables and related financial liabilities on the date on which they are originated.

All other financial instruments (including regular-way purchases and sales of financial assets) are recognised on the trade date, which is the date on which the company becomes a party to the contractual provisions of the instrument.

Non-derivative financial liabilities are initially recognised at fair value, net of transaction costs incurred.

Subsequent measurement

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

2.13. Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

2.14. Segment reporting

The Company is having operations primarily in Solar and Engine segments. Segment revenue/income, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on a reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities"

2.15. Provisions and Contingencies

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events, it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of the obligation. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate. Contingent liabilities are not provided for and are disclosed by way of notes unless the possibility of outflow of resources embodying economic benefits is remote

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost in the statement of profit and loss.

2.16. Revenue recognition

EPC Contract

Revenue from EPC contracts, where the outcome can be estimated reliably, is recognised under the percentage of completion method by reference to the stage of completion of the contract activity, hence revenue is recognized over the period of time. Determination of revenues under the percentage of completion method necessarily involves making estimates by the management.

Any variations in contract work, claims, incentive payments are included in the transaction price if it is highly probable that a significant reversal of revenue will not occur once associated uncertainties are resolved.

Sale of Goods

An entity shall recognise revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

Interest Income

Interest income is recognised in the Statement of Profit and Loss using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

2.17. Borrowing Cost

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

2.18. Earnings per equity share

Basic earnings per equity share is computed by dividing the net profit or loss attributable to the equity holders of the company divided by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit or loss attributable to the equity holders of the company divided by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed to have been converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period.

2.19. Cash Flow statement

Cash flows are reported using the indirect method, whereby profit or loss for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.20. Employee Benefits

Short Term Employment benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia are recognized in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Post Employment Employee Benefits

Retirement benefits to employees comprise payments to government provident funds, gratuity fund and Employees State Insurance.

Defined Contribution Plans

The Company's contribution to defined contributions plans such as Provident Fund, Employee State Insurance are recognised in the Statement of Profit and Loss in the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective Funds.

Defined Benefit Plans

Gratuity liability is defined benefit obligation. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation by an independent actuary, using the projected unit credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the Balance Sheet date.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Actuarial gains/losses are recognized in the other comprehensive income.

2.21. Income Taxes

Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Minimum alternative tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay income tax higher than that computed under MAT, during the year that MAT is permitted to be set off under the Income Tax Act, 1961 (specified year). In the year, in which the MAT credit becomes eligible to be recognized as an asset the said asset is created by way of a credit to the Statement of profit and loss and shown as MAT credit entitlement.

The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay income tax higher than MAT during the specified year.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

2.22. Assets Held for Sale

Non-current assets are classified as held for sale when their carrying amount will be recovered principally through a sale transaction rather than continuing use and a sale is highly probable.

Assets designated as held for sale are measured at the lower of carrying amount at designation and fair value less costs to sell.

2.23. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

For cash and other liquid assets, the fair value is assumed to approximate to book value, given the short-term nature of these instruments. For those items with a stated maturity exceeding twelve months, fair value is calculated using a discounted cash flow methodology.

A fair value measurement of a non-financial asset considers a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

Note No. 28 - Employee benefits

(a) Defined Contribution Plan

The Company's contribution to Provident Fund aggregating INR 61.83 lakhs (previous year Rs 52.86 Lakhs) has been recognised in the Statement of Profit or Loss under the head Employee Benefits Expense.

(b) Defined Benefit Plans:

Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of the defined benefit plan is calculated by estimating the amount of future benefit that employee has earned in exchange of their service in the current and prior periods and discounted back to the current valuation date to arrive at the present value of the defined benefit obligation. The defined benefit obligation is deducted from the fair value of plan assets, to arrive at the net asset / (liability), which need to be provided for in the books of accounts of the Company. As required by the Ind AS19, the discount rate used to arrive at the present value of the defined benefit obligations is based on the Indian government security yields prevailing as at the balance sheet date that have maturity date equivalent to the tenure of the obligation. The calculation is performed by a qualified actuary using the projected unit credit method. Remeasurements arising from defined benefit plans comprises of actuarial gains and losses on benefit obligations. The Company recognizes these items of remeasurements immediately in other comprehensive income and all the other expenses related to defined benefit plans as employee benefit expenses in their profit and loss account. When the benefits of the plan are changed, or when a plan is curtailed or settlement occurs, the portion of the changed benefit related to past service by employees, or the gain or loss on curtailment or settlement, is recognized immediately in the profit or loss account when the plan amendment or when a curtailment or settlement occurs.

NATURE OF BENEFITS

The Company operates a defined benefit final salary gratuity plan which is open to new entrants. The gratuity benefits payable to the employees are based on the employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company.

GOVERNANCE OF THE PLAN

The Company is responsible for the overall governance of the plan. Since the plan is Funded, the governance of the plan is limited to employees being paid gratuity as per the terms of the plan.

INHERENT RISKS:

The plan is of a final salary defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience can result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature the plan is not subject to any longevity risks.

The significant actuarial assumptions used for the purposes of the actuarial valuations were as follows:

	31 March 2026	31 March 2025
Discount rate	**7.00%**	6.85%
Expected rate of salary increase	**9.00%**	9.00%

Impact of increase in 100 bps on DBO	**4.69%**	6.16%
Defined benefit obligation on decrease in 100 bps	**59.96**	111.94
Impact of decrease in 100 bps on DBO	**-5.06%**	-5.85%

Maturity profile of defined benefit obligation:

Particulars	2026	2025
Expected benefits for year 1	**5.52**	11.50
Expected benefits for year 2	**5.45**	9.91
Expected benefits for year 3	**5.44**	10.16
Expected benefits for year 4	**6.08**	9.86
Expected benefits for year 5	**5.41**	37.06
Expected benefits for year 6	**21.51**	8.14
Expected benefits for year 7	**4.17**	16.23
Expected benefits for year 8	**2.36**	5.99
Expected benefits for year 9	**16.68**	4.70
Expected benefits for year 10 and above	**40.60**	104.84

The weighted average duration of the defined benefit obligation as at 31 March 2026 is 7.06 years (31 March 2025 is 7.35 Years)

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Note No. 29 - Disclosures as per Ind AS 116 -Leases

A) The Company has lease contract for car, details of amount recognised in profit and loss:

(₹ in Lakhs)

Amounts recognised in profit and loss	31 March 2026	31 March 2025
Depreciation expense on right-of-use assets (Note 3A)	**150.17**	169.92
Interest expense on lease liabilities (Note 24)	**15.77**	27.04
Expense relating to short-term leases		56.99
Total	**165.94**	253.95

B) The following table set outs maturity analysis of lease liability to be paid after the reporting date:

(₹ in Lakhs)

Maturity Analysis	31 March 2026	31 March 2025
- Less than 1 years	**78.95**	160.26
- 1 years - 3 years	**–**	107.55
- 3 years - 5 years	**–**	–
- 5 years and above	**–**	–

C) The total cash outflow for leases amount to Rs. 167.93 lakhs (Previous year Rs. 186.44 lakhs) during the year.

D) Below are the carrying amount of lease liabilities and the movement during the year:

(₹ in Lakhs)

Particulars	31 March 2026	31 March 2025
Opening	**267.81**	182.94
Additions / deletions (net)	**(36.71)**	244.27
Accretion of interest	**15.77**	27.04
Payments	**167.93**	186.44
Closing	**78.95**	267.81

E) Below is the breakup of Current and Non current lease liabilities:

(₹ in Lakhs)

Particulars	31 March 2026	31 March 2025
Current lease liabilities (Note 13)	**78.95**	160.26
Non current lease liabilities (Note 13)	**–**	107.55
Total	**78.95**	267.81

Note No. 30 - Key Ratios

Particulars	Numerator	Denominator	2025-26	2024-25	Variance	Reason for Variance
Current Ratio	Current Assets	Current Liabilities	1.34	1.12	-20%	Reduction in liabilities

Note No. 31A - Fair Valuation techniques used to determine fair value

The Company maintains procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date

The following methods and assumptions were used to estimate the fair values:

The Company has not disclosed the Fair values of cash and cash equivalents, trade payables and other financial assets and liabilities because their carrying amounts are reasonable approximation of fair values.

The fair values of trade receivables and current loans are calculated based on expected credit loss method and discounted cash flow using a current lending rate respectively. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including credit risk. The fair values of non-current loan are approximate at their carrying amount due to interest bearing features of these instruments.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Fair values of quoted financial instruments are derived from quoted market prices in active markets.

The fair value of investments in unlisted equity shares is determined using a combination of direct sales comparison and income approach

The fair value of the remaining financial instruments is determined using discounted cash flow analysis and/or direct sales comparison approach.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques:

Level 1 : Quoted prices / published NAV [unadjusted] in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date and financial instruments like mutual funds for which net assets value [NAV] is published by mutual fund operators at the balance sheet date.

Level 2 : Inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly [that is, as prices] or indirectly [that is, derived from prices]. It includes fair value of the financial instruments that are not traded in an active market [for example, over-the-counter derivatives] is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the Company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.

Level 3 : Inputs for the asset or liability that are not based on observable market data [that is, unobservable inputs]. If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Cash and Cash Equivalents, Other Financial Assets, Long Term and Short Term Borrowings, Trade Payables and Other financial liabilities are shown at amortised cost. The following table provides hierarchy of the fair value measurement of Company's asset and liabilities, grouped into Level 1 [Quoted prices in active markets], Level 2 [Significant observable inputs] and Level 3 [Significant unobservable inputs] as described below:

(₹ in Lakhs)

Financial Risk Management - Objectives and Policies

The Company is exposed to market risk, credit risk and liquidity risk. Risk management is carried out by the company under policies approved by the board of directors. This Risk management plan defines how risks associated with the Company will be identified, analysed, and managed. It outlines how risk management activities will be performed, recorded, and monitored by the Company. The basic objective of risk management plan is to implement an integrated risk management approach to ensure all significant areas of risks are identified, understood and effectively managed, to promote a shared vision of risk management and encourage discussion on risks at all levels of the organization to provide a clear understanding of risk/benefit trade-offs, to deploy appropriate risk management methodologies and tools for use in identifying, assessing, managing and reporting on risks, and to determine the appropriate balance between cost and control of risk and deploy appropriate resources to manage/optimize key risks. Activities are developed to provide feedback to management and other interested parties [e.g. Audit committee, Board etc.]. The results of these activities ensure that risk management plan is effective in the long term.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise of three types of risk: foreign currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and investments. The sensitivity analysis is given relating to the position as at 31 March 2026 and 31 March 2025. The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations, provisions and on the non-financial assets and liabilities. The sensitivity of the relevant statement of profit and loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks, including the effects of changes in foreign currency exchange rates and interest rates. This is based on the financial assets and financial liabilities held as at 31 March 2026 and 31 March 2025.

Foreign exchange risk and sensitivity

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. The Company regularly reviews and evaluates exchange rate exposure arising from foreign currency transactions. There are no foreign currency receivables and payables outstanding as on 31 March 2026 and 31 March 2025.

Interest rate risk and sensitivity:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates

Commodity price risk:

The Company is exposed to the movement in price of key traded materials in domestic and international markets. The Company has entered into contracts for procurement of material. However the Company is not exposed to significant risk.

Equity price risk:

The Company has decided to fair value its equity instruments through Other Comprehensive Income and carry investment in controlled entities at cost. Therefore neither profit or loss nor equity will be affected by the equity price risk of those instruments. Accordingly, no sensitivity analysis is required.

Credit Risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities [primarily trade receivables] and from its financing activities, including deposits with banks, foreign exchange transactions and other financial instruments.

Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times, maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on operating cash flows and short term borrowings in the form of working capital loan & Export Packing Credit to meet its needs for funds. Company does not breach any covenants on any of its borrowing facilities. The Company has access to a sufficient variety of sources of funding as per requirement.

Competition and price risk

The Company faces competition from local and foreign competitors. Nevertheless, it believes that it has competitive advantage in terms of high quality products and by continuously upgrading its expertise and range of products to meet the needs of its customers.

Note No. 32 - Capital Management

For the purpose of Company's capital management, capital includes issued capital, all other equity reserves and debts. The primary objective of the Company's capital management is to maximise shareholders value. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The Company monitors capital using gearing ratio, which is net debt divided by total capital [equity plus net debt]. Net debt are noncurrent and current debts as reduced by cash and cash equivalents, other bank balances and current investments. Equity comprises all components including other comprehensive income.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF RESURGENCE SOLARIZE URJA PRIVATE LIMITED

Report on the Audit of Ind AS Financial Statements

1. Opinion

We have audited the accompanying Ind AS financial statements of Resurgence Solarize Urja Private Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and a summary of material accounting policies and other explanatory information (hereinafter referred to as 'Ind AS financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended of the state of affairs of the Company as at March 31, 2026, its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing, as prescribed under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 ("the Act") and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Ind AS financial statements.

3. Other Information (Information other than the Ind AS financial statements and Auditor's report thereon)

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Directors Report, but does not include the Ind AS financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

4. Management's responsibility for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

5. Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with Standards on auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

i. Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control with reference to Ind AS financial statements in place and the operating effectiveness of such controls.

iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

v. Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

6. Report on Other Legal and Regulatory Requirements

(i) As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

(ii) As required by section 143 (3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the Ind AS financial statements.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, Statement of Profit and Loss including Other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under section 133 of the Act read with rule 3 of Companies (Indian Accounting Standards) Rules 2015, as amended.

e) On the basis of written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls with reference to Ind AS financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the provisions of said section are not applicable to the Company for the year ended March 31, 2026;

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would have an impact on its financial position;

ii. The Company does not have any long-term contracts including derivative contracts for which there are any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. No dividend has been declared or paid during the year by the company in compliance with section 123 of the Companies Act, 2013.

vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.

Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail been preserved by the Company as per the statutory requirements for the record retention.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Annexure A to the Independent Auditor's Report of even date on the Ind AS financial statements of Resurgence Solarize Urja Private Limited on the matters specified in paragraphs 3 and 4 of the Companies (Auditor's Report) Order, 2020.

Referred to in paragraph [6(i)] under Report on Other Legal and Regulatory Requirements of our report of even date

(i) (a) (A) As per the information and explanations given to us and the records of the Company examined by us, the company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipments.

(B) According to the information and explanations given to us and the records of the Company examined by us, the Company does not have any Intangible assets and accordingly, reporting under Clause 3 (i) (a) (B) is not applicable.

(b) As per the information and explanations given to us and the records of the Company examined by us, the Property, Plant and Equipments have been physically verified by the management at regular intervals. As per the information and explanations given to us and the records of the Company examined by us, there were no material discrepancies noticed on such verification.

(c) According to information and explanations given to us, the title deeds of all the immovable properties (other than those where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.

(d) According to information and explanations given to us, the company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) during the year.

(e) No proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

(ii) (a) As per the information and explanations given to us, the company does not have any inventory during the year. hence, reporting under Clause 3(ii)(a) of the order is not applicable.

(b) Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Hence, reporting under this Clause 3(ii)(b) is not applicable.

(iii) (a) According to the information and explanations given to us, and on the basis of our verification of records of the Company, the Company has not provided loans or advances and guarantees or security to subsidiaries, joint ventures and associates, hence reporting under clause 3(iii)(a)(A and B) of the Order are not applicable to the Company.

(b) According to the information and explanations given to us, and on the basis of our verification of records of the Company, the company has not made any investment and provided guarantees prejudicial to the company's interest, hence reporting under clause 3(iii)(b) of the Order is not applicable to the Company.

(c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the Order is not applicable to the Company.

(iv) In our opinion and according to the information and explanations provided to us, the Company has not given any loans and neither made any investments nor provided any guarantees and security as specified in Section 185 and 186 of the Companies Act, 2013 and accordingly provisions of clause (iv) of Order are not applicable.

(v) As informed, the Company has not accepted any deposits during the year from public within the meaning of the directives issued by Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and rules framed thereunder and thus the provisions of Clause 3(v) of the Order are not applicable.

(vi) According to the information and explanations given to us by the management and in our opinion, the Central Government has not specified the maintenance of cost records under Section 148(1) of the Act, for the services provided by the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable.

(vii) a) According to the information and explanations given to us, and on the basis of our verification of records of the Company, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Income Tax, Goods and Service Tax, Cess. There were no undisputed amounts of statutory dues including Income Tax, Goods and Service Tax, Cess which were due for more than six months from the date they become payable as at the year end.

b) According to the records examined by us and as per the information and explanations given to us, there are no statutory dues outstanding as at March 31, 2026 which have not been deposited on account of disputes.

(viii) According to the information and explanations given to us, and on the basis of our verification of records of the Company, there are no transactions which are not recorded

in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) a) According to the information and explanations given to us by the management and in our opinion, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

b) According to the information and explanations given to us, and on the basis of our verification of records of the Company, the Company has not been declared wilful defaulter by any bank or financial institution or other lender.

c) The Company has not taken any term loan, hence reporting under clause ix (c) of the order is not applicable.

d) According to the information and explanations given to us by the management and in our opinion, the Company has not raised any funds on short term basis during the year. Accordingly, reporting under clause 3(ix) (d) of the Order is not applicable.

e) According to the information and explanations given to us, and on the basis of our verification of records of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligation of its subsidiary, associates or joint ventures, hence reporting under clause ix (e) of the order is not applicable to the Company.

f) According to the information and explanations given to us, and on the basis of our verification of records of the Company, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, hence reporting under clause ix (f) of the order is not applicable to the Company.

(x) (a) According to the information and explanations given to us, and on the basis of our verification of records of the Company, the Company has not raised any money by way of initial public offer, further public offer (including debt instruments) during the year, hence reporting under clause (x) (a) of order is not applicable.

(b) According to the information and explanations given to us, and on the basis of our verification of records of the Company, the company has not made any preferential allotment of shares during the year and thus the provisions of this Clause are not applicable.

(xi) (a) Based on the audit procedure performed for the purpose of reporting the true and fair view of the Ind AS financial statements and according to the information and explanation given by the management, we report that no fraud by the company and no material fraud on the company has been noticed or reported during the year.

(b) No report under sub section (12) of section 143 of the Companies Act has been filed in the form of ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the central government during the year and up to the date of this audit report.

(c) According to the information and explanations given to us, and on the basis of our verification of records of the Company, there were no whistle blower complaints received by the company during the year and up to the date of this report.

(xii) In our opinion and according to the information and explanation given to us, the Company is not a nidhi Company. Accordingly, provision of clause 3 (xii) (a) to (c) of the order is not applicable.

(xiii) According to the information and explanation given to us and based on our verification of the records of the Company and on the basis of review and approvals by the Board of Directors, the transactions with the related parties are in compliance with Section 177 and 188 of the Act where applicable and the details have been disclosed in the Ind AS financial statements as required by applicable accounting standard.

(xiv) According to the information and explanations given by the management, the provisions of Section 138 of the Act relating to Internal Audit is not applicable to the Company and accordingly, reporting under clause 3(xiv)(a) and 3(xiv) (b) of the Order is not applicable for the year.

(xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or person connected with them. Accordingly, paragraph 3 (xv) of the Order is not applicable.

(xvi) (a) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company and hence reporting under clause 3 (xvi)(a) is not applicable to the Company.

(b) According to the information and explanations given by the management and in our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, reporting under clause 3 (xvi) (b) of the Order is not applicable.

(c) According to the information and explanations given by the management and in our opinion, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence reporting under clause 3 (xvi)(c) is not applicable to the Company.

(d) According to the information and explanation given to us by the management, the Group has five CIC as part of the group.

(xvii) According to the information and explanations given to us and based on our examination of the records of the Company, the company has not incurred cash losses during the current financial year. However, it had incurred cash losses of Rs. 7,48,619/- in the previous financial year.

(xviii) There has been no resignation of the Statutory Auditors of the Company during the year.

(xix) According to the information and explanation given to us and on the basis of financial the ratios, aging and expected dates of realisation of financial assets and payment to financial liabilities, other information accompanying the Ind AS financial statements, our knowledge of the board of directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention which causes us to believe that any material uncertainty exists as on the date of the audit report that the company is not capable of meeting its liabilities existing as at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

(xx) The Provision of Section 135 of the Companies Act, 2013 are not applicable. hence, reporting under clause (xx) (a) and (b) not applicable to the Company as on reporting date.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Annexure B to the Independent Auditor's Report of even date on the Ind AS financial statements of Resurgence Solarize Urja Private Limited

Referred to in paragraph [6(ii)(f)] under Report on Other Legal and Regulatory Requirements of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls with reference to Ind AS Financial Statements of Resurgence Solarize Urja Private Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Ind AS Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by "The Institute of Chartered Accountants of India" (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

   Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

   We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Ind AS Financial Statements.

Meaning of Internal Financial Controls with reference to Ind AS Financial Statements

4. A company's internal financial control with reference to Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Ind AS Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls with reference to Ind AS Financial Statements

5. Because of the inherent limitations of internal financial controls with reference to Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS Financial Statements to future periods are subject to the risk that the internal financial control with reference to Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

6. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Ind AS Financial Statements and such internal financial controls with reference to Ind AS Financial Statements were operating effectively as at March 31, 2026, based on the internal control with reference to Ind AS Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India.

STATEMENT OF CASH FLOWS FOR THE YEAR ENDED 31 MARCH 2026

(Amount in Rs. Thousands)

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Cash flows from operating activities		
Profit /(Loss) after tax for the year	**2,441.90**	(748.62)
Adjustments for:		
Finance costs recognised in Profit or Loss	**18,093.88**	–
Depreciation expense recognised in Profit or Loss	**13,253.98**	–
Profit on Sale of Fixed Assets	**(20,438.70)**	–
Interest on Fixed Deposit	**(226.54)**	–
Deposit written off	**10,000.00**	
Cash flow from operating activities before working capital changes	**23,124.52**	(748.62)
Movements in working capital:		
(Increase)/Decrease in trade receivables	**(2,275.36)**	–
(Increase)/Decrease in other current assets	**35.30**	31,367.22
(Increase)/Decrease in other current financial assets	**(72.95)**	–
(Increase)/Decrease in non-current Financial Assets	**–**	–
(Decrease)/Increase in trade payables	**1,593.82**	1,068.50
(Decrease)/Increase in other financial liabilities	**(5,664.40)**	(5,700.60)
(Decrease)/increase in other current liabilities	**24,609.12**	741.03
Cash generated from operations	**41,350.05**	26,727.53
Income taxes paid	**–**	–
Net cash used in operating activities	**41,350.05**	26,727.53
Cash flows from investing activities		
Payments for property, plant and equipment	**(43,384.99)**	(3,77,648.01)
Proceeds from sale of property, plant and equipment	**4,83,100.00**	
Net cash used in investing activities	**4,39,715.01**	(3,77,648.01)
Cash flows from financing activities		
Cash Flow from issue of Equity Share	**65,200.00**	–
Proceed from borrowings	**–**	3,70,000.00
Repayment of Borrowings	**(3,70,000.00)**	
Interest paid	**(42,539.89)**	(1,858.58)
Interest Received	**213.59**	–
Net cash from financing activities	**(3,47,126.30)**	3,68,141.42
Net increase/(decrease) in cash and cash equivalents	**1,33,938.76**	17,220.94
Cash and cash equivalents at the beginning of the year	**17,324.14**	103.20
Cash and cash equivalents at the end of the year	**1,51,262.90**	17,324.14

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

Company Overview and Material Accounting Policies and Information

1. Company Overview

Resurgence Solarize Urja Private Limited (the 'company') is domiciled in India and is a subsidiary of Mahindra Solarize Private Limited. The Company has been incorporated under the provisions of the Companies Act, 2013 on August 29, 2022.

The Company is engaged in the business of providing services in the areas of Engineering, Procurement and Construction of power plants in renewable energy, operations and maintenance, analytics, energy management services, sale of power and sale of solar water pump.

2. Material Accounting Policies and Information

2.1 Basis of Preparation of financial statements

The Company's financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs under sections 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules 2017.

The financial statements of the Company for the year ended 31 March 2026 were approved for issue in accordance with the resolution of the Board of Directors on 15 April 2026.

2.2 Basis of accounting

The Company maintains its accounts on accrual basis following the historical cost convention, except for certain financial instruments that are measured at fair values in accordance with Ind AS. Further, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

2.3 Presentation of Financial Statements

The Balance Sheet, Statement of Profit and Loss, Cash Flow Statement and Statement of Changes in equity are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards.

2.4 Current / Non-Current classification

An asset or liability is classified as 'current' when it satisfies any of the following criteria:

(i) it is expected to be realized or settled, or is intended for sale or consumption in, the company's normal operating cycle;

(ii) it is held primarily for the purpose of being traded;

(iii) it is expected to be realized or settled within twelve months from the reporting date; or

(iv) an asset is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for atleast twelve months from the reporting date

(v) in case of liability, the company does not have an unconditional right to defer settlement of the liability for atleast twelve months from the reporting date.

All other assets and liabilities are classified as non-current.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out above which are in accordance with Schedule III to the Act.

Operating Cycle

Based on the nature of products and services of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.5 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of material accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

This note provides an overview of the areas that involved a higher degree of judgement or complexity and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in the relevant note.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

A. Judgements in applying material accounting policies

The judgements, apart from those involving estimations (see note below) that the Company has made in the process of applying its material accounting policies and that have a significant effect on the amounts recognised in these financial statements pertain to useful life of assets. The Company is required to determine whether its intangible assets have indefinite or finite life which is a subject matter of judgement.

B. Key source of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

a) Property, Plant and Equipment

Determination of the estimated useful lives of Property, Plant and Equipment (PPE) and the assessment as to which components of the cost may be capitalized. Useful lives of items of PPE are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

b) Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined based on the prevailing market yields of Indian Government Securities as at the Balance Sheet Date for the estimated term of the obligations.

c) Recognition of deferred tax assets

A deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised.

d) Recognition and measurement of other provision

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the figure included in other provisions.

e) Discounting of long-term financial instruments

All financial instruments are required to be measured at fair value on initial recognition. In case of financial instruments which are required to be subsequently measured at amortised cost, interest is accrued using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

2.6 Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest thousands, unless otherwise indicated.

2.7 Property, plant and equipment and Depreciation

Property, Plant and Equipment is recognized when it is possible that future economic benefits associated with the item will flow to the Company and the cost can be measured reliably.

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company. Advance given towards acquisition of Property, Plant and Equipment outstanding at the reporting date are disclosed as capital advances under Non-Current Assets.

Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition is recognized in the Statement of Profit and Loss in the same period.

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is generally recognised in the statement of profit and loss. Assets acquired under finance leases are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the company will obtain ownership by the end of the lease term. Freehold land is not depreciated.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

2.8 Intangible Assets

Intangible assets that the Company controls and from which it expects future economic benefits are capitalised upon acquisition at cost comprising the purchase price and directly attributable costs to prepare the assets for its intended use.

Intangible Assets is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition is recognized in the Statement of Profit and Loss in the same period.

Intangible assets that have finite lives are amortised over their useful lives by the straight-line method.

2.9 Investments in Subsidiaries, Associates and Joint ventures

Investments in Subsidiaries, Associates and Joint Ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount.

On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

2.10. Inventories

Construction material, components, stores and spares are valued at lower of cost or net realisable value. Cost is determined on first in first out basis and comprise all cost of purchase, duties, taxes and all other costs incurred in bringing the inventory to their present location and condition.

2.11. Impairment of non-financial assets

The Company assesses at each balance sheet date whether there is any indication that an asset or cash generating unit (CGU) may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or CGU's net selling price or its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount.

Impairment losses are recognised in the statement of profit and loss. They are allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets in the CGU on a pro rata basis.

An impairment loss in respect of goodwill is not reversed. For other assets, an impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

2.12. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial Recognition

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets that are not at fair value through profit or loss are added to the fair value on initial recognition.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in two broad categories:- i] Financial assets at fair value and ii] Financial assets at amortised cost. Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss [i.e fair value through profit or loss], or recognised in other comprehensive income [i.e. fair value through other comprehensive income]. A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Derecognition

The company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retain substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

Impairment of financial asset

For impairment of financial assets, Company applies expected credit loss (ECL) model. Following financial assets and credit risk exposure are covered within the ECL model:

a. Financial assets that are debt instruments, and are measured at amortised cost e.g. loans, debt securities, deposits, trade receivables and bank balance

b. Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables including receivables recognised under service concession arrangements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, then the impairment loss is provided based on lifetime ECL.

Financial liabilities

Initial recognition

The company initially recognises borrowings, trade payables and related financial liabilities on the date on which they are originated.

All other financial instruments (including regular-way purchases and sales of financial assets) are recognised on the trade date, which is the date on which the company becomes a party to the contractual provisions of the instrument.

Non-derivative financial liabilities are initially recognised at fair value, net of transaction costs incurred.

Subsequent measurement

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

2.13. Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

2.14. Provisions and Contingencies

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events, it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of the obligation. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate. Contingent liabilities are not provided for and are disclosed by way of notes unless the possibility of outflow of resources embodying economic benefits is remote

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost in the statement of profit and loss.

2.15. Revenue recognition

Contract revenue includes the initial amount agreed in the contract plus any variations in contract work, claims and incentive payments, to the extent that it is probable that they will result in revenue and can be measured reliably.

If the outcome of a construction contract can be estimated reliably, contract revenue is recognised in profit or loss in proportion to the stage of completion of the contract. The stage of completion is assessed by reference to surveys of work performed. Otherwise, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable.

Revenue related to construction or upgrade services provided under a service concession arrangement is recognised based on the stage of completion of the work performed. Operation or service revenue is recognised in the period in which the services are provided by the company.

Interest income is recognised in the Statement of Profit and Loss using the effective interest method.

2.16. Borrowing Cost

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

2.17. Earnings per equity share

Basic earnings per equity share is computed by dividing the net profit or loss attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit or loss attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed to have been converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period.

2.18. Cash Flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.19. Employee Benefits

Short Term Employment benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia are recognized in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Post Employment Employee Benefits

Retirement benefits to employees comprise payments to government provident funds, gratuity fund and Employees State Insurance.

Defined Contribution Plans

The Company's contribution to defined contributions plans such as Provident Fund, Employee State Insurance are recognised in the Statement of Profit and Loss in the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective Funds.

Defined Benefit Plans

Gratuity liability is defined benefit obligation. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation by an independent actuary, using the projected unit credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the Balance Sheet date.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Actuarial gains/losses are recognized in the other comprehensive income.

2.20. Income Taxes

Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Minimum alternative tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay income tax higher than that computed under MAT, during the year that MAT is permitted to be set off under the Income Tax Act, 1961 (specified year). In the year, in which the MAT credit becomes eligible to be recognized as an asset the said asset is created by way of a credit to the Statement of profit and loss and shown as MAT credit entitlement.

The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay income tax higher than MAT during the specified year.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year.

2.21. Assets Held for Sale

Non-current assets are classified as held for sale when their carrying amount will be recovered principally through a sale transaction rather than continuing use and a sale is highly probable.

Assets designated as held for sale are measured at the lower of carrying amount at designation and fair value less costs to sell.

2.22. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

For cash and other liquid assets, the fair value is assumed to approximate to book value, given the short-term nature of these instruments. For those items with a stated maturity exceeding twelve months, fair value is calculated using a discounted cash flow methodology.

A fair value measurement of a non-financial asset considers a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

Note No. 23 - Fair Valuation techniques used to determine fair value

The Company maintains procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

I) Fair value of cash and cash equivalents, trade payables, borrowings and other financial assets and liabilities are approximate at their carrying amounts largely due to the short-term maturities of these instruments.

II) The fair values of trade receivables and current loans are calculated based on expected credit loss method and discounted cash flow using a current lending rate respectively. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including credit risk. The fair values of non-current loan are approximate at their carrying amount due to interest bearing features of these instruments.

III) The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

IV) Fair values of quoted financial instruments are derived from quoted market prices in active markets.

V) The fair value of investments in unlisted equity shares is determined using a combination of direct sales comparison and income approach.

VI) The fair value of the remaining financial instruments is determined using discounted cash flow analysis and/or direct sales comparison approach.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques:

Level 1: Quoted prices / published NAV [unadjusted] in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date and financial instruments like mutual funds for which net assets value [NAV] is published by mutual fund operators at the balance sheet date.

Level 2: Inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly [that is, as prices] or indirectly [that is, derived from prices]. It includes fair value of the financial instruments that are not traded in an active market [for example, over-the-counter derivatives] is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the Company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.

Level 3: Inputs for the asset or liability that are not based on observable market data [that is, unobservable inputs]. If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Cash and Cash Equivalents, Other Financial Assets, Trade Payables and Other financial liabilities are shown at amortised cost. The following table provides hierarchy of the fair value measurement of Company's asset and liabilities, grouped into Level 1 [Quoted prices in active markets], Level 2 [Significant observable inputs] and Level 3 [Significant unobservable inputs] as described below:

31 March 2026			**(Amount in Thousands)**
Particulars	**Level-1**	**Level-2**	**Level-3**
Financial Assets designated at amortised cost:			
Other Financial Assets	–	–	82.95

31 March 2026			**(Amount in Thousands)**
Particulars	**Level-1**	**Level-2**	**Level-3**
Financial Liabilities designated at amortised cost:			
Borrowings.....	–	–	–
Trade payables.....	–	–	2,693.82
Other Financial Liabilities..	–	–	–

31 March 2025			**(Amount in Thousands)**
Particulars	**Level-1**	**Level-2**	**Level-3**
Financial Assets designated at amortised cost:			
Other Financial Assets	–	–	10,010.00
Financial Liabilities designated at amortised cost:			
Borrowings	–	–	4,04,309.46
Trade payables.....	–	–	1,100.00
Other Financial Liabilities..	–	–	22,391.76

There were no transfers between level 1 and level 2 during the year

Financial Risk Management - Objectives and Policies

The Company is exposed to market risk, credit risk and liquidity risk. Risk management is carried out by the company under policies approved by the board of directors. This Risk management plan defines how risks associated with the Company will be identified, analysed, and managed. It outlines how risk management activities will be performed, recorded, and monitored by the Company. The basic objective of risk management plan is to implement an integrated risk management approach to ensure all significant areas of risks are identified, understood and effectively managed, to promote a shared vision of risk management and encourage discussion on risks at all levels of the organization to provide a clear understanding of risk/benefit trade-offs, to deploy appropriate risk management methodologies and tools for use in identifying, assessing, managing and reporting on risks, and to determine the appropriate balance between cost and control of risk and deploy appropriate resources to manage/ optimize key risks. Activities are developed to provide feedback to management and other interested parties [e.g. Audit committee, Board etc.]. The results of these activities ensure that risk management plan is effective in the long term.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise of three types of risk: foreign currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and investments. The sensitivity analysis is given relating to the position as at 31 March 2026 and 31 March 2025. The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations, provisions and on the non-financial assets and liabilities. The sensitivity of the relevant statement of profit and loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks, including the effects of changes in foreign currency exchange rates and interest rates. This is based on the financial assets and financial liabilities held as at 31 March 2026 and 31 March 2025.

Foreign exchange risk and sensitivity

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company regularly reviews and evaluates exchange rate exposure arising

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

from foreign currency transactions. There are no foreign currency receivables and payables outstanding as on 31 March 2026 and 31 March 2025.

Interest rate risk and sensitivity:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Commodity price risk:

The Company is exposed to the movement in price of key traded materials in domestic and international markets. The Company has entered into contracts for procurement of material. However the Company is not exposed to significant risk.

Equity price risk:

The Company has decided to fair value its equity instruments through Other Comprehensive Income and carry investment in jointly controlled entities at Cost. Therefore neither profit or loss nor equity will be affected by the equity price risk of those instruments. Accordingly, no sensitivity analysis is required.

Credit Risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities [primarily trade receivables] and from its financing activities, including deposits with banks.

Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times, maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on operating cash flows and short term borrowings to meet its need for funds. Company does not breach any covenants [where applicable] on any of its borrowing facilities. The Company has access to a sufficient variety of sources of funding as per requirement.

Competition and price risk

The Company faces competition from local and foreign competitors. Nevertheless, it believes that it has competitive advantage in terms of high quality products and by continuously upgrading its expertise and range of products to meet the needs of its customers.

Note No. 24 - Capital Management

For the purpose of Company's capital management, capital includes issued capital, all other equity reserves and debts. The primary objective of the Company's capital management is to maximise shareholders value. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The Company monitors capital using gearing ratio, which is net debt divided by total capital [equity plus net debt]. Net debt are non-current and current debts as reduced by cash and cash equivalents, other bank balances and current investments. Equity comprises all components including other comprehensive income.

(Amount in Thousands)

Particulars	As at 31 March 2026	As at 31 March 2025
Total Debt	–	3,70,000.00
Cash and Cash Equivalent	1,51,262.90	17,324.14
Net Debt	(1,51,262.90)	3,52,675.86
Total Equity [Equity Share Capital plus Other Equity] (Rs. in Thousands)	1,64,180.50	96,538.60
Total Capital [Total Equity plus net debt] (Rs. in Thousands)	1,64,180.50	96,538.60
Gearing ratio	–	3.65

Note No. 25- Sundry Creditors, Other Liabilities and Provisions

Disclosure of sundry creditors under current liabilities is based on the information available with the Company regarding the status of the suppliers as defined under the "Micro, Small and Medium Enterprises Development Act, 2006" (the Act). There are no delays in payment made to such suppliers and there is no overdue amount outstanding as at the Balance sheet date. Relevant disclosures as required under the Act are as follows:

Particulars		31 March 2026	31 March 2025
a.	i) Principal amount remaining unpaid to supplier under the MSMED Act 2006	–	–
	ii) Interest on a) (i) above	–	–
b.	i) Amount of Principal paid beyond the appointed Date	–	–
	ii) Amount of interest paid beyond the appointed date (as per Section 16 of the said Act)	–	–
c.	Amount of Interest due and payable for the year of delay in making payment, but without adding the interest specified under section 16 of the said Act	–	–
d.	Amount of Interest accrued and due	–	–
e.	Amount of further interest remaining due and payable Even in succeeding years	–	–

Note 26 - Segment Reporting

The Company has only one Operating Segment as per IND-AS 108 "Operating Segment" i.e. Generation of Electricity. Hence, information in accordance with the Ind AS issued by the Institute of Chartered Accountants of India on 'Segment Reporting' is not given.

Note 27- Commitments

Estimated amount of contracts remaining to be executed on capital account and not provided for as at March 31, 2026 is Nil (as at March 31, 2025 is Rs. 41850 in thousand)

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

KOTA FARM SERVICES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of KOTA FARM SERVICES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a Summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its loss and its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there-under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl. No.	Key Audit Matter	Auditor's Response
1	Outstanding Other Financial Liabilities amounting to Rs. 30,52,614 for which adequate supporting details and confirmations are not available.	We examined the underlying ledger balances and available records, discussed the nature and age of these balances with management, evaluated management's assessment regarding continued recognition of the liabilities, and considered the adequacy of disclosures in the financial statements. However, we were unable to obtain sufficient appropriate audit evidence in respect of the aforesaid balances.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If We conclude that a material uncertainty exists, We are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the "Annexure 'A'", a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   (c) The Balance Sheet, the Statement of Profit and Loss, Cash Flow Statement and Statement of Changes in Equity dealt with by this Report, are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021.

(e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 'B'" to this report.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i The Company does not have any pending litigations which would impact its financial position.

ii The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

iv a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v No dividend has been declared or paid during the year by the company.

vi The Company is maintaining the books of accounts manually, the assessment and reporting responsibility under Rule 11(g) is not applicable.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Re: KOTA FARM SERVICES LIMITED (the "Company")

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that

(i) a. (A) As there are no Property, Plant and Equipment, the reporting under clause 3(i)(a)(A) of the Order is not applicable to the Company.

(B) As the company is not having any intangible assets, reporting under clause 3(i)(a)(B) of the Order is not applicable.

b. As the company does not have any Property, Plant and Equipment, reporting under clause 3(i)(b) of the Order is not applicable.

c. As the company is not having any immovable properties, reporting under clause 3(i)(c) of the Order is not applicable.

d. As the company is not having any Property, Plant and Equipment or Intangible assets, reporting under clause 3(i)(d) of the Order is not applicable.

e. Based on the information and explanation furnished to us, no proceedings have been initiated on the Company under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and Rules made there under.

(ii) a. As there is no inventory held by company at any point of time during the year, the reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

b. During the year, the company has not been sanctioned, any point of time of the year, working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. Hence reporting under clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) During the year the Company has not made investments in, provided loans, advances in the nature of loans, stood guarantee or provided security to Companies, Firms, Limited Liability Partnerships or any other parties. Hence, the requirement to report under clause 3(iii) of the Order is not applicable to the Company.

(iv) In our opinion and according to the information and explanations given to us, the company has not granted any loans or provided any guarantees or given any security or made any investments to which the provision of Sections 185 and 186 of the Companies Act, 2013 attract. Hence, clause 3(iv) of the order is not applicable.

(v) The Company has not accepted any deposit, within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended) during the year hence, the reporting under clause 3(v) of the order is not applicable.

(vi) In our opinion and according to the information and explanations given to us the maintenance of cost records pursuant to the Companies (Cost Records and Audit) Rules, 2014 has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause 3(vi) of the order is not applicable to the Company.

(vii) a. According to the information and explanations given to us and according to the books and records as produced and examined by us, in respect of statutory dues, the Company has been regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods & Service Tax, Cess and other material statutory dues as applicable with the appropriate authorities. As at last day of financial year, there were no amounts payable in respect of the aforesaid statutory dues outstanding for a period of more than six months from the date they became payable.

b. According to the information and explanations given to us, there were no disputed dues on account of the aforesaid statutory dues as at the year end and hence, reporting under clause 3(vii)(b) is not applicable.

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the company, during the year no tax assessments under the Income-tax Act, 1961 (43 of 1961) have been made.

(ix) a. According to the books and records of the Company examined by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

b. According to the information and explanation given to us and on the basis of our audit procedure, We report that the company has not been declared willful defaulter by any bank or financial institution or other lenders.

c. As the Company has not availed any term loans during the year, the requirement to report on clause 3(ix)(c) of the Order is not applicable to the Company.

d. As the Company has not availed any loans on short term basis during the year, the requirement to report on clause 3(ix)(d) of the Order is not applicable to the Company.

e. On an overall examination of the financial statements of the company, We report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Hence, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.

f. On an overall examination of the financial statements of the company, We report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, the requirement to report on clause 3(ix)(f) of the Order is not applicable to the Company.

(x) a. The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments). Hence, reporting under clause 3(x)(a) of the Order is not applicable to the Company.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

b. According to the information and explanations given by the management, the Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.

(xi) a. To the best of our knowledge and according to the information and explanations given to us and on the basis of examination of the books and records of the Company, carried out in accordance with generally accepted auditing practices in India, no fraud by the Company or on the Company was noticed or reported during the year.

b. According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

c. According to the information and explanations given to us including the representation made to us by the management of the Company, no whistle-blower complaints were received by the Company during the year and hence, reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

(xii) a. The Company is not a Nidhi company and hence, reporting under clause 3(xii)(a), (b) and (c) of the Order is not applicable to the Company.

(xiii) According to the information and explanations given to us, the Company has not entered into any transactions with related parties during the year and hence reporting under clause 3(xiii) of the order is not applicable to the Company.

(xiv) a. The Company is not required to have internal audit system as required under Section 138 of the Companies Act, 2013 and hence, the reporting under clause 3(xiv)(a) and (b) of the Order is not applicable.

(xv) In our opinion and according to the information and explanations given to us, during the year, Company has not entered into any non-cash transactions with its directors or persons connected with him and accordingly, the reporting under clause 3(xv) of the Order is not applicable to the Company.

(xvi) a. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

b. In our Opinion and based on our examination, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

c. In our opinion and based on our examination, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.

d. According to the information and explanations given by the management, the Group does not have not more than one CIC as part of the Group. Accordingly, the reporting under Clause 3(xvi)(d) is not applicable to the Company.

(xvii) Based on our examination of books of accounts, the company has incurred cash losses amounting to Rs. 11,800 in the current year and Rs. 11,300 in the immediately preceding financial year. has accumulated loss of Rs. 91,35,914/- (31st March 2025: Rs. 91,24,114). Further, the Company's current liabilities exceed its current assets as at 31 March 2026 by Rs. 30,64,414. In our opinion and according to the information and explanations given to us, the operation of the company is discontinued as it is not commercially viable. Accordingly, the company has ceased to be a going concern.

(xviii) There has been no resignation of the statutory auditors during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, it has come to our attention, which causes us to believe that material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We further state that our reporting is based on the facts up to the date of the audit report.

(xx) a. The provision of section 135 is not applicable to the company. Accordingly, reporting under clause 3(xx)(a) & (b) of the Order is not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

on the financial statements of Kota Farm Services Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 Re: KOTA FARM SERVICES LIMITED (the "Company")

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Kota Farm Services Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

1. Corporate Information

Kota Farm services limited ("the company") a Limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956.

The company is engaged in the business of Agri inputs products and Food businesses.

2. Significant accounting policies

2.1 Statement of compliance

The separate financial statements of the Company have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016. The Company adopted IND AS from 1st April, 2016.

The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency.

2.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments and agricultural produce that are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2.3 Revenue recognition

The division has applied Ind AS 115 Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration expected to receive in exchange for those products or services.

The core principle of Ind AS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer.

Sale of goods

Revenue from the sale of goods is recognised upon transfer of control of promised products to customers in an amount that reflects the consideration expected to receive in exchange for those products, at which time all the following conditions are satisfied:

- the Division has transferred to the buyer the control of promised products to customers;
- the Division has identified the contract with customer and performance obligation in the contract.
- the transaction price can be measured reliably;
- it is expected that the consideration associated with the transaction will flow to the Division; and revenue is recognised when the division satisfy the performance obligation.

2.4 Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

2.5 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

2.5.1 Current tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

2.5.2 Deferred tax

Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

2.5.4 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

2.6 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

2.7 Financial instruments

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2.7.1 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

2.7.2 Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

2.7.3 Impairment of financial assets

The Company applies the expected credit loss (ECL) model for recognising impairment loss on financial assets. With respect to trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write- off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

2.7.4 Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised and the proceeds received are recognised as a collateralised borrowing.

2.7.5 Financial liabilities and equity instruments

2.7.5.1 Classification as debt or equity

Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

2.7.5.2 Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Equity instruments issued by the company are recognised at the proceeds received, net of direct issue costs.

All financial liabilities are subsequently measured at amortised cost or at FVTPL.

2.7.5.3 Financial liabilities at FVTPL

A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative (that does not meet hedge accounting requirements) or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

2.8 Going Concern

During the year ended March 2025, the Company has incurred loss after tax of Rs. 11,300 (Profit after tax: 31 March 2024: Rs. 58,545) and has accumulated loss of Rs. 30,48,114 (31 March 2024: Rs. 30,36,814). Further, the Company's current liabilities exceed its current assets as at 31 March 2025 by Rs. Lakhs. In our opinion and according to the information and explanations given to us, the operation of the company is discontinued as it is not commercially viable. Accordingly, the company has ceased to be a going concern.

2.9 Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements in conformity with IND AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

2.9.1 Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgments and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Taxes

There are many transactions and calculations undertaken during the ordinary course of business for which the ultimate tax determination is uncertain. Where the final tax outcome of these matters is different from the amounts initially recorded, such differences will impact the current and deferred tax provisions in the period in which the tax determination is made. The assessment of probability involves estimation of a number of factors including future taxable income.

2.10 Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1st, 2023, as below:

Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information included in an entity's financial statements, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements."

2.11. Earnings per share

Basic EPS is computed by dividing the Profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year.

Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares except where the results would be anti-dilutive.

2.12. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating investing and financing activities of the Company are segregated based on the available information.

2.13. Cash and cash equivalents

Cash and cash equivalents are stated at carrying amount which is deemed to be fair value and are subsequently measured at amortised cost.

Rights, preferences and restrictions attached to equity shares

The Company has only one class of shares referred to as equity shares having a par value of Rs.10/-. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends "if any" in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting "if any". In the event of liquidation of the Company, the holders of equity shares will be entitled to the receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MAHINDRA AGRI SOLUTIONS LIMITED

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

OPINION

We have audited the financial statements of Mahindra Agri Solutions Limited (the "Company") which comprise the balance sheet as at 31 March 2026, and the statement of profit and loss (including other comprehensive income}, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

MANAGEMENT'S AND BOARD OF DIRECTORS RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.

- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's

report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A. As required by Section 143(3) of the Act, we report that:
    a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
    b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
    c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
    d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
    e. On the basis of the written representations received from the directors as on 1 April 2026, 7 April 2026, 8 April 2026, 10 April 2026 and 14 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
    f. the reservation relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(A)(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
    g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

    a. The Company has disclosed the impact of pending litigations as at 31 March 2026 on its financial position in its financial statements - Refer Note 41 to the financial statements.
    b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
    d. (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 43 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

    (ii) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 43 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

e. The Company has neither declared nor paid any dividend during the year.

f. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, we did not come across any instance of the audit trail feature being tampered with. Additionally, where audit trail (edit log) facility was enabled and operated in the previous years, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditor's Report on the Financial Statements of Mahindra Agri Solutions Limited for the year ended 31 March 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified once in three years. In accordance with this programme, property, plant and equipment were verified during the previous years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) (a) The inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year. For stocks lying with third parties at the year-end, written confirmations have been obtained and for goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.

(iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has granted unsecured loans to companies during the year. The Company has not granted secured or unsecured loans to firms, limited liability partnership or any other parties during the year. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. The Company has made investments in other parties, in respect of which the requisite information is as below. The Company has not made any investments in companies, firms or limited liability partnership.

(a) Based on the audit procedures carried on by us and as per the information and explanations given to us the Company has provided unsecured loans to companies. as below:

Particulars	Loans (Rs. in Lakhs)
Aggregate amount during the year Joint venture*	720
Balance outstanding as at balance sheet date Joint venture*	720

*As per the Companies Act, 2013

(b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made during the year and the terms and conditions of the loans granted during the year are not prejudicial to the interest of the Company. According to the information and explanations given to us and based on the audit procedures conducted by us, the Company has not provided any guarantees or security during the year.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular. Further, the Company has not given any advance in the nature of loan to any party during the year.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given. Further, the Company has not given any advances in the nature of loans to any party during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.

(f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.

(iv) In our opinion and according to the information and explanations given to us, the Company has not advanced loans to directors / to a company in which the Director is interested to which provisions of Section 185 of the Act apply and hence not commented upon. The Company has complied with the provisions of Section 186 of the Act, with respect to investments made. Provisions of Section 186 of the Act, is not applicable with respect to loan given. The Company has not provided guarantee or security during the year.

(v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

(vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the products manufactured by it. Accordingly, clause 3(vi) of the Order is not applicable.

(vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, Provident Fund, Income-Tax, Duty of Customs or Cessor other statutory dues have generally been regularly deposited by the Company with the appropriate authorities. As informed to us, there were no dues related to Employees State Insurance.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Income-Tax, Duty of Customs or Cess or other statutory dues were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Income-Tax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

Name of the statute	Nature of the dues	Amount (Rs. in Lakhs)	Amount paid under dispute (Rs. in Lakhs)	Period to which the amount relates	Forum where dispute is pending
West Bengal Sales Tax and Value Added Tax	Central Sales Tax	16.76	2.73	2016-17	Joint Commissioner Commercial Taxes, Kolkata South Circle

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

(ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been

declared a wilful defaulter by any bank or financial institution or government or government authority.

(c) In our opinion and according to the information and explanations given to us by the management, the Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.

(d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has taken funds from following entities and persons on account of or to meet the obligations of its joint venture (as defined under the Act) as per details below:

Nature of fund taken	Name of lender	Amount involved (Rs. Lakhs)	Name of the relevant joint venture	Realtion-ship	Nature of transaction for which funds utilised	Remarks, if any
Inter Corporate Deposit	Mahindra & Mahindra Limited	720	Mahindra Summit Agricience Limited	Joint venture	Working capital and repayment of existing bank loans	–

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures (as defined under the Act).

(x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

(xi) (a) During the course of our examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.

(b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central) Government.

(c) Establishment of vigil mechanism is not mandated for the Company. As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

(xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports of the Company issued till date for the period under audit.

(xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.

(xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.

(b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

(d) According to the information and explanations provided to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) has more than one CIC as part of the Group. The Group has 5 CICs as part of the Group

(xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the

assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The requirements as stipulated by the provisions of Section 135 are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Independent Auditor's Report on the financial statements of Mahindra Agri Solutions Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Mahindra Agri Solutions Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

MANAGEMENT'S AND BOARD OF DIRECTORS' RESPONSIBILITIES FOR INTERNAL FINANCIAL CONTROLS

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

(Currency : Indian rupees in lakhs)

1. Corporate information

Mahindra Agri Solutions Limited ("the Company") a Public Limited Company domiciled in India and incorporated on 11 April 2000 under the provisions of the Companies Act, 1956 (CIN : U01400MH2000PLC125781).

The Company is engaged in the business of Agri inputs products and Food businesses. Seeds and Fruits Export etc. businesses are in operations during the year.

The Company is the subsidiary of Mahindra and Mahindra Limited.

The financial statements for the year ended 31 March 2026 were approved by the Board of Directors and authorised for issue on 21 April 2026.

2. Statement of compliance and basis of preparation and presentation

2.1 Basis of preparation and presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

All assets and liabilities are classified as current if it is expected to realise or settle within 12 months after the Balance Sheet date.

2.2 Functional and presentation currency

The financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest Rs. lakhs, unless otherwise indicated.

2.3 Basis of measurement

The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period. Historical cost is based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

2.5 Measurement of fair value

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant the fair value measurement is unobservable

2.6 Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

i. Critical Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements.

Discount rate used to determine the carrying amount of the Company's employee defined benefit obligation

In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

ii. Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Useful lives of property, plant and equipment

As described in Note 3.5, the Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management has reassessed the useful lives of certain property, plant and equipment and the impact of the change is not material for the year. There were no changes in residual values of the property, plant and equipment.

Impairment of investments

The Company assesses impairment of investments in subsidiaries and joint ventures which are recorded at cost. At the time when there are any indications that such investments have suffered a loss, if any, is recognised in the Statement of profit and loss. The recoverable amount requires estimates of operating margin, discount rate, future growth rate, terminal values, etc. based on management's best estimate.

Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgments and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

(Currency : Indian rupees in lakhs)

Liability for sales return

In making judgment for liability for sales return, the management considered the detailed criteria for the recognition of revenue from the sale of goods set out in Ind AS 115 and in particular, whether the Company had transferred to the buyer the significant risk and rewards of ownership of the goods. Following the detailed quantification of the Company's liability towards sales return, the management is satisfied that significant risk and rewards have been transferred and that recognition of the revenue in the current year is appropriate, in conjunction with the recognition of an appropriate liability for sales return. Accruals for estimated product returns, which are based on historical experience of actual sales returns and adjustment on account of current market scenario is considered by Company to be reliable estimate of future sales returns.

Taxes

There are many transactions and calculations undertaken during the ordinary course of business for which the ultimate tax determination is uncertain. Where the final tax outcome of these matters is different from the amounts initially recorded, such differences will impact the current and deferred tax provisions in the period in which the tax determination is made. The assessment of probability involves estimation of a number of factors including future taxable income.

Defined benefit plans (gratuity benefits)

A liability in respect of defined benefit plans is recognised in the balance sheet and is measured as the present value of the defined benefit obligation at the reporting date less the fair value of the plan's assets. The present value of the defined benefit obligation is based on expected future payments at the reporting date, calculated annually by independent actuaries. Consideration is given to expected future salary levels, experience of employee departures and periods of service.

Allowances for inventories

Management reviews the inventory age listing on a periodic basis. This review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the financial statements for any obsolete and slow-moving items. Management is satisfied that adequate allowance for obsolete and slow-moving inventories has been made in the financial statements.

3. Material accounting policies

3.1 Revenue recognition

The Company has applied Ind AS 115 Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration expected to receive in exchange for those products or services.

The core principle of Ind AS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer.

The accounting policies for specific revenues streams of the Company is summarised below:

Sale of goods:

Revenue from the sale of goods is recognised upon transfer of control of promised products to customers in an amount that reflects the consideration expected to receive in exchange for those products, at which time all the following conditions are satisfied:

- The Company has transferred to the buyer the control of promised products to customers;
- The Company has identified the contract with customer and performance obligation in the contract.
- The transaction price can be measured reliably;
- It is expected that the consideration associated with the transaction will flow to the Company; and revenue is recognised when the company satisfy the performance obligation

The Company recognizes revenue from sales transactions where goods are billed to the customer but held at the Company's facilities until delivery at the customer's request. These arrangements are subject to the following criteria:

- The customer has a legitimate business reason for requesting that the goods be held, such as delayed infrastructure setup or a delay in receiving the goods.
- The customer has accepted the goods and is responsible for any potential loss, damage, or deterioration while the goods are held.
- The Company has a separate identification system to ensure that the goods are specifically for the customer and cannot be redirected or used for another purpose.
- The Company has a demonstrable commitment to hold the goods on behalf of the customer and deliver them when requested.

3.1 Revenue recognition

For the year ended 31 March 2025, the Company had 7 such bill and hold arrangements, recognizing revenue of Rs 184.76 lakhs based on these criteria," however for the year ended 31 March 2026 revenue recognised with bill and hold arrangements is Rs Nil.

Export benefits

Export benefits for sale of goods are accounted for in the year of export based on eligibility and accrual basis, when there is no uncertainty in receiving the same.

Insurance Claims

Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection

3.2 Interest income

Interest income from financial assets is recognised when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

Revenue Recognition Mutual fund and interest income Mutual fund income is accounted as and when the right to receive such income

(Currency : Indian rupees in lakhs)

arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

3.3 Employee benefits

The Company's contribution paid / payable during the year to Superannuation Fund, ESIC and Labour Welfare Fund are recognised in profit or loss.

Provident fund

Contributions to Provident Fund are made to a Trust administered by the Company/Regional Provident Fund Commissioners and are charged to profit or loss as incurred. The Company is liable for the contribution and any shortfall in interest between the amount of interest realised by the investments and the interest payable to members at the rate declared by the Government of India in respect of the Trust administered by the Company.

Post-employment benefit plans

Defined Contribution plans:

Payments to defined contribution retirement benefit scheme for eligible employees in the form of superannuation fund are charged as an expense as they fall due. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made.

Defined benefit plans

The Company operates a defined benefit plan – gratuity fund.

The liability recognised in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the said obligation is determined by discounting the estimated future cash outflows, using market yields of government bonds that have tenure approximating the tenures of the related liability.

The interest income / (expense) are calculated by applying the discount rate to the net defined benefit liability. The net interest income / (expense) on the net defined benefit liability or asset is recognised in the Statement of Profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost

Short-term employee benefit

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in twelve months immediately following the year end are reported as expenses during the year in which the employees perform the services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits after deducting amounts already paid. Where there are restrictions on availment of encashment of such accrued benefit or where the availment or encashment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method.

Employee stock option scheme

Equity-settled share-based payments to employees are measured at the fair value of the equity instruments at the grant date. The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

3.4 Taxation

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

3.5 Property, plant and equipment

Property, plant and equipment (other than bearer plant) held for use in the production or supply of goods or services, or for administrative purposes, are stated in the Balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment if any.

Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets upto the date the assets are ready for use. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Bearer Plant cost includes cost of plant and land preparation upto the planting. Bearer plant are stated in the Balance sheet at cost less accumulated depreciation and accumulated impairment losses.

(Currency : Indian rupees in lakhs)

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation is calculated on Straight Line method over the estimated useful life of all assets. These lives are in accordance with Schedule II to the Companies Act, 2013, other than the following asset classes based on the Company's expected usage pattern supported by technical assessment:

(a) Certain items of Plant and Equipment – 1 to 15 years

(b) Buildings – 15 years

(c) Vehicles – 5 years

(d) Bearer Plant – 3 Years

3.6 Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Intangible assets under development

The Company expenses costs incurred during research phase to profit or loss in the year in which they are incurred. Development phase expenses are initially recognised as intangible assets under development until the development phase is complete, upon which the amount is capitalised as intangible asset.

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible assets, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Useful lives of intangible assets

Estimated useful lives of the intangible assets are as follows:

Computer software	3 years, 10 years
Non-compete fees	5 years
Trademarks	10 years
Technical knowhow	10 years

3.7 Impairment of assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount, which is the higher of the value in use or fair value less cost to sell, of the asset or cash-generating unit, as the case may be, is estimated and impairment loss (if any) is recognised and the carrying amount is reduced to its recoverable amount. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset or a cash-generating unit is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) earlier.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

3.8 Inventories

Inventories are valued at lower of cost (on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges.

Work-in-progress and finished goods include appropriate proportion of overheads.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Stores, spares and tools other than obsolete and slow moving items are carried at cost. Obsolete and slow moving items are valued at cost or estimated net realisable value, whichever is lower.

3.9 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

3.10 Investments

Investments that are readily realisable and intended to be held for not more than a year from the date of acquisition are classified as current investments.

All other investments are classified as long-term investments.

Investment in subsidiaries are measured at cost as per Ind AS 27 - Separate Financial Statements.

Any reductions in the carrying amount and any reversals of such reductions are charged or credited to the Statement of profit and loss.

Cost of investments include acquisition charges such as brokerage, fees and duties.

3.11 Government grants

Government grants related to property, plant and equipment's are recognised and presented by deducting the grant from the carrying amount of the assets at fair value when there is reasonable assurance that they will be received, and the Company will comply with the conditions associated with the grant.

3.12 Financial instruments

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments.

(Currency : Indian rupees in lakhs)

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Classification and subsequent measurement

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on their respective classification.

On initial recognition, a financial asset is classified as - measured at :

- Amortised cost; or
- Fair Value through Other Comprehensive Income (FVTOCI) - equity investment; or
- Fair Value Through Profit or Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

All financial assets not classified as measured at amortised cost or FVTOCI are measured at FVTPL. This includes all derivative financial assets unless designated as effective hedge instruments which are accounted as per hedge accounting requirements discussed below.

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment expenses are recognised in profit or loss. Any gain and loss on derecognition is also recognised in profit or loss.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVTOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves.

The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for medium or long-term strategic purpose. Upon the application of Ind AS 109, the Company has chosen to designate these investments as at FVTOCI as the Company believes that this provides a more meaningful presentation for medium or long-term strategic investments, than reflecting changes in fair value immediately in profit or loss. Dividend income received on such equity investments are recognised in profit or loss.

Equity investments that are not designated to be measured at FVTOCI are designated to be measured at FVTPL. Subsequent changes in fair value are recognised in profit or loss.

Financial liabilities and equity instruments

Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative (that does not meet hedge accounting requirements) or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all of the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for the amount it may have to pay.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised and the proceeds received are recognised as a collateralised borrowing.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Derivative financial instruments

The Company enters into derivative financial instruments, primarily foreign exchange forward contracts to manage its exposure to foreign exchange. Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL.

Derivatives are initially recognised at fair value at the date the contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under hedging reserve. The

(Currency : Indian rupees in lakhs)

gain or loss relating to the ineffective portion is recognised immediately in the profit or loss.

Financial instruments and cash deposits: Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only with approved mutual fund or banks and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company on an annual basis, and may be updated throughout the year subject to approval of the Group's Finance Committee. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Impairment of financial assets

The Company applies the expected credit loss (ECL) model for recognising impairment loss on financial assets. With respect to trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

3.13 Foreign exchange transactions and translation

Transactions in foreign currencies i.e. other than the Company's functional currency of Indian Rupees are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the functional currency using exchange rates prevailing at the date when the fair value is determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise except for exchange differences on transactions entered into in order to hedge certain foreign currency risks (refer policy on Derivative Financial Instruments).

3.14 Earnings per share

Basic EPS is computed by dividing the Profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year.

Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares except where the results would be anti-dilutive.

3.15 Cost recognition

Costs and expenses are recognised when incurred and have been classified according to their primary nature.

The costs of the Company are broadly categorised in employee benefit expenses, depreciation and amortisation and other operating expenses. Employee benefit expenses include employee compensation, allowances paid, contribution to various funds and staff welfare expenses. Other operating expenses majorly include fees to external consultants, cost running its facilities, travel expenses, cost of hardware and software bought for reselling, communication costs and other expenses. Other expenses is an aggregation of costs which are individually not material such as commission and brokerage, bank charges, freight and octroi etc.

Finance costs

The Company's finance costs include:

(i) Interest expense on borrowings and overdrafts

(ii) Interest expense on inter corporate deposits

Interest expense is recognised using effective interest method based on interest rates specified/ implicit in the transactions.

3.16 Research and development expenses

Research expenditure is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. Tangible assets used in research and development are capitalised.

3.17 Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

When the Company is committed to a sale plan involving disposal of an investment, the investment that will be disposed of is classified as held for sale when the criteria described above are met.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

3.18 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating investing and financing activities of the Company are segregated based on the available information.

3.19 Leases

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the Company by the end of the lease term or the cost of the right-of-use asset reflects that the Company will exercise a purchase option. In that case the right-of- use asset will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee:

At commencement or on modification of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of its relative stand-alone prices. However, for the leases of property the Company has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus

(Currency : Indian rupees in lakhs)

any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the Company by the end of the lease term or the cost of the right-of-use asset reflects that the Company will exercise a purchase option. In that case the right-of-use asset will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The Company presents right-of-use assets that do not meet the definition of investment property in 'property and equipment' and lease liabilities in the statement of financial position.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the term of the relevant lease.

3.20 Borrowing costs

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalised until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All the other borrowing costs are recognised in the Statement of Profit and Loss within Finance costs of the period in which they are incurred.

3.21 Segment reporting

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. The Company's chief operating decision maker is the Managing Director and CEO of the Company.

Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on a reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

3.22 Accounting of Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

3.23 Cash and cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short- term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

3.24 "Recent pronouncements"

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to :

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively.

4	2028-2029	**1,508.62**	1,508.62
5	2029-2030	**74.14**	74.14
6	2030-2031	**296.19**	296.19
	Total	**8,859.27**	13,974.27

 # Unrecognised deferred tax assets

Deferred tax assets (DTA) have not been recognised, because it is not probable that future taxable profit will be available against which the Company can use the benefits therefrom:

Deferred tax assets for the carry forward of unused tax losses are recognised to the extent that it is probable that future taxable profits will be available against which the unused tax losses can be utilised. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets - unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

9. Other tax assets / (liabilities) (net)

Particulars	As at 31 March 2026	As at 31 March 2025

b) Rights, preferences and restrictions attached to equity shares

The Company has only one class of equity shares having par value of Rs. 10 per share. Each holder of equity share is entitled to one vote per share. In the event of liquidation, the shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholdings.

During the year, the Company had raised fund through right issue of equity shares 16,594,697 of Rs.10 each to existing equity shareholders in their shareholding ratio.

Terms of Optionally Convertible Redeemable Preference Shares (OCRPS)

Conversion:- The conversion ratio shall be 1 equity share for every 1 OCPRS held by the shareholders in the Company. The minimum holding period will be 6 months. The conversion shall be at the discretion of the Option Holder at any time after the minimum holding period.

Redemption:- The maturity of the OCPRs shall be 20 years from the date of allotment. The OCPRS shall be redeemed at face value at maturity.

Transferability:- OCPRS shall be transferrable, subject to the prior consent of the Company.

Dividend:- The holders of the OCPRS shall carry a cumulative dividend at the fixed rate of 6% per year, out of the profits of the company and the payment of such dividend shall have priority over any dividend rights of the equity shares.

Voting and other rights:- (i) The preference shares shall carry rights as per the provision of Section 47(2) of the Companies Act, 2013. (ii) The Preference shares shall have priority with respect to payment of dividend and repayment of capital vis-a-vis equity shares. (iii) The Preference shareholder shall not have the right of participation in surplus assets and profits, on winding up of the company, which may remain after the entire capital has been repaid.

A. The description of the nature and purpose of each reserve within equity is as follows:

a) Capital reserve is reserve for bargain purchase business combination.

b) Securities premium is received pursuant to the further issue of equity shares at a premium net of the share issue expenses. This is a non-distributable reserve except for the following instances where the share premium account may be applied;

i) towards the issue of unissued shares of the Company to the members of the Company as fully paid bonus shares;

ii) for the purchase of its own shares or other securities;

iii) in writing off the preliminary expenses of the Company;

iv) in writing off the expenses of, or the commission paid or discount allowed on, any issue of shares or debentures of the Company; and

v) in providing for the premium payable on the redemption of any redeemable preference shares or of any debentures of the Company.

c) Share options outstanding account/ Employee stock option outstanding account represents the equity-settled shares and share options granted to employees (refer note 36). The reserve is made up of the cumulative value of services received from employees recorded over the vesting period commencing from the grant date of equity-settled shares and share options and is reduced by the expiry of the share options.

d) Retained earnings are the accumulated profits earned by the Company till date, less transfer to general reserves, dividend (including dividend distribution tax) and other distributions made to the shareholders.

e) The Company has designated its hedging instruments obtained after 1 April 2017 as cash flow hedges and any effective portion of cash flow hedge is maintained in the said reserve. In case the hedging becomes ineffective, the amount is recognised in the Statement of profit and loss.

f) Terms of Optionally Convertible Redeemable Preference Shares (OCRPS)

Conversion:- The conversion ration shall be 1 equity share for every 1 OCPRS held by the shareholders in the company. The minimum holding period will be 6 months. The conversion shall be at the discretion of the Option Holder at any time after the minimum holding period.

Redemption:- The maturity of the OCPRs shall be 20 years from the date of allotment. The OCPRS shall be redeemed at face value at maturity.

Transferability:- OCPRS shall be transferrable, subject to the prior consent of the company.

Dividend:- The holders of the OCPRS shall carry a cumulative dividend at the fixed rate of 6% per year, out of the profits of the company and the payment of such dividend shall have priority over any dividend rights of the equity shares.

Voting and other rights:- (i) The preference shares shall carry rights as per the provision of section 47(2) of the Companies Act, 2013. (ii) The Preference shares shall have priority with respect to payment of dividend and repayment of capital vis-a-vis equity shares. (iii) The Preference shareholder shall not have the right of participation in surplus assets and profits, on winding up of the company, which may remain after the entire capital has been repaid.

Profit before tax	**2,103.29**	569.37
Tax using the Company's domestic tax rate (refer note below)	**25.17%**	25.17%
Expected income tax expenses	**529.36**	143.31
Tax effect of:		
Current year losses for which no deferred tax asset is created	**(676.11)**	(178.12)
Effect of expenses that is non-deductible in determining taxable profit	**276.87**	161.02
Any other reconciling items	**(130.12)**	(126.21)
Tax expenses as per Statement of profit and loss	**–**	–

Notes:

With Effect from Financial Year 2019-20 (Assessment Year 2020-21), the Company has opted for the concessional tax rate of 22% vide circular number 29/2019 dated 02 October 2019 of the Income Tax Act, 1961. Surcharge of 10% and cess of 4% is to be charged in addition to the base rate of 22%.

30. Employee benefits expenses

(i) Defined contribution plans:

The Company's contribution to Provident Fund and Superannuation Fund aggregating Rs 123.88 lakhs for 31 March 2026 (31 March 2025 : Rs 112.98 lakhs) has been recognised in the Statement of Profit or Loss under the head Employee benefits expenses.

(ii) Defined benefit plans:

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated in accordance with the provisions under the Code on Social Security, 2020 or as per the Company Scheme, as applicable. Vesting occurs upon completion of contractual period of continuous years of service as defined in the Code on Social Security, 2020. In case of death while in service, the gratuity is payable irrespective of vesting.

Code on Social Security, 2020

The Code on Social Security, 2020 has been notified and made effective from 21 November 2025, thereby replacing the erstwhile Payment of Gratuity Act, 1972. The Code on Social Security, 2020 has updated the definition of the gratuity salary to "Wages" as defined in the Code on Wages, 2019 and has changed the vesting period for fixed-term contract employees wherever applicable. This change has resulted in an increase in the liability of the Company, and has resulted in a past service cost for the Company.

Impact of Labour Code

On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has considered restructured compensation of its employees with effect from April 1, 2026, and assessed the impact of the changes, consistent with the Labour Codes, draft rules, FAQs and legal opinion. The Company has provided Rs 19.36 lakhs as a increase in provision for Gratuity.

(Currency : Indian rupees in lakhs)

Particulars	Funded Plan Gratuity	
	Year ended 31 March 2026	Year ended 31 March 2025

5. Benefit payments	**(28.18)**	(80.24)
6. Fair value of plan assets at the end of the year	**43.53**	40.54
IV. The major categories of plan assets		
Life insurance corporation fund	**43.53**	40.54

V. Actuarial assumptions

		Year ended 31 March 2026	Year ended 31 March 2025
1. Discount rate		**6.45%**	6.65%
2. Salary escalation		**8.50%**	8.50%
3. Attrition rate	**Age (Years)**	**Rates (p.a.)**	23%
	21-30	**19%**	
	31-40	**16%**	
	41-50	**10%**	
	51-59	**18%**	
4. Mortality rate	**The Indian Assured Lives Mortality (2012-14) Ult table**		The Indian Assured Lives Mortality (2012-14) Ult table

(Currency : Indian rupees in lakhs)

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Principal assumption		Changes in assumption	Impact on defined benefit obligation	
			Increase in assumption	Decrease in assumption
Discount rate	**31 March 2026**	**1.00%**	**-5.22%**	**5.77%**
	31 March 2025	1.00%	-3.75%	4.04%
Salary growth rate	**31 March 2026**	**1.00%**	**5.42%**	**-5.03%**
	31 March 2025	1.00%	3.93%	-3.73%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous year.

The expected contribution payable to the plan next year is Rs 57.66 lakhs for FY 25-26 (FY 24-25: Rs 69.48 lakhs)

Maturity profile of defined benefit obligation:

Particulars	As at 31 March 2026	As at 31 March 2025
Within 1 year	**57.66**	69.48
1 - 2 year	**80.19**	56.73
2 - 3 year	**44.10**	69.97
3 - 4 year	**55.44**	38.91
4 - 5 year	**58.63**	39.56
5 - 6 year	**33.51**	38.03
6 - 7 year	**29.13**	20.05
7 - 8 year	**30.45**	15.57
8 - 9 year	**34.30**	14.57
10 year and above	**194.71**	54.49

Plan assets

The fair value of Company's pension plan asset as of 31 March 2026 and 31 March 2025 by category are as follows:

Particulars	As at 31 March 2026	As at 31 March 2025
Asset category:		
Deposits with Insurance companies	**43.53**	40.54
	100%	100%

The Company's policy is driven by considerations of maximizing returns while ensuring credit quality of the debt instruments. The asset allocation for plan assets is determined based on investment criteria prescribed under the Indian Income Tax Act, 1961, and is also subject to other exposure limitations. The Company evaluates the risks, transaction costs and liquidity for potential investments. To measure plan asset performance, the Company compares actual returns for each asset category with published benchmarks.

The weighted average duration of the defined benefit obligation as at 31 March 2026 is 5.48 years (31 March 2025- 3.89 years)

The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The current service cost and the net interest expense for the year are included in the employee benefits expense in profit or loss of the expense for the year 2026 an amount of Rs 95.61 lakhs (31 March 2025 : Rs. 53.38 lakhs) has been included in statement of profit or loss under the head Employee benefit expenses.

Compensated absences:

Compensated absences for the employee benefits of Rs.223.42 lakhs (31 March, 2025 - Rs. 112.62 lakhs) expected to be paid in exchange for the services recognised as a expenses during the year. (refer note 25)

31. Earnings per Share

Particulars	Year ended 31 March 2026	Year ended 31 March 2025
	Per Share	Per Share
Basic and Diluted Earnings per share (Rs.)	**1.68**	0.46

Earnings per share

The earnings and weighted average number of ordinary shares used in the calculation of basic earnings per share are as follows:

Particulars	Year ended 31 March 2026	Year ended 31 March 2025
Profit for basic EPS (Rs.)	**2,103.29**	569.37
Weighted average number of equity shares for the purpose of basic earnings per share	**124,965,261**	124,965,261
Basic earning per share (Rs.)	**1.68**	0.46

Weighted average number of shares is the number of equity shares outstanding at the beginning of the period adjusted by the number of equity shares issued during period, multiplied by the time weighting factor. The time weighting factor is the number of days for which the specific shares are outstanding as a proportion of total number of days during the year.

(Currency : Indian rupees in lakhs)

32. Fair value measurement

The carrying values of financial assets and liabilities represent their approximate fair value.

There were no transfer between level 1 and level 2 during the year.

33. Financial risk management

A) Capital management

The Company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

The Company manages capital risk in order to maximize shareholders' value by maintaining sound/optimal capital structure through monitoring of financial ratios, such as net debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary. There is no change in the overall capital risk management strategy of the Company compared to last year.

The Company uses net debt equity ratio as a capital management index and calculates the ratio as total liabilities divided by total equity. Total liabilities and total equity are based on the amounts stated in the separate financial statements.

The Company is not subject to externally enforced capital regulation.

Net debt-to-equity ratio as of 31 March 2026 and 31 March 2025

Particulars	**As at 31 March 2026**	As at 31 March 2025
Borrowing from banks	**833.66**	237.03
Borrowing from related party	**1,000.00**	2,500.00
Gross debt	**1,833.66**	2,737.03
Less :		
Cash and cash equivalents	**115.49**	133.43
Adjusted Net debt (A)	**1,718.17**	2,603.60
Equity share capital	**12,864.81**	12,864.81
Other equity	**(6,640.68)**	(8,722.85)
Goodwill created on business combination (Refer note 16(a))	**9,100.45**	9,100.45
Adjusted Equity (B)	**15,324.58**	13,242.41
Debt equity ratio (A / B)	**0.11**	0.20

B) Financial risk management framework

The Company's corporate treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risk relating to the operation of the Company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk

i) CREDIT RISK

Credit risk management

Credit risk arises when a customer defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company has adopted a policy of categorising the customers based on the performance and accordingly credit limit ceiling of each category is defined. Company also takes credit insurance for business specific customers. The Company's exposure and categorisation of its customers are continuously monitored. Credit exposure is controlled by customer credit limits which are reviewed and approved. The Company also take security cheques from its domestic market customers.

The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for all trade receivables. The Company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company and individual receivable specific provision where applicable. Forward-looking information has been incorporated into the determination of expected credit losses.

There is no change in estimation techniques or significant assumptions during the reporting period.

The provision matrix at the end of the reporting period is as follow:-

Ageing	**For the year ended 31 March 2026**		For the year ended 31 March 2025	
	Expected credit loss (%)	**Expected credit loss (Rs. In lakhs)**	Expected credit loss (%)	Expected credit loss (Rs. In lakhs)
Within the credit period	**0.26%**	**21.79**	0.78%	10.87
0-3 month past due	**0.45%**	**10.67**	0.13%	5.73
3-6 month past due	**0.78%**	**3.08**	0.27%	7.40
6 -12 month past due	**28.87%**	**27.24**	28.54%	40.28
>1 year	**97.86%**	**897.75**	99.44%	866.01
Total		**960.54**		930.29

(Currency : Indian rupees in lakhs)

Age of receivables	As at 31 March 2026	As at 31 March 2025
Within the credit period	**8,320.24**	1,394.00
0-3 month past due	**2,387.86**	4,331.19
3-6 month past due	**397.75**	2,723.17
6 -12 month past due	**94.36**	141.15
>1 year	**917.41**	870.85
Total	**12,117.62**	9,460.36

Reconciliation of provision for doubtful Trade Receivables

Particulars	As at 31 March 2026	As at 31 March 2025
Balance as at beginning of the year	**930.29**	886.00
Impairment losses recognised in the year based on expected credit losses	**–**	–
Provision created during the year	**30.25**	44.29
Transferred on account of transfer of Business	**–**	–
Impairment losses reversed / written back	**–**	–
Balance at end of the year	**960.54**	930.29

The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

The Company has pledged an aggregated carrying amount of Rs 12,117.62 lakhs (31 March 2025: Rs 9,460.36 lakhs) for bank loans.

ii) LIQUIDITY RISK

(a) Liquidity risk management

The board of directors has established an appropriate liquidity risk management framework for the management of the Company's short, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(b) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Particulars	Less than 1 Year	1-3 Years	3 Years to 5 Years	5 years and above
Non-derivative financial liabilities				
As at 31 March 2026				
Borrowings	**1,833.66**	**–**	**–**	**4,380.14**
Trade payables	**13,134.73**	**–**	**–**	**–**
Other financial liabilities	**441.73**	**–**	**–**	**–**
Lease liabilities	**243.51**	**395.56**	**89.86**	**–**
Total	**15,653.63**	**395.56**	**89.86**	**4,380.14**
As at 31 March 2025				
Borrowings	2,737.03	–	–	4,093.59
Trade payables	9,768.07	–	–	–
Other financial liabilities	301.87	–	–	–
Lease liabilities	143.76	330.69	116.45	23.95
Total	12,950.73	330.69	116.45	4,117.54

(c) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Particulars	Less than 1 Year	1-3 Years	3 Years to 5 Years	5 years and above
Non-derivative financial assets				
As at 31 March 2026				
Non-interest bearing	**11,449.26**	**61.52**	**–**	**5,716.92**
Fixed interest rate instruments	**102.28**	**–**	**–**	**–**
Total	**11,551.54**	**61.52**	**–**	**5,716.92**
As at 31 March 2025				
Non-interest bearing	8,815.56	21.59	–	5,716.92
Fixed interest rate instruments	132.60	–	–	–
Total	8,948.16	21.59	–	5,716.92

In the case of assets falling short of liabilities, banking facilities are available to honour the obligation through as cash credit, short-term borrowing / long-term borrowing and other necessary banking facilities.

The following table details the Company's / Company's liquidity analysis for its derivative financial instruments. The table has been drawn up based on the undiscounted contractual net cash inflows and outflows on derivative instruments that settle on a net basis, and the undiscounted gross inflows and outflows on those derivatives that require gross settlement.

Particulars	Less than 1 Year	1-3 Years	3 Years to 5 Years	5 years and above
Derivative financial instruments				
As at 31 March 2026				
Net settled:				
– Foreign exchange forward contracts	**–**	**–**	**–**	**–**
Gross settled:				
– Foreign exchange forward contracts	**17.96**	**–**	**–**	**–**
Total	**17.96**	**–**	**–**	**–**
As at 31 March 2025				
Net settled:				
– Foreign exchange forward contracts	12.59	–	–	–
Total	12.59	–	–	–

(Currency : Indian rupees in lakhs)

Particulars	Less than 1 Year	1-3 Years	3 Years to 5 Years	5 years and above
Gross settled:				
– Foreign exchange forward contracts	12.59	–	–	–
Total	12.59	–	–	–

iii) MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk such commodity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company uses permitted derivatives to manage market risks. Derivatives are only used for economic hedging purposes and not as speculative investments. All such transactions are carried out within the guidelines set by the Board of Directors and Forex Committee.

There has been no significant changes to the company's exposure to market risk or the methods in which they are managed or measured.

a) Currency risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company's exposure to currency risk relates primarily to the Company's operating activities and borrowings when transactions are denominated in a different currency from the Company's functional currency.

The Company manages its foreign currency risk by taking forward cover that are expected to occur within a maximum 12 month period for forecasted cash flow.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

Particulars	Currency	As at 31 March 2026	As at 31 March 2025
Trade receivables	USD	**734.80**	1,196.34
	EUR	**6,061.60**	3,370.24
	CAD	**1,011.94**	2,375.07
	GBP	**14.94**	–
	USD	**512.79**	429.45
Trade payables	EUR	**13.15**	38.80

Of the above foreign currency exposures, the following exposures are not hedged by a derivative:

Particulars	Currency	As at 31 March 2026	As at 31 March 2025
Trade receivables	USD	**659.89**	1,196.34
	EUR	**–**	–
	CAD	**962.52**	2,375.07
	EUR	**5,108.93**	–
	GBP	**0.40**	–
Trade payables	USD	**512.79**	429.45
	EUR	**13.15**	38.80

b) Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD and EUR exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives and embedded derivatives. The impact on the Company's pre-tax equity is due to changes in the fair value of forward exchange contracts.

Period	Currency	Change in rate	Effect on profit/(loss) before tax	Effect on pre-tax equity
As at 31 March 2026	**USD**	**5%**	**7.36**	**7.36**
	USD	**3%**	**4.41**	**4.41**
	EUR	**5%**	**(0.66)**	**(0.66)**
	EUR	**3%**	**(0.39)**	**(0.39)**
	CAD	**5%**	**48.13**	**48.13**
	CAD	**3%**	**28.88**	**28.88**
As at 31 March 2025	USD	5%	38.34	38.34
	USD	3%	23.01	23.01
	EUR	5%	(1.94)	(1.94)
	EUR	3%	(1.16)	(1.16)
	CAD	5%	118.75	118.75
	CAD	3%	71.25	71.25

c) Interest rate sensitivity

The sensitivity analyses below have been determined based on exposure to interest rate for both derivative and non-derivative instruments at the end of reporting period. For floating rate liabilities, analysis is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole year.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected, after the impact of hedge accounting. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Period	Currency	Increase/ decrease in basis points	Effect on profit/(loss) before tax
As at 31 March 2026	**INR**	**100**	**(8.34)**
As at 31 March 2025	INR	100	(2.37)

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

Hedge accounting - forwards

It is the policy of the Company to enter into forward foreign exchange contracts to cover maximum up to 80% of the expected foreign currency exposure based on estimated cash flow. Forex Committee decide the time & quantum of hedging based on outlook.

(Currency : Indian rupees in lakhs)

(i) Details of forward foreign currency contracts outstanding at the end of reporting period

Outstanding contracts	Average exchange rate	Notional value	Hedge ratio	Carrying amount included in Other Financial Assets / (Liabilities)	Change in the fair value of hedging instrument for the period	Change in the value of hedged item used to determine hedge effectiveness
31 March 2026

34. Segment information

A. Product and services from which reportable segments derive their revenue

Information reported to the Chief Operating Decision Maker (CODM) for the purpose of resource allocation and assessment of segment performance focuses on the types of goods or services delivered or provided. No operating segments have been aggregated in arriving at the reportable segments of the Group.

Specifically, the Company reportable segments under IND AS 108 are as follows:

1) Input Business (Seeds)

2) Food Business (Grapes)

The Company is in the business of agricultural related products, Input business segment comprises of trading of Crop inputs. Food business comprises of trading of agricultural related outputs.

B. Segment revenue and results

The following is an analysis of the Company's revenue and results

Particulars	Segment revenue		Segment profit / (loss)	
	Year ended 31 March 2026	Year ended 31 March 2025	**Year ended 31 March 2026**	Year ended 31 March 2025
Input Business	**22,018.92**	19,111.19	**2,382.88**	1,547.58
Food Business	**15,093.77**	13,605.80	**909.88**	460.16
Total	**37,112.69**	32,716.99	**3,292.76**	2,007.74
Other income	–	–	**216.24**	115.25
Administration cost and directors' salary	–	–	**(845.74)**	(922.41)
Finance cost	–	–	**(559.97)**	(631.22)
Exceptional items	–	–	**–**	–
Profit / (loss) before tax			**2,103.29**	569.37

Segment revenue reported above represents revenue generated from external customers. There were no intersegment sales.

Segment profit represents the profit before tax earned by each segment without allocation of central administration costs, director salary, other income as well as finance costs. This is the measure reported to the chief operating decision maker for the purpose of resource allocation and assessment of segment performance.

There is one customer contributed 10% or more to the Company's revenue in current year Rs 6,946.18 lakhs (31 March 2025 - Rs 1,807.13 lakhs)

C. Segment assets and liabilities

Particulars	**As at 31 March 2026**	As at 31 March 2025
Segment assets		
Input Business	**12,137.32**	9,711.47
Food Business	**12,649.47**	10,911.78
Total segment assets	**24,786.79**	20,623.25
Unallocated	**7,353.12**	6,541.42
Total assets	**32,139.91**	27,164.67
Segment liabilities		
Input Business	**8,011.28**	7,119.21
Food Business	**9,232.64**	6,928.55
Total segment liabilities	**17,243.92**	14,047.76
Unallocated	**8,671.87**	8,974.93
Total liabilities	**25,915.78**	23,022.69

For the purpose of monitoring segment performance:

(i) Unallocated asset includes investment in subsidiaries, current and deferred taxes, loan, cash and bank balances etc.

(ii) Unallocated liability includes borrowings, current and deferred taxes, other statutory dues etc.

D. Segment depreciation and amortisation

Particulars	**Year ended 31 March 2026**	Year ended 31 March 2025
Input Business	**334.23**	322.45
Food Business	**113.58**	124.61
Unallocated	**10.22**	13.19
Total	**458.03**	460.25

36. Employee benefits expenses - ESOP

Share based payment

A. Employees Stock Option Scheme - 2016:

This Plan shall be termed as the MASL Employees Stock Option Scheme - 2016 ("Plan"). The Plan has been approved by a Special Resolution at a General Meeting of the Shareholders held on 24 November 2016. The Plan has been approved for Eligible Employees of Mahindra Agri Solutions Limited. The Plan has also been approved to reward eligible employees whether they are working in India or abroad or Directors of the Company (including Managing Director/Whole Time Director(s) but excluding Independent Directors) or Directors and Employees of the Holding Company or of the Subsidiary Company(ies) or of the Subsidiaries of its Holding Company.

In respect of Employee Stock Option Scheme :

The compensation cost of stock options granted to employees is measured by the Fair Value Method.

Fair value is the amount for which an asset could be exchanged, a liability settled, or an equity instrument granted could be exchanged, between knowledgeable, willing parties in an arm's length transaction, is recognised and amortised on straight line basis over the vesting period.

Eligibility:

Based on the criteria as may be decided by the Committee at its own discretion, including, but not limited to the date of joining of the Eligible Employee with the Company or the Group, performance evaluation, current compensation, criticality or any other criteria, KRA, future potential, such Eligible Employees, as determined by the Committee, may participate in the Plan. Employees joining the Company after the date of implementation of the Plan will be entitled to participate in the Plan, on a case to case basis and subject to such criteria as may be decided solely by the Committee.

The objective of the Plan is:

- To retain the best talent in the Industry
- To infuse a sense of entrepreneurship and ownership.

This purpose is sought to be achieved through the grant of Options to the Eligible Employees, to subscribe to the Equity Shares of the Company.

Details of the ESOP granted as per the above scheme

Particulars	Number of options	Grant date	Exercise price	Fair value of the option at Grant date
Cycle-I Equity Settled MASL Employees Stock Option Scheme - 2016	15,36,605	1 Feb 2017	47.5	24.15
Cycle-II Equity Settled MASL Employees Stock Option Scheme - 2016	1,59,213	1 May 2018	47.5	18.1
MASL RSU Scheme 2020	5,47,176	31 Jan 2020	10	22.87

Cycle-I Options granted under MASL Employees Stock Option Scheme - 2016 vest in 4 installments bifurcated as 25% on the expiry of 14 months, 25% on the expiry of 26 months, 25% on the expiry of 38 months and 25% on the expiry of 50 months from the date of grant date.

Cycle-II Options granted under MASL Employees Stock Option Scheme - 2016 vest in 4 installments bifurcated as 25% on the expiry of 23 months, 25% on the expiry of 35 months, 25% on the expiry of 47 months and 25% on the expiry of 59 months from the date of grant date.

The options may be exercised on any day over a period of 3 years from the date of vesting. Number of vested options exercisable is subject to a minimum of 250 or number of options vested whichever is lower.

MASL RSU Scheme 2020 under MASL Employees Stock Option Scheme - 2020, vest in 3 installments from the date of grant date.

Movement in share options

	Particulars	Equity-settled share-based payments	
		Number of options	Weighted average exercise price
1	The number and weighted average exercise prices of share options outstanding at the beginning of the year	2,242,994	47.50
2	Granted during the year	–	–
3	Forfeited during the year	–	–
4	Exercised during the year	–	–
5	Expired during the year	2,242,994	–
6	Outstanding at the end of the year	–	47.50
7	Exercisable at the end of the year	–	–

The share options outstanding at the end of the year had a weighted average exercise price of Rs 47.50, and a weighted average remaining contractual life of current year is Nil (FY 23-24 - 2.9 years). Further there are no ESOP's issued during the year and the above table peratins to FY 2024 - 2025.

The fair value of the equity instruments is calculated based on Black Scholes model. The Black Scholes model requires the consideration of certain variables such as volatility, risk free rate, expected dividend yield, expected option life, market price and exercise price for the calculation of the option. These variables significantly influence the fair value and any change in these variables could significantly affect the fair value of the option.

The inputs used in the measurement of the fair values at grant date of the equity-settled share-based payment plans were as follows.

Share option programmes

Particulars	MASL Employees Stock Option Scheme - 2016		MASL RSU Scheme 2020	
	31 March 2026	31 March 2025	**31 March 2026**	31 March 2025
Share price at grant date	**21.12**	21.12	**22.87**	22.87
Exercise price	**47.50**	47.50	**10.00**	10.00
Expected volatility (weighted-average)	**58.3**	58.3	**45.8**	45.8
Expected life / option life (weighted-average)	**2.66**	2.66	**3**	3
Expected dividends yield	**0.00%**	0.00%	**0.00%**	0.00%
Risk-free interest rate (based on government bonds)	**6.25%**	6.25%	**4.70%**	4.70%

(Currency : Indian rupees in lakhs)

Employee share based payment	For the Year 31 March 2026	For the Year 31 March 2025
MASL ESOP Plan	–	–
Total	**–**	–

ESOP scheme of parent company:

Certain employees of the Company are also covered by share option schemes offered by Parent Company, Mahindra & Mahindra Limited. The Company treats such share based payment as an equity settled share based payments arrangement. Options granted under Parent's ESOP scheme vests in 4 or 5 equal instalments on expiry of 12 months, 24 months, 36 months, 48 months and where applicable 60 months from the date of grant. The options may be exercised subject to condition of minimum number of option vesting, on any day over a period of four or five years, as the case may be from the date of vesting. The parent Company charges the subsidiary for the equity it provides to the employees of the subsidiary over the vesting period. The charge is based on fair value of options calculated using Black and Scholes Option Pricing Model. The fair value charge in FY 2025-26 Rs Nil (FY 24-25 of Rs Nil) is recognised as share based payment expenses under Employee Benefit Expenses.

37. Capital commitments

Commitment

Estimated amount of contracts remaining to be executed on capital account and not provided for as at 31 March 2026 is Rs NIL (31 March 2025 is Rs Nil).

38. Disclosures under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006:

Total outstanding dues of Micro, Small and medium enterprises, which are outstanding for more than the stipulated period are given below:

Sr. No.	Particulars	As at 31 March 2026	As at 31 March 2025
I	Principal amount remaining unpaid to any supplier at the end of the accounting year	**426.98**	221.13
	Interest due thereon remaining unpaid to any supplier at the end of the accounting year	**8.77**	0.73
II	the amount of interest paid by the buyer in terms of section 16 of the Micro, Small and Medium Enterprises Development Act, 2006 (27 of 2006), along with the amount of the payment made to the supplier beyond the appointed day during the year	**–**	13.92
III	the amount of interest due and payable for the period of delay in making payment (which has been paid but beyond the appointed day during the year) but without adding the interest specified under the Micro, Small and Medium Enterprises Development Act, 2006	**–**	0.73
IV	Amount of interest accrued and remaining unpaid as at the year end	**8.77**	0.73
V	the amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprise, for the purpose of disallowance of a deductible expenditure under section 23 of the Micro, Small and Medium Enterprises Development Act, 2006	**NIL**	NIL

Dues to Micro and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management.

39. Other commitments

Estimated amount of contracts remaining to be executed and not provided for as at 31 March 2026 is Rs NIL (31 March 2025 is Rs Nil).

40. Disclosure pursuant to Section 186 of the Companies Act, 2013

The details of loans, guarantees and investments under Section 186 of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014 are as follows:

Investments in equity shares

		31-Mar-25	68.00	–	–	–	68.00

** Investments in Vayugrid Marketplace Services Private Limited and White Spread Foods Private Limited have been fully provided for by the Company.

(Currency : Indian rupees in lakhs)

Investments in Joint Venture

Sr. No.	Name of the entity	Year	As at 1 April 2025	Investment made during the year	Investment sold during the year	As at 31 March 2026
1	Mahindra Summit Agriscience Limited	**31-Mar-26**	**11,286.60**	**–**	**–**	**11,286.60**
		31-Mar-25	9,486.60	1,800.00	–	11,286.60

Inter corporate deposit

Sr. No.	Name of the entity	Year	As at 1 April 2025	Inter corporate deposit given during the year	Inter corporate deposit given repaid during the year	As at 31 March 2026
1	Mahindra Summit Agriscience Limited	**31-Mar-26**	**–**	**720.00**	**–**	**720.00**
		31-Mar-25	–	–	–	–

41. Contingent liabilities

The Company is involved in a number of appellate, judicial and arbitration proceedings (including those described below) concerning matters arising in the course of conduct of the Company's businesses. Some of these proceedings in respect of matters under litigation are in early stages, and in some other cases, the claims are indeterminate. A summary of claims asserted on the Company in respect of these cases have been summarised below.

Tax contingencies

Amounts in respect of claims asserted by various revenue authorities on the Company, in respect of taxes, which are in dispute, have been tabulated below:

Nature of Tax	31 March 2026	31 March 2025
Value added tax & Sales Tax	**42.48**	88.23
Goods and Service tax	**12.77**	12.87
Central Excise and service tax	**9.84**	11.72
Total	**65.08**	112.82

The management believes that the claims made are untenable and is contesting them. As of the reporting date, the management is unable to determine the ultimate outcome of above matters. However, in the event the revenue authorities succeed with enforcement of their assessments, the Company may be required to pay some or all of the asserted claims and the consequential interest and penalties, which would reduce net income and could have a material adverse effect on net income in the respective reported period.

42. Ratio Analysis and its elements

Ratio	Numerator	Denominator	31 March 2026	31 March 2025	% change	Reasons for variances
Current Ratio	Current Assets	Current Liabilities	**1.10**	0.97	13%	Improved liquidity due to increase in current assets and reduction in short-term liabilities.
Debt Equity ratio	Total Debt	Shareholder Equity	**0.11**	0.20	-43%	Reduction in ratio is mainly on account of reduction in borrowings.
Debt Service coverage ratio	Earning for Debt service	Debt Service	**1.30**	0.49	164%	Improved operating performance and lower debt servicing obligations.
Return on Equity	Net profit after taxes	Total Shareholder Equity	**0.34**	0.14	146%	Improved profitability during the year resulting in higher shareholder returns.
Inventory Turnover ratio	Cost of goods sold	Average inventory	**3.58**	4.24	-16%	Higher average inventory levels due to increase in raw material prices and inventory build-up.
Trade receivable Turnover ratios	Net credit sales = Gross credit sales - sales return	Average trade receivables	**3.75**	4.35	-14%	Increase in average receivables due to favourable increase in sales.

(Currency : Indian rupees in lakhs)

Ratio	Numerator	Denominator	31 March 2026	31 March 2025	% change	Reasons for variances
Trade Payable ratios	Net credit purchases = Gross credit purchases - purchase return	Average trade payables	**2.24**	2.20	1%	Increase in trade payables ratio is on account of increase in purchases
Net capital turnover ratio	Net sales = Total sales - sales return	Working capital = Current assets – Current liabilities	**18.23**	(68.68)	-127%	Reduction in net current liabilities and increased turnover resulting in efficient use of working capital.
Net profit ratio	Net profit	Net sales = Total sales - sales return	**0.06**	0.02	225%	Improved operational efficiency, cost control, and higher sales.
Return on capital employed	Earnings before interest and taxes	Capital Employed = Tangible Net Worth + Total Debt + Deferred Tax	**0.21**	0.11	96%	Higher operating profits and improved utilisation of capital employed.
Return on Investment	Interest on fixed deposit and gain on mutual fund	Investment (Fixed Deposit and mutual fund)	**0.00**	0.00	21%	Interest income and gains from investments during the year with shorter investment tenure.

43. Other Statutory Information

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
MAHINDRA SUMMIT AGRISCIENCE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Mahindra Summit Agriscience Limited (the "Company") which comprise the balance sheet as at 31 March 2026, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its loss and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our

auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 A. As required by Section 143(3) of the Act, we report that:

   a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.

   d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

   e. On the basis of the written representations received from the directors as on 1 April 2026, 10 April 2026 and 16 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

   f. the details relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above.

   g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   a. The Company has disclosed the impact of pending litigations as at 31 March 2026 on its financial position in its financial statements - Refer Note 34 to the financial statements.

   b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

   c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   d (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 35 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

   (ii) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 35 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

   (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

e. The Company has neither declared nor paid any dividend during the year.

f. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, where audit trail (edit log) facility was enabled and operated in the previous years, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS OF MAHINDRA SUMMIT AGRISCIENCE LIMITED FOR THE YEAR ENDED 31 MARCH 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified once in three years. In accordance with this programme, property, plant and equipment were verified during the previous year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) (a) The inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year. For stocks lying with third parties at the year-end, written confirmations have been obtained and for goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.

(iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a) to 3(iii)(f) of the Order are not applicable to the Company.

(iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has neither made any investments nor has it given loans or provided guarantee or security and therefore the relevant provisions of Sections 185 and 186 of the Companies Act, 2013 ("the Act") are not applicable to the Company. Accordingly, clause 3(iv) of the Order is not applicable.

(v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

(vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act in respect of its manufactured and traded goods and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the records with a view to determine whether these are accurate or complete.

(vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, Provident Fund, Income-Tax, Duty of Customs or Cess or other statutory dues have generally been regularly deposited by the Company with the appropriate authorities. Also as explained to us, the company does not have liability in respect of Employees State Insurance.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Income-Tax, Duty of Customs or Cess or other statutory dues were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Income-Tax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

Name of the statute	Nature of the dues	Amount Demanded (Rs. in lakhs)	Amount paid under Dispute (Rs. in lakhs)	Period to which the amount relates	Forum where dispute is pending
Central Goods & Service Tax, 2017	GST, interest and penalty	8.51	0.41	FY 2019-20	GST Appellate Authority-Commissioner-Telangana
Central Goods & Service Tax, 2017	GST	43.23	4.32	FY 2019-20	GST Appellate Authority-Commissioner Madhya Pradesh
Central Goods & Service Tax, 2017	GST	17.41	2.97	FY 2019-20	GST Appellate Authority-Commissioner Chhatisgarh
Central Goods & Service Tax, 2017	Penalty	7.04	7.04	FY 2025-26	GST Appellate Authority-Commissioner - Gujarat
Central Goods & Service Tax, 2017	GST, interest and penalty	10.06	0.54	FY 21-22	GST Appellate Authority-Commissioner-Telangana
Central Goods & Service Tax, 2017	GST, interest and penalty	25.54	1.32	FY 21-22	GST Appellate Authority-Commissioner-Maharashtra

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

(ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.

(c) In our opinion and according to the information and explanations given to us by the management, the Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.

(d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(e) is not applicable.

(f) The Company does not hold any investments in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(f) of the Order is not applicable.

(x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

(xi) (a) During the course of our examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.

(b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) Establishment of vigil mechanism is not mandated for the Company. As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

(xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us and on the basis of our examination of records of the Company, transactions with the related parties are in compliance with Section 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards. The provisions of Section 177 are not applicable to the company and accordingly reporting under clause 3(xiii) of the Order in so far as it related to Section 177 of the Act is not applicable to the Company and hence not commented upon.

(xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports of the Company issued till date for the period under audit.

(xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.

(xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.

(b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

(d) According to the information and explanations provided to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) has more than one CIC as part of the Group. The Group has 5 CICs as part of the Group.

(xvii) The Company has incurred cash losses of Rs. 282.85 lakhs in the current financial year and Rs. 760.79 lakhs in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The requirements as stipulated by the provisions of Section 135 are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS OF MAHINDRA SUMMIT AGRISCIENCE LIMITED FOR THE YEAR ENDED 31 MARCH 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Mahindra Summit Agriscience Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026 (CURRENCY: INDIAN RUPEES IN LAKHS)

1. Corporate information

Mahindra Summit Agriscience Limited ("the Company") a Public Limited Company domiciled in India and incorporated on 9 October 2018 under the provisions of the Companies Act, 1956 (CIN : U01400MH2018PLC315558).

The Company is primarily engaged in the business of manufacture and marketing of Agri Inputs. The Company has its manufacturing facilities in India and sells in India.

The financial statements for the year ended 31 March 2026 were approved by the Board of Directors and authorised for issue on 17 April 2026.

2. Statement of compliance and basis of preparation and presentation

2.1 Basis of preparation and presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency. All values are rounded to the nearest lakhs.

2.2 Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial instruments and agricultural produce that are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

2.3 Measurement of fair value

All assets and liabilities for which fair value is measured or disclosed in the Standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2.4 Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

i. Critical Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements.

Discount rate used to determine the carrying amount of the Company's employee defined benefit obligation

In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgments and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Allowances for inventories

Management reviews the inventory age listing on a periodic basis. This review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the financial statements for any obsolete and slow-moving items. Management is satisfied that adequate allowance for obsolete and slow-moving inventories has been made in the financial statements.

Liability for sales return

In making judgment for liability for sales return, the management considered the detailed criteria for the recognition of revenue from the sale of goods set out in Ind AS 115 and in particular, whether the Company had transferred to the buyer the significant risk and rewards of ownership of the goods. Following the detailed quantification of the Company's liability towards sales return, the management is satisfied that significant risk and rewards have been transferred and that recognition of the revenue in the current year is appropriate, in conjunction with the recognition of an appropriate liability for sales return. Accruals for estimated product returns, which are based on historical experience of actual sales returns and adjustment on account of current market scenario is considered by Company to be reliable estimate of future sales returns.

Goodwill impairment

Goodwill is tested for impairment on an annual basis and whenever there is an indication that the recoverable amount of a cash generating unit is less than its carrying amount based on a number of factors including operating results, business plans, future cash flows and economic conditions. The recoverable amount of cash generating units is determined based on higher of value-in-use and fair value less cost to sell. The goodwill impairment test is performed at the level of the cash-generating unit or groups of cash-generating units which are benefitting from the synergies of the acquisition and which represent the lowest level at which goodwill is monitored for internal management purposes.

Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount include estimated long-term growth rates, weighted average cost of capital and estimated operating margins. Cash flow projections

take into account past experience and represent management's best estimate about future developments.

Impairment of tangible and intangible assets other than goodwill

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified. Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired. Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss. When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

Taxes

There are many transactions and calculations undertaken during the ordinary course of business for which the ultimate tax determination is uncertain. Where the final tax outcome of these matters is different from the amounts initially recorded, such differences will impact the current and deferred tax provisions in the period in which the tax determination is made. The assessment of probability involves estimation of a number of factors including future taxable income.

Defined benefit plans (gratuity benefits)

A liability in respect of defined benefit plans is recognised in the balance sheet and is measured as the present value of the defined benefit obligation at the reporting date less the fair value of the plan's assets. The present value of the defined benefit obligation is based on expected future payments at the reporting date, calculated annually by independent actuaries. Consideration is given to expected future salary levels, experience of employee departures and periods of service.

3. Material accounting policies

3.1 Revenue recognition

The Company has applied Ind AS 115 Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration expected to receive in exchange for those products or services.

The core principle of Ind AS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer.

The accounting policies for specific revenues streams of the Company is summarised below:

Sale of goods:

Revenue from the sale of goods is recognised upon transfer of control of promised products to customers in an amount that reflects the consideration expected to receive in exchange for those products, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the control of promised products to customers;
- the Company has identified the contract with customer and performance obligation in the contract.
- the transaction price can be measured reliably;
- it is expected that the consideration associated with the transaction will flow to the Company; and revenue is recognised when the company satisfy the performance obligation

Sale of services:

Income recognition for services takes place as and when the services are performed in accordance with IND AS 115

3.2 Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and the effective rate applicable. The effective interest rate is the rate that exactly discounts estimated future cash receipts.

3.3 Employee benefits expenses

Employee benefits consist of contribution to provident fund, superannuation fund, gratuity fund, compensated absences, supplemental pay and director pension liability

Post-employment benefit plans

Defined Contribution plans:

Payments to defined contribution retirement benefit scheme for eligible employees in the form of superannuation fund are charged as an expense as they fall due. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made.

Defined benefit plans:

The Company operates a defined benefit plan – gratuity fund.

The liability recognised in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the said obligation is determined by discounting the estimated future cash outflows, using market yields of government bonds that have tenure approximating the tenures of the related liability.

The interest income / (expense) are calculated by applying the discount rate to the net defined benefit liability. The net interest income / (expense) on the net defined benefit liability or asset is recognised in the Statement of Profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Short-term employee benefits

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in twelve months immediately following

3.4 Employee benefits expenses

the year end are reported as expenses during the year in which the employees perform the services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits after deducting amounts already paid. Where there are restrictions on availment of encashment of such accrued benefit or where the availment or encashment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method.

3.5 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

3.6 Taxation

Income tax expense represents the sum of the current tax in respect of taxable income for the year and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

3.7 Property, plant and equipment

Property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the Balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment if any.

Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets upto the date the assets are ready for use. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. These lives are in accordance with Schedule II to the Companies Act, 2013, other than the following asset classes based on the Company's expected usage pattern supported by technical assessment. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

(a) Plant and Equipment –15 years

(b) Computer equipment – 5 years

(c) Office equipment – 5 years

(d) Furniture & fixtures – 5 years

(e) Buildings – 15 years

(f) Vehicles – 5 years

3.8 Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Goodwill arising on acquisition of business represents excess of purchase consideration over the book value of net assets acquired based on a valuation conducted by an independent firm of Chartered Accountants and will be tested for Impairment annually as per Ind AS 36.

Intangible assets under development

The Company expenses costs incurred during research phase to profit or loss in the year in which they are incurred. Development phase expenses are initially recognised as intangible assets under development until the development phase is complete, upon which the amount is capitalised as intangible asset. Intangible assets under development are carried at cost, comprising direct cost and related incidental expenses less impairment losses if any.

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible assets, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Useful lives of intangible assets

Estimated useful lives of the intangible assets are as follows:

Computer software	3 years and 5 years
Non-compete fees	5 years
Product development	5 years

3.9 Impairment of assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount, which is the higher of the value in use or fair value less cost to sell, of the asset or cash-generating unit, as the case may be, is estimated and impairment loss (if any) is recognised and the carrying amount is reduced to its recoverable amount. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset or a cash-generating unit is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) earlier.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

3.9 Inventories

Inventories are valued at lower of cost (on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

3.10 Accounting of Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

3.11 Financial instruments

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Classification and subsequent measurement

(i) Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on their respective classification.

On initial recognition, a financial asset is classified as - measured at :

- Amortised cost; or
- Fair Value through Other Comprehensive Income (FVTOCI) - equity investment; or
- Fair Value Through Profit or Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

All financial assets not classified as measured at amortised cost or FVTOCI are measured at FVTPL. This includes all derivative financial assets unless designated as effective hedge instruments which are accounted as per hedge accounting requirements discussed below.

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment expenses are recognised in profit or loss. Any gain and loss on derecognition is also recognised in profit or loss.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVTOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves.

The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for medium or long-term strategic purpose. Upon the application of Ind AS 109, the Company has chosen to designate these investments as at FVTOCI as the Company believes that this provides a more meaningful presentation for medium or long-term strategic investments, than reflecting changes in fair value immediately in profit or loss. Dividend income received on such equity investments are recognised in profit or loss.

Equity investments that are not designated to be measured at FVTOCI are designated to be measured at FVTPL. Subsequent changes in fair value are recognised in profit or loss.

(ii) Financial liabilities and equity instruments

Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative (that does not meet hedge accounting requirements) or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all of the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for the amount it may have to pay.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised and the proceeds received are recognised as a collateralised borrowing.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Impairment of financial assets

The Company applies the expected credit loss (ECL) model for recognising impairment loss on financial assets. With respect to trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write- off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

3.12 Foreign exchange transactions and translation

Transactions in foreign currencies i.e. other than the Company's functional currency of Indian Rupees are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the functional currency using exchange rates prevailing at the date when the fair value is determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise except for exchange differences on transactions entered into in order to hedge certain foreign currency risks (refer policy on Derivative Financial Instruments).

3.13 Cost recognition

Costs and expenses are recognised when incurred and have been classified according to their primary nature.

The costs of the Company are broadly categorised in employee benefit expenses, depreciation and amortisation and other operating expenses. Employee benefit expenses include employee compensation, allowances paid, contribution to various funds and staff welfare expenses. Other operating expenses majorly include fees to external consultants, cost running its facilities, travel expenses, communication costs and other expenses. Other expenses is an aggregation of costs which are individually not material such as commission and brokerage, bank charges, freight etc.

3.14 Earnings per share

The basic earnings per share ('EPS ') is computed by dividing the net profit attributable to equity shareholders for the period, by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed using the weighted average number of equity and dilutive (potential) equity equivalent shares outstanding during the period except where the results would be anti-dilutive.

3.15 Lease

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee:

At commencement or on modification of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of its relative stand-alone prices. However, for the leases of property the Company has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the Company by the end of the lease term or the cost of the right-of-use asset reflects that the Company will exercise a purchase option. In that case the right-of-use asset will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The Company presents right-of-use assets that do not meet the definition of investment property in 'property and equipment' and lease liabilities in the statement of financial position.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the term of the relevant lease.

3.16 Cash and cash equivalents

The company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

3.17 Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025.The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.
3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively.

No Expiry period	**–**	2,862.63
Total	**8,240.12**	2,862.63

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income and the period over which deferred income tax assets will be recovered. Any changes in future taxable income would impact the recoverability of deferred tax assets.

 # Unrecognised deferred tax assets

Deferred tax assets (DTA) have not been recognised, because it is not probable that future taxable profit will be available against which the Company can use the benefits therefrom:

Deferred tax assets for the carry forward of unused tax losses are recognised to the extent that it is probable that future taxable profits will be available against which the unused tax losses can be utilised. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets - unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

13 Borrowings

(Currency: Indian Rupees in lakhs)

	3,702.75	3,297.92

* This includes provision for doubtful advances of Rs. 28.09 lakhs as at 31 March 2026 (31 March 2025 : 64.91 lakhs).

24 Tax expenses

(a) Income tax recognised in profit or loss

(Currency: Indian Rupees in lakhs)

Particulars	Year ended 31 March 2026	Year ended 31 March 2025
Current tax:		
In respect of current year	**–**	–
Deferred tax:		
Attributable to the origination and reversal of temporary differences	**–**	–
Total income tax recognised in profit or loss	**–**	–

(b) Income tax recognised in other comprehensive income

(Currency: Indian Rupees in lakhs)

Particulars	Year ended 31 March 2026	Year ended 31 March 2025
Deferred tax related to items recognised in other comprehensive income during the year:		
Remeasurement of defined benefit obligations	**–**	–
	–	–

Reconciliation of effective tax rate

(Currency: Indian Rupees in lakhs)

Particulars	Year ended 31 March 2026	Year ended 31 March 2025
Profit /(loss) before tax	**(802.19)**	(1,249.08)
Tax using the Company's domestic tax rate	**25.17%**	25.17%
Expected income tax expenses	**(201.91)**	(314.39)
Tax effect of:		
Current year losses for which no deferred tax asset is created	**310.05**	292.46
Effect of expenses that is non-deductible in determining taxable profit	**(108.14)**	21.93
Tax expenses as per Statement of profit and loss	**–**	–

Notes:

With Effect from Financial Year 2019-20 (Assessment Year 2020-21), the Company has opted for the concessional tax rate of 22% vide circular number 29/2019 dated 02 October 2019 of the Income Tax Act, 1961. Surcharge of 10% and cess of 4% is to be charged in addition to the base rate of 22%.

25 Earnings per share

(Currency: Indian Rupees in lakhs)

Particulars	Year ended 31 March 2026	Year ended 31 March 2025
Earnings / (loss) per share (basic / diluted) (Rs)	**(0.43)**	(0.69)

Earnings per share

The earnings and weighted average number of ordinary shares used in the calculation of basic earnings per share are as follows:

A. Basic / diluted earnings per share

(Currency: Indian Rupees in lakhs)

Particulars	Year ended 31 March 2026	Year ended 31 March 2025
Loss for the year attributable to owners of the Company	**(802.19)**	(1,249.08)
Weighted average number of equity shares for the purpose of basic earnings per share	**188,110,000**	180,712,740
Earnings / (loss) per share (basic / diluted) (Rs)	**(0.43)**	(0.69)

Note:

Weighted average number of shares is the number of equity shares outstanding at the beginning of the period adjusted by the number of equity shares issued during period, multiplied by the time weighting factor. The time weighting factor is the number of days for which the specific shares are outstanding as a proportion of total number of days during the year.

Not considered as managerial remuneration under Companies Act, 2013

^ The guarantees are auto renewed

27 Fair value

The management assessed that loans, cash and cash equivalents, trade receivables, borrowings, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Fair Valuation measurement hierarchy

The following table shows the carrying amounts and fair values of financial assets and liabilities including their levels of fair value hierarchy:

(Currency: Indian Rupees in lakhs)

		As at 31 March 2026

Note:

There are no transfer between level 1 and level 2 during the year.

28 Financial risk management

A. Capital management

The Company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

The Company manages capital risk in order to maximize shareholders' value by maintaining sound/optimal capital structure through monitoring of financial ratios, such as net debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary. There is no change in the overall capital risk management strategy of the Company compared to last year.

The Company uses net debt equity ratio as a capital management index and calculates the ratio as total liabilities divided by total equity. Total liabilities and total equity are based on the amounts stated in the separate financial statements.

The Company is not subject to externally enforced capital regulation.

The Company's Net debt-to-equity ratio as at 31 March 2026 and 31 March 2025 is as follows:

(Currency: Indian Rupees in lakhs)

Particulars	As at 31 March 2026	As at 31 March 2025
Borrowings	**5,946.42**	2,783.62
Gross debt (A)	**5,946.42**	2,783.62
Equity share capital	**18,811.00**	18,811.00
Other equity	**(15,218.28)**	(14,414.35)
Equity (B)	**3,592.72**	4,396.65
Debt to Equity ratio (A / B)	**1.66**	0.63

B. Financial risk management framework

The Company's corporate treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risk relating to the operation of the Company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk

The use of financial derivatives is governed by the Company's policies approved by the board of directors, which provide written principles on foreign exchange risk, interest rate risk, credit risk, the use of financial derivatives and non-derivatives financial instruments, and the investment of excess liquidity. Compliance with policies and exposure limits is reviewed by the internal auditors on a continuous basis. The Company does not enter into or trade financial instrument, including derivative financial instruments, for speculative purposes.

i) CREDIT RISK

Credit risk management

Credit risk arises when a customer defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company has adopted a policy of categorising the customers based on the performance and accordingly credit limit ceiling of each category is defined. Company also takes credit insurance for business specific customers. The Company's exposure and categorisation of its customers are continuously monitored. Credit exposure is controlled by customer credit limits which are reviewed and approved. The company also take security cheques from its domestic market customers.

The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for all trade receivables. The company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company and individual receivable specific provision where applicable. Forward-looking information has been incorporated into the determination of expected credit losses.

There is no change in estimation techniques or significant assumptions during the reporting period.

The provision matrix at the end of the reporting period is as follow:-

(Currency: Indian Rupees in lakhs)

	As at 31 March 2026		As at 31 March 2025	
Ageing	Expected credit loss (%)	Expected credit loss	Expected credit loss (%)	Expected credit loss
Within the credit period	**0.98%**	**44.14**	0.86%	29.14
0-3 month past due	**4.16%**	**93.44**	3.78%	74.20
3-6 month past due	**13.30%**	**163.50**	12.06%	104.67
6 -12 month past due	**18.53%**	**44.71**	31.46%	25.91
>1 year	**90.85%**	**2,222.26**	89.34%	2,125.11
Total		**2,568.05**		2,359.03

Age of receivables	As at 31 March 2026	As at 31 March 2025
Within the credit period	**4,504.22**	3,380.02
0-3 month past due	**2,247.88**	1,962.89
3-6 month past due	**1,229.13**	867.98
6 -12 month past due	**241.29**	82.35
>1 year	**2,446.05**	2,378.60
Total	**10,668.56**	8,671.84

The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

ii) LIQUIDITY RISK

(a) Liquidity risk management

The board of directors has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(b) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

(Currency: Indian Rupees in lakhs)

Particulars	Less than 1 Year	1–3 Years	3 Years to 5 Years	5 years and above
Non-derivative financial liabilities				
As at 31 March 2026				
Short-term borrowings	**5,946.42**	**–**	**–**	**–**

Trade payables	**5,741.20**	**–**	**–**	**–**
Other financial liabilities	**477.28**	**–**	**–**	**–**
Total	**12,320.53**	**229.09**	**–**	**–**
As at 31 March 2025				
Short-term borrowings	2,783.62	–	–	–
Lease liability	130.29	317.69	–	–
Trade Payables	4,154.71	–	–	–
Other Financial Liabilities	471.44	–	–	–
Total	**7,540.06**	317.69	–	–

(c) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

(Currency: Indian Rupees in lakhs)

Particulars	Less than 1 Year	1–3 Years	3 Years to 5 Years	5 years and above
Non-derivative financial assets				
As at 31 March 2026				
Non-interest bearing				
Trade Receivables	**8,100.51**	**–**	**–**	**–**
Cash and cash equivalents	**0.49**	**–**	**–**	**–**
Fixed interest rate instruments	**–**	**–**	**–**	**–**
Total	**8,101.01**	**–**	**–**	**–**
As at 31 March 2025				
Non-interest bearing	6,342.33	–	–	–
Fixed interest rate instruments	–	–	–	–
Total	6,342.33	–	–	–

In the case of assets falling short of liabilities, banking facilities are available to honour the obligation through as cash credit, short term borrowing / long term borrowing and other necessary banking facilities.

iii) MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk such commodity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company uses permitted derivatives to manage market risks. Derivatives are only used for economic hedging purposes and not as speculative investments. All such transactions are carried out within the guidelines set by the Board of Directors and Forex and investment Management Committee.

There has been no significant changes to the company's exposure to market risk or the methods in which they are managed or measured.

a) Currency risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company's exposure to currency risk relates primarily to the Company's operating activities and borrowings when transactions are denominated in a different currency from the Company's functional currency.

The Company manages its foreign currency risk by taking forward cover that are expected to occur within a maximum 12 month period for forecasted cash flow.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

(Currency: Indian Rupees in lakhs)

Particulars	Currency	As at 31 March 2026	As at 31 March 2025
Trade payables	USD	**7.19**	9.41
Trade receivable	USD	**–**	–

Of the above foreign currency exposures, the following exposures are not hedged by a derivative:

(Currency: Indian Rupees in lakhs)

Particulars	Currency	As at 31 March 2026	As at 31 March 2025
Trade payables	USD	**1.34**	–
Trade receivable	USD	**–**	–

b) Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives and embedded derivatives. The impact on the Company's pre-tax equity is due to changes in the fair value of forward exchange contracts.

(Currency: Indian Rupees in lakhs)

Period	Currency	Change in rate	Effect on loss before tax	Effect on pre-tax equity
As at 31 March 2026	**USD**	**5%**	**(0.07)**	**(0.07)**
	USD	**3%**	**(0.04)**	**(0.04)**
As at 31 March 2025	USD	5%	–	–
	USD	3%	–	–

c) Interest rate sensitivity

The sensitivity analyses below have been determined based on exposure to interest rate for both derivative and non-derivative instruments at the end of reporting period. For floating rate liabilities, analysis is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole year.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected, after the impact of hedge accounting.

With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Period	Currency	Increase / decrease in basis points	Effect on profit/ (loss) before tax
As at 31 March 2026	**INR**	**–**	**–**
As at 31 March 2025	INR	**–**	–

29 Disclosures under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006:

Trade payables includes amount payable to Micro, Small and Medium Enterprises as follows:

(Currency: Indian Rupees in lakhs)

Sr. No.	Particulars	As at 31 March 2026	As at 31 March 2025
a.	Principal amount remaining unpaid to any supplier at the end of the year	**67.55**	161.47
	Interest due thereon remaining unpaid to any supplier at the end of the accounting year	**16.33**	8.51
b.	Amount of interest paid by the buyer under MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during the year	**–**	7.65
c.	Amount of interest due and payable for the period of delay in making payment (which has been paid but beyond the appointed day during the year) but without adding the interest specified under MSMED Act, 2006	**8.51**	5.51
d.	The amount of interest accrued and remaining unpaid as at the end of the year	**7.82**	3.00
e.	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance of a deductible expenditure under MSMED Act, 2006	**NIL**	NIL

Dues to Micro and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management.

30 Employee benefits expenses

(i) Defined contribution plans:

The Company's contribution to Provident Fund and Pension scheme aggregating to Rs. 92.47 lakhs for the year ended 31 March 2026 (31 March 2025 : Rs. 103.53 lakhs) has been recognised in the Statement of Profit and Loss under the head Employee benefits expense.

(ii) Defined benefit plans:

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated in accordance with the provisions under the Code on Social Security, 2020 or as per the Company Scheme, as applicable. Vesting occurs upon completion of contractual period of continuous years of service as defined in the Code on Social Security, 2020. In case of death while in service, the gratuity is payable irrespective of vesting.

Code on Social Security, 2020

The Code on Social Security, 2020 has been notified and made effective from 21 November 2025, thereby replacing the erstwhile Payment of Gratuity Act, 1972. The Code on Social Security, 2020 has updated the definition of the gratuity salary to "Wages" as defined in the Code on Wages, 2019 and has changed the vesting period for fixed-term contract employees wherever applicable. This change has resulted in an increase in the liability of the Company, and has resulted in a past service cost for the Company.

Impact of Labour Code

On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has considered restructured compensation of its employees with effect from April 1, 2026, and assessed the impact of the changes, consistent with the Labour Codes, draft rules, FAQs and legal opinion. The Company has provided Rs 19.36 lakhs as a increase in provision for Gratuity.

Amount recognised in the Statement of Profit and Loss in respect of these defined benefit plans are as follows

(Currency: Indian Rupees in lakhs)

Particulars	Gratuity	
	Year ended 31 March 2026	Year ended 31 March 2025
Service Cost:		
Current service cost	**25.88**	26.66
Past service cost	**19.36**	–
Net interest expense	**7.42**	7.55
Components of defined benefit costs reconised in profit or loss	**52.66**	34.21
Remeasurement on the net defined benefit liability:		
1. Changes in financial assumptions	**0.90**	1.83
2. Changes in demographic assumptions	**2.56**	–
3. Experience adjustments	**(5.20)**	(21.20)
4. Actual return on plan assets less interest on plan assets	**–**	–
Components of defined benefit costs recognised in Other Comprehensive Income	**(1.74)**	(19.37)
Total	**50.92**	14.84

The current service cost and the net interest expenses for the year are included in the employee benefits expense line item in the Statement of Profit and Loss. The remeasurement of the net defined benefit liability/asset is included in Other Comprehensive Income.

The amount included in the Balance Sheet arising from the entity's obligation in respect of its defined benefit plans is as follows:

(Currency: Indian Rupees in lakhs)

Particulars		Year ended 31 March 2026	Year ended 31 March 2025
I.	**Net liability recognised in the Balance sheet**		
1.	Present value of defined benefit obligation	**162.53**	127.70
2.	Current portion of the above	**64.10**	39.48
3.	Non current portion of the above	**98.43**	88.22
II.	**Change in the obligation during the year**		
1.	Present value of defined benefit obligation at the beginning of the year	**127.70**	125.18
2.	Expenses recognised in Profit and Loss Account	**–**	
	- Current service cost	**25.88**	26.66
	- Past service cost	**19.36**	–
	- Interest expense (income)	**7.42**	7.55
3.	Recognised in other comprehensive income	**–**	–
	Remeasurement gains / (losses):		
-	Actuarial Gain (Loss) arising from:	**–**	–
i.	Financial Assumptions	**0.90**	1.83
ii.	Demographic Assumptions	**2.56**	–
iii.	Experience Adjustments	**(5.20)**	(21.20)
4.	Benefit payments	**(16.10)**	(14.64)
5.	Others : Impact of liability assumed (transfer from Mahindra Agri Solutions Limited)	**–**	2.32
6.	**Present value of defined benefit obligation at the end of the year**	**162.53**	127.70

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

(Currency: Indian Rupees in lakhs)

Principal assumption		Changes in assumption	Impact on defined benefit obligation: Increase in assumption	Impact on defined benefit obligation: Decrease in assumption
Discount rate	**31 March 2026**	**1.00%**	**-2.72%**	**2.87%**
	31 March 2025	1.00%	-2.83%	2.99%
Salary growth rate	**31 March 2026**	**1.00%**	**2.68%**	**-2.58%**
	31 March 2025	1.00%	2.91%	-2.80%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous year.

Maturity profile of defined benefit obligation:

(Currency: Indian Rupees in lakhs)

	As at 31 March 2026	As at 31 March 2025
Within 1 year	**64.10**	39.48
1 - 2 year	**34.38**	36.92
2 - 3 year	**27.11**	21.28
3 - 4 year	**20.77**	17.09
4 - 5 year	**15.19**	12.74
5 - 6 year	**10.94**	9.01
6 - 7 year	**7.84**	6.43
7 - 8 year	**5.39**	5.44
8 - 9 year	**4.04**	3.37
10 year and above	**8.49**	6.15

The weighted average duration of the defined benefit obligation as at 31 March 2026 is 2.79 years (31 March 2025 - 2.90 years)

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The current service cost and the net interest expense for the year are included in the employee benefits expense in profit or loss of the expense for the year, an amount of Rs 52.66 lakhs (31 March 2025 : Rs. 34.21 lakhs) has been included in statement of profit and loss under the head Employee benefit expenses.

Compensated absenses :

Compensated absences for the employee benefits of Rs. 98.26 lakhs (31 March 2025 : Rs 50.13 lakhs) expected to be paid in exchange for the services recognised as a expenses during the year considering changes notified through the Code on Social Security, 2020

31 Segment reporting

The Company is engaged in the business of production and trading of Crop inputs, which is the primary business segment and has only domestic sales. The Company has only one reportable business segment, which is production and trading of Crop inputs and only one reportable geographical segment. Accordingly, these financial statements are not reflective of the information required under Ind AS 108.

32 For the financial year ended 31 March 2026, managerial remuneration paid to the directors amounting to Rs. 363.14 lakhs (31 March 2025 : Rs. 315.28 lakhs) is in compliance with the requirements of the Act.

33 Ratio Analysis and its elements

Ratio	Numerator	Denominator	31-Mar-26	31-Mar-25	% change	Reasons for variances
Current Ratio	Current Assets	Current Liability	1.09	1.21	-10%	-
Debt Equity ratio	Total Debt	Shareholder equity	1.66	0.63	161%	Due to additional borrowings and erosion of equity caused by losses.
Debt Service coverage ratio	Profit before tax + Depreciation & Amortisation expenses + Finance cost	Finance cost + Current lease liabilities	(0.24)	(2.08)	-89%	Difference is due to operational loss in current year
Return on Equity	Net profit after taxes	Shareholder equity	(0.22)	(0.28)	-21%	Negative but improved due to reduction in net losses during the year.
Inventory Turnover ratio	Cost of goods sold	Average inventory	1.09	1.14	-4%	Marginal decline caused by higher inventory levels and higher holding period.
Trade Receivable Turnover ratio	Net credit sales = Gross credit sales - sales return	Average trade receivables	3.28	3.77	-13%	Decreased due to slower collection of receivables and slightly extended credit to select customers.
Trade Payable ratio	Net credit purchases = Gross credit purchases - purchase return	Average trade payables	1.57	2.22	-30%	Declined in the trade payable ratio as the company manages liquidity by closely monitoring the trade payables and credit period thereof.
Net Capital Turnover ratio	Net sales = Total sales - sales return	Working capital = Current assets – Current liabilities	16.53	8.37	98%	Improved sharply due to reduced or negative working capital combined with stable sales.
Net profit ratio	Net profit	Net sales = Total sales - sales return	(0.03)	(0.07)	-48%	Losses narrowed reflecting improved operational efficiency and cost control
Return on capital employed	Earnings before interest and taxes	Shareholder equity + Borrowings + Lease liability	(0.04)	(0.14)	-70%	Remained negative due to operating losses alongside marginal improvement in EBIT.

34 Contingent liabilities

The Company is involved in a number of appellate, judicial and arbitration proceedings (including those described below) concerning matters arising in the course of conduct of the Company's business. Some of these proceedings in respect of matters under litigation are in early stages, and in some other cases, the claims are indeterminate. A summary of claims asserted on the Company in respect of these cases have been summarised below.

Tax contingencies

Amounts in respect of claims asserted by various revenue authorities on the Company, in respect of taxes, which are in dispute, have been tabulated below:

(Currency: Indian Rupees in lakhs)

Nature of Tax	31 March 2026	31 March 2025
GST	**96.07**	182.29
Total	**96.07**	182.29

Also refer note no. 7 and 11

The management believes that the claims made are untenable and is contesting them. As on the reporting date the management is unable to determine the ultimate outcome of above matters. However in the event the revenue authorities succeed with enforcement of their assessments, the company may be required to pay some or all of the asserted claims and the consequential interest and penalties, which would reduce net income and could have a material adverse effect on the net income in the respective reported period.

35 Additional regulatory information pursuant to the requirement in Division II of Schedule III to the Companies Act, 2013

i. The company does not have any Benami property, where any proceeding has been initiated or pending against the company for holding any Benami property.

ii. The company does not have any transactions with struck off companies during the year.

iii. The company has not revalued its property, plant and equipment (including right-of-use assets) or intangible assets or both during the current or previous year.

iv. The company has not traded or invested in Crypto currency or Virtual currency during the current or previous financial year.

v. The company has not advanced or loaned or invested funds to any other persons or entities, including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or

(b) povide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

vi. The company has not received any fund from any persons or entities, including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the company shall:

(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

(b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

vii. The company has no such transactions which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961.

viii. The company has borrowings from banks and financial institutions on the basis of security of current assets. The quarterly returns or statements of current assets filed by the company with banks and financial institutions are in agreement with the books of accounts.

ix. The company has not been declared as wilful defaulter by any bank or financial institution or government or any government authority.

x. The company has complied with the number of layers prescribed under the Companies Act, 2013.

xi. The company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

INDEPENDENT AUDITOR'S REPORT

To the Members of Mahindra EPC Irrigation Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Mahindra EPC Irrigation Limited (the "Company") which comprise the standalone balance sheet as at 31 March 2026, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matter(s)

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue from sale of products
See Note 1(K) and 17 to the standalone financial statements

The Key Audit Matter	How the matter was addressed in our audit
The Company's revenue is derived primarily from sale of products. Revenue from sale of products is recognised when the control of the underlying products has been transferred to the customer. We have identified recognition of revenue as a key audit matter as revenue is a key performance indicator. There is a presumed fraud risk of revenue being overstated during the year on account of variation in the timing of transfer of control due to pressure to achieve performance targets and meeting the external expectations.	In view of the significance of the matter, we applied the following audit procedures in this area, to obtain sufficient appropriate audit evidence: • Obtained an understanding of the systems, processes and controls implemented by the Company around recognition of revenue. • We evaluated the Company's accounting policies for revenue recognition in the context of the applicable accounting standards. • We evaluated the design, implementation and operating effectiveness of the key internal financial controls over recognition of revenue. • On sample basis, we tested the revenue transactions recorded during the year by verifying the underlying documents to assess where revenue is recognised appropriately when control is transferred. • We tested, on a sample basis specific revenue transaction recorded before and after the financial year-end date to assess whether revenue is recognised in the correct financial period in which control is transferred. • We verified journal entries on revenue recognised during the year, on specified risk-based criteria, to detect unusual or irregular items. • We assessed the adequacy of disclosure made in the standalone financial statements with respect to revenue recognised during the year as required by applicable Ind AS.

Expected credit loss (ECL) on Trade receivable
See Note 1(U) and 5 to the standalone financial statements

The Key Audit Matter	How the matter was addressed in our audit
Trade receivables comprise of receivables from state government owned enterprises and private dealers. We have identified impairment of trade receivables as a key audit matter on account of the significant judgments and estimates involved especially around the customer's ability and willingness to pay the outstanding amounts and probability of default for each customer over the expected life of the receivables.	In view of the significance of the matter, we applied the following audit procedures in this area, to obtain sufficient appropriate audit evidence: • We assessed the appropriateness of the Company's accounting policies towards measurement of impairment of trade receivable in the context of the applicable accounting standards.

The Key Audit Matter	How the matter was addressed in our audit
Based on this assessment, credit loss rate is determined after considering the experience of actual credit losses over past years adjusted to reflect the expected collections, current economic conditions and forecasts. The Company then records the impairment loss (loss allowance) towards trade receivables based on such credit loss rate.	• We have obtained understanding of processes, evaluated the design, implementation and operating effectiveness of the key internal financial controls with respect to impairment of trade receivables. • We have verified the mathematical accuracy of impairment loss allowance working for trade receivables. • We have evaluated the historical accuracy of ECL towards trade receivables by examining the actual write-offs / reversals and new allowances recorded in the current year. • We have evaluated the appropriateness and reasonableness of the method, assumptions and data used in estimation model for loss allowance. • We have tested the ageing analysis and subsequent receipt of trade receivables on sample basis. • We assessed the adequacy of disclosure made in the standalone financial statements with respect to impairment of trade receivables as per relevant accounting standards.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient

and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. A. As required by Section 143(3) of the Act, we report that:

   a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   c. The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.

   d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

   e. On the basis of the written representations received from the directors as on 1 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

   f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

   B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   a. The Company has disclosed the impact of pending litigations as at 31 March 2026 on its financial position in its standalone financial statements - Refer Note 30 to the standalone financial statements.

b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

d. (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 35 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 35 to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

e. The Company has neither declared nor paid any dividend during the year.

f. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, where audit trail (edit log) facility was enabled and operated in the previous years, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA EPC IRRIGATION LIMITED FOR THE YEAR ENDED 31 MARCH 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of 2 years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) (a) The inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year. For stocks lying with third parties at the year-end, written confirmations have been obtained and for goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.

(iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a) to 3(iii)(f) of the Order are not applicable to the Company.

(iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has neither made any investments nor has it given loans or provided guarantee or security and therefore the relevant provisions of Sections 185 and 186 of the Companies Act, 2013 ("the Act") are not applicable to the Company. Accordingly, clause 3(iv) of the Order is not applicable.

(v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

(vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act in respect of its manufactured goods and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the records with a view to determine whether these are accurate or complete.

(vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination

of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues have generally been regularly deposited by the Company with the appropriate authorities.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

Name of the statute	Nature of the dues	Amount (Rs. in Cr)*	Period to which the amount relates	Forum where dispute is pending
Central Excise Act, 1944	Excise Duty	0.44	FY 1995-96 and FY 1997-98	Commissioner of Central Excise
CGST Act, 2017	Goods and Service Tax (GST), Interest and Penalty	**7.96	FY 2018-19	Deputy Commissioner of State Tax, Maharashtra
CGST Act, 2017	Goods and Service Tax (GST), Interest and Penalty	0.08	FY 2021-22	Deputy Commissioner of State Tax, Maharashtra
Finance Act, 1994	Central Sales Tax	0.09	FY 2021-22	Deputy Commissioner of State Tax, Bihar
Finance Act, 1994	Service Tax, Interest and Penalty	31.84	FY 2015-16	Service Tax Appellate Tribunal
SGST Act 2017	Goods and Service Tax (GST), Interest and Penalty	0.87	FY 2019-20 and FY 2020-21	Assistant Commissioner of State Tax, Tamil Nadu
SGST Act 2017	Goods and Service Tax	0.13	FY 2021-22	Commercial Tax Officer, Tamil Nadu
SGST Act 2017	Goods and Service Tax (GST), Interest and Penalty	4.34	FY 2020-21, FY 2021-22, FY 2022-23 and FY 2023-24	Deputy Commissioner of State Tax, Telangana
SGST Act 2017	Goods and Service Tax (GST), Interest and Penalty	0.03	FY 2021-22	Assistant Commissioner of Commercial Tax, Telangana
Income Tax Act, 1961	Income Tax	2.61	FY 2012-13	Assistant Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	0.05	FY 2023-24	Commissioner of Income Tax (Appeals)

* Net of amounts paid under protest.

** Subsequently settled on 16 April 2026.

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

(ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.

(c) In our opinion and according to the information and explanations given to us by the management, the Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.

(d) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its joint venture as defined under the Act.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its joint venture. (as defined under the Act).

(x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

(xi) (a) During the course of our examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.

(b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of our audit procedures.

(xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

(xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports of the Company issued till date for the period under audit.

(xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.

(xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.

(b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

(d) According to the information and explanations provided to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) has more than one CIC as part of the Group. The Group has five CICs which are not required to be registered with the Reserve Bank of India.

(xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management

plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The requirements as stipulated by the provisions of Section 135 are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA EPC IRRIGATION LIMITED FOR THE YEAR ENDED 31 MARCH 2026

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Mahindra EPC Irrigation Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

CEO AND CFO CERTIFICATION

We, Abhijit Page – Chief Executive Officer and Giriraj Mohta - Chief Financial Officer, certify that:

A) We have reviewed the financial statements and the cash flow statement for the quarter ended March 31, 2026 and we confirm that to the best of our knowledge and belief:

   1) these statements do not contain any untrue statement or omission of any material fact or contain statements that might be misleading;

   2) These statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations. Annexure II to this certificate briefly describes all the major judgments/estimates made in the preparation of these accounts and the manner in which they were made.

B) To the best of our knowledge and belief, no transactions entered into by the Company during the quarter ended March 31, 2026, are fraudulent, illegal or violative of the Company's code of conduct/ ethics other than those mentioned in Annexure III.

C) We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company pertaining to financial reporting and we have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of internal controls, over financial reporting, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies are mentioned in Annexure IV.

D) We have indicated to the Auditors and the Audit Committee that:

   1) There has not been any adverse change in internal control over financial reporting during the quarter under reference.

   2) There has not been any significant change in the accounting policies during the year requiring the disclosure in the notes to the financial statements; and other than those listed in Annexure I to this certificate

   3) We are not aware of any instance during the quarter of significant fraud with involvement therein of the Management or any employee having a significant role in the Company's internal control system over financial reporting.

Notes forming part of standalone financial statements for the year ended March 31, 2026

Note No. 1 - Corporate information and material accounting policies

A. Corporate Information

Mahindra EPC Irrigation Limited is a Public Limited Company listed on the Bombay Stock Exchange Limited and National Stock Exchange. It was incorporated on November 28, 1981 under the Companies Act, 2013. It is engaged in the business of Micro Irrigation Systems such as Drip and Sprinklers, Agricultural Pumps, Greenhouses and Land Scape Products. The Company is a public limited Company and domiciled in India. The address of its corporate office is H-109, MIDC, Ambad, Nashik, Maharashtra 422010. As at 31st March 2026 Mahindra & Mahindra Limited, the holding company own 54.20% of the Company's equity share capital.

B. Basis of preparation

a. Statement of compliance

These standalone financial statements of Mahindra EPC Irrigation Limited ('the Company') have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

These standalone financial statements were approved by the Company's Board of Directors and authorised for issue on 21 April 2026.

b. Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, paragraph 66 and 69 of Ind AS 1 and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. An asset is treated as current when it is

a. Expected to be realised or intended to be sold or consumed in normal operating cycle:

b. Held primarily for the purpose of trading;

c. Expected to be realised within twelve months after the reporting period; or

d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when

a. It is expected to be settled in normal operating cycle;

b. It is held primarily for the purpose of trading;

c. It is due to be settled within twelve months after the reporting period; or

d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

C. Basis of measurement and fair value

The standalone financial statements have been prepared on the historical cost basis except for certain financial instruments and net defined benefit liability that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such basis, except for share-based payment transactions that are within the scope of Ind AS 102, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

D. Functional and presentation currency

These financial statements are presented in Indian Rupees ('Rupees') which is also the Company's functional currency. All amounts are rounded-off to the nearest rupee in crores (two decimals), unless otherwise indicated.

E. Standards issued but not yet effective

Ind AS 1 - Presentation of Financial Statements

If a covenant breach occurs on or before the reporting date and the liability becomes payable on demand, it must be classified as current, even if the lender subsequently agrees not to demand repayment. It is classified as current because, at the reporting date, the entity does not have the right to defer settlement for at least 12 months. However, if the lender has already provided—by the reporting date—a grace period extending at least 12 months beyond that date, during which the breach can be rectified and repayment cannot be demanded, the liability is classified as non-current.

This amendment is to be applied retrospectively for annual reporting periods beginning on or after 1 April 2026, in accordance with Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors.

F. Property, Plant and equipment:

Property, Plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. Cost includes cost of acquisition or construction and is stated at historical cost.

Depreciation on all property, plant and equipment, is provided on Straight Line Method as per the estimated useful life. Leasehold Assets are depreciated over the shorter of the lease term and their useful lives. Depreciation on additions to assets or on sale/disposal of assets is calculated from the date of such addition or up to the date of such sale/disposal as the case may be.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Property, Plant and equipment retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately in the Balance Sheet.

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

The management's estimate of useful lives are in accordance with Schedule II to the Companies Act, 2013 and based on the Company's expected usage pattern supported by technical assessment:

Estimated useful life of the assets are as follows:

Assets	Useful life as per Management	Useful life as per Schedule II
Buildings		
Factory Building	30 Years	30 Years
Office Building	60 Years	60 Years
Extrusion Machines	19 Years	8 Years
Other Machineries	10 Years	15 Years
Electrical Installations, factory Equipments, furniture	10 Years	10 Years
Moulds and Dies	10 Years	15 Years
Office Equipment	5 Years	5 Years
Computers	3 Years	3 Years
Vehicles - Cars (For employee use)	5 Years	8 Years

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on prospective basis.

The cost of property, plant and equipment at 1 April 2016, the Company's date of transition to Ind AS, was determined with reference to its carrying value recognised as per the previous GAAP (deemed cost), as at the date of transition to Ind AS.

G. Other Intangible Assets:

Intangible assets with definite useful lives are amortised on a straight line basis so as to reflect the pattern in which the asset's economic benefits are consumed.

Intangible assets are recognised only when economic benefit attributable to the assets will flow to the enterprise and cost can be measured reliably. They are being amortised over the estimated useful life of 36 months.

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates and the cost of the asset can be measured reliably. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

Subsequent to initial recognition, intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the statement of profit or loss when the asset is derecognised.

The cost Intangible assets at 1 April 2016, the Company's date of transition to Ind AS, was determined with reference to its carrying value recognised as per the previous GAAP (deemed cost), as at the date of transition to Ind AS.

H. Impairment of Assets:

The carrying value of assets / cash generating units at each balance sheet date is reviewed for impairment excluding inventories and deferred tax. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the fair value less costs of disposal and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss of the amount. They arrived at cost less accumulated amortisation and accumulated impairment losses.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years.

I. Inventories:

Inventories comprise of raw materials, work in progress, finished goods and stock in trade, are valued at costs of purchase, conversion and other costs incurred if any in bringing the inventories to their present location and condition. Inventories are stated at lower of cost and net realisable value. In the case of finished goods and work in progress, cost includes an appropriate share of production overheads based on normal operating capacity.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Raw materials, components and other supplies held for use in the production of finished products are not written down below cost except in cases when a decline in the price of materials indicates that the cost of the finished products shall exceed the net realisable value.

The net realisable value of work-in-progress is determined with reference to the selling prices of related finished goods. The comparison of cost and net realisable value is made on an item-by-Item basis.

Cost is determined on the basis of the weighted average method.

J. Foreign Exchange Transactions:

In preparing the financial statements transactions in other than the company's functional currency are recorded at the exchange rates prevailing on the date of transaction. At the end of each reporting period, monetary items denominated in foreign currencies are restated at the rates prevailing at that date. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of monetary items at the end of the year is recognised as income or expense, as the case may be. Non - Monetary items that are measured in terms of historical cost in a foreign currency are not restated.

K. Revenue recognition:

Revenue from contracts with customer

Revenue from contracts with customer Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods to the customer. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset. Revenue is measured based on the consideration specified in a contract with a customer, stated net of discounts, returns and Goods and Service tax.

The Company recognises revenue from the following major sources:

a) Sale of Products; and

b) Sale of services.

a) Sale of Products

The company sells Micro irrigation systems (MIS) both to the Open market and Project market. Sales-related warranties associated with MIS cannot be purchased separately and they serve as an assurance that the products sold comply with agreed-upon specifications.

Accordingly, the Company accounts for warranties in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets (refer note no. 14).

For sales of MIS to open market, revenue is recognised when control of the good has transferred, being when the goods have been delivered to the dealer based on the terms and conditions in his agreement. Following delivery, the dealer has full discretion over the manner of distribution and price to sell the goods, has the primary responsibility while selling the goods and bears the risks of obsolescence and loss in relation to the goods.

For sales of MIS to project market, revenue is recognised when control of the good has transferred, being when the goods have been installed at the farmers' place as per the approved design and acknowledged by the implementing agency. Following which farmer has full control of the MIS.

A receivable is recognised by the Company when the goods are delivered to the distributor /MIS installation acknowledged by the implementing agency as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due.

Revenue for fixed-price contracts is recognised using percentage-of-completion (PoC) method. The Company uses judgement to estimate the future cost-to-completion of the contracts which is used to determine degree of completion of the performance obligation.

Project revenue is recognised on the basis of cost completion after the threshold limit of 30% of the cost to completed.

b) Sale of Services

Sale of services are recognised on satisfaction of performance obligation towards rendering of such services.

L. Other income:

Dividend income from investments is recognised in statement of profit and loss when the shareholders right to receive payment has been established.

Interest income from financial assets is recognised when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable. The effective interest method is a method of calculating the amortised cost of the financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial assets, to that asset's net carrying amount on initial recognition.

M. Employee benefits:

a) Short term employee benefits

A liability is recognised for benefits accruing to employees in respected of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that services. Liabilities recognised in respect of other long -term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees upto the reporting date.

b) Post-employment benefits

(i) Defined contribution plans

The Company's contribution to provident fund, employee state insurance scheme and superannuation fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employee.

(ii) Defined benefit plans

The employees' gratuity fund scheme, managed by Life Insurance Corporation (LIC) is a defined benefit plan. The present value of obligation is determined based on actuarial valuation carried out as at the end of each financial year using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities, of a maturity period equivalent to the weighted average maturity profile of the related obligations at the Balance Sheet date.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in the statement of profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

(iii) Share based payment

Equity-settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date. Details regarding the determination of the fair value of equity-settled share-based transactions are set out in note 20.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate with a corresponding adjustment to the equity-settled employee benefits reserve.

(iv) Other long-term benefits:

Compensated absences: Compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as undiscounted liability at the balance sheet date. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date using the Projected Unit Credit Method.

N. Leases:

The Company assesses whether a contract is, or contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the commencement date of the lease, the Company recognise a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is lessee, except for short-term leases (leases with a term of twelve months or less), leases of low value assets and, for contract where the lessee and lessor has right to terminate a lease without permission from the other party with no more than an insignificant penalty. The lease expense of such short-term leases, low value assets leases and cancellable leases, are recognised as an operating expense on a straight-line basis over the term of the lease.

At commencement date, lease liability is measured at the present value of the lease payments to be paid during non-cancellable period of the contract, discounted using the incremental borrowing rate. The right-of-use assets is initially recognised at the amount of the initial measurement

of the corresponding lease liability, lease payments made at or before commencement date less any lease incentives received and any initial direct costs.

Subsequently the right-of-use asset is measured at cost less accumulated depreciation and any impairment losses. Lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using effective interest rate method) and reducing the carrying amount to reflect the lease payments made. The right-of-use asset and lease liability are also adjusted to reflect any lease modifications or revised in-substance fixed lease payments.

The right-of-use asset is also assessed for impairment when such indicators exist.

As a lessor:

Income from operating leases where the Company is a lessor is recognised as income on a straight-line basis over the lease term.

O. Borrowing Costs:

All borrowing costs are charged to the Statement of Profit and Loss except, borrowing costs that are attributable to the acquisition or construction of qualifying assets which are those that necessarily take a substantial period of time to get ready for their intended use or sale, which are capitalised as part of the cost of such assets.

P. Product Warranty:

In respect of warranties given by the Company on sale of certain products, the estimated costs of these warranties are measured on the basis of past experience of warranty expense & accrued at the time of sale. The estimates for accounting of warranties are discounted when required and are reviewed and revisions are made as required by the management of the company.

Q. Income Tax:

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates for the relevant period, and any adjustment to taxes in respect of previous years. Interest expenses and penalties, if any, related to income tax are included in finance cost and other expenses respectively. Interest Income, if any, related to income tax is included in other income.

Uncertain Tax position:

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. The provision is estimated based on one of two methods, the expected value method (the sum of the probability weighted amounts in a range of possible outcomes) or the single most likely amount method, depending on which is expected to better predict the resolution of the uncertainty.

Company recognises the temporary differences on Right of use assets (ROU) and lease liabilities on net basis as at reporting date.

- **Current Tax**

Income Taxes are accounted for in accordance with IND AS-12. Tax expenses comprise both current tax and deferred tax. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act 1961, and other applicable tax laws.

- **Deferred Tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

R. Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits - Refer Note No. 28) are discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. Provisions & contingent liabilities are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liabilities and assets are not recognised but are disclosed in the notes.

S. Operating Segments

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker (CODM). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified by the Company. The CODM of the company reviews the operation of the company as Precision Farming Products & Services.

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's Managing Director (MD) to make decisions about resources to be allocated to the segments and assess their performance.

T. Investment in Joint Venture

The company accounts for its investments in Joint Venture at cost less accumulated impairment, if any.

U. Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

The Company has an established control framework with respect to the measurement of fair values.

Management has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the internal valuation team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of the applicable financial reporting framework, including the level in the fair value hierarchy in which the valuations should be classified."

Significant valuation issues are reported to the Company's audit committee if any.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Classification and subsequent measurement

Financial assets

All regular purchases or sales of financial assets are recognised and derecognised on a trade date basis. These are financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets:

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Trade Receivables

Trade receivables are initially recognised at fair value except for those without a significant financing component which are initially measured at transaction price. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

All other financial assets are subsequently measured at fair value.

Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables, other contractual rights to receive cash or other financial asset.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information. Assessment of whether there is significant increase in the credit risk of a particular customer is performed periodically basis a review of collection trends, credit worthiness and other macro-economic factors.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities subsequently measured at amortised cost:

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group is recognised at the proceeds received, net of directly attributable transaction costs.

V. Use of judgements and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to estimates are recognised prospectively.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

– useful life of property, plant and equipment and other intangible assets (Refer Note 1, Point F)
– estimation of defined benefit obligation (Refer Note 28)
– provision for warranty claims (Refer Note 14)
– income taxes - current and deferred taxes (Refer Note 7)
– impairment of trade receivables (Refer Note 5)
– recognition and measurement of provisions and contingencies

Detailed information about each of these estimates and judgements that have a significant risk of resulting in material adjustment within the next financial year is included in relevant notes for the above items.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

W. Contingent Liabilities & Commitments

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made

(i) It is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the pending resolution of the respective proceedings as it is determinable only on receipt of judgements/ decisions pending with various forums/authorities.

(ii) The Company does not expect any reimbursements in respect of the contingent liabilities.

(iii) The Company's pending litigations comprise of claims against the Company by employees and pertaining to proceedings pending with various direct tax, indirect tax and other authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required or disclosed as contingent liabilities where applicable, in its standalone financial statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its standalone financial statements.

X. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet includes cash at bank and on hand, deposits with banks & financial institutions, other short term highly liquid investments, with original maturities less than three months which are readily convertible into cash and which are subject to insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents as defined above is net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

Y. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

To calculate diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Notes to the standalone financial statements for the year ended March 31, 2026 (Contd.)

NOTE NO. 4 - INVESTMENTS

Rs. in Crores

Particulars	As at March 31, 2026	As at March 31, 2025
Investment in Equity Instruments (fully paid-up) Unquoted		
In Joint Venture company - Mahindra Top Greenhouses Private Limited - Refer Note No. 34	**–**	–
Total	**–**	–

Other Disclosures:	As at March 31, 2026	As at March 31, 2025
Aggregate amount of unquoted investments (Gross)	**1.80**	1.80
Aggregate amount of impairment in value of investments	**1.80**	1.80
Aggregate amount of unquoted investments (Net)	**–**	–

Note for Impairment:

The Company has entirely recognised an impairment loss of Rs. 1.80 Crores on investment in joint venture considering the performance of its Joint Venture entity.

NOTE NO. 5 - TRADE RECEIVABLES

Rs. in Crores

Particulars	As at March 31, 2026		As at March 31, 2025	
	Current	Non Current	Current	Non Current
Unsecured, considered good	**216.92**	**30.14**	173.36	0.65
Trade Receivables which have significant increase in credit risk	**12.18**	**6.87**	–	2.46
Trade Receivables - credit impaired	**0.93**	**–**	27.18	1.20
	230.03	**37.01**	200.54	4.31
Less: Loss Allowance	**(13.11)**	**(6.87)**	(27.18)	(1.20)
Total	**216.92**	**30.14**	173.36	3.11

Refer Note 24 for disclosures related to credit risk, impairment of trade receivables under expected credit loss model and related disclosures.

The Company applies the simplified approach to provide for expected credit losses prescribed by IND AS 109, which permits the use of the lifetime expected credit loss provision for all trade receivables. The company has expected credit losses based on a provision matrix which uses historical credit loss experience of the Company.

No trade or other receivables are due from directors or other officers of the company either severally or jointly with any other person. Nor any trade or other receivables are due from firms or private companies respectively in which any director is a partner, a director or a member.

Refer Note 29 for disclosures relating to receivables from related parties.

Trade receivables are non-interest bearing and are generally on terms of 30 to 90 days.

Trade receivables are hypothecated against the working capital facilities provided by the bank.

Refer Note 5A for trade receivables ageing schedule.

When the impairment is calculated under the simplified approach for trade receivables, an entity is not required to separately track changes in credit risk of trade receivables as the impairment amount represents “lifetime” expected credit loss. Accordingly, the disclosure of trade receivables in the manner as required by Schedule III for significant increase in credit risk is not required except when a company has a trade receivable for which credit risk is assessed individually. Further, the disclosure of ‘trade receivables – credit impaired’ will be made if such trade receivables meet the definition of ‘credit impaired’ as per Ind AS 109.

Balance at March 31, 2026	**1.22**

Warranty Claims:

Provision for warranty represents present value of management's best estimate of the future outflow of economic benefits that will be required in respect of sale of certain products, the estimated cost of which is accrued at the time of sale. Management estimates the related provision for future warranty claims based on historical warranty claim information and is adjusted regularly to reflect new information. The products are generally covered under a free warranty period ranging from 6 months to 5 years. It is expected that most of these costs will be incurred in the next two financial years and all will have been incurred within five years after the reporting date.

* Countries in African Continent

The company recognises revenue as per IND AS 115 'Revenue from contracts with customers'.

Accordingly, the Company recognises revenue when it transfers control of a product or service to a customer as and when it satisfies the performance obligation by transferring promised goods or services to a customer and customer obtains the control or benefit of the same.

The revenue is recognised on satisfaction of performance obligation / transferring control to the customer and hence the same is recognised at a point in time. The company believes that above disaggregation best depicts how the nature, amount, timing and uncertainty of revenues and cash flows are affected by industry, market and other economic factors.

Unsatisfied (or partially satisfied) performance obligations are subject to variability due to several factors such as terminations, changes in scope of contracts, periodic revalidations of the estimates, economic factors. The aggregate value of transaction price allocated to unsatisfied (or partially satisfied) performance obligations is Rs. 53.30 Crores out of which 100% is expected to be recognised as revenue in the next year. No consideration from contracts with customers is excluded from the amount mentioned above.

NOTE NO. 20 - EMPLOYEE BENEFITS EXPENSE

Rs. in Crores

Particulars		For the year ended March 31, 2026	For the year ended March 31, 2025
(a)	Salaries and wages, including bonus	**30.70**	28.34
(b)	Contribution to provident and other funds (Refer Note No. 28)	**2.45**	1.78
(c)	Share based payment transactions expenses	**0.02**	0.05
(d)	Staff welfare expenses	**1.49**	1.64
Total Employee Benefit Expense		**34.66**	31.81

Pursuant to the "Employees Stock Option Scheme – 2014" (ESOS) approved by the Shareholders in the Annual General Meeting held on July 31, 2014, the Company had granted 80,424, 3,228, 1,33,432, 11,129, 80,110 and 71,459 Stock Options to the eligible employees on October 28, 2014, October 31, 2015, November 22, 2016, November 22, 2017, February 28, 2019 and March 12, 2021 respectively as per the recommendations of the Nomination and Remuneration Committee, at an exercise price of Rs. 10/- each. In respect of the options granted in 2014, 2016, 2017, 2019 and 2021 the equity settled options vest in 5 tranches of 20% each upon the expiry of 12 months, 24 months, 36 months, 48 months and 60 months, respectively from the date of grant. Each tranche is exercisable within one year from the respective date of vesting. The number of options exercisable in each tranche is minimum 20% of the options vested, except in case of the last date of the exercise, where the employee can exercise all options vested but not exercised till that date. In respect of options granted in 2015, the equity settled options vest in 4 tranches of 25% each upon the expiry of 12 months, 24 months, 36 months and 48 months, respectively from the date of grant. Each tranche is exercisable within one year from the respective date of vesting. The number of options exercisable in each tranche is minimum 25% of the options vested, except in case of the last date of the exercise, where the employee can exercise all options vested but not exercised till that date.

The difference between the fair price of the share underlying the options granted on the date of grant of option and the exercise price of the option representing share based payment expenses is expected over the vesting period.

		Number of Shares	Grant Date	Expiry Date	Exercise Price	Fair value at Grant Date
Equity Settled						
1	Series 1 Granted on October 28, 2014	80,424	October 28, 2014	October 28, 2019	10	170.97
2	Series 2 Granted on October 31, 2015	3,228	October 31, 2015	October 31, 2019	10	170.97
3	Series 3 Granted on November 22, 2016	133,432	November 22, 2016	November 22, 2021	10	131.75
4	Series 4 Granted on November 22, 2017	11,129	November 22, 2017	November 22, 2022	10	169.43
5	Series 5 Granted on February 28, 2019	80,110	February 28,2019	February 28, 2024	10	83.51
6	Series 6 Granted on March 12, 2021	71,459	March 12, 2021	March 12, 2026	10	144.09

Expected early exercise option is not considered in the assumption at the time of valuation. Hence relevant disclosure is not applicable.

The fair value of the employee share options has been measured using the Black-Scholes option Pricing formula.

Expected volatility has been based on an evaluation of the historical volatility of the Company's share price, particularly over the historical period commensurate with the expected term. The expected term of the instruments has been based on historical experience and general option holder behaviour.

NOTE NO. 24 - FINANCIAL INSTRUMENTS

I Capital management

The company's capital management objectives are:

– to ensure the company's ability to continue as a going concern.

– to provide an adequate return to shareholders by pricing products and services commensurate with the level of risk.

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of the statement of financial position.

The Company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Net Debt and Equity is given in the table below:

Rs. in Crores

Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

CREDIT RISK

Credit risk management

Definition of default

The financial services business considers a financial asset to be in "default" and therefore Stage 3 (credit impaired) for ECL calculations when the borrower becomes 90 days past due on its contractual payments.

Credit risk arises when a counterparty defaults on its contractual obligations to pay, resulting in financial loss to the Company. The company has dealings with government organisation for subsidy related transaction and with private parties. For private non government parties credit limits are set quarterly. The Company has adopted a policy of only dealing with creditworthy non government parties and obtaining security cheques, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company's exposure and credit worthiness of such parties are continuously monitored and controlled by counterparty limits that are reviewed by Credit Control function based on the approved process.

No interest is charged on overdue balance.

Trade receivables consist of a large number of customers, spread across geographical areas. On going credit evaluation is performed on the financial condition of accounts receivable. There are no non government customers who represent more than 5% of the total balance of trade receivable.

The Company applies the simplified approach to provide expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for all trade receivables. The Company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company and individual receivable specific provision where applicable. Forward-looking information (including macroeconomic information) has been incorporated into the determination of expected credit losses.

The loss allowance provision is determined as follows:

Rs. in Crores

As at March 31, 2026

Particulars	Not due	Less than 1 Year	Non-Current	Total
Project				
Expected loss rate	0.00%	5.87%	18.94%

Reconciliation of loss allowance provision for Trade Receivables

Rs. in Crores

Particulars	As at March 31, 2026	As at March 31, 2025
Balance as at beginning of the year	**28.38**	38.36
Impairment losses recognised in the year based on lifetime expected credit loss		
– On receivables originated in the year	**5.67**	6.31
– Amounts written off during the year as uncollectible (Bad Debts)	**(14.07)**	(16.29)
– Amounts Recovered during the year	**–**	–
Balance at end of the year	**19.98**	28.38

The loss allowance provision has changed during the year due to recovery from debtors and business circumstances.

Cash & Cash equivalents

The Company held cash and cash equivalents with credit worthy banks of Rs. 0.03 Crores as at 31 March 2026 (Rs. 1.69 Crores as at 31 March 2025) and fixed deposits of Rs. 1.79 Crores as at 31 March 2026 (Rs. 2.10 Crores as at 31 March 2025).

LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short - medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Rs. in Crores

Particulars	Total	Less than 1 Year	1-3 Years	3 Years to 5 Years	5 years and above
Non-derivative financial liabilities					
March 31, 2026

Total	**149.55**	**149.51**	**0.04**	**–**	**–**
March 31, 2025					
Non-interest bearing	82.17	82.07	0.10	–	–
Interest bearing	25.19	25.19	–	–	–
Total	**107.36**	**107.26**	**0.10**	**–**	**–**

(iii) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Rs. in Crores

Particulars	Total	Less than 1 Year	1-3 Years	3 Years to 5 Years	5 years and above
Non-derivative financial assets					
March 31, 2026					
Non-interest bearing	248.56	217.05	31.51	–	–

Total	**251.79**	**218.44**	**32.64**	**–**	**0.72**
March 31, 2025					
Non-interest bearing	179.76	175.88	3.87	–	–
Fixed interest rate instruments	2.70	1.46	0.53	–	0.72
Total	**182.46**	**177.34**	**4.40**	**–**	**0.72**

MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk such as equity price risk and commodity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

There has been no significant changes to the company's exposure to market risk or the methods in which they are managed or measured.

Currency Risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. As at the year end, there were no material foreign currency exposure.

The currency profile of financial assets and financial liabilities as at 31 March 2026 and 31 March 2025 are as below:

Rs. in Crores

	Trade receivables		Trade payables	
Exposure to foreign currency liabilities	**As at March 31, 2026**	As at March 31, 2025	**As at March 31, 2026**	As at March 31, 2025
USD	**0.00**	0.01	**–**	0.00
Equivalent INR	**0.04**	0.46	**–**	0.25

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to market risk for changes in interest rates relates to fixed deposits and borrowings from banks.

Exposure to interest rate

The Company's main interest rate risk arises from short term borrowings with variable interest rate and fixed interest rate carrying investments like fixed deposits with banks, which exposes the Company to cash flow interest rate risk.

Rs. in Crores

Particulars	As at March 31, 2026	As at March 31, 2025
Fixed rate instruments		
Financial assets (bank deposits)	**3.23**	2.70
Financial liabilities (Short term borrowings)	**20.00**	20.00
Variable rate instruments		
Financial liabilities (Short term borrowings)	**25.21**	5.19

Fair value sensitivity analysis for fixed-rate instruments

The Company's fixed rate bank deposits and inter corporate deposit are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates.

Cash flow sensitivity analysis for variable-rate instruments

The sensitivity analysis for floating rate liabilities is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole period. A reasonable possible change of 100 basis points (100 bps) in interest rate at the reporting date would have increased / (decreased) profit after tax and equity by the amount shown below:

Rs. in Crores

	Profit or (loss)		Equity, net of tax	
Particulars	**100 bp increase**	**100 bp decrease**	**100 bp increase**	**100 bp decrease**
As at March 31, 2026				
Variable-rate instruments	**(0.25)**	**0.25**	**(0.18)**	**0.18**
As at March 31, 2025				
Variable-rate instruments	(0.05)	0.05	(0.04)	0.04

Policy for write off of Financial Assets

The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the Company determines that the counter parties does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write- off. However, financial assets that are written off could still be subject to enforcement activities under the recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

NOTE NO. 25 - FAIR VALUE MEASUREMENT

The Company consider that the carrying amounts of financial assets and financial liabilities that are not measured at fair value, recognised in the financial statement approximate their fair values. All financial instruments are classified as Level 3.

NOTE NO. 26 - LEASES (REFER NOTE 2B)

In adopting Ind AS 116, the Company has applied the below practical expedients:

The Company has applied a single discount rate to a portfolio of leases with reasonably similar characteristics.

The Company has treated the leases with remaining lease term of less than 12 months as if they were "short term leases".

The Company has excluded the initial direct costs from measurement of the right-of-use asset at the date of transition.

The Company has used hindsight, in determining the lease term if the contract contains options to extend or terminate the lease.

On transition to Ind AS 116, the Company has followed the Modified Retrospective Approach, accordingly recognised right-of-use assets amounting to Rs. 360.55 lakhs, lease liabilities amounting to Rs. 55.21 lakhs as at April 1, 2019. The Company has discounted lease payments using the applicable incremental borrowing rate as at April 1, 2019, which is 8.50% for measuring the lease liability. In view of this, the operating lease rent which was hitherto accounted under 'Other expenses' in previous periods has now been accounted as depreciation and finance costs.

The following is the movement in lease liabilities

Rs. in Crores

Particulars	**As at March 31, 2026**	**As at March 31, 2025**
Opening Lease liabilities	**0.21**	0.47

The following is the break-up of current and non-current lease liabilities

Particulars	**As at March 31, 2026**	**As at March 31, 2025**
Current lease liabilities	**0.06**	0.11
Non-current lease liabilities	**0.04**	0.10
Closing Balance	**0.10**	0.21
Carrying Value of Right of use assets (Refer Note 2B)	**2.85**	3.00

The table below provides details regarding the contractual maturities of lease liabilities

Rs. in Crores

Particulars	**As at March 31, 2026**	**As at March 31, 2025**
Less than one year	**0.06**	0.11
One to Three years	**0.04**	0.10

Rental expense recorded for short-term leases Rs. 3.12 Crores (Previous Year: Rs. 3 Crores) for the year ended 31st March, 2026.

NOTE NO. 27 - OPERATING SEGMENT

The Company is engaged in the business of Precision Farming Products and Services. The Information reported to the chief operating decision maker (CODM) [Viz, The Managing Director] for assessment of performance of business and allocation of resources is under this segment.

Accordingly, The Company has identified a single segment under Ind AS 108 - "Operating Segments".

Refer Note 17 for the analysis of revenue from it major products and services.

There is no single customer contributing 10% or more of total revenue.

NOTE NO. 28 - EMPLOYEE BENEFITS

(a) Defined Contribution Plan:

The Company's contribution to Provident Fund Rs. 1.12 Crores (year ended March 31, 2025 : Rs. 1.09 Crores) and Superannuation Fund Rs. 0.25 Crores (year ended March 31, 2025 : Rs. 0.42 Crores) has been recognised in the Statement of Profit or Loss under the head Employee Benefits Expense.

(b) Defined Benefit Plans:

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India.

Through its defined plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset Volatility

The plan liabilities are calculated using a discount rate set with reference to government bond yields; if plan assets under perform compared to the government bond discount rate, this will create or increase a deficit. The defined benefit plans hold on investment with LIC, which are expected to perform in line with government bonds in the long-term.

The company believes that due to the long-term nature of the plan liabilities, investments of funds with LIC is an appropriate element of the Company's long term strategy to manage the plans efficiently.

Changes in bond yields

A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plan assets.

Life expectancy

The plan's obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plan's liabilities.

Defined benefit plans - as per actuarial valuation

Rs. in Crores

Particulars	Funded Plan – Gratuity	
	2026	2025
Ia. Expense recognised in the Statement of Profit and Loss		
1. Current service cost	**0.63**	0.29
2. Interest cost	**0.24**	0.22
3. Expected return on plan assets	**(0.45)**	(0.32)
	0.42	0.18
Ib. Included in other Comprehensive Income		
1. Return on plan assets	**(0.10)**	0.04

– Expected return on plan assets	**0.36**	0.32
4. Recognised in Other Comprehensive Income		
Remeasurement gains/ (losses)	**–**	–
– Actual Return on plan assets in excess of the expected return	**–**	(0.04)
– Others (specify)	**0.10**	–

Rs. in Crores

Particulars	Funded Plan Gratuity 2026	Funded Plan Gratuity 2025
5. Contributions by employer (including benefit payments recoverable)	**1.26**	–
6. Benefit payments	**–**	–
7. Fair value of plan assets at the end of the year	**6.64**	4.92
IV. The Major categories of plan assets		
– Funds Managed By Insurer (LIC of India)	**6.64**	4.92
V. Actuarial assumptions		
1. Discount rate	**6.44%**	6.35%
2. Expected rate of return on plan assets	**6.00%**	6.00%
3. Salary escalation	**6.00%**	3.00%
4. Mortality Rate disclosure	**IALM (2012–14) Ult.**	IALM (2012–14) Ult.
5. Attrition rate	**17.74%**	17.23%

The sensitivity analysis of the defined benefit obligation to changes in the weighted principal assumptions is:

Rs. in Crores

Principal assumption		Changes in assumption	Impact on defined benefit obligation: Increase in assumption	Impact on defined benefit obligation: Decrease in assumption
Discount rate	2026	1.00%	0.22	0.24
	2025	1.00%	0.11	0.11
Salary growth rate	2026	1.00%	0.20	0.19
	2025	1.00%	0.10	0.09

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

Rs. in Crores

Maturity profile of defined benefit obligation:	2026	2025
Within 1 year	**1.61**	1.03
1 - 2 year	**1.29**	0.60
2 - 3 year	**1.02**	0.59
3 - 4 year	**0.97**	0.48
4 - 5 year	**0.84**	0.48
5 - 10 year	**2.17**	1.15

The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Rs. in Crores

	2026	2025
Weighted average remaining duration of Defined Benefit Obligation (No of Years)	**3.14**	3.59

INDEPENDENT AUDITOR'S REPORT

To the Members of Mahindra Top Greenhouses Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Mahindra Top Greenhouses Private Limited** (the "Company") which comprise the balance sheet as at 31 March 2026, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India relating to the liquidation basis of accounting, of the state of affairs of the Company as at 31 March 2026, and its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter(s)

a. We draw attention to Note 13 to the financial statements, which explains that in view of decision of the Board of Directors of the Company to discontinue company's business operations, the going concern assumption is not appropriate for the preparation of financial statements of the Company as at and for the year ended 31 March 2026. Accordingly, the financial statements of the Company have been prepared on a liquidation basis i.e. assets are measured at lower of carrying amount and estimated net realisable values and liabilities are stated at their estimated settlement amounts in the financial statements.

   Our opinion is not modified in respect of this matter.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India relating to the liquidation basis of accounting, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. In the present case the Board of Directors intends to liquidate the Company.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing

an opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern. In the present case, liquidation basis of accounting has been used since the Management and Board of Directors have concluded that the use of going concern basis is not appropriate in the facts and circumstances as stated in Note 13.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope Page 2 of 4 and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. The report does not include a statement on the matters specified on paragraphs 3 and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, since in our opinion and according to the information and explanations given to us, the said Order is not applicable to the Company.

2 A. As required by Section 143(3) of the Act, we report that:

   a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.

   d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act as applicable to liquidation basis of accounting.

   e. The matter that financial statements have been prepared on a liquidation basis as described in the Emphasis of Matter paragraph above, in our opinion, has an adverse effect on the functioning of the Company.

   f. On the basis of the written representations received from the directors as on 1 April, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

   g. The Company has been exempted from the requirement of its auditor reporting on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls (clause (i) of Section 143(3)).

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   a. The Company does not have any pending litigations which would impact its financial position.

   b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

   c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   d (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 14(C) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other

persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 14(C) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e), as provided under (i) and (ii) above, contain any material misstatement.

e. The Company has neither declared nor paid any dividend during the year.

f. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, where audit trail (edit log) facility was enabled and operated in the previous years, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

C With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the Company is not a public company. Accordingly, the provisions of Section 197 of the Act are not applicable to the Company. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

Note No. 1 - Corporate information and material accounting policies

A. Corporate Information

Mahindra Top Greenhouses Private Limited was incorporated on November 16, 2018 under the Companies Act, 2013. It is engaged in the business of Protected cultivation Technology products. The Company is a joint venture of Mahindra EPC Irrigation Limited and Top Greenhouses Ltd., Israel.

B. Statement of compliance

i) The financial statements have been prepared on liquidation basis as the going concern assumption is no longer appropriate. Refer note 13 on Going Concern.

ii) The company does not have an intention to carry out operations and hence the going concern assumption is no longer appropriate. Thus, the financial statements are prepared and presented under liquidation basis of accounting whereby the carrying values of all assets have been stated at their realizable value and all liabilities have been stated at their settlement values as at 31 March 2025 and 31 March 2026.

iii) These financial statements were approved by the Company's Board of Directors and authorised for issue on 17 April 2026.

C. Basis of preparation and presentation

The financial statements have been prepared on liquidation basis as the going concern assumption is no longer appropriate. Refer Note 13 on going concern.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such basis.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

D. Functional and presentation currency

These financial statements are presented in Indian Rupees ('Rupees') which is also the Company's functional currency. All amounts are rounded-off to the nearest rupee in lakhs (two decimals), unless otherwise indicated.

E. Other income:

Interest income from a financial asset is accrued on a time basis, by reference to the principal outstanding and the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

These income are recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably.

F. Financial instruments:

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Classification and subsequent measurement

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets:

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026 (contd.)

Financial assets at fair value through profit or loss (FVTPL)

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables, other contractual rights to receive cash or other financial asset.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 115, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities subsequently measured at amortised cost:

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

G. Use of judgements and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an on going basis. Revisions to estimates are recognised prospectively.

Following are areas that involved a higher degree of estimate and judgement or complexity in the carrying amount of some assets and liabilities.

– Provision for warranty claims (Refer Note 9)

– Going Concern (Refer Note 13)

Detailed information about each of these estimates and judgements that have a significant risk of resulting in material adjustment within the next financial year is included in relevant notes for the above items.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026 (contd.)

Note No. 8 - Financial Instruments

I Capital management

The company's capital management objectives are:

- to ensure the company's ability to continue as a going concern.
- to provide an adequate return to shareholders by pricing products and services commensurate with the level of risk.

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of the statement of financial position.

The Company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

CREDIT RISK

Credit risk management

Credit risk arises when a counterparty defaults on its contractual obligations to pay, resulting in financial loss to the Company. For parties credit limits are set quarterly. The Company has adopted a policy of only dealing with creditworthy parties and obtaining security cheques, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company's exposure and credit worthiness of such parties are continuously monitored.

Cash and cash equivalents and fixed deposits

The Company held cash and cash equivalents with credit worthy banks and financial institutions of Rs. 3.08 lakhs as at 31 March 2026 (31 March 2025: Rs. 1.42 lakhs) and fixed deposits of Rs. NIL lakhs as at 31 March 2026 (31 March 2025: Rs. 3.75 Lakhs)

The cash and cash equivalents and fixed deposit are held with bank and financial institution counterparties, which are rated AA- to AA+, based on CRISIL ratings.

LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short - medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026 (contd.)

EXPOSURE TO LIQUIDITY RISK

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

31 March 2026	Notes	Carrying amount	Total	Contractual cash flows Payable within 1 year	1-5 years	More than 5 years
Non-derivative financial liabilities						
Trade payables	4	**0.37**	**0.37**	**0.37**	**–**	**–**
		0.37	**0.37**	**0.37**	**–**	**–**

31 March 2025	Notes	Carrying amount	Total	Contractual cash flows Payable within 1 year	1-5 years	More than 5 years
Non-derivative financial liabilities						
Trade payables	4	1.28	1.28	1.28	–	–
		1.28	1.28	1.28	–	–

MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk such as equity price risk and commodity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS MAHINDRA HZPC PRIVATE LIMITED

Report on Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of **Mahindra HZPC Private Limited** ("the Company"), which comprises of the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the companies (Indian Accounting Standard) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit and total comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We have conducted our Audit of the financial statement in accordance with Standards on Auditing specified under section 143(10) the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's responsibility for the Audit of Financial Statements* section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report and the related annexures but does not include the financial statements and our Auditors' Report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the company in accordance with accounting principles generally accepted in India, including the accounting standards' specified under section 133 of the Act read with the companies (Indian Accounting Standard) Rules, 2015 as amended ("Ind AS").

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that the Audit conducted in accordance with Standards on Auditing (SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these Standalone financial statements.

As part of Audit in accordance with Standards on Auditing (SAs), we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the Audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations gives to us, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:
   a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
   b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
   c. The Balance Sheet, the Statement of Profit and Loss and including Other Comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
   d. In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards (Ind AS) specified under section 133 of the Act;
   e. On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act;
   f. With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements;
   g. In our opinion and to the best of our information and according to the explanations given to us, the Company being a private company, the provisions of Section 197 of the Act related to managerial remuneration are not applicable,
   h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of information and according to the explanations given to us:

   i) The Company does not have any pending litigations, which would impact its financial position.

   ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

   iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly

lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (”Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties“), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (”Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) contain any material misstatement;

v) The Company has not declared/paid/declared and paid any dividend during the year.

vi) Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording trail mail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of the audit, we did not come across any instance of the audit trail feature being tampered with.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our Report of even date)

i. In respect of Company's Property, plant and equipment and intangible Assets

a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets. The Company has maintained proper records showing full particulars of intangible assets.

b) The Property, plant and equipment and right-of-use assets are physically verified by the Management once in two years, which, in our opinion, is reasonable having regard to the size of the company and nature of its assets. In accordance with the program, the company has physically verified the property, plant and equipment and right-of-use assets and no material discrepancies were noticed on such verification.

c) Based on the examination of the registered sale deed provided to us, we report that, the title deeds of all the immovable properties of land (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favor of the Company) disclosed in the financial statements included in property, plant and equipment, are held in the name of the Company as at the balance sheet date.

d) The Company has not revalued any of its property, plant and equipment and intangible assets during the year.

e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. a) According to the information and explanations given to us, the inventory comprising of finished goods, work-in-progress, agricultural produce and packing materials has been physically verified at reasonable intervals by the management during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification between the physical inventory and the book records.

b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks or financial institutions on the basis of security of current assets during the year, and the quarterly returns or statements filed by the company with bankers are materially in agreement with the unaudited books of accounts as certified by the management.

iii. According to the information and explanations given to us, the Company has not made any investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, and hence reporting under clause 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the company.

iv. According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or securities to the parties covered under sections 185 and 186 and hence reporting under clause 3(iv) of the Order is not applicable to the company.

v. According to the information and explanations given to us, the Company has not accepted any deposit or amounts under section 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Hence, reporting under clause 3(v) of the Order is not applicable to the company.

vi. The Central Government has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company and hence the reporting under Clause 3(vi) of the Order is not applicable to the Company.

vii. In respect of statutory dues:

a) According to the information and explanations given to us, and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, Provident Fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales tax, Service tax, Duty of Customs, Duty of Excise and Value Added Tax.

According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of outstanding statutory dues in respect of Goods and Services tax, Provident Fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.

b) According to the information and explanations given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Goods and Services Tax, Provident Fund, Employees' State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other material statutory dues as at March 31, 2026, which have not been deposited with the appropriate authorities on account of any dispute.

viii. According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 and hence reporting under clause 3(viii) of the Order is not applicable to the company.

ix. a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

b) According to the information and explanations given to us, the company has not been declared a willful defaulter by any bank or financial institution or any other lender till the date of our audit report.

c) According to the information and explanations given to us and based on the audit procedure performed by us, the company has not availed any term loans during the year and hence reporting under clause 3(ix)(c) of the Order is not applicable to the company.

d) In our opinion and according to the information and explanations given to us and on an overall examination of the Standalone Financial Statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

e) The company does not have any subsidiaries, joint ventures or associates and hence reporting under Clauses 3(ix)(e) and 3(ix)(f) of the Order is not applicable to the company.

x. a) According to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the company.

b) According to the information and explanations given to us, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year and hence reporting under clause 3(x)(b) of the Order is not applicable to the company.

xi. a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.

b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the company.

c) As represented to us by the Management, there were no whistle-blower complaints received by the Company during the year.

xii. The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the company.

xiii. In our opinion and according to the information and explanations given to us, the company is in compliance with section 188 of the Act with respect to the applicable transactions with the related parties and the details of related party transactions that have been disclosed in the Standalone financial statements as required by the applicable accounting standards. The Company is a private company and hence the provisions of section 177 of the Companies Act, 2013 are not applicable to the Company.

xiv. a) In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per the provision of the Act.

b) The company did not have an internal audit system for the period under audit.

xv. According to the information and explanation give to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors during the year and hence provisions of section 192 of the Act are not applicable to the Company, and hence reporting under clause 3(xv) of the Order is not applicable to the company.

xvi. (a) In our opinion. the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) and (b) of the Order is not applicable to the company.

(b) In our opinion, the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, and hence the reporting under Clauses 3(xvi)(c) and 3(xvi)(d) of the Order is not applicable to the Company.

xvii. In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year, and hence the reporting under Clause 3(xvii) of the Order is not applicable to the Company.

xviii. There has been no resignation of the statutory auditors of the company during the year and hence reporting under Clause 3(xviii) of the Order is not applicable to the company.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

xx. There are no unspent amounts towards Corporate Social Responsibility (CSR) under section 135(5) of the Act which are required to be transferred to the special account and hence reporting under clause 3(xx) (a) and (b) of the Order is not applicable to the company.

xxi. The reporting under clause 3 (xxi) of the Order is not applicable in respect of audit of Standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report of even date)

Report on the Internal Financial Controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Mahindra HZPC Private Limited** ("the Company") as of March 31, 2026, in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent limitations of Internal financial controls with reference to financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with respect to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements reporting and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

1 Corporate Information

Mahindra HZPC Private Limited (Joint Venture with HZPC) is engaged in the business of contract growing, corporate farming, wholesale, retail trading of potato seeds, minitubers, table potato and processing potato, tissue culture plants and services.

2 Material Accounting Policies

Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended, issued by Ministry of Corporate Affairs under Section 133 of Companies Act, 2013.

2.1 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except defined benefit plans - plan assets which has been fair valued. The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates (the "functional currency"). The financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency. All amounts in the financial statements are rounded off to the nearest rupee, unless otherwise stated.

2.2 Operating Cycle

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle (1 year) and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 - Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

2.3 Revenue recognition

"The Ministry of Corporate Affairs notified Ind AS 115 "Revenue from Contracts with Customers" in respect of accounting periods commencing on or after April 1, 2018, superseding Ind AS 11 "Construction Contracts" and Ind AS 18 "Revenue".

The Company's current revenue recognition policy is aligned to the principles enunciated in Ind AS 115 which is effective from April 1, 2018.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration (transaction price) expected to receive in exchange for those products or services.

The core principle of Ind AS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer.

2.3.1 Sale of goods"

Revenue from the sale of goods is recognised upon transfer of control of promised products to customers in an amount that reflects the consideration (transaction price) expected to receive in exchange for those products, at which time all the following conditions are satisfied:

- the company has transferred to the buyer the control of promised products to customers;
- the company has identified the contract with customer and performance obligation in the contract;
- the amount of revenue can be measured reliably;
- revenue is recognised when the division satisfy the performance obligation
- it is probable that the economic benefits associated with the transaction will flow to the company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

2.3.2 Interest Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.3.3 Other Income

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

The financial statements are prepared on the accrual basis of accounting. Notwithstanding this, other income in the nature of licence fees is recognized on a cash basis, as uncertainties exist with respect to ultimate collection and the amounts cannot be measured reliably for recognition as receivables at the reporting date.

2.4 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.5 Employee benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income."

2.5.1 Employee Share based compensation

Certain employees of the company / holding company on deputation are covered under the stock option plans of the holding company. These plans are assessed, managed and administered by the holding company.

The fair value of options granted under the Employee stock Option scheme applicable to eligible employees of the Company is charged in the statement of Profit and loss on a straight line basis over the service period / option vesting period with a corresponding increase in equity net of reimbursements, if any."

2.6 Taxation

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period."

2.7 Property, plant and equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Freehold land is not depreciated.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

As per company policy, thresthold limit for capitalisation depends on nature of purchase and Asset.

2.7.1 Intangible Assets:

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/ depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised. Intangible assets are amortized over the period of five years.

2.7.2 Impairment of non-financial assets - property, plant and equipment and intangible assets:

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets may be impaired. If any such indication exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount."

2.8 Inventories

Inventories are valued as follows:

(a) Raw materials & components and stores & spares

At cost, arrived at on FIFO basis or net realisable value, whichever is lower. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition.

(b) Traded goods

At cost arrived at on FIFO basis or net realisable value, whichever is lower. Costs are determined after deducting rebates and discounts.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and sale.

(c) Agricultural Produce

Agricultural produce is recognized at fair value less costs to sell at the date of harvest. Once harvested, these goods are subsequently accounts for under Ind AS 2 in the same manner as other inventories purchased from third parties.

Obsolete, slow moving and defective inventories are identified from time to time and, where necessary, a provision is made for such inventories.

2.9 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.10 Basis for classification of current and Non current assets

The basis for classification of current and non current assets is as per Ind AS 1- Presentation of financial statement

Current and Non current assets

An entity shall classify an asset as current when:

(a) it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;

(b) it holds the asset primarily for the purpose of trading;

(c) it expects to realise the asset within twelve months after the reporting period; or

(d) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

An entity shall classify all other assets as non-current.

Current and Non current liabilities

An entity shall classify a liability as current when:

(a) it expects to settle the liability in its normal operating cycle;

(b) it holds the liability primarily for the purpose of trading;

(c) the liability is due to be settled within twelve months after the reporting period; or

(d) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

An entity shall classify all other liabilities as non-current.

2.11 Foreign Currency Transactions

In preparing the financial statements of entity, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. Gains and losses arising out of subsequent fluctuations are accounted for on actual payment or realisation. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

2.12 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.13 Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

2.14 Provisions for doubtful debtors

As per applicable credit policy company make a provision for doubtful debtors where outstanding remain unpaid for more than 180 days.

2.15 Biological assets and agricultural produce

The Company's operations include activities which are agricultural in nature and are subject to the recognition, measurements and disclosure requirements of Ind AS 41 - Agriculture. Biological Assets are recognised when the Company controls the assets as a result of past events and it is probable that the future economic benefits associated with the asset will flow to the Company and fair value can be measured reliably. On initial recognition and at the end of each reporting period, the biological assets are measured at fair value less cost to sell. Cost to sell includes the incremental cost to sell including commission to traders, brokers and dealers and estimated cost to transport to the market but excludes finance costs and income taxes. harvested biological assets (i.e. agriculture produce) are transferred to inventory at fair value less costs to sell when harvested.

Cost approximates fair value when little biological transformation has taken place since the costs were originally incurred or the impact of biological transformation on price is not expected to be material. Gains and losses arising on initial recognition of both biological assets and agricultural produce and any subsequent changes in fair value are recognised in the statement of Profit and Loss in the period in which they arise.

Cost for this purpose includes all direct costs incurred up to the stage of production of the respective inventories.

2.16 Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares."

2.17 Critical Accounting Judgements and Key Sources of Estimation Uncertainty

The preparation of financial statements in conformity with IND AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of financial statements and the reported amounts of revenues and expenses for the year presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

Note No. 3 - Property, Plant & Equipment – estimated useful life

Note No. 5 - Intangible assets – impairment and estimated useful life

Note No. 7 - Fair value measurements and inventory valuation processes

Note No. 18 - Revenue Recognition – satisfaction of performance obligation and price of the performance obligation.

Note No. 29 - Recoverability of trade receivables and determining provision as per ECL model of the Company."

2.18 Leasing

The Company recognise right of use of Asset and a lease liability at the commencement date. The right-of-use asset is initially measured

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

at cost, which comprises the initial amount of lease liability adjusted for any lease payment made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentive received.

The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the company by the end of the lease term or the cost of right-of-use asset reflect that the company will exercise the purchase option. In that case the right-of-use asset will depreciated over the life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain measurements of the lease liability."

2.19 Financial instruments, Financial assets, Financial liabilities and Equity Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date when the Company commits to purchase or sell the asset

Financial assets

Recognition: Financial assets include Investments, Trade Receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification: Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

(a) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and / or interest.

(b) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.

(c) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc. are classified for measurement at amortised cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

Impairment: The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition."

Reclassification: When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

De-recognition: Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership. Concomitantly, if the asset is one that is measured at:

(a) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;

(b) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

Income Recognition: Interest income is recognised in the Statement of Profit and Loss using the effective interest method. Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established."

Financial Liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry."

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in Balance Sheet where there is legally enforceable right to offset the recognised amounts and there is an intension to settle on a net basis or realise the asset and settle the liability simultaneously.

Equity Instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue."

2.20 Government grants

The Company has received grant from District Horticulture Mission Society, Mohali, Punjab. The Company has deducted the grant from the carrying value of the asset. The grant is recognised in the profit and loss over the life of a depreciable asset as a reduced depreciation expense.

2.21 Going Concern

The performance of the Company in term of revenue and profitability is exceeding the budgeted expectations. Further, considering the customer response on new product varieties, order position and advance received from the customers for the next financial year, the Company is confident of its ability to meet the future funds requirements and to continue its business as a going concern.

Note no. 3.1

(i) The following is the break-up of Current and Non-Current Lease Liabilities as at March 31, 2026:

(₹ in Lacs)

Particulars	As at 31st March, 2026		As at 31st March, 2025	
	Current	**Non-Current**	Current	Non-Current
Lease Liabilities	**201.58**	**1,619.12**	127.94	1,823.63
Lease Liabilities-Building	**180.68**	**1,551.40**	109.98	1,776.88
Lease Liabilities-Vehicles	**20.90**	**67.72**	17.97	46.75

(ii) The following is the movement in the lease liabilities for the year ended March 31, 2026:

(₹ in Lacs)

Particulars	Lease Liabilities
As at 1st April, 2025	1,951.57
Additions/ Modifications	(65.21)
Finance Cost	198.69
Lease rentals paid	(264.36)
As at 31st March, 2026	1,820.70

(iii) The table provides details regarding Contractual Liabilities of Lease Liabilities as at March 31, 2026 on an undiscounted basis:

(₹ in Lacs)

Particulars	As at 31st March, 2026
Undiscounted Future Cash Flows	
- Not later than 1 year	392.01
- Later than 1 year and not later than 5 years	1,373.54
- Later than 5 years	942.77

The Company does not face a significant Liquidity risk with regard to its Lease Liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

Note 3.2 : Leases (Ind AS 116)

(A) Objective of Disclosure

The disclosures below are provided to enable users of these financial statements to assess the effect of leases, including the lease modification described herein, on the financial position, financial performance and cash flows of the Company, in accordance with the objective of Para 51 of Ind AS 116.

(B) Nature of Lease and Modification

The Company (lessee) holds a lease for Cold Storage Facility from Agrum (lessor), originally commenced on 1 February 2024 for a term of 10 years (120 months), expiring 31 January 2034, for storage of agricultural produce at an original contracted capacity of 12,000 MT. Lease payments are structured on a per-kg rate basis with contractual escalation over the lease term ranging from ₹2.60 to ₹3.20 per kg.

Effective 1 February 2025, the Company entered into a modification to the above lease, reducing the contracted storage capacity from 12,000 MT to 11,200 MT, a decrease of 800 MT (6.67%). The lease term and the lessor remain unchanged. Since the modification results in a decrease in scope without adding any right to use an additional underlying asset, it does not qualify as a separate new lease under Para 44 of Ind AS 116.

(C) Accounting Treatment (Para 44–46, Ind AS 116)

In accordance with Para 44(b) read with Para 45 and 46(a) of Ind AS 116, the modification has been accounted for in two steps effective 1 February 2025:

Step 1 – Proportionate reduction in scope: The carrying amounts of the ROU Asset and the Lease Liability were reduced proportionately by 6.67% (800/12,000), being the ratio of the decrease in scope. The excess of the reduction in Lease Liability over the reduction in ROU Asset has been recognised as a gain in the Statement of Profit and Loss under Other Income.

Step 2 – Remeasurement at revised IBR: The remaining Lease Liability (post Step 1) was remeasured at the present value of revised future lease payments over the remaining 108 months, discounted at the revised Incremental Borrowing Rate (IBR) of 10.9902% p.a. (0.91585% per month) prevailing at the modification date. The interest rate implicit in the lease was not readily determinable and accordingly IBR has been applied as required under Para 45(c). The resulting adjustment of ₹20,21,042 has been made to the ROU Asset with no impact on profit or loss.

(D) Quantitative Impact on Balance Sheet, P&L and Depreciation

Particulars	₹
Right-of-Use Asset	
Carrying value immediately before modification (31 Jan 2025)	1,73,36,983
Less: Proportionate reduction – Step 1 (6.67%)	(1,15,57,989)
Add: Remeasurement adjustment – Step 2	20,21,042
Revised carrying value of ROU Asset (1 Feb 2025)	1,63,83,226
Lease Liability	
Carrying value immediately before modification (31 Jan 2025)	1,94,94,796
Less: Proportionate reduction – Step 1 (6.67%)	(1,29,96,531)
Add: Remeasurement to revised PV – Step 2	20,21,042
Revised Lease Liability (1 Feb 2025) — New IBR basis	1,83,97,247
Statement of Profit and Loss	
Gain on lease modification recognised in Other Income	14,38,542
Depreciation on ROU Asset — pre-modification (12 months @ ₹1,60,52,762 p.a.)	1,60,52,762
Depreciation on ROU Asset — post-modification (revised SLM over 108 months)	18,20,365 (for Feb–Mar 2025, i.e. 2 months)
Revised annual depreciation post-modification	1,82,03,654
Interest expense on Lease Liability for the year (unwinding of discount)	[To be disclosed from amortisation schedule]

(E) Presentation in Financial Statements (Ind AS 1 / Schedule III)

The ROU Asset of ₹1,63,83,226 is presented under Property, Plant and Equipment (or separately as Right-of-Use Assets) in the Balance Sheet. The Lease Liability of ₹1,83,97,247 is classified between Current Liabilities (portion due within 12 months) and Non-Current Liabilities (balance), presented separately from other financial liabilities as required under Ind AS 116 Para 47.

(F) Key Judgements and Estimates (Para 59, Ind AS 116)

The determination that the modification constitutes a decrease in scope (and not a separate new lease) involves judgement. The IBR of 10.9902% p.a. has been determined based on the Company's borrowing profile and prevailing market rates as at 1 February 2025. The remaining lease term of 108 months has been assessed with no renewal or termination options exercisable by the Company.

b) Rights, preferences and restrictions attached to equity shares

The Company has only one class of equity shares having par value of Rs. 10 per share. Each holder of equity share is entitled to one vote per share. The company declares and pays dividend in Indian Rupees. The dividend proposed by the Board of Directors is subject to approval of the shareholders in the ensuing annual general meeting. Further, the Board of Directors may also announce an interim dividend which would need to be confirmed by the shareholders at the ensuing Annual General Meeting. In the event of liquidation, the shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholdings.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

Notes:

Particulars	As at March 31, 2026	As at March 31, 2025
a) Security Premium		
Balance as at the beginning of the years) Security Premium	**667.60**	667.60
Add: Additions during the year	**–**	–
Balance as at the end of the year	**667.60**	667.60

A The description of the nature and purpose of each reserve within equity is as follows:

a) Securities premium is received pursuant to the further issue of equity shares at a premium net of the share issue expenses. This is a non-distributable reserve except for the following instances where the share premium account may be applied;

i) towards the issue of unissued shares of the Company to the members of the Company as fully paid bonus shares;

ii) for the purchase of its own shares or other securities;

iii) in writing off the preliminary expenses of the Company;

iv) in writing off the expenses of, or the commission paid or discount allowed on, any issue of shares or debentures of the Company; and

v) in providing for the premium payable on the redemption of any redeemable preference shares or of any debentures of the Company.

b) Retained earnings are the accumulated profits earned by the Company till date, less transfer to general reserves, dividend (including dividend distribution tax) and other distributions made to the shareholders.

Net Deferred Tax Asset recognised	**–**	**–**	**–**

 # Unrecognised deferred tax assets

Deferred tax assets have not been recognised since it is not probable that future taxable profit will be available against which the Company can use the benefits therefrom.

Deferred tax assets for the carry forward of unused tax losses are recognised to the extent that it is probable that future taxable profits will be available against which the unused tax losses can be utilised. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets - unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Note No. 25 - Employee benefits

(a) Defined Contribution Plan

The Company's contribution to Provident Fund aggregating ₹32.26 Lacs (2025 : ₹29.58 Lacs) has been recognised in the Statement of Profit and Loss under the head Employee Benefits Expense.

Note: Where required by Ind AS 24, the Company discloses information about contributions to defined contribution plans for key management personnel.

(b) Defined Benefit Plans:

Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting.

Defined benefit plans – as per actuarial valuation on March 31, 2026

Particulars	(₹ in Lacs) Unfunded Plan Gratuity	
	2026	2025
(a) Expense recognised in the Statement of Profit and Loss for the year ended March 31:		
1. Current service cost	**9.86**	10.27
2. Past Service Credit	**7.60**	–
2. Interest cost	**3.78**	3.39
(b) Included in other Comprehensive Income		
Actuarial (Gain)/Loss on account of :		
– Financial Assumptions	**2.22**	1.47
– Experience Adjustments	**1.40**	(4.21)
– Demographic Assumptions	**(5.94)**	(2.18)
Amounts recognised in comprehensive income in respect of these defined benefit plans are as follows:		
Current Service Cost	**9.86**	10.27
Past service cost and (gains)/losses from settlements	**7.60**	–
Net interest expense	**3.78**	3.39
Components of defined benefit costs recognised in profit or loss	**21.25**	13.66
Actuarial gains and loss arising form changes in financial assumptions	**2.22**	1.47
Actuarial gains and loss arising form experience adjustments	**1.40**	(4.21)
Actuarial gains and loss arising form demographic assumptions	**(5.94)**	(2.18)
Components of defined benefit costs recognised in other comprehensive income	**(2.32)**	(4.92)
Total	**18.92**	8.74
I. Net Asset/(Liability) recognised in the Balance Sheet as at March 31		
1. Present value of defined benefit obligation as at March 31	**81.23**	62.31
2. Fair value of plan assets as at March 31	**–**	–
3. Deficit	**(81.23)**	(62.31)
4. Current portion of the above	**24.30**	11.09
5. Non current portion of the above	**56.94**	51.22
II. Change in the obligation during the year ended March 31		
1. Present value of defined benefit obligation at the beginning of the year	**62.31**	50.35
2. Expenses Recognised in Profit and Loss Account		
- Current Service Cost	**9.86**	10.27
- Past Service Cost	**7.60**	–
- Interest Expense (Income)	**3.78**	3.39
3. Recognised in Other Comprehensive Income		
Remeasurement gains / (losses)		
- Actuarial Gain (Loss) arising from:		
i. Demographic Assumptions	**(5.94)**	(2.18)
ii. Financial Assumptions	**2.22**	1.47
iii. Financial Assumptions	**1.40**	(4.21)
5. Benefit payments	**–**	**(2.42)**
4. Others (Liabilities assumed on acquisition)	**–**	**5.64**
5. Present value of defined benefit obligation at the end of the year	**81.23**	62.31

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Principal assumption		Impact on defined benefit obligation	
		Increase in assumption	Decrease in assumption
Discount rate	**2026**	**78.78**	**83.84**
	2025	59.44	65.44
Salary growth rate	**2026**	**83.62**	**78.92**
	2025	65.36	59.46

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

The significant actuarial assumptions (estimated for adequate coverage of the obligation on a prudent basis), are as under:

Particulars	Valuation as at	
	31-Mar-26	31-Mar-25
Discount rate(s)	**5.80 % p.a.**	6.70 % p.a.
Expected rate(s) of salary increase	**8.50 % p.a.**	8.50 % p.a.
Expected rate of return on plan assets	**N.A**	N.A
Attrition	**Age band wise**	20.00 % p.a.
Mortality table	**IALM 2012-14**	IALM 2012-14

Maturity profile of defined benefit obligation:

Note No. 27 - Segment Reporting

(A) Primary Segment - Business Segment

The Company's business activity falls within a single business segment viz. 'trading in seed potatoes'. All other activities of the Company revolve around its main business. Hence, there are no separate reportable primary segments as defined by Ind AS 108 on "Segment Reporting". The same is consistent with the information reviewed by the Chief Operating Decision Maker (CODM).

(B) Secondary Segment - Geographical Segment

The Company, at present, does not have any Secondary Segment.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

Note No. 29 - Financial Risk Management

CAPITAL MANAGEMENT

The Company's key objective in managing its financial structure is to maximize value for shareholders, reduce cost of capital, while at the same time ensuring that the Company has the financial flexibility required to continue its expansion. The Company manages its financial structure majorly through reserves and makes any necessary adjustments in light of prevailing economic conditions. In this context, the capital structure of the Company consists only of equity and lease liability is not considered as debt. Equity comprises issued share capital, reserves and retained earnings as set out in the statement of changes in equity.

Categories of financial assets and financial liabilities

Non- Current	**3.1**	**1,619.12**	1,823.63
		7,622.44	6,189.66

Financial Risk Management Framework

The company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the company is the price risk. The company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities.

CREDIT RISK

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

Trade receivables consist of a few number of customers, spread across diverse industries and geographical areas. Ongoing credit evaluation is performed on the financial condition of accounts receivable.

The company does not have significant credit risk exposure to any single counterparty.

The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for all trade receivables. The company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company and individual receivable specific provision where applicable. Forward-looking information has been incorporated into the determination of expected credit losses.

There is no change in estimation techniques or significant assumptions during the reporting period.

The provision matrix at the end of the reporting period is as follow:-

Ageing	For the year ended March 31, 2026	
	Expected credit loss (%)	Expected credit loss (₹ In Lacs)
0-3 months past due	0.00%	-
3-6 months past due	0.00%	-
more than 6months	100.00%	177.65
Total		**177.65**

Market risk is the risk that changes in market prices – for example foreign exchange rates and interest rates will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

All such transactions are carried out within the guidelines set by the Risk Management Committee.

There has been no significant changes to the company's exposure to market risk or the methods in which they are managed or measured.

LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the company's short, medium and long-term funding and liquidity management requirements. The company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities (predominantly trade payables, etc.) with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

(₹ in Lacs)

Particulars	As at March 31, 2026	As at March 31, 2025
Non-derivative financial liabilities - Less than one year		
Short term borrowings	**1,599.00**	1,223.35
Trade Payables	**4,201.48**	3,012.69
Other financial liabilities	**1.27**	2.04
Total	**5,801.74**	4,238.09

(ii) Financing arrangements

The Company had access to following undrawn borrowing facilities at the end of the reporting period:

(₹ in Lacs)

Particulars	As at March 31, 2026	As at March 31, 2025
Secured bank overdraft facility		
- Expiring within one year	**1,895.00**	2,270.65
- Expiring beyond one year	**–**	–
	1,895.00	2,270.65

Note No. 30 - Contingent liabilities and commitments

(₹ in Lacs)

Particulars	As at March 31, 2026	As at March 31, 2025
Contingent liabilities (to the extent not provided for)	**–**	–
Capital commitment	**152.41**	159.09

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

Note No. 31 - Disclosures required under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006

Particulars		As at March 31, 2026	As at March 31, 2025
(i)	Principal amount remaining unpaid to MSME suppliers as on	**57.76**	60.35
(ii)	the amount of interest paid by the buyer under MSMED Act	**–**	–
(iii)	Interest accrued and remaining unpaid at the end of each accounting year to MSME suppliers as on	**–**	–
(iv)	Further interest due and payable even in the succeeding years, until such date when the interest due as above are actually paid to the small enterprises	**–**	–
(v)	Interest due and payable on unpaid principal amount to MSME suppliers as on	**–**	–

Note No. 32 - Ratios

Particulars	As at March 31, 2026	As at March 31, 2025	% Change YoY	Remarks
(a) Current Ratio [Current Assets/Current Liabilities (excl. current maturities of long-term debt)]	1.13	1.06	6%	Variance in the ratio is due to higher level of inventory
(b) Debt Equity Ratio (Total debt/Total Equity)	0.59	0.60	-1%	No material change in the ratio
(c) Debt Service Coverage Ratio [PBIT/(Finance Cost + Long term debt repayments)]	6.81	4.24	61%	Variance in the ratio is due to higher level of PBIT for the year without considering the Lease interest cost in F26.
(d) Return on Equity Ratio (PBT/Average Equity)	0.28	0.88	-69%	No material change in the ratio
(e) Inventory Turnover [Cost of goods sold (TTM)/Average Inventory]	0.57	0.72	-21%	Variance in the ratio is due to higher level of inventory
(f) Debtors Turnover [Sales (TTM)/Average Gross Trade Receivables]	82.18	109.11	-25%	Variance in the ratio is due to higher revenue and higher average debtor balance.
(g) Trade payables turnover ratio (COGS/Average Trade Payable)	1.06	1.80	-41%	Variance in the ratio is due to higher average vendor balance
(h) Net capital turnover ratio (Sales/Current Asset-current Liabilities)	9.96	24.92	-60%	Variance in the ratio is due to higher level of inventory
(i) Net Profit Margin (%) (PAT after exceptional items/Revenue from operations)	0.07	0.12	-42%	Variance in the ratio is due to lower level of PBT compared to last year.
(j) Return on Capital employed (PBIT/Equity)	0.29	0.67	-58%	Variance in the ratio is due to higher level of equity which is due to profit for the year.
(k) Return on investment (PBT/Equity)	0.24	0.52	-53%	Variance in the ratio is due to higher level of equity which is due to profit for the year.

INDEPENDENT AUDITOR'S REPORT

To the members of Mahindra Fruits Private Limited

Report on the audit of the Financial Statements

Opinion

We have audited the standalone financial statements of **MAHINDRA FRUITS PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a Summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit and its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there-under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty

exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If We conclude that a material uncertainty exists, We are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the "Annexure 'A'", a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   (c) The Balance Sheet, the Statement of Profit and Loss, Cash Flow Statement and Statement of Changes in Equity dealt with by this Report, are in agreement with the books of account.
   (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021.
   (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
   (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 'B'" to this report.
   (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
      i The Company does not have any pending litigations which would impact its financial position.
      ii The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
      iii There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
      iv a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
         b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate

Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v No dividend has been declared or paid during the year by the company.

vi Based on our examination carried out, which included test checks, we report that the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

(i) a. (A) As there are no Property, Plant and Equipment as on 31st March, 2026, the reporting under clause 3(i)(a)(A) of the Order is not applicable to the Company.

(B) As the company is not having any intangible assets, reporting under clause 3(i)(a)(B) of the Order is not applicable.

b. As the company does not have any Property, Plant and Equipment, reporting under clause 3(i)(b) of the Order is not applicable.

c. As the company is not having any immovable properties, reporting under clause 3(i)(c) of the Order is not applicable.

d. As the company is not having any Property, Plant and Equipment or Intangible assets, reporting under clause 3(i)(d) of the Order is not applicable.

e. Based on the information and explanation furnished to us, no proceedings have been initiated on the Company under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and Rules made there under.

(ii) a. As there is no inventory held by company at end of the year, the reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

b. During the year, the company has not been sanctioned, any point of time of the year, working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. Hence reporting under clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) During the year the Company has not made investments in, provided loans, advances in the nature of loans, stood guarantee or provided security to Companies, Firms, Limited Liability Partnerships or any other parties. Hence, the requirement to report under clause 3(iii) of the Order is not applicable to the Company.

(iv) In our opinion and according to the information and explanations given to us, the company has not granted any loans or provided any guarantees or given any security or made any investments to which the provision of Sections 185 and 186 of the Companies Act, 2013 attract. Hence, clause 3(iv) of the order is not applicable.

(v) The Company has not accepted any deposit, within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended) during the year hence, the reporting under clause 3(v) of the order is not applicable.

(vi) In our opinion and according to the information and explanations given to us the maintenance of cost records pursuant to the Companies (Cost Records and Audit) Rules, 2014 has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause 3(vi) of the order is not applicable to the Company.

(vii) a. According to the information and explanations given to us and according to the books and records as produced and examined by us, in respect of statutory dues, the Company has been regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods & Service Tax, Cess and other material statutory dues as applicable with the appropriate authorities. As at last day of financial year, there were no amounts payable in respect of the aforesaid statutory dues outstanding for a period of more than six months from the date they became payable.

b. According to the information and explanations given to us, there were no disputed dues on account of the aforesaid statutory dues as at the year end and hence, reporting under clause 3(vii)(b) is not applicable.

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the company, during the year no tax assessments under the Income-tax Act, 1961 (43 of 1961) have been made.

(ix) a. According to the books and records of the Company examined by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

b. According to the information and explanation given to us and on the basis of our audit procedure, We report that the company has not been declared willful defaulter by any bank or financial institution or other lenders.

c. As the Company has not availed any term loans during the year, the requirement to report on clause 3(ix)(c) of the Order is not applicable to the Company.

d. As the Company has not availed any loans on short term basis during the year, the requirement to report on clause 3(ix)(d) of the Order is not applicable to the Company.

e. On an overall examination of the financial statements of the company, We report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Hence, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.

f. On an overall examination of the financial statements of the company, We report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, the requirement to report on clause 3(ix)(f) of the Order is not applicable to the Company.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(x) a. The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments). Hence, reporting under clause 3(x)(a) of the Order is not applicable to the Company.

b. According to the information and explanations given by the management, the Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.

(xi) a. To the best of our knowledge and according to the information and explanations given to us and on the basis of examination of the books and records of the Company, carried out in accordance with generally accepted auditing practices in India, no fraud by the Company or on the Company was noticed or reported during the year.

b. According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

c. According to the information and explanations given to us including the representation made to us by the management of the Company, no whistle-blower complaints were received by the Company during the year and hence, reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

(xii) a. The Company is not a Nidhi company and hence, reporting under clause 3(xii)(a), (b) and (c) of the Order is not applicable to the Company.

(xiii) According to the information and explanations given to us, the Company has not entered into any transactions with related parties during the year and hence reporting under clause 3(xiii) of the order is not applicable to the Company.

(xiv) a. The Company is not required to have internal audit system as required under Section 138 of the Companies Act, 2013 and hence, the reporting under clause 3(xiv)(a) and (b) of the Order is not applicable.

(xv) In our opinion and according to the information and explanations given to us, during the year, Company has not entered into any non-cash transactions with its directors or persons connected with him and accordingly, the reporting under clause 3(xv) of the Order is not applicable to the Company.

(xvi) a. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

b. In our Opinion and based on our examination, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

c. In our opinion and based on our examination, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.

d. According to the information and explanations given by the management, the Group does not have not more than one CIC as part of the Group. Accordingly, the reporting under Clause 3(xvi)(d) is not applicable to the Company.

(xvii) Based on our examination of books of accounts, the Company has not incurred any cash loss in the current and Incurred Cash loss of Rs. 0.38 Lacs. In preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, it has come to our attention, which causes us to believe that material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We further state that our reporting is based on the facts up to the date of the audit report.

(xx) a. The provision of section 135 are not applicable to the company. Accordingly, reporting under clause 3(xx)(a) & (b) of the Order is not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE B TO THE AUDITOR'S REPORT

Annexure B to the Independent Auditors' report on the financial statements of Mahindra Fruits Private Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Mahindra Fruits Private Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2026

Corporate Information

"Mahindra Fruits Private Limited (Formerly known as Mahindra Greenyard Private Limited) ("the company") a private limited company domiciled in India and incorporated on 9th July, 2014 under the provisions of the Companies Act, 1956 (CIN:U01403MH2014PTC55946). The Company is the wholly owned subsidiary of Mahindra Agri Solutions Limited. The Company deals in sourcing, storing and distribution of fresh fruits in domestic market.

The financial statements for the year ended 31 March 2026 were approved by the Board of Directors and authorised for issue on 20 April 2026."

1. Material accounting policy information

1.1 Statement of compliance

The financial statements of the Company have been prepared in accordance with Ind ASs notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended.

1.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

1.3 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

Sale of goods

Revenue from the sale of goods is recognized when the goods are delivered and titles have passed at which time all the following conditions are satisfied

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

1.4 Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding.

1.5 Employee benefits

1.5.1 Retirement benefit costs and termination benefits

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Defined benefit costs are categorized as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

1.5.2 Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

1.6 Taxation

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of Deferred Tax is reviewed at each Balance Sheet date.

1.7 Property, plant and equipment

Furniture & Fixtures, equipment and Vehicles are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2026

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

1.8 Intangible assets

1.8.1 Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

1.8.2 Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

1.8.3 Useful lives of intangible assets

Estimated useful lives of the intangible assets are as follows:

IT Software - 10 Years

1.8.4 Impairment of Assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

1.9 Inventories

Inventories are stated at the lower of cost and net realisable value. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

1.10 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

1.11 Financial instruments

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

1.12 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

1.12.1 Impairment of financial assets

This being the third full year of operations, there is no trend to depict expected credit losses. The company deals in fresh fruits which is a seasonal business & the commodity is perishable in nature. The Company has used the practical expedient as permitted by IND AS 109 and has maintained a policy of providing for debtors outstanding for a period exceeding 180 days. This policy will be regularly reviewed in line with the type of business that the company is in.

1.12.2 Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2026

and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

1.12.3 Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in profit or loss except for those which are designated as hedging instruments in a hedging relationship.

1.13 Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

1.13.1 Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

1.13.2 Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in 'Other income'.

1.13.3 Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

1.14 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period to get ready for their intended use or sale, are added to the cost of those assets, until the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

1.15 Taxation:

Income tax expense represents the sum of the tax currently payable and deferred tax.

1.15.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

1.15.2 Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

1.15.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, the management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only the period of the revision and future periods if the revision affects both current and future periods.

Capital management

The company's capital management objectives are:

- to ensure the company's ability to continue as a going concern
- to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of the statement of financial position.

The capital structure is monitored on the basis of net debt to equity of the company.

CREDIT RISK

(i) Credit risk management

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company only transacts with entities that are rated the equivalent of investment grade and above. This information is supplied

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2026

by independent rating agencies where available and, if not available, the Company uses other publicly available financial information and its own trading records to rate its major customers. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. Ongoing credit evaluation is performed on the financial condition of accounts receivable, and where appropriate, credit guarantee insurance cover is purchased.

The Company applies the simplified approach to provide for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for all trade receivables. The company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company and individual receivable specific provision where applicable. Forward-looking information (including macroeconomic information) has been incorporated into the determination of expected credit losses.

There is no change in estimation techniques or significant assumptions during the reporting period.

The loss allowance provision is determined as follows:

	As at 31st March 2026			
	Not due	**Less than 6 months past due**	**More than 6 months past due**	**Total**
Expected loss rate	**0.0%**	**0.0%**	**100.0%**	**100.0%**
Gross carrying amount	**16.38**	**–**	**209.66**	**209.66**
Loss allowance provision	**–**	**–**	**209.66**	**209.66**

	As at 31st March 2025			
	Not due	Less than 6 months past due	More than 6 months past due	Total
Expected loss rate	0.0%	0.0%	100.0%	100.0%
Gross carrying amount	10.79	–	209.66	209.66
Loss allowance provision	–	–	209.66	209.66

Note No. 17 - Fair Value Measurement

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows -

(Amt in lacs)

Particulars	Currency	**31-Mar-26**	31-Mar-25
Trade Payables	USD	**–**	–
	EUR	**–**	–

Of the above foreign currency exposures, the following exposures are not hedged by a derivative:

(Amt in lacs)

Particulars	Currency	**31-Mar-26**	31-Mar-25
Trade Payables	USD	**–**	–
	EUR	**–**	–

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD and EUR exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives and embedded derivatives. The impact on the Company's pre-tax equity is due to changes in the fair value of forward exchange contracts designated as cash flow hedges. The Company's exposure to foreign currency changes for all other currencies is not material.

Independent Auditor's Report

To The Members of
Mahindra & Mahindra Financial Services Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying Standalone Financial Statements of **Mahindra & Mahindra Financial Services Limited** ('the Company'), which comprise the Standalone Balance Sheet as at March 31, 2026, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Cash Flow and the Standalone Statement of Changes in Equity for the year then ended, and notes to the Standalone Financial Statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as the 'Standalone Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, the relevant circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ('RBI Guidelines') and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Financial Statements for the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
Impairment of loans and advances (Refer Note 2.5 (ii) for material accounting policies and Note 49.2 for credit risk disclosures)	
As at March 31, 2026, the Company has reported gross loan assets of ₹ 1,34,096.05 crores against which an impairment loss of ₹ 3,935.91 crores has been recorded. The Company recognized impairment provision for loan assets based on the Expected Credit Loss ('ECL') approach laid down under 'Ind AS 109 – Financial Instruments'. The estimation of ECL on financial instruments involves significant management judgement and estimates and the use of different modelling techniques and assumptions which could have a material impact on reported profits. Significant management judgement and assumptions involved in measuring ECL is required with respect to: • ensuring completeness and accuracy of the data used to create assumptions in the model. • determining the criteria for a significant increase in credit risk. • factoring in future economic assumptions techniques used to determine probability of default, loss given default and exposure at default.	Our audit included assessing the appropriateness of management's judgement and estimates used in the impairment analysis through procedures that included, but were not limited to, the following: • Obtained an understanding of the modelling techniques adopted by the Company including the key inputs and assumptions; • Considered the Company's accounting policies for estimation of Expected Credit Loss on loans and assessing compliance with the policies in terms of Ind AS 109; • Obtained an understanding of the management's updated processes, systems and controls implemented in relation to impairment allowance process; • Accuracy of the computation of the ECL estimate including reasonableness of the methodology and assumption used to determine macro-economic overlays; • Tested the design and operating effectiveness of key controls over completeness and accuracy of the key inputs and assumptions considered for calculation, recording, monitoring of the impairment loss recognized and staging of assets;

Key Audit Matter	How our audit addressed the key audit matter
• factoring in forward looking scenario-based assessment of evolving domestic macroeconomic factors and regulatory, geopolitical developments impacting industry and specific segments. These parameters are derived from the Company's internally developed statistical models and other historical data. **Disclosure** The disclosures regarding the Company's application of Ind AS 109 are key to explaining the key judgements and material inputs to the ECL results. Further, disclosures to be provided as per RBI circulars with regards to Non-Performing Assets and provisions is also an area of focus. Considering the significance of the above matter to the overall financial statements and extent of management's estimates and judgements involved, it required significant auditor attention. Accordingly, we have identified this as a key audit matter.	• Assessed the critical assumptions and input data used in the estimation of Expected Credit Loss models for specific key credit risk parameters, such as the movement logic between stages, Exposure at default (EAD), probability of default (PD) or loss given default (LGD); • Evaluated the reports and working for the methodology used in the computation of Through The Cycle PD, Point In Time PD and LGD, among others; • Performed test of details over calculation of ECL, in relation to the completeness and accuracy of the data; • Obtained written representations from management and those charged with governance on whether they believe significant assumptions used in calculation of expected credit losses are reasonable; • Assessed the appropriateness and adequacy of the related presentation and disclosures of Note 49 "Financial Risk Management" disclosed in the accompanying financial statements in accordance with the applicable accounting standards and related RBI circulars and Resolution Framework.
Information Technology and General Controls The Company is highly dependent upon its Information Technology (IT) systems for carrying out its operations and owing to the significant volume of transactions that are processed daily basis as part of the operations, which impacts key financial accounting and reporting. The company has put in place the IT General Controls and Application Controls to ensure that the information produced by the company is complete, accurate and reliable. Among other things, the management also uses the information produced by the entity's IT systems for accounting and preparation and the presentation of the financial statements. Since our audit strategy included focus on entity's key IT systems relevant to our audit due to their potential pervasive impact on the financial statements, we have determined the use of IT systems and related control environment for accounting and financial reporting as a key audit matter.	Our audit procedures for assessment of the IT systems and controls over financial reporting, which includes carrying out the key audit procedures, but were not limited to the following: • Obtained an understanding of the Company's key IT systems, IT General Controls which covered access controls, program/ system changes, program development and computer operations i.e., job processing, data/ system backup and incident management and Application Controls relevant to our audit. • Tested the design, implementation and operating effectiveness of the general IT controls over the key IT systems that are critical to financial reporting. This included evaluation of entity's controls to check segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being re-certified during the period of audit. • Tested Application Controls (automated controls) relevant to the audit of loans, expenses, payroll, borrowings and investment among others, for evaluating completeness and accuracy and; • Tested compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would impact the controls or completeness and accuracy of data. • We have also relied on IS and other technology audits conducted during the year. • We have obtained management representations wherever considered necessary.

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the preparation of other information. This other information comprises the information included in the Board's Report (including annexures thereto) and Management Discussion and Analysis ('MD&A') (collectively referred to as 'Other Information'), but does not include the Standalone Financial Statements and our Auditor's Report thereon. The Other Information is expected to be made available to us after the date of this Auditors' Report.

   Our opinion on the Standalone Financial Statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

7. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the Other Information identified above when it becomes available and, in doing so, consider whether the Other Information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

   When we read the Other Information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

8. The accompanying Standalone Financial Statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act, RBI Guidelines and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

9. In preparing the Standalone Financial Statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

10. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

12. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to Standalone Financial Statements in place and the operating effectiveness of such controls based on our audit;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors;
- Conclude on the appropriateness of Board of Directors and management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future

events or conditions may cause the Company to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation; and
- Obtain sufficient appropriate audit evidence regarding the Standalone Financial Statements of the Company to express an opinion on the Standalone Financial Statement.

13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the financial year ended March 31, 2026 and are therefore the Key Audit Matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

16. As required by Section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
17. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
18. Further to our comments in Annexure I, as required by Section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying Standalone Financial Statements;
    b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 17(g)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended) ('the Rules');
    c) The Standalone Financial Statements dealt with by this report are in agreement with the books of account;
    d) In our opinion, the aforesaid Standalone Financial Statements comply with Ind AS specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
    e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of section 164(2) of the Act;
    f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company as on March 31, 2026 and the operating effectiveness of such controls, refer to our separate Report in Annexure II wherein we have expressed an unmodified opinion; and
    g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
        i. The Company, as detailed in Note 43 to the Standalone Financial Statements, has disclosed the impact of pending litigations on its financial position as at March 31, 2026;
        ii. The Company, as detailed in Note 47 to the Standalone Financial Statements, has made provision as at March 31, 2026, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026. The Company, as detailed in Note 18 to the Standalone Financial Statements, has regularly transferred the required amounts to the Investor Education and Protection Fund;
        iv. a. The management has represented that, to the best of its knowledge and belief, as disclosed in Note 37 (vi) to the Standalone Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person or entity, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified

in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b. The management has represented that, to the best of its knowledge and belief, as disclosed in Note 37 (vi), to the Standalone Financial Statements no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The final dividend proposed in the previous year, declared and paid by the company during the year is in accordance with the provision of section 123 of the Act; and

vi. Based on our examination, which included test checks, the Company has used various accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility, which have operated throughout the year for all relevant transactions recorded in the software, except for one accounting software wherein master level logs were enabled from July 02, 2025, eleven accounting software (including two software migrated during the year) wherein, the audit trail logs were not maintained at database level throughout the year and two accounting software wherein, the limited audit trail logs were enabled from March 02, 2026 to log direct data changes. Based on our procedures performed, we did not notice any instance of the audit trail feature being tampered with. In respect of the aforesaid masters and databases, in the absence of audit trail for the said period, the question of our commenting on whether the audit trail was tampered with, does not arise. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention apart from the exceptions mentioned above.

Annexure I referred to in Paragraph 17 of the Independent Auditor's Report of even date to the members of Mahindra & Mahindra Financial Services Limited on the Standalone Financial Statements for the year ended March 31, 2026

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

i. a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of Right-Of-Use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

b. During the year, the management has carried out physical verification of all the Property, Plant and Equipment. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of the immovable properties disclosed in the financial statements included under PPE are held in the name of the Company.

d. The Company has not revalued any of its Property, Plant and Equipment (including Right-Of-Use assets) and intangible assets during the year and hence reporting under clause 3(i)(d) of the Order is not applicable to the Company.

e. According to the information and explanations given to us, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.

ii. a. The Company is engaged in providing financial services primarily into non-banking financial services (NBFC). Accordingly, it does not hold any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

b. The Company has a working capital limit in excess of Rs 5 crore sanctioned by banks and financial institutions, in aggregate based on the security of loans (assets). We have observed reconciliation items in the quarterly returns/statements, in respect of the working capital limits which have been filed by the Company with such banks and financial institutions as compared to the books of accounts maintained by the Company. For the return/ statement for the quarter ended March 31, 2026 the date of submission is not due till the date of this report. However, we have not carried out a specific audit of such statements. The details of such difference/ reconciliation items are given in Note 17 of the Standalone Financial Statements of the Company.

iii. a. The Company is a Non-Banking Financial Company and its principal business is to give loans. Accordingly, reporting under clause 3(iii)(a) of the Order is not applicable to the Company.

b. The investments made, guarantee provided, security given and terms and conditions of the grant of all loans and advances in the nature of loans are not, prima facie, prejudicial to the Company's interest.

c. The Company is a Non-Banking Financial Company, registered under provisions of the Reserve Bank of India Act, 1934 and rules made thereunder and is regulated by various regulations, circulars and norms issued by the Reserve Bank of India including Master Direction on Income Recognition, Asset Classification and Provisioning pertaining to Advances. In respect of loans and advances in the nature of loans granted by the Company, we report that the schedule of repayment of principal and payment of interest has been stipulated and the repayments/ receipts of principal and interest are regular except for certain instances as below:

Overdue amount as on March 31, 2026

Particulars – Days Past Due	Total amount due (Rs. in Crores)
1-30 days	460.07
31-90 days	765.76
More than 90 days	2,064.51
Total	**3,290.34**

d. According to the information and explanations given to us, the total amount which is overdue for more than 90 days in respect of loans and advances in the nature of loans given in the course of the business operations of the Company aggregates to Rs. 2,064.51 Crores as at March 31, 2026 in respect of 1,11,697 number of loans. Further, reasonable steps as per the policies and procedures of the Company have been taken for recovery of such principal and interest amounts overdue.

e. The Company is a Non-Banking Financial Company, and its principal business is to give loans. Accordingly, reporting under clause 3(iii)(e) of the Order is not applicable to the Company.

f. The Company has not granted any loans or advances in the nature of loans which are repayable on demand (except for the short-term loan) or without specifying any terms or period of repayment during the year. Accordingly, reporting under clause 3(iii)(f) of the Order is not applicable to the Company.

iv. In our opinion, and according to the information and explanations given to us, the Company has not granted any loans, made investments or provided guarantees or securities to the parties that are covered under the provisions of sections 185 or 186 of the Companies Act, 2013, and hence reporting under clause 3(iv) of the Order is not applicable.

v. In our Opinion, the Company had complied with the directive issued by the Reserve Bank of India ('the RBI') with regards to the deposits accepted and amounts deemed to be deposits during the year. According to the information and explanation given to us, the provisions of sections 73 to 76 and any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended), are not applicable to the Company being a Non-Banking Financial Company registered with the RBI. We are informed by the management that no order has been passed by the Company Law Tribunal or RBI or any Court or any other Tribunal against the Company in this regard.

vi. The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/ business activities. Accordingly, reporting under clause 3(vi) of the Order is not applicable.

vii. a. In our opinion, and according to the information and explanations given to us, undisputed statutory dues including Goods and Services tax, Provident Fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues, as applicable, have been regularly deposited with the appropriate authorities by the Company. As explained to us, the Company does not have any dues on account of Sales Tax, Service Tax, Duty of Customs, Duty of Excise and Value Added Tax.

b. According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Amount (₹ in crores)	Period to which the amount relates	Forum where dispute is pending
GST – Uttar Pradesh	Goods & Services Tax	22.82	FY 2017-18 to FY 2019-20	Allahabad High Court, Lucknow Bench
GST – Maharashtra	Goods & Services Tax	0.93	FY 2018-19 to FY 2021-22	GST Appellate Tribunal (Appeal is pending to be filed)
Service Tax	Service Tax	97.02	FY 2007-08 to FY 2014-15	Customs, Excise & Service Tax Appellate Tribunal
VAT – Andhra Pradesh	Value Added Tax	1.24	FY 2008-09 to FY 2013-14	Andhra Pradesh High Court
VAT – Madhya Pradesh	Value Added Tax	0.08	FY 2013-14 to FY 2016-17	Appellate Authority of Commercial Taxes, Bhopal
VAT – Maharashtra	Value Added Tax	39.96	FY 2010-11, FY 2012-13 to FY 2015-16	Maharashtra Sales Tax Tribunal
VAT – Maharashtra	Value Added Tax	3.53	FY 2011-12	Deputy Commissioner of Sales Tax (Appeals)
VAT – Rajasthan	Value Added Tax	1.16	FY 2006-07 to FY 2014-15	Supreme Court
Income Tax	Income Tax Act, 1961	410.89	2016 -17	Jurisdictional Assessing Officer (JAO)
Income Tax	Income Tax Act, 1961	2.28	2017 -18	Commissioner of Income Tax (Appeals)
Income Tax	Income Tax Act, 1961	8.56	2018 -19	Income Tax Appellate Tribunal (Appeals)

viii. According to the information and explanations given to us and as verified by us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961), which have not been recorded in the books of accounts.

ix. a. According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or other borrowings or in the payment of interest thereon to any lender during the year.

b. According to the information and explanations given to us including representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or other lender or government or any government authority.

c. In our opinion and according to the information and explanations given to us, money raised by way of term loans were applied for the purposes for which these were obtained, though idle/surplus funds which were not required for immediate utilisation have been invested in readily realisable liquid investments.

d. In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short term basis have not been utilised for long term purposes.

e. According to the information and explanations given to us and on an overall examination of the Standalone Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligation of its subsidiaries, joint ventures or associates.

f. According to the information and explanations given to us and as verified by us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associates.

x. a. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year other than by way of rights issue. In our opinion and according to the information and explanations given to us, the Company has utilized the money raised by way of rights issue offer for the purposes for which they were raised.

b. According to the information and explanation given to us and as verified by us, the Company has utilized funds raised by way of private placement of debentures for the purpose for which they were raised and there was no preferential allotment or private placement of shares during the year.

xi. a. To the best of our knowledge according to the information and explanations given to us and as verified by us, no fraud by the Company has been noticed or reported during the year. Accordingly, to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the period covered by our audit except for misappropriation of cash by its employees or cheating and forgery of documents by its employees or by the customers of the Company identified by the management during the year, involving amounts aggregating to Rs. 6.61 Crores as mentioned in Note 42 of the accompanying Standalone Financial Statements. The Company has initiated necessary action against the employees and customers connected to such instances including of their employment contracts and recovery of the amounts.

b. According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

c. We have taken into consideration the whistle blower complaints received by the Company during the year and provided to us, determining the nature, timing and extent of audit procedures.

xii. The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. According to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of the Act and all details have been disclosed in the Standalone Financial Statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.

xiv. a. In our opinion and according to the information and explanations given to us, the Company has an internal audit system as required under section 138 of the Act which is commensurate with the size and the nature of its business.

b. We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.

xv. According to the information and explanation given to us, and based on our examination of the records, the Company has not entered into any non-cash transactions with its directors or persons connected with them and accordingly, provisions of section 192 of the Act are not applicable to the Company.

xvi. a. The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and such registration has been obtained by the Company.

b. During the year, the Company has not conducted any Non - Banking Financial activities without a valid Certificate of Registration (CoR) from the RBI as per the Reserve Bank of India Act, 1934. Further, Company has not conducted any Housing Finance activities and is not required to obtain CoR for such activities from the RBI.

c. According to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the RBI. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

d. Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) has 5 CICs forming part of the group.

xvii. The Company has not incurred any cash loss in the current as well as the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial Statements, our knowledge of the plans of the Board of Directors and management, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

xx. Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

xxi. The reporting under clause 3(xxi) is not applicable in respect of audit of Standalone Financial Statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure II to the Independent Auditor's Report of even date to the members of Mahindra & Mahindra Financial Services Limited on the Standalone Financial Statements for the year ended March 31, 2026

Independent Auditor's Report on the internal financial controls with reference to the Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

(Referred to in paragraph 18(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1. In conjunction with our audit of the Standalone Financial Statements of **Mahindra & Mahindra Financial Services Limited** ('the Company') as at and for the year ended **March 31, 2026**, we have audited the internal financial controls with reference to Standalone Financial Statements of the Company as at that date.

Board of Director's Responsibilities for Internal Financial Controls

2. The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

6. A company's internal financial controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Standalone Financial Statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

7. Because of the inherent limitations of internal financial

controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to Standalone Financial Statements and such controls were operating effectively as at March 31, 2026, based on the internal financial controls with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2026

1 COMPANY INFORMATION

Mahindra & Mahindra Financial Services Limited ('the Company') with Corporate ID No.: L65921MH1991PLC059642, incorporated on 1 January 1991 and domiciled in India, is a public limited company, headquartered in Mumbai. The Company is a Non-Banking Financial Company ('NBFC'), primarily engaged in financing new and pre-owned auto, utility vehicles, tractors, passenger cars and commercial vehicles through its pan India branch network. The Company has a diversified lending portfolio across retail, small and medium enterprises and commercial customers with a significant presence in rural and semi-urban India.

The Company is registered as a Systemically Important Deposit Accepting NBFC as defined under Section 45-IA of the Reserve Bank of India ('RBI') Act, 1934 with effect from 4 September 1998, with registration no. 13.00996 and classified as NBFC-Investment and Credit Company (NBFC-ICC) pursuant to circular DNBR (PD) CC.No.097/03.10.001/2018-19 dated 22 February 2019. The RBI, under Scale Based Regulations (SBR) had categorised the Company in Upper Layer (NBFC-UL) vide its circular dated September 30, 2022 and affirmed the same vide its Press release dated January 16, 2025. The equity shares of the Company are listed on the National Stock Exchange of India Limited ("NSE") and the BSE Limited ("BSE") in India. The Company is a subsidiary of Mahindra & Mahindra Limited.

The Company's registered office is at Gateway Building, Apollo Bunder, Mumbai 400001, India.

2 SUMMARY OF MATERIAL ACCOUNTING POLICY

2.1 Statement of compliance and basis for preparation and presentation of financial statements:

These standalone or separate financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 ("the Act"), and is in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. Further, the Company has complied with all the directions related to Implementation of Indian Accounting Standards prescribed for Non-Banking Financial Companies (NBFCs) in accordance with the RBI notification no. RBI/DOR/2025-26/359 DOR. ACC.REC.No.278/21.04.018/2025-26 dated November 28, 2025.

Any application guidance/ clarifications/ directions/ expectations issued by RBI or other regulators are implemented as and when they are issued/ applicable.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Company presents its Balance Sheet in the order of liquidity.

The Company prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

These standalone or separate financial statements have been approved by the Company's Board of Directors and authorized for issue on April 24, 2026.

2.2 Functional and presentation currency:

These financial statements are presented in Indian Rupees ('INR' or 'Rs.') which is also the Company's functional currency. All amounts are rounded-off to the nearest crore, unless indicated otherwise.

2.3 Basis of measurement:

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain assets and liabilities which are measured at fair values as required by relevant Ind AS.

2.4 Measurement of fair values:

The Company's certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

2.5 Use of estimates and judgements and Estimation uncertainty:

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions of estimates are recognized prospectively.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were issued. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

i) Effective Interest Rate (EIR) Method

The Company recognizes interest income/ expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given/ taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other fee income/ expense that are integral parts of the instrument.

ii) Impairment of Financial Assets

The measurement of impairment losses on loan assets and commitments, requires judgement, in estimating the amount and timing of future cash flows and recoverability of collateral values while determining the impairment losses and assessing a significant increase in credit risk.

The Company's Expected Credit Loss (ECL) calculation is the output of a complex model with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL model that are considered accounting judgements and estimates include:

- The Company's criteria for assessing if there has been a significant increase in credit risk
- The classification of financial assets when their ECL is assessed on a collective basis
- Development of ECL model, including the various formulae and the choice of inputs
- Selection of forward-looking macroeconomic scenarios and their probability weights, to provide the economic inputs into the ECL model

– Management overlay, if any, used in circumstances where management judges that the existing inputs, assumptions and model techniques do not capture all the risk factors relevant to the Company's lending portfolios.

It has been the Company's policy to regularly review its model in the context of actual loss experience and adjust when necessary (refer note 49).

iii) Provisions and contingent liabilities

The Company does not recognise a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs. Contingent Liabilities in respect of show cause notices are considered only when converted into demands.

The reliable measure of the estimates and judgments pertaining to litigations and the regulatory proceedings in the ordinary course of the Company's business are disclosed as contingent liabilities.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision is made. The disclosure of contingent liability is made when there is a possible obligation or present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligation for which a reliable estimate cannot be made as a contingent liability.

iv) Provision for income tax and deferred tax assets

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax, including the amount expected to be paid/ recovered for uncertain tax positions. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses, if any, can be utilized. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

v) Defined Benefit Plans

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

vi) Going Concern

The financial statements of the Company are prepared on a going concern basis for the year ended March 31, 2026.

The Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

2.6 Revenue recognition :

a) Recognition of interest income

Interest income is recognized in Statement of profit and loss using the effective interest method for all financial instruments measured at amortized cost, debt instruments measured at Fair Value Through Other Comprehensive Income (FVOCI) and debt instruments designated at Fair Value Through Profit and Loss (FVTPL). The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortized through interest income in the Statement of profit and loss.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

In case of credit-impaired financial assets, the Company recognises interest income on the amortised cost net of impairment loss on financial assets at EIR. If financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis (amortised cost).

Additional interest levied on customers for delay in repayments/ non payment of contractual cashflows is recognised on realisation.

Interest on trade advances, is recognized when they become measurable and when it is not unreasonable to expect their ultimate collection.

Income from bill discounting is recognized over the tenure of the instrument so as to provide a constant periodic rate of return.

Interest income from investments is recognized when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time proportionate basis, by reference to the principal outstanding and at the effective interest rate applicable.

b) Recognition of interest income on securitized loans

The Company securitizes certain pools of loan receivables in accordance with applicable RBI guidelines. The Company, being Originator of these loan receivables, also acts as Servicer with a responsibility of collection of receivables from its borrowers and depositing the same in Collection and Pay-out Account maintained by the SPV Trust for making scheduled pay-outs to the investors in Pass Through Certificates (PTCs) issued by the SPV Trust. These securitization transactions also requires the Company to provide for first loss credit enhancement in various forms, such as corporate guarantee, cash collateral, subscription to subordinated PTCs as credit support in the event of shortfall in collections from underlying loan contracts. By virtue of existence of credit enhancement, the Company is exposed to credit risk, being the expected losses that will be incurred on the transferred loan receivables to the extent of the credit enhancement provided.

In view of the above, the Company has retained substantially all the risks and rewards of ownership of the financial asset and thereby does not meet the de-recognition criteria as set out in Ind AS 109. Consideration received in this transaction is presented as "Associated liability related to Securitization transactions" and the loan receivables securitized are continued

to be reflected as loan assets. These loan assets are carried at amortized cost and the interest income is recognized by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

In case of credit-impaired financial assets, the Company recognises interest income on the amortised cost net of impairment loss on financial assets at EIR. If financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis (amortised cost).

c) Subvention income

Subvention income received from manufacturer/ dealers at the inception of the loan contracts which is directly attributable to individual loan contracts in respect of vehicles financed is recognized in the Statement of profit and loss using the effective interest method over the tenor of such loan contracts measured at amortized cost.

In case of subvention income which is subject to confirmation from manufacturer and received later than inception date is recognized in the Statement of profit and loss using straight line method over the tenor of such loan contracts.

d) Rental Income

Income from operating leases is recognized in the Statement of profit and loss on a straight-line basis over the lease term. In certain lease arrangements, variable rental charges are also recognized over and above minimum commitment charges based on usage pattern and make/model of the asset.

e) Income from finance lease

The income earned on finance lease are recognised in the Statement of profit and loss account based on pattern reflecting constant periodic return on the company's net investment in lease.

The fees/ charges received towards fleet management services rendered to customers is recognized over the lease term.

f) Fees, charges and commission income

Fees, charges and commission income are recognised in accordance with Ind AS 115 – Revenue from contracts with customers, when the performance obligation is satisfied and it is probable that economic benefits will flow to the Company. This includes insurance commission, foreclosure/prepayment charges, cheque bounce charges, etc.

The Company recognises service and administration charges at point in time towards rendering of additional services to its loan customers on satisfactory completion of service delivery.

Fees and commission that are not directly linked to the sourcing of financial assets are recognised at point in time in the Statement of Profit and Loss when the right to receive the same is established.

Instrument Return Charges levied on customers for non payment of instalments on the contractual date is recognised on realisation.

Distribution income is earned by distribution of services and products of other entities under distribution arrangements. The income so earned is recognised on successful distribution on behalf of other entities subject to there being no significant uncertainty of its recovery from the other entities.

Foreclosure or prepayment charges are collected from loan customers for early payment/closure of loan and are recognised on realisation.

Collection fee related to transferred assets under securitisation transactions is recognised on remittance of collection proceeds to Special Purpose Vehicle (SPV) created under securitization transaction.

Collection fee related to transferred assets under assignment deals is recognised on remittance of collection proceeds to assignees as per the service agreement entered with the assignees.

g) Income on Derecognised (Assigned) Loans

Gains arising out of direct assignment transactions comprises of the difference between interest on the loan portfolio and the applicable rate at which the direct assignment is entered into with the assignee, also known as the right of excess interest spread (EIS). The future EIS basis the expected cash flow on execution of the transaction, discounted at the applicable rate entered into with the assignee is recorded upfront in the statement of profit and loss.

h) Dividend Income

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of dividend income can be measured reliably).

i) Net gain/(loss) on fair value changes

The Company designates certain financial instruments for subsequent measurement at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI) as per the criteria in Ind AS 109. The Company recognises gains/(losses) on fair value change of financial instruments and realised gains/(losses) on derecognition of financial instruments measured at FVTPL and FVOCI on net basis. The gain/ loss on account of redemption of units of mutual funds is recognised in the period in which redemption occurs.

2.7 Property, Plant and Equipments (PPE):

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any.

Cost of acquisition consists of purchase price or construction cost which is the amount paid, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured.

Other repairs and maintenance costs are expensed off as and when incurred.

Advances paid towards the acquisition of PPE (excluding lease improvements) outstanding at each balance sheet date are disclosed separately as "Capital advances" under other non-financial assets. Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date and cost of leasehold improvements. Capital work-in-progress is stated at cost, net of impairment loss, if any. On completion of work related to leasehold property improvements, the relevant cost is capitalized and the same is amortized over the lease term.

Depreciation on PPE is provided on straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis subject to exceptions listed here below. PPE is assumed to have no residual value at the end of useful life, except for vehicles under operating lease where residual values are assessed on individual basis. Depreciation methods, useful lives and residual values are reviewed in each financial year, and changes, if any, are accounted for prospectively.

In accordance with Ind AS 116 - Leases, the Right-Of-Use assets (Leasehold premises) are initially recognized at cost which comprises of initial amount of lease liability adjusted for any lease payments made at or prior to the commencement date of the lease less any lease incentives. These are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-Of-Use assets (Leasehold premises) are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The estimated useful lives used for computation of depreciation are as follows:

Buildings	60 years
Computers and Data processing units	3 to 6 years
Furniture and fixtures	10 years
Office equipments	5 years
Vehicles	8 years and 10 years
Vehicles under lease	Over the lease term of the respective agreements
Right-Of-Use assets (Leasehold premises)	Over the lease term of the respective agreements

Exceptions to useful lives specified in Schedule II to the Companies Act, 2013 -

– Assets costing less than Rs.5000/- are fully depreciated in the period of purchase.

– Vehicles provided to employees as part of Cost-To-Company (CTC) scheme are depreciated using estimated useful life of 4 years.

– Repossessed vehicles capitalized for own use are depreciated at 15% leading to an estimated useful life of 6.67 years.

PPE is derecognized on disposal or when no future economic benefits are expected from its use. Assets retired from active use and held for disposal are generally stated at the lower of their carrying amount & fair value less costs to sell. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognized in other income/ netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognized.

2.8 Intangible assets :

Intangible assets are stated at cost less accumulated amortization and accumulated impairment loss, if any.

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognized in profit or loss as incurred.

Intangible assets representing computer software are amortised using the straight-line method over a period of 3 to 6 years, which is the Management's estimate of useful life. Amortization methods, useful lives and residual values are reviewed in each financial year, and changes, if any, are accounted for prospectively.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.

2.9 Investments in subsidiaries, associate and joint ventures :

Investment in subsidiaries, associates and Joint Ventures are recognised at cost and are not adjusted to fair value at the end of each reporting period as allowed by Ind AS 27 'Separate financial statement'. Cost of investment represents amount paid for acquisition of the said investment.

The Company reviews the carrying amounts of its investments in subsidiaries, associate and joint ventures at the end of each reporting period, to determine whether there is any indication that those investments have impaired. If any such indication exists, the recoverable amount of the investment is estimated in order to determine the extent of the impairment loss (if any) and provided for accordingly. Such impairment loss is reduced from the carrying value of investments.

2.10 Foreign exchange transactions and translations :

a) Initial recognition

Transactions in foreign currencies are recognized at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction date.

b) Translation

Transactions in foreign currencies are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in Statement of profit and loss except for those which are designated as hedging instruments in a hedging relationship as per Ind AS 109.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss within finance costs. All other foreign exchange gains and losses are presented in the Statement of profit and loss on a net basis.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. Thus, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognized in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognized in other comprehensive income.

Non-monetary items that are measured at historical cost in foreign currency are not retranslated at reporting date.

2.11 Financial instruments :

a) Initial Recognition

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognized immediately in Statement of profit and loss.

b) Classification and Subsequent measurement of financial assets

On initial recognition, a financial asset is classified as measured at

– Amortized cost;

– FVOCI - debt instruments;

– FVOCI - equity instruments;

– FVTPL

Amortized cost -

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held within a business model of collecting contractual cash flows as per the contractual

terms that give rise on specified dates to cash flows that are solely payment of principal and interest ('SPPI') on the principal amount outstanding. Accordingly, the Company measures Bank balances, Loans, Trade receivables and other financial instruments that meet the SPPI criterion at amortized cost.

FVOCI - debt instruments -

The Company measures its debt instruments at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets; and the contractual terms of the financial asset meet the SPPI test.

FVOCI - equity instruments -

The Company subsequently measures all equity investments at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments and are not held for trading.

If the Company elects to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in other comprehensive income. This cumulative gain or loss is not reclassified to statement of profit and loss on disposal of such instruments. Investments representing equity interest in subsidiary, joint venture and associate are carried at cost less any provision for impairment.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

All financial assets not classified as measured at amortized cost or FVOCI are measured at FVTPL. This includes all derivative financial assets unless designated as effective hedge instrument which are accounted as per hedge accounting requirements discussed below.

Subsequent measurement of financial assets -

Financial assets at amortized cost are subsequently measured at amortized cost using effective interest method. The amortized cost is reduced by impairment losses. Interest income, and impairment provisions are recognized in Statement of profit and loss. Any gain and loss on derecognition is recognized in Statement of profit and loss.

Debt investment at FVOCI are subsequently measured at fair value. Interest income at coupon rate and impairment provision, if any, are recognized in Statement of profit and loss. Net gains or losses on fair valuation are recognized in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of profit and loss.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to Statement of profit and loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for strategic purpose. Dividend income received on such equity investments are recognized in Statement of profit and loss.

Equity investments that are not designated as measured at FVOCI are designated as measured at FVTPL and subsequent changes in fair value are recognized in Statement of profit and loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in Statement of profit and loss.

c) Financial liabilities and equity instruments:

Classification as debt or equity -

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments -

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognized at the proceeds received. Transaction costs of an equity transaction are recognized as a deduction from equity.

Financial liabilities -

Financial liabilities are classified and measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative (that does not meet hedge accounting requirements) or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in Statement of profit and loss. Any gain or loss on derecognition is also recognized in Statement of profit and loss.

d) Financial guarantee contracts:

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by a Company are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

– the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109 - Financial Instruments; and

– the amount initially recognized less, when appropriate, the cumulative amount of income recognized in accordance with the principles of Ind AS 115 Revenue from Contracts with Customers.

e) Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

A financial liability is derecognized when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognized in Statement of profit and loss.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value.

f) Derivative financial instruments and hedge accounting

The Company enters into derivative financial instruments, primarily foreign exchange forward contracts, currency swaps and principal & interest rate swaps, to manage its borrowing exposure to foreign exchange and interest rate risks.

Derivatives embedded in non-derivative host contracts are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL.

Derivatives are initially recognized at fair value on the date on which the contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. A derivative with a positive fair value is recognised as a financial asset whereas a derivative with a negative fair value is recognised as a financial liability. The resulting gain/ loss is recognized in Statement of profit and loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

The Company designates certain hedging instruments, which include derivatives in respect of foreign currency risk, as either fair value hedges or cash flow hedges. Hedges of foreign exchange risk on firm commitments are accounted for as cash flow hedges.

A cash flow hedge is a hedge of the exposure to variability in cash flows that is attributable to a particular risk associated with a recognised asset or liability and could affect profit or loss.

At the inception of the hedge relationship, the Company documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Company documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in the Statement of profit and loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in the Statement of profit and loss.

Amounts previously recognised in other comprehensive income and accumulated in equity (relating to effective portion as described above) are reclassified to profit or loss in the periods when the hedged item affects profit or loss.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in the Statement of profit and loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in the statement of profit and loss.

g) Impairment of financial instruments - overview of general approach

Expected credit losses (‘ECL’) are recognised on all financial assets, i.e. loans measured at amortized cost together with loan commitments and other financial assets except those classified as FVTPL and equity instruments as per the Board approved policy. Equity instruments are not subject to impairment under Ind AS 109 - Financial Instruments.

The Company follows a staging methodology for ECL computation. Financial assets where no significant increase in credit risk has been observed since inception are classified in ‘stage 1’ for which a 12 month ECL is recognised. Financial assets which have significant increase in credit risk since inception are considered to be in ‘stage 2’ and those which are in default or for which there is an objective evidence of impairment are considered to be in ‘stage 3’. Life time ECL is recognised for stage 2 and stage 3 financial assets.

The assessment of whether lifetime ECL should be recognized is based on significant increases in the likelihood or risk of a default occurring since initial recognition.

12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial instrument.

When determining whether credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, including on historical experience and forward-looking information.

The Company calculates ECL based on discounted present value of probability weighted scenarios to measure the expected cash shortfall. Cash shortfall is the difference between the cash flows that are due to the Company in accordance with the contract and the cash flows that the Company expects to receive.

It incorporates all information that is relevant including past events, current conditions and current profile of customers. Additionally, forecasts of future macro situations and economic conditions are considered as part of forward economic guidance (FEG) model. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a high correlation to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors. In addition, the estimation of ECL takes into account the time value of money.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD and adjusted for time value of money using a rate which is a reasonable approximation of EIR.

PD: The Probability of Default is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed period if the facility has not been previously derecognised and is forming part of the portfolio.

LGD: Loss Given Default represents expected losses on the EAD given that the event of default had occurred, considering the time value of money on recoveries determined based on appropriate discount rate. It is an estimate of the loss from a transaction given that a default had occurred.

EAD: Exposure at Default represents the gross exposure balance when default had occurred. EAD is subject to impairment calculation for Stage 3 assets.

The Company has classified its overall loan portfolio into distinct product categories based on analysis of borrower behaviour, end use of underlying assets and the risk characteristics of customers. Accordingly, the estimation of ECL allowance has been done separately for each loan portfolios such as Retail vehicle loans, Small and Medium Enterprise loans, Lease facilities, Bill discounting facilities, Whole-sale advances to dealers and other unsecured loans considering the EAD, LGD and PD of respective product categories with availability of sufficient historical data. In case of portfolios where sufficient history is not available, industry level benchmarking/ proxy is used to estimate ECL allowance.

Management overlay is used to adjust the ECL allowance in circumstances where management judges that the existing inputs, assumptions and model techniques do not capture all the risk factors relevant to the Company's lending portfolios. Emerging local or global macroeconomic, micro economic or political events, and natural disasters that are not incorporated into the current parameters, risk ratings, or forward looking information are examples of such circumstances. The use of management overlay may impact the amount of ECL recognized.

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Loan contract renegotiation and modifications

Loans are identified as renegotiated and classified as credit impaired when the Company modifies contractual payment terms due to significant credit distress of the borrower. Renegotiated loans remain classified as credit impaired until there is sufficient evidence to demonstrate a significant reduction in the risk of non-payment of future cash flows and retain the designation of renegotiated loan until maturity or derecognition.

A loan that is renegotiated is derecognised if the existing agreement is cancelled and a new agreement is made on substantially different terms, or if the terms of an existing agreement are modified such that the renegotiated loan is a substantially different financial instrument. Any new loans that arise following derecognition events in these circumstances are considered to be originated credit impaired financial asset and continue to be disclosed as renegotiated loans.

Other than originated credit-impaired loans, all other modified loans could be transferred out of stage 3 if they no longer exhibit any evidence of being credit impaired and, in the case of renegotiated loans, there is sufficient evidence to demonstrate a significant reduction in the risk of non-payment of future cash flows over the minimum observation period, and there are no other indicators of impairment. These loans could be transferred to stage 1 or 2 based on the risk assessment mechanism by comparing the risk of a default occurring at the reporting date (based on the modified contractual terms) and the risk of a default occurring at initial recognition (based on the original, unmodified contractual terms). Any amount written off as a result of the modification of contractual terms would not be reversed.

Loan modifications that are not identified as renegotiated are considered to be commercial restructuring. Where a commercial restructuring results in a modification (whether legalised through an amendment to the existing terms or the issuance of a new loan contract) such that the Company's rights to the cash flows under the original contract have expired, the old loan is derecognised and the new loan is recognised at fair value. The rights to cash flows are generally considered to have expired if the commercial restructure is at market rates and no payment-related concession has been provided. Mandatory and general offer loan modifications that are not borrower-specific, for example market-wide customer relief programmes announced by the Regulator or other statutory body, have not been classified as renegotiated loans and so have not resulted in derecognition, but their stage allocation is determined considering all available and supportable information under the Company's ECL policy.

Simplified approach for trade receivables and contract assets

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables that do not contain a significant financing component. The application of simplified approach does not require the Company to track changes in credit risk.

Collateral repossessed

The underlying loans in respect of which collaterals have been repossessed but not sold are considered as Stage 3 assets and impairment allowance is estimated as per the ECL policy.

In the normal course of business, the Company does not physically repossess assets/properties in its loan portfolio, but engages external agents to repossess and recover funds, generally by selling at auction, to settle outstanding debt. Any surplus recoveries, if any are returned to the customers/ obligors. As a result of this practice, the assets/ properties under legal repossession processes are not separately recorded on the balance sheet.

The Company undertakes comprehensive review of its Expected Credit Loss (ECL) model every year by refreshing Probability of Default (PD), Loss Given Default (LGD) and other input parameters basis sufficient historical data along with updation related to latest multi-factor macro-economic growth estimates, shifts in market drivers and changes in risk profile of customer credit exposures for computation of ECL provisions for loan portfolios across various product categories.

A more detailed description of the methodology used for ECL and resultant quantitative information are covered in the 'Credit Risk Management' section of note no. 49 (2).

h) Write offs

The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the Company determines that the debtor/borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off as per the Company's policy. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made from written off assets are netted off against the amount of financial assets written off during the year under "Bad debts and write offs" forming part of "Impairment on financial instruments" in the Statement of profit and loss.

2.12 Employee benefits:

a) Short-term employee benefits

All employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. Short-term employee benefit obligations are measured on an undiscounted basis and these are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b) Contribution to provident fund, Superannuation fund, ESIC and National Pension Scheme

The defined contribution plans i.e. provident fund (administered through Regional Provident Fund Office), superannuation scheme and employee state insurance corporation and National Pension Scheme are post-employment benefit plans under which a Company pays fixed contributions and will have no legal and constructive obligation to pay further amounts beyond its contributions. The Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India and the Company has no obligation to the scheme beyond its contributions.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Company's contribution paid/payable during the year to provident fund, Superannuation scheme, ESIC and National Pension Scheme is recognized in the Statement of profit and loss.

c) Gratuity and post retirement medical benefit

The Company's liability towards gratuity and post retirement medical benefit schemes are determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognized at the earlier of the plan amendment/ curtailment and recognition of related restructuring costs/termination benefits.

The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.

When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contribution to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement gains/losses

Remeasurement of defined benefit plans, comprising of actuarial gains/ losses, return on plan assets excluding interest income are recognized immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to Statement of profit and loss in the subsequent period.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in Statement of profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

d) Leave encashment/ compensated absences/ sick leave

The Company provides for the encashment/ availment of leave with pay subject to certain rules as per leave policy of the Company. The employees are entitled to accumulate leave subject to certain limits for future encashment/ availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

e) Employee stock options

Compensation cost on Equity-settled share-based payments to employees are recognized as an expense at the fair value of equity stock options at the grant date. The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the graded vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

f) Long-Term Incentive Plan

The Company pays Long Term Incentives to certain employees on fulfilment of prescribed criteria/conditions. The Company's liability towards Long Term Incentive is determined actuarially based on certain assumptions regarding rate of Interest, staff attrition and mortality as per Projected Unit Credit Method. Expenses towards long term incentive are recognised in the Statement of Profit and Loss.

2.13 Finance costs :

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at Amortized cost. Financial instruments include bank term loans, associated liabilities in respect of securitization transactions, non-convertible debentures, fixed deposits mobilized, commercial papers, subordinated debts and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the Statement of profit and loss.

Interest expense on lease liabilities computed by applying the Company's weighted average incremental borrowing rate has been included under finance costs.

2.14 Taxation - Current and deferred tax:

Income tax expense comprises of current tax and deferred tax. It is recognized in Statement of profit and loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

a) Current tax

Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect of previous years. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Current tax is recognised in statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current tax is also recognised in other comprehensive income or directly in equity respectively.

The management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b) Deferred tax

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax

bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is recognised in Statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity respectively.

Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off current tax assets against current tax liabilities and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities on a net basis or simultaneously.

2.15 Provisions, contingent liabilities, contingent assets and commitments:

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed. Provisions are not recognised for future operating losses.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision is made. The disclosure of contingent liability is made when there is a possible obligation or present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligation for which a reliable estimate cannot be made as a contingent liability. Contingent Liabilities are reviewed at each Balance Sheet date.

A contingent asset is disclosed where an inflow of economic benefit is probable.

When some or all economic benefits required to settle a provision are expected to be recovered from third party, a receivable is recognised as an asset, if it is virtually certain that reimbursement will be received and the amount can be measured reliably.

Commitments are future liabilities for contractual obligation. The commitments are classified and disclosed as follows:

i. The estimated amount of contracts remaining to be executed on capital account and not provided for; and

ii. Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of the Management.

2.16 Leases :

The Company as a lessee -

As a lessee, the Company's lease asset class primarily consist of buildings or part thereof taken on lease for office premises, certain IT equipments and general purpose office equipments used for operating activities. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. ROU assets and corresponding lease liabilities constitute lease contracts for office premises.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that option to extend will be exercised and option to terminate will not be exercised.

The right-of-use assets are initially recognized at cost which comprises of initial amount of lease liability adjusted for any lease payments made at or prior to the commencement date of the lease less any lease incentives. These are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the lease term.

The lease liability is initially measured at amortized cost at the present value of the future lease payments that are not paid at the commencement date, discounted using the Company's incremental average borrowing rate. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

In the Balance Sheet, ROU assets have been included in property, plant and equipment and Lease liabilities have been included in Other financial liabilities and the lease payments have been classified as financing cash flows. The Company has used a single discount rate to a portfolio of leases with similar characteristics.

Where the Company is the lessor -

At the inception of the lease, the Company classifies each of its leases as either a finance lease or an operating lease. Whenever the

terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

The Company has given certain vehicles on lease where it has substantially retained the risks and rewards of ownership and hence these are classified as operating leases. These assets given on operating lease are included in PPE. Lease income is recognized in the Statement of profit and loss as per contractual rental unless another systematic basis is more representative of the time pattern in which the benefit derived from the leased asset is diminished. Costs including depreciation are recognized as an expense in the Statement of profit and loss. Initial direct costs are recognized immediately in Statement of profit and loss.

In case of assets under Finance Lease, amount receivable from lessees are recognised at the net investment in the leases measured by using the interest rate implicit in the lease contract. All initial direct cost incurred to put the leased asset for intended use are included in the initial measurement of net investment.

In accordance with Ind AS 116, Leases, the financial information has been presented in the following manner.

a) ROU assets and lease liabilities have been included within the line items “Property, plant and equipment” and “Other financial liabilities” respectively in the Balance sheet;

b) Interest expenses on the lease liability and depreciation charge for the right-to-use asset have been included within the line items “Finance costs” and “Depreciation, amortization and impairment” respectively in the Statement of profit or loss;

c) Short-term lease payments and payments for leases of low-value assets, where exemption as permitted under this standard is availed, have been recognized as expense on a straight line basis over the lease term in the Statement of profit or loss.

d) Cash payments for the principal and interest of the lease liability have been presented within “financing activities” in the statement of cash flows;

The disclosures as required in accordance with Ind AS 116, Leases, are set out under note no. 40.

2.17 Cash and Cash Equivalents :

Cash and cash equivalents comprise the net amount of short-term, highly liquid investments that are readily convertible to known amounts of cash (short-term deposits with an original maturity of three months or less) and are subject to an insignificant risk of change in value, cheques on hand and balances with banks.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash on hand, cheques on hand, balances with banks (of the nature of cash and cash equivalents), and short- term deposits.

2.18 Earnings per share :

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 - Earnings per Share. Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

2.19 Exceptional Items :

Exceptional items are those items of income or expense from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure in the financial statements is considered necessary to explain the performance of the Company.

2.20 Other Expenses :

Expenses are recognised on accrual basis net of the goods and services tax, except where credit for the input tax is not statutorily permitted.

2.21 Share Issue Expenses :

Incremental costs directly attributable to the issue of equity instruments (like rights issue) are recognised as a deduction from securities premium, net of tax. Other costs are recognised in profit or loss as incurred. If the proposed issue is not completed, such costs are expensed immediately.

2.22 New standards or amendments to the existing standards and other pronouncements :

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. As on March 31, 2026, there is no new standard notified or amendment to any of the existing standards under Companies (Indian Accounting Standards) Rules, 2015.

On November 21, 2025, the Government of India notified the provisions of four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively “new Labour Codes”) which consolidate 29 existing labour laws into a unified framework governing employee benefits during employment and post-employment.

Other Equity

Description of the nature and purpose of Other Equity (refer Statement of Changes in Equity) :

Statutory reserve as per Section 45–IC of the RBI Act, 1934

Statutory reserve represents reserve fund created pursuant to Section 45-IC of the RBI Act, 1934 through transfer of specified percentage of net profit every year before any dividend is declared. The reserve fund can be utilized only for limited purposes as specified by RBI from time to time and every such utilization shall be reported to the RBI within specified period of time from the date of such utilization.

Capital redemption reserve (CRR)

Capital redemption reserve represents reserve created pursuant to Section 55 (2) (c) of the Companies Act, 2013 by transfer of an amount equivalent to nominal value of the Preference shares redeemed. The CRR may be utilized by the Company, in paying up unissued shares of the Company to be issued to the members of the Company as fully paid bonus shares in accordance with the provisions of the Companies Act, 2013.

Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilized only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

General reserve

General reserve is created through annual transfer of profits at a specified percentage in accordance with applicable regulations under the erstwhile Companies Act, 1956. Consequent to introduction of the Companies Act, 2013, the requirement to mandatorily transfer specified percentage of net profits to General reserve has been withdrawn. However, the amount previously transferred to the General reserve can be utilized only in accordance with the specific requirements of the Companies Act, 2013.

Employee stock options outstanding

The Employee Stock Options outstanding represents amount of reserve created by recognition of compensation cost at grant date fair value on stock options vested but not exercised by employees and unvested stock options in the Statement of profit and loss in respect of equity-settled share options granted to the eligible employees of the Company and its subsidiaries in pursuance of the Employee Stock Option Plan.

Retained earnings

Retained earnings or accumulated surplus represents total of all profits retained since Company's inception. Retained earnings are credited with current year profits, reduced by losses, if any, dividend pay-outs, transfers to General reserve or any such other appropriations to specific reserve.

Total	**1,340.33**	1,136.87

33 Exceptional items

Rs. in crore

Particulars	March 31, 2026	March 31, 2025
Statutory impact of new Labour Codes	**(117.33)**	–
Total	**(117.33)**	–

On November 21, 2025, the Government of India notified the provisions of four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively "new Labour Codes") which consolidate 29 existing labour laws into a unified framework governing employee benefits during employment and post-employment.

In accordance with the new Labour Codes, the Company has currently estimated the incremental impact of Gratuity and Leave Encashment to be Rs.117.33 crore (net of taxes Rs.87.80 crore) on the basis of Actuarial Valuation. This has been presented under "Exceptional Items" in the standalone financial statements for the year ended March 31, 2026. The Company continues to monitor developments on the Rules to be notified by regulatory authorities, including clarifications/ additional guidance from authorities and will continue to assess the accounting implications, basis such developments/ guidance.

In addition to the above, the Company has also recognised an amount of Rs. 22.72 crore in the Statement of Profit and Loss towards employee benefit expenses on account of the impact of the New Labour Code on eligible employees.

The incremental cost attributable to period post implementation of new Labour Codes has been included under Employee benefits expense for the year ended March 31, 2026.

34 Earning Per Share (EPS)

Basic EPS is calculated in accordance with Ind AS 33 'Earnings Per Share' by dividing the net profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is calculated by dividing the net profit attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares of the Company

The following reflects the income and share data used in the basic and diluted EPS computations:

Rs. in crore

	March 31, 2026	March 31, 2025
Profit for the year (Rs in crore)	**2,782.23**	2,345.04
Weighted average number of Equity Shares used in computing basic EPS	**1,36,72,80,940**	1,27,21,07,490
Effect of potential dilutive Equity Shares	**9,34,903**	4,16,316
Weighted average number of Equity Shares used in computing diluted EPS	**1,36,82,15,843**	1,27,25,23,806
Basic Earnings per share (Rs.) (Face value of Rs. 2/- per share)	**20.35**	18.43
Diluted Earnings per share (Rs.)	**20.33**	18.43

35 Employee Stock Option Plan (ESOP)

The Company had allotted 48,45,025 Equity shares (face value of Rs.2/- each) (adjusted for stock-split in the ratio of 5:1 in February 2013) under Employee Stock Option Scheme 2010 at par on February 3, 2011 to Mahindra and Mahindra Financial Services Limited Employees' Stock Option Trust ("the Trust") set up by the Company. The Trust holds these shares for the benefit of employees and allots equity shares to eligible employees on exercise of stock options as per the terms and conditions of ESOP scheme granted as per the recommendation of the Compensation Committee.

Pursuant to the Rights issue of one equity share for every equity share held as on record date, at an issue price of Rs.50 per Equity Share (including a premium of Rs. 48 per Equity Share), made by the Company, 20,63,662 equity shares have been allotted to the Trust in respect of its rights entitlement on August 17, 2020. All the option holders (beneficiaries) under existing grants have automatically became entitled to additional options at Rs.50/- per option as rights adjustment and accordingly, the number of outstanding options stand augmented in the same ratio as the rights issue. All the terms and conditions applicable to these additional options issued under rights issue have remained same as original grant.

Upon exercise of stock options, including additional options issued as per Rights issue, under the schemes by eligible employees, the Trust had issued 72,67,963 equity shares to employees up to March 31, 2026 (March 31, 2025: 70,25,425 equity shares), of which 2,42,538 equity shares (March 31, 2025: 4,75,271 equity shares) were issued during the current year. This has resulted in an increase in equity share capital by Rs. 0.05 crore for the year ended March 31, 2026 (March 31, 2025 : Rs. 0.10 crore).

a) The terms and conditions of the Employees Stock Option Plans

i) Employees Stock Option Scheme 2010

Particulars	Key Terms and conditions
Type of arrangement	Employees share based payment plan administered through ESOP Trust
Contractual life	3 years from the date of each vesting
Number of vested options exercisable	Minimum of 50 or number of options vested whichever is lower
Method of settlement	By issue of shares at exercise price
Vesting conditions	In 5 equal tranches @ 20% each on expiry of 12, 24, 36, 48 and 60 months from the date of grant

ii) MAHINDRA AND MAHINDRA FINANCIAL SERVICES LIMITED – RESTRICTED STOCK UNITS PLAN 2023 ("MMFSL RSU PLAN 2023")

Mahindra and Mahindra Financial Services Limited – Restricted Stock Units Plan 2023 ("MMFSL RSU PLAN 2023") formulated in accordance with the Securities and Exchange Board of India (Share Based Employee Benefits & Sweat Equity) Regulations, 2021 was approved by the Board of Directors in their meeting held on April 28, 2023. Following are the key terms and conditions governing the scheme.

Particulars	Terms and conditions
Type of arrangement	Employees share based payment plan administered through ESOP Trust
Exercise price	The Exercise Price shall be the face value of the Share as on date of Exercise of RSUs.
Contractual life	5 years from the date of each vesting
Vesting terms & conditions	RSUs granted under the MMFSL RSU Plan 2023 shall vest not earlier than minimum Vesting Period of 1 (One) year and not later than the maximum Vesting Period of 7 (Seven) years from the date of Grant of such RSUs, The vesting of RSUs would be based on achievement of performance parameters. The Committee would lay down the parameters for vesting of RSUs which would include one or more of the Company performance parameters such as: a) Asset Quality b) Assets Under Management (AUM) Growth c) Cost control d) Profit growth e) Return on Assets (ROA) f) Digital maturity: use of technology and data g) Environmental, Social & Governance (ESG) performance
Vesting Schedule	In 3 or 5 equal tranches on expiry of 12, 24 and 36 months (i.e. 33.33% each) or on expiry of 12, 24,36,48, 60 months (i.e. 20% each), up to a maximum of 7 years from the grant date
Method of settlement	By issue of shares at exercise price

iii) MAHINDRA & MAHINDRA FINANCIAL SERVICES LIMITED – SUBSIDIARIES RESTRICTED STOCK UNITS PLAN 2026 ("MMFSL SUBSIDIARIES RSU PLAN 2026")

During the current financial year, the Company has formulated a new employee stock option plan, namely, 'Mahindra & Mahindra Financial Services Limited- Subsidiaries Restricted Stock Units Plan 2026' ("MMFSL Subsidiaries RSU Plan 2026") to reward the key Employees of the Subsidiary Company(ies) of the Company for their performance and motivate them to contribute to the consolidated growth and profitability of the Company, and the same was approved by the Board of Directors on January 7, 2026 and approved by the Shareholders of the Company on February 7, 2026 in accordance with the Securities and Exchange Board of India (Share Based Employee Benefits & Sweat Equity) Regulations, 2021. Following are the key terms and conditions goverining the scheme.

Particulars	Key Terms and conditions
Type of arrangement	Employees share based payment plan administered through ESOP Trust
Exercise price	The Exercise Price shall be the face value of the Share as on date of Exercise of RSUs.
Authority and Ceiling	The maximum number of RSUs that may be granted to each Employee in aggregate shall vary depending upon the designation and the appraisal/ assessment process, however, shall not exceed 30,00,000 (Thirty Lakhs) in number per eligible Employee. However, the Committee reserves the right to decide the number of RSUs to be granted and the maximum number of RSUs that can be granted to each Employee within this ceiling.
Contractual life	5 years from the date of each vesting
Vesting terms & conditions	RSUs granted under the MMFSL Subsidiaries RSU Plan 2026 shall vest not earlier than minimum Vesting Period of 1 (One) year and not later than the maximum Vesting Period of 7 (Seven) years from the date of Grant of such RSUs, as may be determined by the Committee. The vesting of RSUs would be based on achievement of performance targets of the respective Subsidiaries. The Committee would lay down the performance targets for vesting of RSUs granted to employees of subsidiaries of the Company which would include one or more of the performance parameters of the subsidiary upto 100% weightage along with certain sub-weightage assigned to each of the following parameters : a) Revenue Growth b) Market Share Growth c) Profit growth d) Cost control e) Asset quality f) Digital maturity: use of technology and data g) Environmental, Social & Governance (ESG) performance Besides the Subsidiary Company's performance parameters, vesting of RSUs may include grantee's individual performance (upto 50% of total RSUs granted), as determined by the Committee from time to time. In such instances the indicative weightages given above would be varied with the approval of the NRC. Each grant shall specify a target number of RSUs; actual vesting may range from 0% to 110% based on performance achievement.
Vesting Schedule	In 3 or 5 equal tranches on expiry of 12, 24 and 36 months (i.e. 33.33% each) or on expiry of 12, 24,36,48, 60 months (i.e. 20% each), up to a maximum of 7 years from the grant date
Method of settlement	By issue of shares at exercise price

b) Options granted during the year:

i) Employee Stock Option Scheme 2010

After formulation of new scheme - MMFSL RSU PLAN 2023, no further stock options can be granted under the old scheme - Employees' Stock Option Scheme 2010. However, live options already vested can be exercised within the validity period as per the terms and conditions of the scheme.

Following are the stock option grants under this scheme which were live during the year with remaining validity period for exercise of vested options.

Particulars	Grant dated January 24, 2018	Grant dated October 24, 2018
Exercise price (Rs.)	2.00	2.00
Fair value of option (Rs.)	495.92	355.34

ii) MMFSL RSU PLAN 2023

During the year ended March 31, 2026, the Company has granted 10,36,734 stock options (March 31, 2025 : 6,49,326) to eligible employees under the newly formulated employee stock option plan, namely, MMFSL RSU PLAN 2023, in accordance with the Securities and Exchange Board of India (Share Based Employee Benefits & Sweat Equity) Regulations, 2021, which was approved by the Board of Directors in their meeting held on April 28, 2023.

Following are the grants which are live under MMFSL RSU PLAN 2023.

Particulars	Grant dated October 28 2025	Grant dated July 22 2025	Grant dated October 21 2024	Grant dated April 23 2024	Grant dated October 26 2023
Exercise price (Rs.)	2.00	2.00	2.00	2.00	2.00
Fair value of option (Rs.)	269.74	228.11	262.53	246.47	246.47

The key assumptions used in black-Scholes model for calculating fair value as on the date of grant are:

	Year ended March 31, 2026		Year ended March 31, 2025		Year ended March 31, 2024
Particulars	Grant dated October 28 2025	Grant dated July 22 2025	Grant dated October 21 2024	Grant dated April 23 2024	Grant dated October 26 2023
Variables#					
1) Risk free interest rate	6.11%	6.03%	6.64%	7.08%	7.29%
2) Expected life	4.50 years	5.50 years	4.50 years	5.50 years	4.51 years
3) Expected volatility	34.92%	47.79%	42.83%	44.27%	45.98%
4) Dividend yield	2.17%	2.47%	2.16%	2.15%	2.19%
5) Price of the underlying share in the market at the time of option grant (Rs.)	299.10	262.85	291.00	278.85	273.60

the values mentioned against each of the variables are based on the weighted average percentage of vesting.

iii) MMFSL SUBSIDIARIES RSU PLAN 2026

MMFSL Subsidiaries RSU Plan 2026' is a newly formulated stock option plan and approved by the Board and shareholders during last quarter of the financial year. There were no stock options granted to employees of the subsidiary company (ies) during the year.

c) i) Summary of stock options - Employee Stock Option Scheme 2010 :

Particulars	As at March 31, 2026		As at March 31, 2025	
	No. of stock options	Weighted average exercise price (Rs.) #	No. of stock options	Weighted average exercise price (Rs.) #
Options outstanding at the beginning of the year	**156,627**	**26.58**	612,763	26.97
Options granted during the year	**–**	**–**	–	–
Options expired/ forfeited during the year	**8,532**	**26.66**	11,350	27.45
Options cancelled/ lapsed during the year	**–**	**–**	–	–
Options exercised during the year	**84,049**	**26.43**	444,786	27.09
Options outstanding at the end of the year	**64,046**	**26.77**	156,627	26.58
Options vested but not exercised at the end of the year	**64,046**	**26.77**	156,627	26.58

Adjusted for additional options issued in the ratio of one equity share for every one equity share held under Rights issue made by the Company during August 2020. The options issued under ESOP scheme 2010 are exercisable at Rs.2/- per option and adjustment options issued under Rights issue are exercisable at Rs.50/- each, including premium of Rs. 48/- per option (being the issue price under Rights allotment).

ii) Summary of stock options - MMFSL RSU PLAN 2023:

Particulars	As at March 31, 2026		As at March 31, 2025	
	No. of stock options	Weighted average exercise price (Rs.)	No. of stock options	Weighted average exercise price (Rs.)
Options outstanding at the beginning of the year	**807,534**	**2.00**	283,171	2.00
Options granted during the year	**1,036,734**	**2.00**	649,326	2.00
Options expired/ forfeited during the year	**1,177**	**2.00**	8,804	2.00
Options cancelled/ lapsed during the year #	**120,276**	**2.00**	85,674	2.00
Options exercised during the year	**158,489**	**2.00**	30,485	2.00
Options outstanding at the end of the year	**1,564,326**	**2.00**	807,534	2.00
Options vested but not exercised at the end of the year	**69,834**	**2.00**	36,216	2.00

includes 47,328 options (Year ended March 31, 2025: 9,194 options) cancelled/ lapsed on account of true-down effect applied on the specific tranche of respective grant/s covering all the beneficiaries due to non-achievement of specified performance parameters at the Company level as per the terms and conditions of the MMFSL RSU PLAN 2023.

True-down of options:

The vesting of options under each tranche of individual grants under MMFSL RSU PLAN 2023 is subject to achievement of specified performance parameters at the Company level and at the individual level for the relevant financial year as approved by the Nomination and Remuneration Committee (NRC) of the Board of Directors. If actual performance in a relevant financial year against the specified parameters is lower than the defined thresholds, the granted options under a particular tranche would vest in proportion to the level of actual performance (true-down effect) and that proportion of options attributable to lower performance would be cancelled/ lapsed with corresponding write-back of compensation expense recognized earlier in the Statement of profit and loss of current year.

d) Information in respect of options outstanding:

Exercise price	As at March 31, 2026		As at March 31, 2025	
	No. of stock options	Weighted average remaining life	No. of stock options	Weighted average remaining life
Employee Stock Option Scheme 2010 -				
- At Rs. 2.00 per option	**31,000**	**7 months**	76,411	14 months
- At Rs. 50.00 per option	**33,046**	**7 months**	80,216	14 months
MMFSL RSU PLAN 2023 -				
- At Rs. 2.00 per option	**1,564,326**	**80 months**	807,534	79 months
	1,628,372		964,161	

e) Average share price at recognized stock exchange on the date of exercise of the option is as under:

Year ended March 31, 2026		Year ended March 31, 2025	
Date of Exercise	Weighted average share price (Rs.)	Date of Exercise	Weighted Average share price (Rs.)
April 01, 2025 to March 31, 2026	**313.88**	April 01 2024 to March 31, 2025	286.73

f) Determination of expected volatility

The measure of volatility used in the Black-Scholes option pricing model is the annualized standard deviation of the continuously compounded rates of return on the stock over a period of time.

The determination of expected volatility is based on historical volatility of the stock over the most recent period that is generally commensurate with the expected life of the option being valued. The period considered for volatility is adequate to represent a consistent trend in the price movements and the movements due to abnormal events are evened out.

Accordingly, since each vest has been considered as a separate grant, the model considers the volatility for periods, corresponding to the expected lives of different vests, prior to the grant date. Volatility has been calculated based on the daily closing market price of the Company's stock price on NSE over these years. Similar approach was followed in determination of expected volatility based on historical volatility for all the grants under the scheme.

g) Compensation cost measurement and accounting

In respect of stock options granted under Employee Stock Option Scheme 2010 and MMFSL RSU PLAN 2023, the accounting is done as per the requirements of Ind AS 102 - Share-based payment. Consequently, Rs.15.82 crore (March 31, 2025: Rs.7.25 crore) has been included under 'Employee Benefits Expense' as 'Share-based payment to employees' based on respective grant date fair value, after adjusting for reversals on account of options forfeited. The amount includes cost reimbursements (net of recoveries of Rs. 0.34 crore) to the holding company of Rs.2.35 crore (March 31, 2025: Rs. 1.68 crore) in respect of options granted to employees of the Company and excludes net recovery of Rs.0.75 crore (March 31, 2025: Rs.0.09 crore) from its and holding company's subsidiaries for options granted to their employees.

36 Employee benefits

General description of defined benefit plans

Gratuity

The Company provides for the gratuity, a defined benefit retirement plan covering qualifying employees. The plan provides for gratuity benefits that become payable to eligible employees on death while in service or on separation from employment after completion of the stipulated period under the Code on Social Security, 2020. The Company makes annual contribution to the Gratuity scheme administered by the Life Insurance Corporation of India, HDFC life and Kotak life insurance through its Gratuity fund.

Post retirement medical cover

The Company provides for post retirement medical cover to select grade of employees to cover the retiring employee and their spouse up to a specified age through Mediclaim policy on which the premiums are paid by the Company. The eligibility of the employee for the benefit as well as the amount of medical cover purchased is determined by the grade of the employee at the time of retirement.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Investment risk -

The plan liabilities are calculated using a discount rate set with references to government bond yields; if plan assets underperform compared to this yield, this will create or increase a deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Interest rate risk -

A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plan's investment in debt instruments.

Variability in withdrawal rates -

If actual withdrawal rates are higher than assumed withdrawal rate assumption then the gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

Regulatory Risk -

Gratuity Benefit must comply with the requirements of the Payment of Gratuity Act, 1972 (as amended up-to-date). There is a risk of change in the regulations requiring higher gratuity payments (e.g. raising the present ceiling of Rs. 20,00,000, raising accrual rate from 15/26 etc.).

Inflation risk -

The present value of some of the defined benefit plan obligations are calculated with reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability. The post retirement medical benefit obligation is sensitive to medical inflation and accordingly, an increase in medical inflation rate would increase the plan's liability.

Salary Risk -

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk -

The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Concentration Risk -

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very low.

Life expectancy -

The present value of defined benefit plan obligation is calculated by reference to the best estimate of the mortality of plan participants, both during and after the employment. An increase in the life expectancy of the plan participants will increase the plan's liability. If actual mortality rates are higher than assumed mortality rate assumption than the gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cashflow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Details of defined benefit plans as per actuarial valuation are as follows:

III. Maturity profile of defined benefit obligation				
Within 1 year	**57.33**	30.96	**0.06**	0.05
Between 1 and 5 years	**157.48**	84.48	**0.45**	0.40
Between 6 and 10 years	**101.19**	55.87	**1.30**	1.32
11 years and above	**61.32**	35.72	**10.87**	13.71

The estimate of future salary increases, considered in actuarial valuation, considers inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The plan assets have been primarily invested in government securities and corporate bonds.

The cost of the defined benefit plans and other long term benefits are determined using actuarial valuations. Actuarial valuations involve making various assumptions that may differ from actual developments in the future. These includes the determination of the discount rate, future salary increases and mortality rate. Due to these complexity involved in the valuation it is highly sensitive to the changes in these assumptions. All assumptions are reviewed at each reporting date. The present value of the defined benefit obligation and the related current service cost and planned service cost were measured using the projected unit cost method.

The Company's contribution to provident fund, superannuation fund and national pension scheme aggregating to Rs. 77.13 crore (March 31, 2025: Rs. 80.67 crore) has been recognized in the Statement of profit and loss under the head Employee benefits expense.

Compensated Absences

The principal assumptions used in determining obligations for the Company are shown below:

	Year ended March 31	
Particulars	**2026**	2025
Rate of discounting	**6.77%**	6.54%
Expected rate of salary increase	**7.00%**	7.00%
Attrition rate %	**29.26% for age up to 30 years, 20.41% for age 31-50 years, 17.60% for 51 years and above**	31.08% for age up to 30 years, 22.10% for age 31-50 years, 12.24% for 51 years and above
Mortality	**Indian Assured Lives Mortality (2012-14) Urban**	Indian Assured Lives Mortality (2012-14) Urban
Expenses recognised in statement of profit and loss	**2.42**	10.45

includes the New Labour Code impact of Rs. 20.81 crore

The Company has not funded its compensated absences liability and the same continues to remain as unfunded as at March 31, 2026.

The estimate of future salary increase takes into account inflation, seniority, promotion and other relevant factors.

Discount rate is based on the prevailing market yields of Indian Government Bonds as at the balance sheet date for the estimated term of the obligation.

Long Term Incentive Scheme

The Long-Term Incentive Plan is annually granted along with the performance cycle at the end of the financial year and determined on the individual performance rating criteria, awarded LTIP will vest equally in 3 years.

Actuarial assumptions and Sensitivity

	Year ended March 31	
Particulars	**2026**	2025
Retirement Age	**60 Years**	60 Years
Discount Rate	**6.48%**	6.54%
Attrition Rate	**4.00%**	8.00%
Performance Measurement	**99.00%**	99.00%

Reconciliation of the Liability recognised in the Balance Sheet:

	Year ended March 31	
Particulars	**2026**	2025
Opening Net Liability	**1.39**	–
Expense recognised in the P&L	**4.17**	1.39
Contribution/Benefit Paid by the Company	**1.96**	–
Amount recognised in the Balance Sheet under "Provision for Retirement Benefits"	**3.60**	1.39
Current portion of the above	**2.21**	0.86
Non Current portion of the above	**1.39**	0.53

The Company has not funded its long term incentive plan liability and the same continues to remain as unfunded as at March 31, 2026.

Discount rate is based on the prevailing market yields of Indian Government Bonds as at the balance sheet date for the estimated term of the obligation.

37 Additional disclosures

i) During the financial years ended March 31, 2026 and March 31, 2025, the Company has not granted any loans or advances in the nature of loans to promoters, directors, KMPs and the related parties (as defined under the Companies Act, 2013), either severally or jointly with any other person (a) repayable on demand or (b) without specifying any terms or period of repayment.

ii) There is no Benami Property held by the Company and there is no proceeding initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

iii) Disclosure of transactions with the companies struck off under section 248 of Companies Act, 2013 or section 560 of Companies Act, 1956

39 Funds raised by issue of equity shares through Rights Issue

Pursuant to authorization of further infusion of capital through Rights Issue by the Board of Directors of the Company at its meeting held on May 2, 2025, other resolutions passed on May 8, 2025 approving the issue size, rights entitlement ratio, fixing the issue price, fixing the record date and in accordance with the provisions of the Companies Act, 2013 and the applicable Rules prescribed thereunder, the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended, the Company had issued 15,44,41,240 fully paid-up equity shares of face value of Rs. 2 each for cash at a price of Rs. 194 per equity share (including a premium of Rs. 192 per equity share) aggregating to Rs. 2,996.16 crores on a rights basis to eligible equity shareholders in the ratio of one equity share for every eight fully paid-up equity share held on the record date, that is May 14, 2025. These equity shares were allotted on June 9, 2025. The Company has utilized the entire proceeds (net of issue related expenses) from the above referred Rights Issue for the purposes as stated in its 'Letter of Offer'.

The fresh allotment of equity shares through Rights Issue as stated above has resulted in an increase of equity share capital by Rs.30.89 crores and securities premium reserve by Rs. 2,965.27 crores. Consequently, the shareholding of the Parent Company (Mahindra & Mahindra Limited) had increased from 52.16% to 52.49% post allotment of fresh equity shares under rights issue.

The share issue expenses of Rs.7.60 crores have been adjusted against securities premium reserve as per the accounting policy.

40 Capital management

'The Company's capital management strategy is to effectively determine, raise and deploy capital so as to create value for its shareholders. The same is done through a mix of either equity and/or convertible and/or combination of short term /long term debt as may be appropriate.

The Company determines the amount of capital required on the basis of operations, capital expenditure and strategic investment plans. The capital structure is monitored on the basis of net debt to equity and maturity profile of overall debt portfolio.

The Company is subject to the capital adequacy requirements of the Reserve Bank of India (RBI). Under RBI's capital adequacy guidelines, the Company is required to maintain a capital adequacy ratio consisting of Tier I and Tier II Capital. The total of Tier II Capital at any point of time, shall not exceed 100 percent of Tier I Capital. The minimum capital ratio as prescribed by RBI guidelines and applicable to the Company, consisting of Tier I and Tier II capital, shall not be less than 15 percent of its aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet.

The Company has complied with all regulatory requirements related to capital and capital adequacy ratios as prescribed by RBI.

Regulatory capital

Rs. in crore

Particulars	As at March 31, 2026	As at March 31, 2025
Tier – I capital	**21,317.98**	17,835.12
Tier – II capital	**2,789.50**	3,602.40
Total Capital	**24,107.48**	21,437.51
Aggregate of Risk Weighted Assets	**127,996.07**	116,967.79
Tier – I capital ratio	**16.66%**	15.25%
Tier - II capital ratio	**2.18%**	3.08%
Total Capital ratio	**18.84%**	18.33%

"Tier I Capital" means owned fund as reduced by investment in shares of other non-banking financial companies and in shares, debentures, bonds, outstanding loans and advances including hire purchase and lease finance made to and deposits with subsidiaries and companies in the same group exceeding, in aggregate, ten per cent of the owned fund."owned fund" means paid up equity capital, preference shares which are compulsorily convertible into equity, free reserves, balance in share premium account and capital reserves representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of asset, as reduced by accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any. Free reserves includes quarterly profit subject to reducing average dividend paid in the last three years.

Further, as required under Reserve Bank of India (Non-Banking Financial Companies – Prudential Norms on Capital Adequacy) Second Amendment Directions, 2026, vide RBI notification no. RBI/2025-26/226 DOR.CAP.REC.No.416/21.01.002/2025-26, the Company has reduced the amount of average dividend paid in the last three years from Owned funds/ Tier-1 capital in calculation of capital adequacy ratio effective from current financial year.

"Tier II capital" includes the following –

(a) preference shares other than those which are compulsorily convertible into equity;

(b) revaluation reserves at discounted rate of fifty five percent;

(c) General provisions (including that for Standard Assets) and loss reserves to the extent these are not attributable to actual diminution in value or identifiable potential loss in any specific asset and are available to meet unexpected losses, to the extent of one and one fourth percent of risk weighted assets. 12 month expected credit loss (ECL) allowances for financial instruments i.e. where the credit risk has not increased significantly since initial recognition, shall be included under general provisions and loss reserves in Tier II capital within the limits specified by extant regulations. Lifetime ECL shall not be reckoned for regulatory capital (numerator) while it shall be reduced from the risk weighted assets.

(d) hybrid debt capital instruments; and

(e) subordinated debt to the extent the aggregate does not exceed Tier I capital.

Aggregate Risk Weighted Assets –

Under RBI Guidelines, degrees of credit risk expressed as percentage weightages have been assigned to each of the on-balance sheet assets and off- balance sheet assets. Hence, the value of each of the on-balance sheet assets and off- balance sheet assets requires to be multiplied by the relevant risk weights to arrive at risk adjusted value of assets. The aggregate shall be taken into account for reckoning the minimum capital ratio.

41 Leases

I) In the cases where assets are taken on operating lease (as lessee) –

As a lessee, the Company's lease asset class primarily consist of buildings or part thereof taken on lease for office premises, certain IT equipments and general purpose office equipments used for operating activities.

The following is the summary of practical expedients applied as allowed under Ind AS 116.

a) Availed the exemption of not to recognize ROU assets and liabilities for leases of low value assets and leases with less than 12 months (short-term lease) of lease term on the date of initial application as at April 1, 2019 and thereafter;

b) Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application as at April 1, 2019 and thereafter;

a) Maturity Analysis – Contractual Undiscounted Cash Flow:

Rs. in crore

Particulars	As at March 31, 2026	As at March 31, 2025
Less than 1 year	**104.85**	101.56
1 - 3 years	**164.88**	169.31
3 - 5 years	**124.00**	116.99
More than 5 years	**68.77**	85.90
Total undiscounted lease liabilities	**462.50**	473.76

b) Other disclosures:

Following table summarizes other disclosures including the note references for the expense, asset and liability heads under which certain expenses, assets and liability items are grouped in the financial statements.

Rs. in crore

		Amount for the year ended/ As at March 31, 2026	As at March 31, 2025
i)	Depreciation charge for Right-Of-Use assets for Leasehold premises (presented under note - 31 "Depreciation, amortization and impairment")	**84.14**	82.15
ii)	Interest expense on lease liabilities (presented under note - 28 "Finance costs")	**30.14**	31.04
iii)	Expense relating to short-term leases (included in Rent expenses under note 32 "Other expenses")	**5.10**	3.56
iv)	Expense relating to leases of low-value assets (included in Rent expenses under note 32 "Other expenses")	**4.31**	9.05
v)	Payments for lease liability	**107.28**	102.41
vi)	Additions to right-of-use assets during the year (refer note 11)	**78.26**	98.60
vii)	Carrying amount of right-of-use assets at the end of the reporting period by class of underlying asset -		
	- Property taken on lease for office premises (presented under note - 11 "Property, plant and equipments")	**320.19**	332.15
viii)	Lease liabilities (presented under note - 20 "Other financial liabilities")	**376.86**	383.19

II) In the cases where assets are given on operating lease (as lessor) –

Key terms of the lease are as below:

i) Both New and Used vehicles are offered on Lease for a tenure ranging upto 60 months.

ii) Customised leasing solutions are offered with value-added services like Fleet Management with regards to vehicle maintenance, Insurance management including claim settlement, pick-up and drop, replacement vehicle etc.

iii) The consideration payable is the monthly lease rental which varies based on the make/ model of the vehicle and tenure leased.

Rental income arising from these operating leases is accounted for on a straight-line basis over the lease tenure and is included in rental income in the Statement of profit and loss. Costs, including depreciation, incurred in earning the lease income are recognized as an expense.

Below are the list of risk mitigation strategy adopted by the company for the underlying assets as per provisions of Ind AS 116

- All the leased assets are insured.
- Hypothecation of assets in the name of company.
- Asset confirmations is obtained from lessee's on quarterly basis.
- Security deposit obtained to reduce the exposure on a case to case basis based on Customer profile.
- Variable lease payments based on usage of vehicles.

Other details are as follows:

Less: Unearned Income	86.30	77.82	–	164.12
Net Investment before charging allowance for Impairment loss	460.81	691.80	0.03	1,152.64

IV) There has been a modification in the monthly Lease rentals for certain lease contracts post abolishment of Compensation cess under GST 2.0. The modification doesn't result in separate lease under Ind AS 116. The revised lease rentals are recognised prospectively over the remaining lease term of the said contracts.

42 Frauds reported during the year

There were 54 cases (March 31, 2025: 208 cases) of frauds amounting to Rs. 6.61 crore (March 31, 2025: Rs. 6.33 crore) reported during the year. Out of the fraud cases reported during the current year, the Company has recovered an amount of Rs. 2.14 crore (March 31, 2025: Rs. 2.26 crore) and has initiated appropriate legal actions against the individuals involved. The claims for the un-recovered losses have been lodged with the insurance companies on merit basis.

43 Contingent liabilities and commitments (to the extent not provided for)

Rs. in crore

	March 31, 2026	March 31, 2025
i) Contingent liabilities		
Demand against the Company not acknowledged as debts -		
- Income Tax matters where Company has gone in Appeal	**37.09**	38.13
- Goods & Service Tax matters where Company has gone in Appeal	**6.51**	0.89
- Service Tax matters where Company has gone in Appeal	**97.02**	93.66
- Value Added Tax matters where Company has gone in Appeal	**44.70**	44.70
Disputed claims against the Company lodged by various parties under litigation (to the extent quantifiable)	**3.25**	5.47
Guarantees	**1,112.49**	868.56
	1,301.06	1,051.41
ii) Commitments		
Estimated amount of contracts remaining to be executed on capital account and not provided for	**67.23**	92.86
Other commitments - loan sanctioned but not disbursed	**858.31**	234.39
	925.54	327.25
Total	**2,226.60**	1,378.66

The Company's pending litigations comprise of claims against the Company primarily by the customers and proceedings pending with Income Tax, service tax, sales tax/ VAT, Goods and Services Tax and other authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed the contingent liabilities where applicable, in its financial statements. The amount of provisions/ contingent liabilities is based on management's estimate, and no significant liability is expected to arise out of the same.

The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial performance and financial position regarding the amounts disclosed above, it is not practicable to disclose information on the possibility of any reimbursements as it is determinable only on the occurrence of uncertain future events.

44 Transfer of financial assets

a) Transferred financial assets that are not derecognized in their entirety - Securitization transactions

The Company has transferred certain pools of fixed rate loan receivables backed by underlying assets in the form of tractors, vehicles, equipments etc. by entering in to securitization transactions with the Special Purpose Vehicle Trusts ("SPV Trust") sponsored by Commercial banks for consideration received in cash at the inception of the transaction.

The Company, being Originator of these loan receivables, also acts as Servicer with a responsibility of collection of receivables from its borrowers and depositing the same in Collection and Pay-out Account maintained by the SPV Trust for making scheduled pay-outs to the investors in Pass Though Certificates (PTCs) issued by the SPV Trust. These securitization transactions also requires the Company to provide for first loss credit enhancement in various forms, such as corporate guarantee, cash collateral, subscription to subordinated PTCs. as credit support in the event of shortfall in collections from underlying loan contracts. By virtue of existence of credit enhancement, the Company is exposed to credit risk, being the expected losses that will be incurred on the transferred loan receivables to the extent of the credit enhancement provided.

In view of the above, the Company has retained substantially all the risks and rewards of ownership of the financial asset and thereby does not meet the de-recognition criteria as set out in Ind AS 109. Consideration received in this transaction is presented as "Associated liability related to Securitization transactions" under Note no.17.

The following table provide a summary of financial assets that have been transferred in such a way that part or all of the transferred financial assets do not qualify for de-recognition, together with the associated liabilities:

Rs. in crore

Particulars	**As at March 31, 2026**	As at March 31, 2025
Securitizations –		
Carrying amount of transferred assets measured at amortized cost	**12,537.40**	8,541.39
Carrying amount of associated liabilities	**12,784.25**	8,672.79
Fair value of transferred assets (A)	**13,132.77**	8,400.38
Fair value of associated liabilities (B)	**13,082.93**	8,845.87
Net position (A–B)	**49.84**	(445.48)

b) Transferred financial assets that are not derecognized in their entirety - Assignment Deals

During the previous year ended March 31, 2025, the company had sold loans and advances measured at amortized cost as per assignment deals undertaken by the company. As per the terms of these deals, since substantial risk and reward related to these assets were transferred to the buyer, the assets have been derecognized from the company's balance sheet to the extent of share of assignee.

The management has evaluated the impact of assignment deals done during the year for its business model. Based on the future business plans, the company's business model remains to hold the assets for collecting contractual cash flows.

The Company has assigned loans (earlier measured at amortised cost) by way of direct assignment. As per the terms of these deals, since substantial risk and rewards related to these assets were transferred to the extent of 80% to the buyer, the assets have been de-recognised from the Company's Balance Sheet. The following table provide a summary of the carrying amount of the derecognised financial assets:

Rs. in crore

Particulars	**As at March 31, 2026***	As at March 31, 2025
Direct Assignment-		
Carrying amount of de-recognized financial assets measured at amortized cost	**–**	41.34
Carrying amount of exposures retained by the Company at amortised cost	**–**	10.33

* During the current year, the Company has not transferred or acquired any loan exposures through assignment/ novation and loan participation.

c) Details of stressed loans transferred

The Company has transferred one stressed loan to Asset Reconstruction Company (ARC) through direct assignment during the year ended March 31, 2026. The details of the same are as under:

Particulars	To ARCs		To Permitted transferees	To Other transferees (specify)
	NPA	SMA		
Count of loan accounts	1	–	–	–
Aggregate principal outstanding of loans transferred (Rs. in crore)	18.02	–	–	–
Weighted average residual tenor of the loans transferred (in years)	0.27	–	–	–
Net book value of loans transferred (Rs. in crore) (at the time of transfer)	–	–	–	–
Aggregate consideration (Rs. in crore)	9.46	–	–	–
Additional consideration realized in respect of accounts transferred in earlier years	–	–	–	–

There was no such direct assignment/ transfer of stressed loans to Asset Reconstruction Company (ARC) during the previous year ended March 31, 2025.

45 Corporate Social Responsibility (CSR)

As per Section 135 of the Companies Act, 2013, the Company is required to spend 2% of its average Net Profit of the immediately three preceding financial years on CSR.

The Company's CSR mission aims to actively contribute to the socio-economic development of communities, enabling individuals to partake in and derive benefits from the ongoing socio-economic progress. The Company is dedicated to integrating economically, physically, and socially challenged groups into mainstream society through its CSR initiatives.

The CSR activities of the Company shall include, but not limited to any or all of the sectors/activities as may be prescribed by Schedule VII of the Companies Act, 2013 amended from time to time. Further, the Company reviews the sectors/activities from time to time and make additions/ deletions/ clarifications to the above sectors/activities.

During the year ended March 31, 2026, the Company has incurred an expenditure of Rs. 47.78 crore (March 31, 2025: Rs.34.10 crore) towards CSR activities which includes contribution/ donations made to the trusts which are engaged in activities prescribed under section 135 of the Companies Act, 2013 read with Schedule VII to the said Act and expense of Rs. 0.48 crore (March 31, 2025: Rs. 0.51 crore) towards the CSR activities undertaken by the Company.

Detail of amount spent towards CSR activities :

a) Gross amount required to be spent by the Company during the year is Rs. 47.75 crore (March 31, 2025: Rs. 34.58 crore).

b) Amount approved by the Board to be spent during the year : Rs. 47.75 crore (March 31, 2025: Rs. 34.58 crore).

c) Amount spent by the Company during the year on :

Rs. in crore

Particulars	For the year ended March 31, 2026			For the year ended March 31, 2025		
	In cash	**Yet to be paid in cash**	**Total**	In cash	Yet to be paid in cash	Total
i) Construction/ acquisition of any asset	**–**	**–**	**–**	–	–	–
ii) On purpose other than (i) above	**47.78**	**–**	**47.78**	34.61	–	34.61

d) Amount of shortfall at the end of the year: NIL (for relating to an ongoing project)

In case of S. 135(5) unspent amount **Rs. in crore**

Opening balance	Amount deposited in Specified Fund of Sch. VII within 6 months	Amount required to be spent during the year	Amount spent during the year*	Amount required to be transferred to unspent bank account related to ongoing project	Closing Balance
–	–	–	–	–	–

e) Nature of CSR activities: Contributions/ donations made to the trusts which are engaged in activities prescribed under section 135 of the Companies Act, 2013 read with Schedule VII to the said Act and CSR activities undertaken by the Company.

f) Provision made with respect to a liability already incurred by entering into a contractual obligation : Nil

46 The Board of Directors of the Company, at their meeting held on January 28, 2026, has accorded its in principle approval for evaluating the proposal for consolidation including Scheme of merger by absorption of Mahindra Rural Housing Finance Limited ("MRHFL"), a 98.43% owned subsidiary of the Company with the Company and authorised the management to appoint various consultants, advisors and intermediaries for the purpose.

The said in-principle approval is subject to further evaluation to be carried out by the Committee of Independent Directors and Audit Committee of the Board and necessary recommendations to be made by them in accordance with applicable laws and regulatory requirements.

47 The Company has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Company has reviewed and ensured that adequate provision as required under any law/ accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) has been made in the books of accounts.

48 Reconciliation of movement of liabilities to cash flows arising from financing activities

Year ended March 31, 2026 **Rs. in crore**

Total	92,593.09	18,426.79	43.39	122.80	1,11,186.07

49 Financial Risk Management Framework

In the course of its business, the Company is exposed to certain financial risks namely credit risk, interest risk, currency risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors.

Board of Directors of the Company have established Asset and Liability Management Committee (ALCO), which is responsible for developing and monitoring risk management policies for its business. The Company's financial services business is exposed to high credit risk given the unbanked rural customer base and diminishing value of collateral. The credit risk is managed through credit norms established based on historical experience.

49.1 Market Risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates, etc. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximizing the return.

a) Pricing Risk

The Company's Investments in Commercial Papers, Certificate of Deposits with Banks and Mutual Funds are exposed to pricing risk. A 5 percent increase in market price would increase profit before tax by approximately Rs. 41.60 crore (March 31, 2025 : Rs. 150.11 crore). A similar percentage decrease would have resulted equivalent opposite impact.

b) Currency Risk

Currency Risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Foreign currency risk arise majorly on account of foreign currency borrowings. The Company's foreign currency exposures are managed in accordance with its derivative Risk Management Policy which has been approved by its Board of Directors. The Company manages its foreign currency risk by entering into forward contract, cross currency swaps, principal and interest rate swaps. Other derivative Instruments may be used if deemed appropriate.

The carrying amounts of the Company's foreign currency exposure at the end of the reporting period are as follows :

Rs. in crore

Particulars	JPY	US Dollar	Total
As at March 31, 2026			
Financial Assets	**–**	**–**	**–**
Financial Liabilities	**–**	**5,663.69**	**5,663.69**
As at March 31, 2025			
Financial Assets	–	–	–
Financial Liabilities	936.53	5,964.24	6,900.77

Hedge Accounting - Forwards & Swaps

Contracts that meet the requirements for hedge accounting are accounted as per the hedge accounting requirements of Ind AS 109 - Financial Instruments. Hedge effectiveness is determined at the inception of the hedge relationship and through periodic prospective effectiveness assessments to ensure that an economic relationship exists between the hedged item and hedging instrument. The Company enters into hedge relationships where the critical terms of the hedging instrument match with the terms of the hedged item, and so a qualitative and quantitative assessment of effectiveness is performed. Hedge effectiveness for all hedges are 100%.

Details of foreign currency forward contracts and swaps outstanding at the end of reporting period

Rs. in crore

	March 31, 2026		March 31, 2025	
Outstanding Contracts	**Notional Value (#)**	**Carrying amount of hedging instrument included in Other Financial Assets/ (Liabilities)**	Notional Value (#)	Carrying amount of hedging instrument included in Other Financial Assets/ (Liabilities)
Cash Flow Hedges

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in exchange rates, with all other variables held constant.

Rs. in crore

Particulars	Currency	Change in rate	Effect on OCI
Year ended March 31, 2026	**INR/JPY**	**NA**	**NA**
	INR/USD	**(+/-) 10.00%**	**(+/-) 567.93**
Year ended March 31, 2025	INR/JPY	(+/-) 10.00%	(+/-) 93.77
	INR/USD	(+/-) 10.00%	(+/-) 599.07

The sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

c) Interest Rate Risk

The Company uses a mix of cash and borrowings to manage the liquidity & fund requirements of its day-to-day operations. Further, certain interest bearing liabilities carry variable interest rates.

Interest Rate risk on variable rate borrowings is managed by way of interest rate swaps, wherever necessary.

Interest Rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rate for both derivative and non-derivative instruments at the end of reporting period. For floating rate liabilities, analysis is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole year.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

The carrying value of floating rate loans is **Rs. 4,173.26 crore** (March 31, 2025: Rs. 3,169.05 crore) and floating rate borrowings is **Rs. 37,786.90 crore** (March 31, 2025: Rs. 43,245.87 crore).

Rs. in crore

Particulars	Currency	Increase/ decrease in basis points	Effect on profit before tax
Year ended March 31, 2026	**INR**	**100**	**336.14**
Year ended March 31, 2025	INR	100	400.77

d) Off-setting of balances

The table below summarizes the financial liabilities offsetted against financial assets and shown on a net basis in the balance sheet :

Financial assets subject to offsetting

Rs. in crore

Particulars	Offsetting recognized on the balance sheet		
	Gross assets before offset	Financial liabilities netted	Assets recognized in balance sheet
Loan assets			
At March 31, 2026	**1,30,251.06**	**(90.92)**	**1,30,160.14**
At March 31, 2025	1,16,311.91	(97.89)	1,16,214.02

49.2 Credit Risk Management

Credit risk is the risk that the Company will incur a loss because its customers fail to discharge their contractual obligations. The Company has a comprehensive framework for monitoring credit quality of all its portfolios under respective business verticals based on Days past due. The customer repayment and portfolio is tracked regularly and required steps for recovery are taken through follow ups and legal recourse.

i) Credit Quality of Financial assets

The following table sets out information about credit quality of loans and investments measured at amortized cost primarily based on days past due information. The amount represents gross carrying amount.

Rs. in crore

Particulars	March 31, 2026	March 31, 2025
Gross carrying value of Retail loans including Finance Lease		
Neither Past due nor impaired	**1,01,753.06**	89,657.93
Past Due but not impaired:		
- 1-30 days past due	**10,279.36**	9,874.38
- 31-90 days past due	**6,318.50**	6,454.22
Impaired (more than 90 days)	**4,491.81**	4,340.48
Total Gross carrying value as at reporting date	**1,22,842.73**	1,10,327.01

Rs. in crore

Particulars	March 31, 2026	March 31, 2025
Gross carrying value of SME loans including Bills of exchange		
Neither Past due nor impaired	**7,621.33**	5,810.25
Past Due but not impaired:		
- 1-30 days past due	**320.02**	218.18
- 31-90 days past due	**68.20**	55.05
Impaired (more than 90 days)	**80.57**	65.07
Total Gross carrying value as at reporting date	**8,090.12**	6,148.55

Rs. in crore

Particulars	March 31, 2026	March 31, 2025

Upto 60 days past due	**3,154.28**	3,186.76
61-90 days past due	**2.93**	2.32
Impaired (more than 90 days)	**6.00**	8.38
Total Gross carrying value as at reporting date	**3,163.21**	3,197.46

Overdue amount:

Rs. in crore

Particulars - Days past due	March 31, 2026	March 31, 2025
1-30 days	**460.07**	435.98
31-90 days	**765.76**	743.42
More than 90 days	**2,064.51**	1,789.95
Total	**3,290.34**	2,969.35

Rs. in crore

Particulars	March 31, 2026	March 31, 2025
Gross carrying value of Financial Investments measured at amortised cost		
Neither Past due nor impaired	**923.23**	1,219.81
Past Due but not impaired:		
- 1-30 days past due	**–**	–
- 31-90 days past due	**–**	–
Impaired (more than 90 days)	**–**	–
Total Gross carrying value as at reporting date	**923.23**	1,219.81

The Credit quality of the loans is monitored concurrently. Since the company is primarily into retail lending business, there is no significant credit risk of any individual customer that may impact the company adversely, and hence the Company has calculated its ECL allowances on a collective basis.

ii) Inputs considered in the ECL model

In assessing the impairment of financial loans under Expected Credit Loss (ECL) Model, the assets have been classified into three stages. The three stages reflect the general pattern of credit deterioration of a financial instrument. The differences in accounting between stages, relate to the recognition of expected credit losses and the measurement of interest income.

The Company categorizes loan assets (except Trade advances) into stages primarily based on the Days Past Due status.

Stage 1 : 0-30 days past due

Stage 2 : 31- 90 days past due

Stage 3 : More than 90 days

The Company categorizes Trade advances into stages primarily based on the Days Past Due status.

Stage 1 : 0-60 days past due

Stage 2 : 61- 90 days past due

Stage 3 : More than 90 days

The ECL estimates are forward looking and include probability weighted outcomes. A macroeconomic overlay is applied to the observed default rate (ODR) considering portfolio specific macroeconomic factors that affect the Probability of Default (PD) due to underlying economic conditions of the country.

The Company has computed expected credit losses for Trade Advance Portfolio based on historical movement data, capturing transitions between stages and loss on historically written off unrecovered amounts from dealers. A month on month Data Analysis and Transition Matrix is developed based on historical movement data capturing transitions between stages. The transition probabilities are used to compute Through The Cycle (TTC) PDs.

For Bill discounting, as the average portfolio lifetime is 90 days, month on month flow rate analysis is undertaken on the basis of DPD buckets. Historical PDs are calculated using the average inter-bucket flow rates.

For leasing portfolio comprising of Operating and Finance Lease, the company uses ECL coverage of Industry Peers in similar business line, considering limited history of collection and loss data for the completed life cycle for these portfolios which is needed for determining PD and LGD parameters for computation of ECL allowance.

iii) Definition of default

The Company considers a financial asset to be in "default" and therefore Stage 3 (credit impaired) for ECL calculations when the borrower account becomes more than 90 days past due on its contractual payments.

Since the Company's portfolio predominantly includes retail vehicle loan portfolio with around 3.5 million loan accounts making it difficult to define default at an individual loan account, the company has considered the event of default when overdue is more than 90 days past due. The same is also in line with the regulator's definition of default, when overdue is more than 90 days past due.

iv) Exposure at default

Exposure at Default (EAD) represents the gross exposure balance when default had occurred. EAD is subject to impairment calculation for Stage 3 assets.

Aggregate portfolio (outstanding exposure) on the Balance sheet date is considered for calculation of ECL on Stage 1 assets.

Overdue Interest plus overdue Principal and Future Principal for respective future years is considered for calculation of ECL on Stage 2 assets

v) Estimations and assumptions considered in the ECL model

The Company has made following assumptions in the ECL Model:

a) Loss Given Default (LGD):

LGD represents expected losses on the EAD given that the event of default had occurred, considering the time value of money on recoveries determined based on appropriate discount rate. It is an estimate of the loss from a transaction given that a default had occurred.

Wherever historical data is available, the workout period based LGD methodology is used for developing the LGD model, which involves analysing the historical recoveries and actual losses incurred post default. The workout period is calculated on the recovery percentage of closed pool of loan contracts and is applied on live pool of contracts to consider cases which have survived the workout period. In the absence of sufficient historical data, regulatory LGDs are leveraged, or peer benchmarks are used as proxies.

Under the Workout - period based LGD approach, defaulted accounts are identified in line with the PD definition, and recoveries are tracked from the first date of default to ensure the full loss cycle is captured. A recovery period (or recovery threshold) is established based on the observed recovery curve of closed accounts, representing the point beyond which further recoveries are remote or minimal.

LGD population include all closed accounts and only those live accounts that have completed this recovery window implying further recoveries are remote/ minimal. Recoveries are discounted back to the default date using the interest rate of the respective loan account and adjusted for reasonable estimate of recovery costs, and the realized LGD is calculated as the proportion of exposure at default.

For calculating LGD, the Company considers historical data set of impaired loans for 8 years. Defaulted loan accounts which are open but completed the recovery period (loans surviving workout period) and all the closed default accounts are considered. Actual cash flows pertaining to this portfolio from the first default date to the cut off date are then discounted at Loan EIR rate for arriving at this loss rate.

In computation of LGD for Bill discounting portfolio, the historical data for 5 years is considered.

For Trade advance portfolio, the LGD has been determined using a practical and data-driven approach where historically written off unrecovered amount has been considered as per the Technical Write off policy, regardless of when the loans were classified as defaulted.

b) Probability of Default (PD)

a. It is an estimate of likelihood or risk of default occurring over a particular time horizon.

b. The measurement of risk of defaults is computed on homogenous portfolios, generally by nature of loans, underlying collateral, and borrower profiles. The default risk is assessed using PD (probability of default) derived from past behavioural trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioural trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

c. The time period considered for TTC PD is 5 years rolling window as per BASEL norms.

d. For Stage 1 assets, 12 months PD is considered which represents default events that are possible within 12 months after the reporting date.

e. For Stage 2 assets, life time PD is considered which represents default events that are possible over the expected life/ tenor of the financial instrument. PD is applied on Stage 1 and Stage 2 assets on a portfolio basis;

f. For Stage 3 assets, PD is always at 100% as these are impaired assets.

g. The Company has further segregated Stage 1 and Stage 2 portfolio into 1A and 1B and 2A and 2B respectively.

- 1A comprises of performing loan accounts.
- 1B comprises of the cohort which is impaired in the past but after impairment the entire overdue is not fully recovered.
- 2A comprises of those loans which are in Stage 2 categorised as SICR
- 2B comprises of stage 2 loans which are impaired in the past but after impairment the entire overdue is not fully recovered.

The Flow-Rate Approach (FRA) was applied for Bills Discounting to estimate the Through-The-Cycle (TTC) Probability of Default (PD) since these are short tenure loans and the average tenure is 3-6 months. This method involves analyzing the transitions of accounts between different delinquency buckets over time. The process uses historical data to compute transition rates between these buckets, which are then used to estimate default probabilities.

For Bill discounting PD computation, the historical data for 5 years has been considered.

For Trade advance accounts, a month on month Data Analysis and Transition Matrix is developed based on historical movement data capturing transitions between stages (e.g., Performing → Underperforming → Default).

The transition probabilities are used to compute Through The Cycle (TTC) PDs.

(vi) Measurement of ECL

The assessment of credit risk and estimation of ECL are unbiased and probability weighted.

ECL on on-book exposure/portfolio:

It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of respective portfolios over a period of time have been applied to determine impact of most relevant macroeconomic variables (MEVs) through forward-looking adjustment to derive TTC PDs.

ECL allowance on Stage 1 assets = Aggregate portfolio (exposure) on the Balance sheet date for Stage 1 multiplied by PD for Stage 1 and LGD.

ECL allowance on Stage 2 assets = Overdue Interest and Principal and Future Principal for respective future years multiplied by Marginal PDs for respective years and LGD percentage.

ECL allowance on Stage 3 assets = Gross exposure at reporting date multiplied by LGD.

Interest income on Stage 3 assets is recognized at an amount that is attributable to the net carrying value or net recoverable value of the impaired asset.

Recoverable Stage 3 Income= Interest income accrued at contractual rate × (1−allowance rate)

Where: (1−allowance rate) is the recovery rate, representing the portion of the income expected to be collected from the impaired asset.

ECL on Undrawn loan commitments:

ECL on the amount of undrawn loan commitments is calculated by applying the Stage 1 allowance rate of the respective portfolio.

ECL on Lease business portfolio:

The customer segment catered under leasing business consist of employees of corporates (Employee Lease Programs) and B2B segment which includes business entities, firms, trusts and societies, fleet operators, commercial vehicles, construction equipment etc.

Since the Lease business comprising Operating and Finance lease is relatively a new line of business, there is limited history of collection and loss data for the completed life cycle for these portfolios which is needed for determining PD and LGD parameters for computation of ECL allowance

In view of the above, the Company has adopted Industry level benchmark, i.e. ECL coverage rate, for estimating ECL allowance on operating and finance lease portfolio considering the similarities in products offered, customer segments catered and average tenure of lease contracts.

ECL on Investments:

Expected Credit Loss (ECL) framework is tailored to the company's diverse investment portfolio. The company applies a structured ECL approach to all investment instruments held as part of statutory requirement, collateral assets held under securitization transactions, liquidity pool of investments spread across multiple instruments. These investments typically cover instruments like Government Securities (G-Secs), Bonds, Commercial Papers (CPs), and Certificates of Deposit (CDs), Term deposits with Banks and Pass-Through Certificates (PTCs) under securitization transactions. These investments are categorized as financial assets measured either at amortized cost or fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI) as per Ind AS 109 depending upon the nature and purpose for which these are held within the business model (to receive regular/periodic cash flows and to hold till maturity or as available for sale/ realization when needed).

i. **Investments carried at amortized cost - Government Securities, Debt instruments and Fixed Deposits with Banks:**

All these financial assets are held within the business model for collecting the contractual cash flows as per the contractual terms that give rise to cash flows on specified dates that are solely payment of principal and interest (SPPI) on the principal amount outstanding.

No ECL has been applied on these instruments as there was no history of loss or delay in servicing of interest/repayments. The Company does not expect any loss or delay in interest/redemption servicing in future.

ii. **Investments carried at FVTPL and FVOCI - Mutual fund units, G-Secs, Bonds, CP, and CD as part of liquidity pool:**

Investments in above referred instruments are measured at fair value through profit and loss (FVTPL) or other comprehensive income (FVOCI) based on their designation at inception at instrument level.

As required under Ind AS 109, the investment instruments under FVTPL category are fair valued to reflect such investments at current market price with corresponding gains/losses recognized in the statement of profit and loss. ECL is not applicable on these instruments.

The investment instruments under FVOCI category are fair valued through other comprehensive income, thereby these investments reflect fair market value at each reporting date. Further, FVOCI category investment instruments are subject to ECL as per Ind AS 109. Since there was no history of loss or delay in servicing of interest/ repayments and the Company does not expect loss, no ECL provision is created on these investment instruments.

iii) **Pass through Certificates (PTCs):**

The creditworthiness of the underlying loan pool is assessed using historical performance data, default rates, and recovery trends.

Insights from these evaluations guide the classification and risk provisioning of PTC investments.

Stage Classification:

Stage 1: Investments with low credit risk, requiring computation of 12-month ECL.

Stage 2: Investments with a significant increase in credit risk, necessitating lifetime ECL.

Stage 3: Defaulted investments, for which lifetime ECL is calculated with elevated provisioning requirements.

ECL Estimation Metrics:

Probability of Default (PD): Based on historical data and forward-looking macroeconomic factors.

Loss Given Default (LGD): Reflecting recovery rates and collateral quality.

Exposure at Default (EAD): The total value exposed to credit risk.

Time Value Adjustment: Future ECL amounts are discounted to present value using the effective interest rate, ensuring accurate reflection of economic impacts.

iv) **Others - Equity investments in subsidiary companies/JVs/ Associates:**

Equity investments in subsidiary companies/JVs/Associates are not subject to impairment under Ind AS 109. These are assessed for impairment as per Ind AS 36.

ECL on Other Financial Assets:

MMFSL has Simplified Approach to Expected Credit Loss (ECL) under Ind AS 109 for other financial assets that involve credit risk. This approach is considered suitable for as receivables portfolios as aging and historical recovery trends are the primary drivers of credit risk assessment. These assets include receivables, Insurance Claims, Professional Charges, Interest Receivables (Interest accrued but not yet received), Brokerage/ incentive receivables etc.

The calculation of lifetime ECL is based on historical coverage rates which incorporates Probability of Default (PD) and Loss Given Default (LGD). The coverage rate is used to estimate the credit loss for each aging bucket, avoiding the need to compute PD and LGD separately.

Receivables Outstanding ≤ 90 DPD: A specific coverage rate is applied based on historical recovery patterns from retail vehicle loan portfolio which is the largest portfolio for MMFSL and reflects long term trends.

Receivables Outstanding > 90 DPD: 100% provision is created, assuming all receivables aged beyond 90 days are fully uncollectible based on historical trends.

vii) **Forward Looking adjustments**

The Historical PDs are converted into forward looking Point-in-Time PDs using statistical model incorporating the forward looking economic outlook, as required by Ind AS 109.

The macroeconomic variables considered by the Company are robust reflections of the state of economy which result into systematic risk for the respective product categories.

Additionally, three different scenarios (Base, Best, Worst) with appropriate weights for probability outcome have been considered for ECL calculation.

viii) **Assessment of significant increase in credit risk**

When determining whether the credit risk has increased significantly since initial recognition, the Company considers both quantitative and qualitative information and analysis based on the Company's historical experience, including forward-looking information. As per Ind AS 109, loans are required to be moved from Stage 1 to Stage 2 if and only if they have been the subject of a SICR. A SICR occurs when there has been a significant increase in the risk of a default occurring over the expected life of a financial instrument. In line with Basel guidance on ECL, the definition of default and the convention for counting days past due adopted for accounting purposes will be guided by the definition used for regulatory purposes The Company considers reasonable and supportable information that is relevant and available without undue cost and effort. The Company's accounting policy is not to use the practical expedient that the financial assets with 'low' credit risk at the reporting date are deemed not to have had a significant increase in credit risk (SICR). As a result, the Company monitors all financial assets and loan commitments that are subject to impairment for SICR.

As a part of the qualitative assessment of whether a customer is in default, the Company also considers a variety of instances that may indicate unlikeliness to pay. In such instances, the Company treats the customer at default and therefore assesses such loans as Stage 3 for ECL calculations. Such qualitative factors include:

i. A Stage 3 customer having other loans which are in Stage 1 or 2.

ii. Primary Exposure of Co – applicant of a Stage 3 customer/ customer group which are in Stage 1 or 2.

iii. Not to consider Uncleared cheques as on reporting date for outstanding DPD calculation for retail vehicle loans

iv. Retail vehicle loans, where asset has been repossessed.

v. Cases where Company suspects fraud and legal proceedings are initiated.

vi. SME loans where the Company has resorted to its rights under the SARFAESI Act.

The Company regularly reviews it's ECL model based on actual loss experience and update the parameters used for ECL calculations.

ix) Policy for write off of Loan Assets

The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write- off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made from written off assets are netted off against the amount of financial assets written off during the year under "Bad debts and write offs" forming part of "Impairment on financial instruments" in Statement of profit and loss.

x) Inputs to the model

a. Observed Default Rates (ODRs) over past 5 years rolling window as per BASEL norms for each product category.

b. Macro economic variables provided by Economist Intelligence Unit (EIU)#

c. 27 MEVs (as per list #) used in the model based on R^2 above the company defined threshold representing level of relevance/fitment out of 61 shortlisted MEVs considered as the key indicators having relevance to company's business portfolios.

The Economist Intelligence Unit (EIU) is the research and analysis division of the Economist Group, providing forecasting, macro-economic analysis and advisory services through research and analysis, such as monthly country reports, five-year country economic forecasts, country risk service reports, and industry reports.

Model process

1. OLS Regression Methodology:

The Ordinary Least Square (OLS) regression approach begins with the development of an initial macroeconomic variable (MEV) framework, where lagged variables and appropriate transformations are applied to capture delayed and non-linear relationships. Standard regression assumptions are then tested to ensure model validity and statistical robustness. Three tests are carried out: Correlation, Stationarity and Directionality. Final set of MEVs are selected for each of the product categories out of shortlisted MEVs based on explanatory power (R^2 above the company defined threshold representing level of relevance/ fitment) and consistency with recent index trends, ensuring both statistical strength and economic interpretability. This approach is considered for retail vehicle loan portfolio.

2. Vasicek 2-factor Approach

The Vasicek approach is adopted for deriving PIT PDs for SME portfolio. For portfolios characterized by limited data history, low default counts, or high volatility in observed default rates, the Vasicek portfolio model has been adopted. This approach provides more stable and robust PiT PD estimates by smoothing idiosyncratic volatility and capturing systematic risk in portfolios with data constraints.

Listing of MEVs used in the model:

Description of MEV
Average real wage index (LCU, 2010=100)
Budget expenditure (LCU)
Consumer price index (2010=100; av)
Consumer prices (% change pa; av)
Current-account balance (US$)
Domestic credit growth (%)
Domestic demand (% real change pa)
Exports of G&S (% real change pa)
Government consumption (% real change pa)
Gross fixed investment (% real change pa)
Imports of G&S (% real change pa)

Description of MEV
Industrial production (% change pa)
Industrial production (2010=100; av)
Lending interest rate (%)
Nominal exports of G&S (LCU)
Nominal government consumption (LCU)
Nominal gross fixed investment (US$)
Nominal imports of G&S (LCU)
Nominal private consumption (LCU)
Real GDP (% change pa)
Real GDP (PPP US$ at 2010 prices)
Real government consumption (LCU)
Real gross fixed investment (LCU)
Real gross fixed investment (US$ at 2010 prices)
Real imports of G&S (LCU)
Real private consumption (US$ at 2010 prices)
Unemployment rate (%)

Where reasonable scalars are not available, as measured by R square, the scalars of the nearest other portfolio are applied.

The Company has estimated the ECL provision for the year ended March 31, 2026, in accordance with the updated ECL model. Further, during the year ended March 31, 2026, the Company has created management overlay of Rs. 852.00 crore.

Net carrying values

Net carrying values and ECL rates for **Retail Loans including Finance lease** is determined as follows:

Rs. in crore

Particulars	Performing Loans - 12 month ECL	Underperforming loans - 'lifetime ECL not credit impaired'	Impaired loans - 'lifetime ECL credit impaired'	Total
Gross Balance as at March 31, 2026	**1,12,032.42**	**6,318.50**	**4,491.81**	**1,22,842.73**
Expected credit loss rate	**0.60%**	**7.82%**	**58.51%**	
Carrying amount as at March 31, 2026 (net of impairment provision)	**1,11,363.57**	**5,824.16**	**1,863.63**	**1,19,051.36**
Gross Balance as at March 31, 2025	99,532.31	6,454.22	4,340.48	1,10,327.01
Expected credit loss rate	0.57%	9.05%	50.82%	
Carrying amount as at March 31, 2025 (net of impairment provision)	98,969.48	5,870.29	2,134.49	1,06,974.26

Net carrying values and ECL rates for ***SME Loans including Bills of exchange*** are as follows:

Rs. in crore

Particulars	Performing Loans - 12 month ECL	Underperforming loans - 'lifetime ECL not credit impaired'	Impaired loans - 'lifetime ECL credit impaired'	Total
Gross Balance as at 31 March 2026	**7,941.35**	**68.20**	**80.57**	**8,090.12**
Expected credit loss rate	**0.77%**	**28.18%**	**63.52%**	
Carrying amount as at March 31, 2026 (net of impairment provision)	**7,879.98**	**48.98**	**29.39**	**7,958.35**
Gross Balance as at 31 March 2025	6,028.43	55.05	65.07	6,148.54
Expected credit loss rate	0.22%	33.50%	76.15%	
Carrying amount as at March 31, 2025 (net of impairment provision)	6,015.25	36.60	15.52	6,067.37

Net carrying values and ECL rates for ***Trade Advances*** are as follows:

Rs. in crore

Particulars	Less than 60 days past due	61-90 days past due	Credit impaired (more than 90 days)	Total
Gross Balance as at March 31, 2026	**3,154.28**	**2.93**	**6.00**	**3,163.21**
Expected credit loss rate	**0.36%**	**2.73%**	**22.50%**	
Carrying amount as at March 31, 2026 (net of impairment provision)	**3,142.93**	**2.85**	**4.65**	**3,150.43**
Gross Balance as at March 31, 2025	3,186.76	2.32	8.38	3,197.46
Expected credit loss rate	0.71%	4.84%	29.87%	
Carrying amount as at March 31, 2025 (net of impairment provision)	3,164.29	2.21	5.88	3,172.38

The contractual amount outstanding for trade advance that has been written off by the Company during the year ended March 31, 2026 and that were still subject to enforcement activity was Rs. 7.23 crore (March 31, 2025: Rs. 1.60 crore).

Net carrying values and ECL rates for **Financial Investments measured at amortized cost** are as follows:

Rs. in crore

Particulars	Performing Loans - 12 month ECL	Underperforming loans - 'lifetime ECL not credit impaired'	Impaired loans - 'lifetime ECL credit impaired'	Total
Gross Balance as at March 31, 2026	**923.23**	**–**	**–**	**923.23**
Expected credit loss rate	**–**	–	–	**–**
Carrying amount as at March 31, 2026 (net of impairment provision)	**923.23**	**–**	**–**	**923.23**
Gross Balance as at March 31, 2025	1,219.81	–	–	1,219.81
Expected credit loss rate	–			
Carrying amount as at March 31, 2025 (net of impairment provision)	1,219.81	–	–	1,219.81

Level of Assessment - Aggregation Criteria

The Company recognizes the expected credit losses (ECL) on a collective basis that takes into account comprehensive credit risk information. Considering the economic and risk characteristics, pricing range, sector concentration (e.g. vehicle loans in unorganized sectors) the Company calculates ECL on a collective basis for all stages - Stage 1, Stage 2 and Stage 3 assets.

An analysis of changes in the gross carrying amount and the corresponding ECLs in relation to Retail Loans including Finance Lease is, as follows :

Gross exposure reconciliation

As at March 31, 2025

Rs. in crore

Particulars	Stage 1	Stage 2	Stage 3	Total
Gross carrying amount balance as at April 1, 2024	86,364.49	5,099.84	3,440.93	94,905.26
Changes due to loans recognized in the opening balance that have:				
- Transfers to Stage 1	994.13	(906.18)	(87.94)	–
- Transfers to Stage 2	(5,536.02)	5,620.23	(84.22)	–
- Transfers to Stage 3	(1,950.74)	(1,073.99)	3,024.73	–
- Loans that have been derecognized during the period	(8,858.46)	(1,013.47)	(1,068.85)	(10,940.78)
New loans originated during the year	48,797.59	680.71	215.84	49,694.14
Write-offs	(5.62)	(31.81)	(771.54)	(808.97)
Impact of changes on items within the same stage	(20,273.08)	(1,921.11)	(328.47)	(22,522.66)
Gross carrying amount balance as at March 31, 2025	99,532.30	6,454.21	4,340.48	1,10,327.00

Impact of changes on items within the same stage	**(293.88)**	**124.44**	**1,498.60**	**1,329.16**
ECL allowance balance as at March 31, 2026	**668.85**	**494.34**	**2,628.18**	**3,791.38**

The contractual amount outstanding on financial assets that has been written off by the Company during the year ended March 31, 2026 and that were still subject to enforcement activity was Rs 1,016.30 crore (March 31, 2025: Rs 820.18 crore).

The Company does not originate loans classified as Stage 3 assets, and loans classified as Stage 2 assets are originated only based on specific credit assessments and requisite approvals. Write offs are undertaken only in respect of Stage 3 loans. This disclosure represents movements between opening and closing balances for the year and, accordingly, does not capture inter stage transfers during the period (i.e., movements between Stage 1, Stage 2, and Stage 3). Accordingly, the write offs reported above relate only to loans forming part of the opening balance.

An analysis of changes in the gross carrying amount and the corresponding ECLs in relation to SME Loans including Bills of exchange is, as follows :

Gross exposure reconciliation

As at March 31, 2025

Significant changes in the gross carrying value that contributed to change in loss allowance

The Company mostly provide loans to retail individual customers, which is of small ticket size. Change in any single customer repayment will not impact significantly to Company's provisioning. All customers are being monitored based on past due and corrective actions are taken accordingly to limit the Company's risk.

Concentration of Credit Risk

The Company's loan portfolio is predominantly to finance retail automobile loans. The Company manages concentration of risk primarily by geographical region in India. The following tables show the geographical concentrations of loans and trade advances:

Rs. in crore

Particulars	March 31, 2026	March 31, 2025
Concentration by Geographical region in India:		
North	**46,163.69**	40,642.29
East	**24,071.03**	22,582.75
West	**39,470.69**	34,238.63
South	**24,390.64**	22,209.35
Total Gross Carrying Value	**1,34,096.05**	1,19,673.02

Maximum Exposure to credit Risk

The maximum exposure to credit risk of loans and investment securities is their carrying amount. The maximum exposure is before considering the effect of mitigation through collateral.

Narrative Description of Collateral

Collateral primarily include vehicles purchased by retail loan customers and machinery & property in case of SME customers. The financial investments are secured by way of a first ranking pari-passu and charge created by way of hypothecation on the receivables of the other company.

Quantitative Information of Collateral

The Company monitors its exposure to loan portfolio using the Loan To Value (LTV) ratio, which is calculated as the ratio of the gross amount of the loan to the value of the collateral. The value of the collateral for Retail loans is derived by writing down the asset cost at origination by 20% p.a on reducing balance basis. And the value of the collateral of Stage 3 Retail loans is based on the Indian Blue Book value for the particular asset. The value of collateral of SME loans is based on fair market value of the collaterals held.

Gross value of total secured loans to value of collateral:

Rs. in crore

Loan To Value	Gross Value of Secured Retail loans		Gross Value of Secured SME loans	
	March 31, 2026	March 31, 2025	**March 31, 2026**	March 31, 2025
0 - 50%	**8,545.88**	7,517.50	**2,344.13**	2,183.72
51 - 70%	**18,106.16**	15,982.16	**1,616.83**	1,074.94
71 - 100%	**70,269.34**	64,844.68	**817.53**	610.80
Above 100%	**24,692.52**	21,244.73	**26.45**	41.13
	1,21,613.90	1,09,589.07	**4,804.94**	3,910.59

Gross value of credit impaired loans to value of collateral:

Rs. in crore

Loan To Value	Gross Value of Retail loans in Stage 3		Gross Value of SME loans in Stage 3	
	March 31, 2026	March 31, 2025	**March 31, 2026**	March 31, 2025
0 - 50%	**669.13**	604.52	**22.34**	27.51
51 - 70%	**752.13**	714.56	**18.25**	5.10
71 - 100%	**1,608.48**	1,781.86	**12.66**	6.31
Above 100%	**1,462.07**	1,239.54	**27.32**	26.15
	4,491.81	4,340.48	**80.57**	65.07

The below tables provide an analysis of the current fair values of collateral held for Stage 3 assets. The value of collateral has not been considered while recognizing the loss allowances.

Fair value of collateral held against Credit Impaired assets

49.3 Liquidity Risk Management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established Asset and Liability Management Committee (ALCO) for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

a) Maturity profile of non-derivative financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted contractual cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

There were no transfers between Level 1 and Level 2.

Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only.

Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and cash equivalent, trade receivables, balances other than cash and cash equivalents, term deposits and trade payables. Further, such financial assets and financial liabilities are disclosed at Level 1 fair value.

Long-term financial assets and liabilities

For other long term financial asset and liabilities like lease liabilities, the fair value are estimated by discounted cash flow models based on contractual cash flows, and are disclosed as Level 3 fair value.

Loans and advances to customers

The fair values of loans and advances are estimated by discounted cash flow models based on contractual cash flows using actual yields.

Financial Investments

For Government Securities and bonds, the quoted market price as on date of reporting is considered for fair value computations. Where such price is not available, quoted market price of similar instruments as on date of reporting is considered.

Borrowings other than deposits from public

The fair value of borrowings is estimated by a discounted cash flow model incorporating interest rate estimates from market-observable data such as secondary prices for its traded debt itself.

Deposits from public

The fair value of deposits received from public is estimated by discounting the future cash flows considering the interest rate applicable on the reporting date for that class of deposits segregated by their tenure.

50 Maturity analysis of assets and liabilities

The table below shows the maturity analysis of assets and liabilities according to when they are expected to be recovered or settled.

Rs. in crores

b) Exchange Traded Interest Rate (IR) Derivatives

The Company has not entered into any exchange traded derivative during the current and previous year.

The Company is not carrying out any activity of providing Derivative cover to third parties.

c) Disclosures on Risk Exposure in Derivatives

Qualitative Disclosures –

i) The Company undertakes the derivatives transaction to prudently hedge the risk in context of a particular borrowing or to diversify sources of borrowing and to maintain fixed and floating borrowing mix. The Company does not indulge into any derivative trading transactions. The Company reviews, the proposed transaction and outline any considerations associated with the transaction, including identification of the benefits and potential risks (worst case scenarios); an independent analysis of potential savings from the proposed transaction. The Company evaluates all the risks inherent in the transaction viz., counter party risk, Market Risk, Operational Risk, basis risk etc.

ii) Credit risk is controlled by restricting the counterparties that the Company deals with, to those who either have banking relationship with the Company or are internationally renowned or can provide sufficient information. Market/Price risk arising from the fluctuations of interest rates and foreign exchange rates or from other factors shall be closely monitored and controlled. Normally transaction entered for hedging, will run till its life, irrespective of profit or loss. However in case of exceptions it has to be un-winded only with prior approval of M.D/ CFO/ Treasurer. Liquidity risk is controlled by restricting counterparties to those who have adequate facility, sufficient information, and sizable trading capacity and capability to enter into transactions in any markets around the world.

iii) The respective functions of trading, confirmation and settlement should be performed by different personnel. The front office and back-office role is well defined and segregated. All the derivatives transactions is quarterly monitored and reviewed by CFO and Treasurer. All the derivative transactions have to be reported to the board of directors on every quarterly board meetings including their financial positions.

iv) Company has a hedging policy in place which mandates to have a hedge relation established before a derivative transaction is entered into. The Company ensures that the hedging effectiveness is monitored continuously during the life of the derivative contract. The company has put in place accounting policy covering recording hedge and non-hedge transactions, recognition of income, premiums and discounts; valuation of outstanding contracts, provisioning and credit risk mitigation.

XXIV) Public disclosure on liquidity risk:

a) Funding Concentration based on significant counterparty (both deposits and borrowings)

As at March 31, 2026

Sr. no.	Type of instrument	Number of Significant Counterparties	Amount (Rs. in crores)	% of Total deposits	% of Total Liabilities
1	Deposits	Nil	Nil	Nil	Nil
2	Borrowings	19	78,449.39	552.6%	63.7%

As at March 31, 2025

Sr. no.	Type of instrument	Number of Significant Counterparties	Amount (Rs. in crores)	% of Total deposits	% of Total Liabilities
1	Deposits	Nil	Nil	Nil	Nil
2	Borrowings	19	72,670.65	637.2%	62.8%

b) Top 20 large deposits (amount in Rs. in crore and % of total deposits)

As at March 31, 2026

Description	Amount (Rs. in crores)	% of Total deposits
Total for Top 20 large deposits	3,788.44	26.7%

As at March 31, 2025

Description	Amount (Rs. in crores)	% of Total deposits
Total for Top 20 large deposits	3,229.25	28.3%

c) Top 10 borrowings (amount in Rs. in crore and % of total borrowings)

As at March 31, 2026

Description	Amount (Rs. in crores)	% of Total borrowings
Total for Top 10 borrowings	63,072.17	52.41%

As at March 31, 2025

Description	Amount (Rs. in crores)	% of Total borrowings
Total for Top 10 borrowings	59,289.58	52.53%

d) Funding Concentration based on significant instrument/product*

Sr. no.	Name of the instrument/product	As at March 31, 2026 Amount (Rs. in crores)	As at March 31, 2026 % of Total liabilities	As at March 31, 2025 Amount (Rs. in crores)	As at March 31, 2025 % of Total liabilities
1	Non-convertible debentures (Secured)	20,382.09	16.55%	24,051.35	20.78%
2	Term loans from banks (including FCNR loans)	55,718.10	45.25%	52,998.12	45.79%
3	External Commercial Borrowings	5,722.28	4.65%	7,022.09	6.07%
4	Associated liabilities in respect of securitization transactions	12,799.65	10.39%	8,684.41	7.50%
5	Triparty repo dealing and settlement (TREPs) against Government securities	–	0.00%	999.82	0.86%
6	Deposits	14,196.03	11.53%	11,404.15	9.85%
7	Subordinated redeemable non-convertible debentures	5,359.74	4.35%	5,529.57	4.78%
8	Commercial Papers (Unsecured)	6,156.97	5.00%	2,153.48	1.86%
9	Inter-corporate deposits (ICDs)	–	–	–	0.00%
		1,20,334.86	**97.72%**	**1,12,842.99**	**97.50%**
	Funding Concentration pertaining to insignificant instruments/products	**–**	**0.00%**	**30.48**	**0.03%**
	Total borrowings under all instruments/products	**1,20,334.86**	**97.72%**	**1,12,873.47**	**97.53%**

* The amount stated in this disclosure is based on the audited financial statements for the years ended March 31, 2025 and March 31, 2026.

** Top counterparty and top 20 deposits are arrived excluding interest accrued.

e) Stock Ratios

As at March 31, 2026

Sr. no.	Name of the instrument/product	Amount (Rs. in crores)	% of total public funds	% of total liabilities	% of total assets
a)	Commercial papers (CPs)	6,156.97	5.12%	5.00%	4.16%
b)	Non-convertible debentures (NCDs) with original maturity of less than 1 year	Nil	Nil	Nil	Nil
c)	Other short-term liabilities	10,266.85	8.53%	8.34%	6.94%

As at March 31, 2025

Sr. no.	Name of the instrument/product	Amount (Rs. in crores)	% of total public funds	% of total liabilities	% of total assets
a)	Commercial papers (CPs)	2,153.48	1.91%	1.86%	1.59%
b)	Non-convertible debentures (NCDs) with original maturity of less than 1 year	Nil	Nil	Nil	Nil
c)	Other short-term liabilities	4,224.93	3.74%	3.65%	3.12%

f) Institutional set-up for liquidity risk management

The Liquidity Risk Management framework of the Company is governed by its Liquidity Risk Management Policy and Procedures approved by the Board. The Asset Liability Committee of the Board (ALCO) and Asset Liability Management Committee (ALMCO) oversee the implementation of liquidity risk management strategy of the Company and ensure adherence to the risk tolerance/limits set by the Board.

The Company maintains a robust funding profile with no undue concentration of funding sources. In order to ensure a diversified borrowing mix, concentration of borrowing through various sources is monitored. The Company maintains a positive cumulative mismatch in all buckets. As on March 31, 2026, the Company maintained a liquidity buffer of approximately Rs.9,191 crore.

Definition of terms as used in the table above:

a) *Significant counterparty:*

A "Significant counterparty" is defined as a single counterparty or group of connected or affiliated counterparties accounting in aggregate for more than 1% of the NBFC's total liabilities.

b) *Significant instrument/product:*

A "Significant instrument/product" is defined as a single instrument/product of group of similar instruments/products which in aggregate amount to more than 1% of the NBFC's total liabilities.

c) *Total liabilities:*

Total liabilities include all external liabilities (other than equity).

d) *Public funds:*

"Public funds" includes funds raised either directly or indirectly through public deposits, inter-corporate deposits, bank finance and all funds received from outside sources such as funds raised by issue of Commercial Papers, Debentures etc. but excludes funds raised by issue of instruments compulsorily convertible into equity shares within a period not exceeding 5 years from the date of issue. It includes total borrowings outstanding under all types of instruments/products.

e) *Other short-term liabilities:*

All short-term borrowings other than CPs and NCDs with original maturity less than 12 months.

	- Commercial Papers	–	–	–	–	–	–	–	–
	TOTAL	**5,040.01**	**4,976.43**	**5,433.88**	**5,361.77**	**5,540.87**	**5,419.11**	**5,968.70**	**5,894.45**

The Company complies with the guidelines for computation of the Liquidity Coverage Ratio and shall all times meet the minimum requirements of LCR as laid down by the Reserve Bank of India and as applicable from time to time. The Liquidity Risk Management framework of the Company is governed by its Liquidity Risk Management Policy and Procedures approved by the Board. The Asset Liability Committee of the Board (ALCO) and Asset Liability Management Committee (ALMCO) oversee the implementation of liquidity risk management strategy of the Company and ensure adherence to the risk tolerance/limits set by the Board.

The HQLAs comprises of Cash*, Investment in Central and State Government Securities#, and highly-rated Corporate Bonds and Commercial papers, including those of Public Sector Enterprises, as adjusted after assigning the haircuts as prescribed by RBI.

* Cash would mean cash on hand and demand deposits with Scheduled Commercial Banks.

Investment in Central and State Government Securities- This also includes securities held as per the provisions of Section 45IB of the RBI Act, 1934 (reckoned as HQLA only to the extent of 80% of the required holding).

F	Liquidity Coverage Ratio (%) After Applying Stress Factor - (1/ E)	282%	277%	264%	248%	303%	272%	329%	296%

Notes:

1) The average weighted and unweighted amounts are calculated taking simple average based on daily observation for the respective quarter. The weightage factor applied to compute weighted average value is constant for all the quarters.
2) Prior to introduction of LCR framework, the Company used to maintain a substantial share of its liquidity in form of fixed deposits with banks and investment in debt mutual funds. Post the introduction of LCR framework, the Company has consciously worked towards increasing its investment in High Quality Liquid Assets (HQLA) as per the RBI guidelines in order to meet the LCR requirement.
3) Weighted values have been calculated after the application of respective haircuts (for HQLA) and stress factors on inflow and outflow.
4) Components of High Quality Liquid Assets (HQLA)

The Company complies with the guidelines for computation of the Liquidity Coverage Ratio and shall all times meet the minimum requirements of LCR as laid down by the Reserve Bank of India and as applicable from time to time. The Liquidity Risk Management framework of the Company is governed by its Liquidity Risk Management Policy and Procedures approved by the Board. The Asset Liability Committee of the Board (ALCO) and Asset Liability Management Committee (ALMCO) oversee the implementation of liquidity risk management strategy of the Company and ensure adherence to the risk tolerance/limits set by the Board.

The HQLAs comprises of Cash*, Investment in Central and State Government Securities #,and highly-rated Corporate Bonds and Commercial papers, including those of Public Sector Enterprises, as adjusted after assigning the haircuts as prescribed by RBI.

* Cash would mean cash on hand and demand deposits with Scheduled Commercial Banks.

Investment in Central and State Government Securities- This also includes securities held as per the provisions of Section 45IB of the RBI Act, 1934 (reckoned as HQLA only to the extent of 80% of the required holding).

The Company maintains a robust funding profile with no undue concentration of funding sources. In order to ensure a diversified borrowing mix, concentration of borrowing through various sources is monitored. Further, the Company has prudential limits on investments in different instruments to maintain a healthy investment profile. Risks relating to foreign currency and interest rate is mitigated by entering in corresponding hedge transactions. Any potential collateral calls from the same forms a miniscule part of cash outflows. There is no currency mismatch in the LCR. The above is periodically monitored by ALMCO and reviewed by ALCO.

54 Disclosure as required under Guidelines on Resolution Framework for COVID-19-related Stress issued by RBI

During the year ended March 31, 2022, to relieve COVID-19 pandemic related stress, the Company had invoked resolution plans for eligible borrowers based on the parameters laid down in accordance with the resolution policy approved by the Board of Directors of the Company and in accordance with the guidelines issued by the RBI.

Since the total impairment allowances under Ind AS 109 is higher than the total provisioning required under IRACP (including standard asset provisioning) as at March 31, 2026 and March 31 2025, no amount is required to be transferred to 'Impairment Reserve' for both the financial years. The gross carrying amount of asset as per Ind AS 109 and Loss allowances (Provisions) thereon includes interest accrual on net carrying value of stage - 3 assets as permitted under Ind AS 109. While, the provisions required as per IRACP norms does not include any such interest as interest accrual on NPAs is not permitted under IRACP norms.

The balance in the 'Impairment Reserve' (as and when created) shall not be reckoned for regulatory capital. Further, no withdrawals shall be permitted from this reserve without prior permission from the Department of Supervision, RBI.

ii) As at March 31, 2026 and March 31 2025, there were no loan accounts that are past due beyond 90 days but not treated as impaired, i.e. all 90+ DPD ageing loan accounts have been classified as Stage-3 and no dispensation is considered in stage-3 classification.

iii) Policy for sales/ transfers out of amortized cost business model portfolios

Sale/ transfer of portfolios out of amortized cost business model:

As a short-term financing arrangement, the Company has been transferring or selling certain pools of fixed rate loan receivables backed by underlying assets in the form of tractors, vehicles, equipments etc. by entering in to securitization transactions with the Special Purpose Vehicle Trusts ("SPV Trust") sponsored by Commercial banks for consideration received in cash at the inception of the transaction. As a part of annual budgetary planning and with the objective of better liquidity and risk management, the Company, at the beginning of the year, obtains approval of Asset Liability Committee and Risk Management Committee of the Board of Directors for undertaking securitization transactions of certain value of standard assets comprising the collateral based loan receivables at appropriate times during the year.

These transactions are carried out after complying with RBI guidelines on securitization of standard assets. The consideration received through such securitization transactions is utilized for funding regular vehicle loan disbursements to customers who service their loans through fixed instalments over a specified period of loan tenor. Besides using securitization as alternate financing tool, it is also being used as a effective Balance sheet management through better liquidity and risk management by transfer of assets from risk averse to risk takers.

When the assets in the form of loan receivables are sold/ transferred to an SPV/Bank through securitization transaction, then on a consolidated portfolio level, such sale/transfer does not change the Company's business objective of holding financial assets to collect contractual cash flows.

The Company remains exposed to credit risk, being the expected losses that will be incurred on the securitized loan portfolio to the extent of the credit enhancement provided. Any increase in losses as compared to the expected loss shall require the Company to present its credit enhancement/ cash collateral to help compensate the investors. This is as per the requirement of the Reserve Bank of India. Thus, the Company as per Ind AS 109 has retained substantially all the risks and rewards of ownership of the financial asset.

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Accordingly, these financial assets are not de-recognized by the Company from the financial statements prepared under Ind AS. Since the contractual terms of these financial assets give rise to cash flows, that are solely payments of principal and interest, on specified dates, these assets meet the SPPI criterion and are thus continued to be recognized in the books at amortized cost.

56 During the previous year ended March 31, 2025, the Company had made a contribution of Rs. 21.00 crore to New Democratic Electoral Trust, a Trust approved by the Central Board of Direct Taxes under Electoral Trust Scheme, 2013 to enable Electoral Trust to make contributions to political party/parties duly registered with the Election Commission, in such manner and at such times as it may decide from time to time. This contribution was as per the provisions of section 182 of the Companies Act, 2013. There is no such contribution during the current year ended March 31, 2026.

57 Events after the reporting date

There have been no other events after the reporting date that require disclosure in these financial statements.

58 Previous year figures have been regrouped /reclassified wherever necessary to conform to current year presentation.

INDEPENDENT AUDITOR'S REPORT

To the Members of Mahindra Insurance Brokers Limited
Report on the Audit of Ind AS Financial Statements

Opinion

We have audited the Ind AS financial statements of Mahindra Insurance Brokers Limited ("the Company"), which comprise the balance sheet as at March 31, 2026, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to financial statements including a summary of the material accounting policy information and other explanatory information (hereinafter referred to as "the Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs) prescribed under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the audit of the Ind AS financial statements section" of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Information other than the Ind AS financial statements and auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Directors' Report and Management Discussion and Analysis but does not include the Ind AS financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of our auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' responsibilities for the audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

a. Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive

to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the Ind AS financial statements in place and the operating effectiveness of such controls.

c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

e. Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section143(3) of the Act, we report that:

   a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account;

   d. In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;

   e. On the basis of written representations received from the directors of the Company as on March 31, 2026 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act;

   f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";

   g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act.

   h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

      i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements (Refer note 30 to the Ind AS financial statements)

      ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

      iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

      iv. In respect of Rule 11(e) of the Companies (Audit and Auditors) Rules, 2014,

         a. The Management has represented that, to the best of its knowledge and belief, no

funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. In respect of dividends declared or paid,

a. The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable. The Company has also declared and paid the Dividend during the year.

b. The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.

vi. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, based on our examination which included test checks, the company has used accounting software for maintaining its books of account, which have a feature of audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Additionally, the trail has been preserved by the company as per the statutory requirements for record retention.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on other legal and regulatory requirements' section of our report to the Members of Mahindra Insurance Broker Limited.

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, other intangible assets, Intangible assets under development and Right-of-use assets.

(B) The Company has maintained proper records showing full particulars of its intangible assets.

(b) According to the information and explanations given to us, fixed assets were physically verified during the year by the management and no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no immovable properties held in the name of the company. Accordingly, clause 3(i)(c) of the Order is not applicable to the company.

(d) According to the information and explanations given to us company has not revalued its property, plant and equipment or intangible assets during the year.

(e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.

(ii) (a) The company is in the nature of providing insurance broking services and does not hold any inventory. Therefore, reporting under clause 3(ii) of the order is not applicable to the Company.

(b) The Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets and hence, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) (a) The company has made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, the details of which are as under.

Particulars	Amount (in Lakhs)
Loans	
Aggregate amount during the year	6,650
Balance outstanding at the Balance Sheet	6,650

(b) The investment made and the terms and conditions of the grant of loans during the year are prima facie not prejudicial to the company's interest.

(c) In respect of loans granted by the company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and the receipts of interest have been regular as per stipulation.

(d) In respect of loans granted by the company, there is no overdue amount remaining outstanding as at the balance sheet date.

(e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.

(f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

(iv) In our opinion, and according to the information and explanations given to us, the company has complied with the provisions of Section 185 and Section 186 of the Companies Act, 2013 in respect of loans and investments made, and guarantees and security provided by it, as applicable.

(v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended) or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

(vi) The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act, for any of the services rendered by the Company and hence, clause 3(vi) of the Order is not applicable to the Company.

(vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Goods and Services Tax, Value Added Tax, Customs Duty, Excise Duty, Cess and other material statutory dues applicable to it as per the available records as far as ascertained by us on our verification. According to the information and explanations given to us, no material undisputed amounts payable were outstanding,

at the year end, for a period of more than six months from the date they became payable.

(b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2026 on account of disputes are given below:

Name of the Statue	Nature of Dues	Amount (Rs. In Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Income Tax Act,1961	Interest on TDS	7.97	F.Y. 2011-12 to F.Y. 2021-22	Rectification filed with AO
Income Tax Act,1961	Deduction of donation	25.26	FY 19-20	Appeal Filed
Central Goods and Service Tax Act, 2017	Input Tax Credit	0.91	FY 2021-22	Deputy Commissioner of State tax-Bihar
Central Goods and Service Tax Act, 2017	Input Tax Credit	31.70	FY 2021-22	Commercial tax officer - Chennai
Central Goods and Service Tax Act, 2017	Input Tax Credit	0.66	FY 2021-22	Assistant Commissioner - Central tax Chennai
Central Goods and Service Tax Act, 2017	Input Tax Credit	0.26	FY 2022-23	Assistant Commissioner - Central tax Chennai
Central Goods and Service Tax Act, 2017	Input Tax Credit	0.60	FY 2021-22	Assistant Commissioner - Central tax Chennai
Central Goods and Service Tax Act, 2017	Input Tax Credit	0.50	FY 2019-20	Assistant Commissioner - Central tax Chennai
Central Goods and Service Tax Act, 2017	Input Tax Credit	16.49	FY 2020-21	Joint Commissioner - Commercial Tax Karnataka

(viii) According to information and explanations given to us, no previously unrecorded transactions have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable to the Company.

(b) The Company has not been declared a wilful defaulter by any bank or financial institution or other lender.

(c) The Company has not taken any term loans during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) The Company has not raised any loans on short term basis and hence, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.

(x) (a) The Company has not raised any money during the year by way of initial public offer/further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares/fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x) (b) of the Order is not applicable to the Company.

(xi) (a) According to the information and explanation given to us, no material fraud by the company or any fraud on the company was noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) During the year, company has received whistle-blower complaints which have been considered by us for any bearing on our audit and reporting under this clause.

(xii) The Company is not a Nidhi Company as per the provisions of the Companies Act, 2013. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.

(xiii) The Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.

(xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.

(b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.

(xv) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, provisions of section

192 of the Companies Act, 2013 are not applicable to the Company.

(xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.

(b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) (c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us by the management, there are five Core Investment Companies within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016).

(xvii) The Company has not incurred cash losses in the current financial year or the previous financial year.

(xviii) There has been no resignation of statutory auditors during the year and accordingly reporting under clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Ind AS financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act 2013 in compliance with second proviso to sub-section (5) of Section 135 of the said Act. This matter has been disclosed in note 34 to the Ind AS financial statements. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

(b) There are no unspent amounts under sub-section (5) of section 135 of the Act, pursuant to any ongoing project requiring transfer to special account in compliance with the provision of sub-section (6) of section 135 of the Act. This matter has been disclosed in note 34 to the Ind AS financial statements. Hence, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

(xxi) The Company is not required to prepare consolidated Ind AS financial statements and therefore reporting under clause 3(xxi) of the Order is not applicable for the year.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013.

(Referred to in paragraph 2(f) under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Mahindra Insurance Brokers Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Ind AS Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial controls with reference to financial statements include those policies and procedures that –

a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

c. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with reference to Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

STATEMENT OF MATERIAL ACCOUNTING POLICIES FOR THE YEAR ENDED 31ST MARCH, 2026

1 Company overview

Mahindra Insurance Brokers Limited is a Public Limited Company incorporated and domiciled in India. The Company's registered office is at Mahindra Towers, P. K. Kurne Chowk, Worli, Mumbai - 400 018. The Company is an Insurance Regulatory and Development Authority of India (IRDAI) registered broker in the category "Composite" for life, general and re-insurance business.

The immediate parent Company is Mahindra & Mahindra Financial Services Limited and ultimate parent Company is Mahindra & Mahindra Limited, a company incorporated in Mumbai, India.

2 Basis of preparation

These financial statements have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) notified under Section 133 of the Companies Act, 2013 (the 'Act'), in conformity with the Accounting Principles generally accepted in India and other relevant provisions of the Act.

a. Statement of compliance and basis of preparation

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the Accounting policy thereto in use.

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the schedule III of the Act. Based on nature of services and the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current/ non-current classification of assets and liabilities.

The financial statements of the Company for the year ended March 31, 2026 were approved for issue by the Company's Board of Directors on April 16, 2026.

b. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency. All amounts are rounded-off to the nearest lacs, unless otherwise indicated.

c. Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
– Financial assets and liabilities which are generally derivative instruments	Fair value
– Liabilities for cash-settled share-based payment arrangements	Fair value
– Net defined benefit (asset) / liability	Fair value of plan assets less present value of defined benefit obligations

d. Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has established policies and procedures with respect to the measurement of fair values. The Chief Financial Officer and person entrusted has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values, including assessments that these valuations meet the requirements of Ind AS 113. Significant valuation issues are reported to audit committee.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

e. Use of judgements and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

Assumptions and estimation uncertainties

Following are areas that involved a higher degree of judgement or complexity in determining the carrying amount of some assets and liabilities. Detailed information about each of these estimates and judgements that have a significant risk of resulting in material adjustment in the year ending March 31, 2026 is included in relevant notes.

– Estimation of current tax expense and payable
– Estimated useful life of property, plant and equipments
– Estimated useful life of intangible assets
– Estimation of defined benefit obligation
– Impairment of trade receivables
– Impairment of financial assets
– Estimation of share based payments
– Provisions and contingent liabilities
– Going concern

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

3 Material accounting policies

a. Property, plant and equipments :

Recognition and measurement

All the items classified under property plant and equipment are stated at cost of acquisition (including incidental expenses) less accumulated depreciation and any accumulated impairment losses, if any.

Cost of acquisition comprises of purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated cost of dismantling and removing the items and restoring the site on which it is located.

When significant parts of an item of property, plant and equipment have different useful lives, they are depreciated as separate items (major components) of property, plant and equipment.

Subsequent costs

The cost of replacing a part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part

STATEMENT OF MATERIAL ACCOUNTING POLICIES FOR THE YEAR ENDED 31ST MARCH, 2026

will flow to the Company, and its cost can be measured reliably. The carrying amount of the replaced part is derecognised.

Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives as specified in the Schedule II of the Act or estimated by the management using straight-line method and is recognised in the statement of profit and loss except:

i. Motor cars where useful life is estimated at 4 years as against 8 years per Schedule II since the employees to whom these cars have been allotted as part of their terms of employment are entitled to change their vehicles every four years, and

ii. Property Plant & Equipmnets having value individually less than INR 5000 where useful life is estimated at less than one year having regard to the nature of these assets and the difficulty in estimating the useful life.

Further, residual value for all assets is considered Nil having regard to the difficulty in reasonably estimating the same and, in the case of motor cars, having regard to terms of employment under which these are allotted to the employees.

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Class of asset	Estimated Useful Life
Plant and equipment (including computers)	2-6 years
Office equipments	5 years
Furniture and fixtures	10 years
Leasehold Premises	Over the period of lease
Vehicles	4 years

Depreciation methods, useful lives are reviewed at each financial year-end and adjusted if appropriate. The effect of change in estimate of useful life is accounted on prospective basis

Derecognition of Property, Plant & Equipments

Property, Plant & Equipments are derecognised on disposal or when no future benefits are expected from its use. Assets retired from active use and held for disposal are stated at lower of their carrying amount or fair value less cost of sale. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposable proceeds and the net carrying amount of the assets) is recognised in Other Income / netted off from any loss on disposal in the statement of Profit & Loss in the year the asset is derecognised.

b. Intangible Assets :

Intangible Assets are initially recognised at cost. Intangible assets are stated at cost less accumulated amortization and accumulated impairement losses, if any.

Amortisation

Subsequent to initial recognition, amortisation of intangible assets with finite useful lives is calculated on cost of intangible assets less their estimated residual values over their estimated useful lives using straight-line method and is recognised in the statement of profit and loss.

The estimated useful lives for the current and comparative periods are as follows:

Class of assets	Estimated Useful Life
Computer software	3 years

Amortisation methods, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. The effect of change in estimate of useful life is accounted on prospective basis.

Intangible assets under development

The Company capitalizes the expenditure on intangible asset under development in accordance with the accounting policy. Initial capitalization of costs is based on management's judgement that technological and economic feasibility is confirmed and the capability to demonstrate the ability to use or sell the intangible assets, the probability of generating future economic benefit and the ability to measure reliably the attributable expenditure.

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the statement of profit or loss in the year when the asset is derecognised.

c. Impairment of assets other than financial assets :

Impairment of tangible and intangible assets other than goodwill

The Company reviews the carrying amounts of its tangible and intangible assets at the end of each reporting period, to determine whether there is any indication that those assets have impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in statement of profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in statement of profit and loss.

STATEMENT OF MATERIAL ACCOUNTING POLICIES FOR THE YEAR ENDED 31ST MARCH, 2026

d. Foreign currency :

Transactions in foreign currencies are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at period end exchange rates are generally recognised in statement of profit and loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

e. Financial instruments :

Recognition and initial measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

– Amortised cost;

– fair value through other comprehensive income (FVOCI) - debt investment;

– fair value through other comprehensive income (FVOCI) - equity investment;

– fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

– the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and

– the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Investment in debt instrument is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

– the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and

– the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company irrevocably elects to present subsequent changes in the investment's fair value in other comprehensive income (designated as FVOCI - equity investment). This election is made on investment-by investment basis

A financial asset is held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument or a financial guarantee

All financial asset not classified as measured at amortised cost or FVOCI as described above are measured at fair value through profit or loss (FVTPL). This includes all derivative financial assets.

On initial recognition, the Company irrevocably designates a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces accounting mismatch that would otherwise arise.

Financial Assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably

Financial assets: Subsequent measurement and gains and losses

- Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Any gain and loss derecognition is recognised in the statement of profit and loss.
- Debt investment at FVOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to the statement of profit and loss.
- Equity investment at FVOCI are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI. On derecognition, gains & losses are not reclassified to statement of profit and loss.
- Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

STATEMENT OF MATERIAL ACCOUNTING POLICIES FOR THE YEAR ENDED 31ST MARCH, 2026

Income is recognised on an effective interest basis for debt instruments other than those which are classified as at FVTPL. Interest income is recognised in statement of profit and loss and is included in the "Other income" line item.

Financial liabilities and equity instruments:

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. The dividends on mandatorily redeemable preference shares are recognised in the statement of profit and loss as interest expense. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit and loss. Any gain or loss on derecognition is also recognised in the statement of profit and loss.

Compound financial instruments

The component parts of compound instruments (convertible notes) issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recorded as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date. Interest related to the financial liability is recognised in profit or loss (unless it qualifies for inclusion in the cost of an asset).

Conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured. In addition, the conversion option classified as equity remains in equity until the conversion option is exercised, in which case, the balance recognised in equity is transferred to [share premium/other equity. Where the conversion option remains unexercised at the maturity date of the convertible instrument, the balance recognised in equity is transferred to [retained profits/ other equity]. No gain or loss is recognised in profit or loss upon conversion or expiration of the conversion option.

Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible notes using the effective interest method.

Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write- off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

Impairment of financial instruments

The Company recognises a loss allowance for expected credit losses (ECL) on:

– Financial assets measured at amortised cost;

– Financial assets measured at FVOCI - debt investments;

The Company always recognises lifetime ECL for trade receivables. The expected credit losses on these financial assets are estimated using a provision matrix based on the Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate.

For all other financial instruments, the Company recognises lifetime ECL when there has been a significant increase in credit risk since initial recognition. If, on the other hand, the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 month ECL. The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition.

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial instrument. 12 month ECL represents the portion of lifetime ECL that

STATEMENT OF MATERIAL ACCOUNTING POLICIES FOR THE YEAR ENDED 31ST MARCH, 2026

is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

When determining whether credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, including on historical experience and forward-looking information.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVOCI, the loss allowance is recognised in OCI and carrying amount of the financial asset is not reduced in the balance sheet.

f. Revenue Recognition :

Revenue is measured at the transaction value of the consideration received or receivable. Amount disclosed as revenue are exclusive of GST and net of revenue on policy cancellations and endorsements.

Rendering of services

Brokerage Income is accounted for net of GST amount on rendition of services. Brokerage income is recognized on receiving details of the policy issued by the insurance company or receipt of brokerage whichever is earlier.

The Company recognises revenue from rendering of consultancy services in proportion to the stage of completion of the transaction at the reporting date. The stage of completion is assessed based on surveys of work performed.

Dividend and interest income

Dividends are recognised in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

Interest income is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

g. Employee benefits:

Superannuation Fund, ESIC and Labour Welfare Fund

The Company's contribution paid/payable during the year to Superannuation Fund, ESIC and Labour Welfare Fund are recognised in statement of profit and loss.

Provident Fund

Contributions to Provident Fund are charged to the statement of profit and loss as incurred. The Company is liable for the contribution and any shortfall in interest between the amount of interest realised by the investments and the interest payable to the members at the rate declared by the Government of India.

Gratuity

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated by actuary using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined Contribution Plans

Obligations for contributions to defined contribution plans are expensed as the related service is provided. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Compensated Absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by acturial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid or availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non accumulating compensated absences is recognised in the period in which the absences occur.

Cash Settled Share Based Payments

Cash Settled Share Based Payments, the fair value of the amount payable to employees is recognized as 'employee benefit expenses with corresponding increase in liabilities, over the period of non market vesting conditions getting fulfilled. The fair value of the option at the grant date is calculated by an independent valuer basis Black Scholes model. The Liability is remeasured at each reporting period up to, and including the settlement date, with changes in fair value recognized in employee benefit expenses.

h. Taxation :

Income tax expense comprises current tax and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

Current tax

Current tax comprises expected tax payable on the taxable profit or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts and it is entended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

STATEMENT OF MATERIAL ACCOUNTING POLICIES FOR THE YEAR ENDED 31ST MARCH, 2026

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Minimum Alternate Tax (MAT)

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

i. Provisions, Contingent Liabilities and Contingent Assets :

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Contingent liability is:

a) A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or

b) a present obligation that arises from past events but is not recognised because:

   (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or

   (ii) the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are disclosed. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

A contingent asset is disclosed where an inflow of economic benefits is probable.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

j. Leases :

The Company as a Lessee

At the date of commencement of the lease, the Company recognises Right-of-Use ("ROU") asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The company presents right-of-use assets that do not meet the definition of investment property and lease liabilities; both in the 'balance sheet' as a separate line items, in the statement of financial position.

k. Segment Reporting

Operating Segments are reported consistently with the internal reporting provided to the Managing Director. The highest decision making executive is responsible for allocating resources to and assessing the performance of the operating segments. The chief operating decision maker is Managing Director.

l. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average numbers of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

m. Cash and Cash Equivalents

Cash and Cash Equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand, balance with banks in current accounts and short term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

*** Rights, preferences and restrictions attached to equity shares**

The Company has only one class of equity shares having par value of Rs. 10 per share. Each holder of equity share is entitled to one vote per share. The company declares and pays dividend in Indian Rupees. The dividend proposed by Board of Directors is subject to approval of the shareholders in the ensuing annual general meeting. Further, the Board of Directors may also announce an interim dividend which would need to be confirmed by the shareholders at the forthcoming Annual General Meeting. In the event of liquidation, the shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholdings.

Capital management

The company's capital management objectives are:

– to ensure the company's ability to continue as a going concern

– to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of the statement of financial position. The Company is subject to minimum capital requirements as stipulated by the IRDAI (Insurance Brokers) Regulations, 2018.

The company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

CREDIT RISK

(i) Credit risk management

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Company.

Trade receivables consist of institutional customers, largely insurance companies. The Company deals only with those insurance companies who have obtained an acceptable level of credit rating. The Company does not have significant credit risk exposure to any single external counterparty. Out of total outstanding 0.06% of the debtors are pertaining to group companies.

The credit risk on liquid funds invested in Fixed Deposits with companies and Intercorporate Deposits is limited because the counterparties are group companies.

The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which permits the use of the expected loss provision for all trade receivables. The company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company and individual receivable specific provision where applicable. Forward-looking information (including macroeconomic information) has been incorporated into the determination of expected credit losses.

There is no change in estimation techniques or significant assumptions during the reporting period.

The loss allowance provision is determined as follows:

As at March 31 2026

₹ in Lakhs

	Not due	**Less than 6 months past due**	**More than 6 months past due**	**Total**
Gross carrying amount	**0.00**	**23,247.40**	**56.01**	**23,303.41**
Loss allowance provision	**0.00**	**80.55**	**34.15**	**114.70**
	0.00	**23,166.85**	**21.86**	**23,188.71**

As at March 31 2025

	Not due	Less than 6 months past due	More than 6 months past due	Total
Gross carrying amount	0.00	19,358.93	133.70	19,492.63
Loss allowance provision	0.00	65.68	60.23	125.91
	0.00	19,293.25	73.47	19,366.72

Reconciliation of loss allowance provision for Trade Receivables

₹ in Lakhs

Particulars	**31-March-26**	31-March-25
Balance as at beginning of the year	**125.91**	517.09
Impairment losses recognised in the year based on lifetime expected credit losses		
- On receivables originated in the year	**(11.22)**	125.91
Impairment losses recognised in the year based on 12 month expected credit losses		
On receivables originated in the year		
Amounts written off during the year as uncollectible	**–**	(384.72)
Impairment losses reversed / written back	**–**	(132.37)
Balance at end of the year	**114.69**	125.91

The loss allowance provision has changed during the period due to delays in recovery of brokerage on insurance contracts brokered.

LIQUIDITY RISK

(i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

(iii) Financing arrangements

The Company does not feel the need to have any borrowing facilities at this stage

(iv) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

₹ in Lakhs

MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company invests in fixed rate instruments taking into account the current liquidity requirements. All such transactions are carried out within the guidelines set by the Board of Directors.

There has been no significant changes to the company's exposure to market risk or the methods in which they are managed or measured.

Note No. 23 - Fair Value Measurement

Fair value of financial assets and financial liabilities that are not measured at fair value

₹ in Lakhs

	31-March-26		31-March-25	
Particulars	**Carrying amount**	**Fair value**	Carrying amount	Fair value
Financial assets				
Financial assets carried at Amortised Cost				
– loans to related parties	**6,650.00**	**6,650.00**	29,575.00	29,575.00
– trade and other receivables	**23,188.71**	**23,188.71**	19,366.72	19,366.72
– Cash and Cash Equivalents	**598.16**	**598.16**	2,251.22	2,251.22
– other financial assets	**2,269.00**	**2,269.00**	3,157.95	3,157.95
– fixed Deposit with Companies	**27,822.82**	**27,822.82**	20,450.00	20,450.00
Total	**60,528.69**	**60,528.69**	74,800.89	74,800.89
Financial liabilities				
Financial liabilities held at amortised cost				
– trade and other payables	**25,300.89**	**25,300.89**	20,098.00	20,098.00
– Lease Liabilities	**2,356.41**	**2,356.41**	3,110.28	3,110.28
– other financial laibilities	**99.78**	**99.78**	28.98	28.98
Total	**27,757.08**	**27,757.08**	23,237.26	23,237.26

Note: Financial assets not measured at fair value includes cash and cash equivalents, trade receivables, loans, fixed deposits and other financial assets. These are financial assets whose carrying amounts approximate fair value, due to their short-term nature.

Additionally, financial liabilities such as trade payables, lease liabilities and other financial liabilities are not measured at FVTPL, whose carrying amounts approximate fair value, because of their short-term nature.

Note No. 25 - Segment information

The Company has determined the operating segment based of structure of reports reviewed by the Strategic Management Council. For management purposes, the Company is organised into a single business unit and has only one reportable segment namely “Insurance Broking services”. The geographical segment is based on the location of client, whether in India or outside India. The Strategic Management Council of the Company monitors the operating results of its business unit for the purpose of making decisions about resource allocation and performance assessment

₹ in Lakhs

Geographic information	For the year ended 31 March 2026	For the year ended 31 March 2025
Revenue from external customers		
India	**1,45,568.72**	1,19,150.60
Outside India	**–**	–

All Non-current operating assets comprising property, plant and equipment, investment properties and intangible assets, if any are located in India.

Income from major products and services

The following is an analysis of the Company’s revenue from continuing operations from its major products and services:

₹ in Lakhs

	For the year ended 31 March 2026	For the year ended 31 March 2025
Insurance Broking And Auxillary Activities	**1,45,568.72**	1,19,150.60
Total	**1,45,568.72**	1,19,150.60

Income from transactions with a single external customer amounts to 10% or more of the entity’s revenues.

Note No. 26 - Employee benefits

(a) Defined Contribution Plan

The Company’s contribution to Provident Fund and Superannuation Fund aggregating Rs.377.19 Lakhs (F-2025 : Rs.417.31 Lakhs) has been recognised in the Statement of Profit or Loss under the head Employee Benefits Expense.

(b) Defined Benefit Plans:

Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

Note No. 26 - Employee benefits (Cont)

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility

The plan liabilities are calculated using a discount rate set with references to government bond yields; if plan assets under perform compared to the government bonds discount rate, this will create or increase a deficit. The defined benefit plans hold a significant proportion of equity type assets, which are expected to outperform government bonds in the long-term while providing volatility and risk in the short-term.

As the plans mature, the Company intends to reduce the level of investment risk by investing more in assets that better match the liabilities.

However, the Company believes that due to the long-term nature of the plan liabilities and the strength of the supporting group, a level of continuing equity type investments is an appropriate element of the Company's long term strategy to manage the plans efficiently.

Changes in bond yields

A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plans' bond holdings and interest rate hedging instruments.

Inflation risk

Some of the Company's pension obligations are linked to inflation, and higher inflation will lead to higher liabilities (although, in most cases, caps on the level of inflationary increases are in place to protect the plan against extreme inflation). The plans hold a significant proportion of assets in index linked gilts, together with other inflation hedging instruments and also assets which are more loosely correlated with inflation. However, an increase in inflation will also increase the deficit to some degree.

Life expectancy

The majority of the plan's obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plan's liabilities. This is particularly significant in the Company's defined benefit plans, where inflationary increases result in higher sensitivity to changes in life expectancy.

Leave Encashment

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by acturial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid or availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non accumulating compensated absences is recognised in the period in which the absences occur.

Defined benefit plans – as per actuarial valuation on 31st March, 2026 and on 31st March, 2025

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

Note No. 26 - Employee benefits (Cont)

Gratuity

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

₹ in Lakhs

Principal assumption	Year	Changes in assumption	Impact on defined benefit obligation	
			Increase in assumption	Decrease in assumption
Discount rate	**2026**	**1**	**(12.91)**	**13.47**
	2025	1	(13.10)	13.76
Salary growth rate	**2026**	**1**	**10.94**	**(10.82)**
	2025	1	13.57	(13.17)
Life expectancy	**2026**	**+/- 1 year**	**Negligible**	**Negligible**
	2025	+/- 1 year	Negligible	Negligible

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The Company expects to contribute Rs.125 lakhs to the gratuity trusts during the next financial year of 2027.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

Maturity profile of defined benefit obligation:

₹ in Lakhs

Gratuity	2026	2025
Within 1 year	**594.93**	448.73
1 - 2 year	**311.07**	237.68
2 - 3 year	**169.84**	143.97
3 - 4 year	**96.84**	92.30
4 - 5 year	**61.05**	60.59

The Company's policy is driven by considerations of maximizing returns while ensuring credit quality of the debt instruments. The asset allocation for plan assets is determined based on investment criteria prescribed under the Indian Income Tax Act, 1961, and is also subject to other exposure limitations. The Company evaluates the risks, transaction costs and liquidity for potential investments. To measure plan asset performance, the Company compares actual returns for each asset category with published benchmarks.

	Period Ended				
VIII. Experience Adjustments:	**2026**	**2025**	**2024**	**2023**	**2022**
			Gratuity		
1. Defined Benefit Obligation	**1,228.38**	1,003.58	1,269.50	1,184.18	1,160.99
2. Fair value of plan assets	**214.45**	364.46	506.90	500.96	588.23
3. Surplus/(Deficit)	**(1,013.93)**	(639.12)	(762.60)	(683.22)	(609.01)
4. Experience adjustment on plan liabilities [(Gain)/ Loss]	**50.42**	36.38	36.38	(25.65)	(67.94)
5. Experience adjustment on plan assets [Gain/ (Loss)]	**(20.01)**	(36.59)	(37.57)	(43.06)	(40.38)

The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

C. Reconciliation of Income from contract with customer

₹ in Lakhs

Particulars	31-March-26	31-March-25
Income from contract with customer as per the contract price	**1,45,568.72**	1,19,150.60
Adjustments made to contract price on account of :-		
a) Discounts / Rebates / Incentives	**–**	–
b) Sales Returns / Reversals	**–**	–
c) Deferrment of revenue	**–**	–
d) Changes in estimates of variable consideration	**–**	–
e) Recognition of revenue from contract liability out of opening balance of contract liability	**–**	–
f) Any other adjustments	**–**	–
Income from contract with customer as per the statement of Profit and Loss	**1,45,568.72**	1,19,150.60

D. Income to be recognised for performance obligation(s) not satisfied or partially satisfied at the end of the current year in respect of contracts with customer that are in place (i.e. signed agreements/ Pos/Wos/SOWs, etc) at the end of reporting period.

The company has reviewed the contract with insurers and customers and indentified claims handling services as an area that is affected by the new accounting standard. The application of new standard results in the indentifiaction of separate performance obligation for handling claims on behalf of customers as part of insurance brokerage customary business practice. The new standard requires the deferral of Income recognition until the performance obligation is satisfied. Based on the results of the review, the company does not expect a material impact on the statement of profit and loss.

Note No. 33 - Additional Disclosures

1. During the financial years ended 31st March 2026 and 31st March 2025, the Company has not granted any loans or advances in the nature of loans to promoters, directors, KMPs and the related parties (as defined under the Companies Act, 2013), either severally or jointly with any other person (a) repayable on demand or (b) without specifying any terms or period of repayment.
2. There is no Benami Property held or there are no proceedings initiated or pending against the company for holding any Benami Property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
3. The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year
4. There was no scheme of arrangements approved by the competent authority in terms of sections 230 to 237 of the Companies Act, 2013 during the year
5. Since the Company does not have any borrowing, it is not declared as “Wilful Defaulter” by any bank or financial institution during the current and previous financial year

6a. The Company has not advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) to or in any other person or entity, including foreign entity (“intermediaries”), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invested in other person or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate beneficiaries”) or provide any guarantee, security or the like on behalf of the ultimate Beneficiaries.

6b. The Company has not received any fund (which are material either individually or in the aggregate) from any party(s) (Funding Party(ies))with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the ultimate Beneficiaries.

7. The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
8. There have been no events after the reporting date that require disclosure in these financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

Note No. 34 - Exceptional items

On November 21, 2025, the Government of India notified the provisions of four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively "new Labour Codes") which consolidate 29 existing labour laws into a unified framework governing employee benefits during employment and post-employment.

In accordance with the new Labour Codes, the Company has currently estimated the incremental impact of Gratuity and Leave Encashment to be Rs.344.11 lakhs on the basis of Actuarial Valuation. This has been presented under "Exceptional Items" in the financial statements for the year ended March 31, 2026.

INDEPENDENT AUDITOR'S REPORT

To the Members of Mahindra Rural Housing Finance Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Mahindra Rural Housing Finance Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income/**loss**), the Cash Flow Statement and the Statement of Changes in Equity for the year ended, and a summary of material accounting policies and other explanatory information ("the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("the Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit, total comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("the SAs"). Our responsibilities under those Standards are further described in the *Auditor's Responsibility for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	**Auditor's Response**
Impairment of loans and advances	
(Refer "Note 2.09 (ii) Material Accounting Policy: Impairment of financial Assets", "Note 6- Loans" and "Note 45 (ii)- Credit Risk Management to the financial statements)	
The Company has recognized impairment loss allowance of ₹ 3,699.74 lakhs in its Statement of Profit and Loss during the year 2025-2026. The Company has maintained impairment provisions amounting to ₹ 19,441.66 lakhs as at March 31, 2026. Under Ind AS 109, Financial Instruments, allowance for loan losses are determined using Expected Credit Loss (ECL) model. The estimation of impairment loss allowance on financial instruments involves significant judgement and estimates. The key areas where we identified greater levels of management judgement and therefore increased levels of audit focus in the Company's estimation of ECLs are: • Data inputs – The application of ECL model requires several data inputs. This increases the risk that the data that has been used to derive assumptions in the model, which are used for ECL calculations, may not be complete and accurate. • Model estimations – Inherently judgmental models are used to estimate ECL which involves determining Exposures at Default ("EAD"), Probabilities of Default ("PD") and Loss Given Default ("LGD"). The PD and the LGD are the key drivers of estimation complexity in the ECL and as a result are considered the most significant judgmental aspect of the Company's modelling approach.	Our key audit procedures included: • Performed end to end process walkthroughs to identify the key systems, applications and controls used in the impairment loss allowance processes. We tested the relevant general IT and application controls over key systems used in the impairment loss allowance process. • Assessed the design and implementation of controls in respect of the Company's impairment allowance process such as the timely recognition of impairment loss, the completeness and accuracy of reports used in the impairment allowance process and management review processes over the calculation of impairment allowance and the related disclosures on credit risk management. • Testing management's controls over authorization and calculation of post model adjustments and management overlays, if any. • Evaluated whether the methodology applied by the Company is in compliance of the relevant accounting standards and confirmed that the calculations are performed in accordance with the approved methodology, checking mathematical accuracy of the workings.

Key audit matter	Auditor's Response
Impairment of loans and advances	
• Economic scenarios – Ind AS 109 requires the Company to measure ECLs on an unbiased forward-looking basis reflecting a range of future economic conditions. During the year, the Company has engaged an industry expert to assist it in review and updation of the ECL model. The underlying forecasts and assumptions used in the estimates of impairment loss allowance are subject to uncertainties and other macro-economic factors, which are often outside the control of the Company. Given the size of loan portfolio relative to the balance sheet and the impact of impairment allowance on the financial statements, we have considered this as a key audit matter.	• Sample testing over key inputs, data and assumptions impacting ECL calculations to assess the completeness, accuracy and relevance of data and reasonableness of periods considered, economic forecasts, weights, and model assumptions applied. • Testing the 'Governance Framework' over validation, implementation and model monitoring in line with the RBI guidance. • Assessed whether the disclosures on key judgements, assumptions and quantitative data with respect to impairment loss allowance in the financial statements are appropriate and sufficient. • We have also obtained management representations wherever considered necessary

IT Systems and Controls	
Key Audit Matter	**Auditor's Response**
The Company has separate software applications for management of its loan portfolio from origination to servicing and closure and for the routine accounting. Transfer of data from / to these applications is critical for accurate compilation of financial information. Further, the Company's financial accounting and reporting processes are dependent on information systems including automated controls in systems, such that there exists a risk that gaps in the IT control environment could result in the financial accounting and reporting records being misstated. We have identified 'IT systems and controls' as key audit matter because of the high-level automation, number of systems being used by the management and the inherent risks/ complexity of the IT architecture.	We have performed the following key audit procedures: • Performed control testing on user access management, change management, segregation of duties, system and system application controls over key financial accounting and reporting systems. • Tested key controls operating over information technology in relation to financial accounting and reporting systems, including system access and system change management, program development and computer operations. • Tested the design and operating effectiveness of key controls over user access management which includes granting access / right, new user creation, removal of user rights.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's Report and Management Discussion and Analysis (collectively referred to as "the other information") but does not include the standalone financial statements and our auditor's report thereon. The Report of the Board of Directors is expected to be made available to us after the date of this report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's management is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal

financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Company is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, based on our audit on the standalone financial statements, we report that:

    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    b) In our opinion and to the best of our information and according to the explanations given to us, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 2(i)(vi) below on reporting under rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended)("the Rules").

    c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act.

e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of section 164(2) of the Act.

f) With respect to the maintenance of accounts and other matters connected therewith, references is made in paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Rules.

g) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to the standalone financial statement.

h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

i) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in Note No.39 to its standalone financial statement;

ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;

iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has also represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has neither declared nor paid any dividend during the year.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026, which has a feature of recording an audit trail (edit log) facility, and the same has been operated throughout the year under audit for all relevant transactions recorded in the software except that the audit trail log was not maintained for direct database changes in respect of two accounting applications for the period from April 2025 to February 2026.Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with in respect of accounting software. The Company has not preserved database level audit trail logs pertaining to previous years. Except these

exceptions, the audit trail log has been preserved by the Company in accordance with statutory record retention requirements

Annexure A to Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Mahindra Rural Housing Finance Limited)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

(i) (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;

(B) The Company has maintained proper records showing full particulars of intangible assets;

(b) The Company has a regular programme of physical verification of its Property, Plant and Equipment under which the assets are physically verified annually. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification during the year.

(c) Based on our examination of the title deeds (comprising of registered sale deeds/ transfer deeds/ conveyance deeds) of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) provided to us, are held in the name of the Company as at the balance sheet date.

(d) The Company has not revalued its Property, Plant and Equipment and Intangible assets during the year. Accordingly, reporting under paragraph 3(i)(d) of the Order is not applicable; and

(e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.

(ii) (a) The Company is engaged primarily in lending activities and consequently does not have any physical inventories and hence reporting under clause (ii)(a) of the Order is not applicable.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, during the year, from banks and financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements filed by the Company with such banks and financial institutions are in agreement with the audited books of account of the Company of the respective quarters.

(iii) (a) The investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided in the normal course of business are not prejudicial to the interest of the Company;

(b) In respect of loans and advances in the nature of loans (together referred to as 'loan assets'), the schedule of repayment of principal and payment of interest has been stipulated. Note no. 2 to the standalone financial statements explains the Company's accounting policy relating to impairment of financial assets which include loan assets. In accordance with that policy, loan assets with balance as at March 31 2026, aggregating ₹ 20,335.15 lakhs were categorised as credit impaired ('Stage 3') and ₹ 28,602.60 lakhs were categorised as those where the credit risk has increased significantly since initial recognition ('Stage 2'). Disclosures in respect of such loans have been provided in note no.45 (ii) (i) to the standalone financial statements. Additionally, out of loans and advances in the nature of loans with balances as at the year end aggregating ₹ 8,02,765.96 lakhs, where credit risk has not significantly increased since initial recognition (categorised as 'Stage 1'), delinquencies in the repayment of principal and payment of interest aggregating ₹ 980.83 lakhs were also identified, albeit of less than 30 days. In all other cases, the repayment of principal and interest is regular. Having regard to the nature of the Company's business and the volume of information involved, it is not practicable to provide an itemised list of loan assets where delinquencies in the repayment of principal and interest have been identified.

(c) The following amounts are overdue for more than ninety days from companies or any other parties to whom loan has been granted. The Company has taken reasonable steps for recovery of the overdue amount of principal and interest;

(₹ in Lakhs)

No. of cases	Principal amount overdue	Interest overdue	Total overdue	Remarks (if any)
18,528	3,568.52	6,571.98	10,140.50	None

(d) The provisions of paragraph 3(iii)(e) of the Order are not applicable to the Company as its principal business is to give loans; and

(e) The Company has not granted any loans or advances in the nature of loans that were either repayable on demand or without specifying any terms or period of repayment.

(iv) The Company has not advanced loans or made investments in or provided guarantees or security to parties covered by section 185 and 186 of the Act. Hence reporting under paragraph 3(iv) of the Order is not applicable.

(v) The Company has not accepted any deposits from the public to which the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder are applicable. Accordingly, clause 3(v) of the Order is not applicable to the Company.

(vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Act, for the business activities carried out by the Company. Hence reporting under paragraph 3(vi) of the Order is not applicable.

(vii) In respect of statutory dues:

(a) The Company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and any other statutory dues, as applicable, to the appropriate authorities. According to the information and explanations given to us and based on verification carried out by us on test basis, there are no arrears of statutory dues outstanding as on the last day of the financial year concerned for a period of more than six months from the date, they became payable; and

(b) The details of statutory dues referred to in sub paragraph (a) above which have not been deposited with the concerned authorities as on March 31, 2026, on account of dispute are given below:

(₹ in Lakhs)

Name of the statute	Nature of Dues	Amount involved	Period to which the amount relates (F.Y.)	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	0.17	2009-10	Assessing Officer
Income Tax Act, 1961	Income Tax	8.11	2011-12	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	23.22	2013-14	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	31.00	2016-17	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	46.92	2017-18	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	35.10	2021-22	Commissioner of Income Tax (Appeals)
Goods and Services Tax, Act 2017 Uttar Pradesh	Goods and Service Tax	85.92	2021-22	Appellate Authority
Goods and Services Tax Act ,2017 Andhra Pradesh	Goods and Service Tax	42.75	2023-24	Deputy Assistant Commissioner

(viii) There are no transactions which are not recorded in the books of account and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender;

(b) The Company has not been declared as wilful defaulter by any bank or financial institution or other lender;

(c) The term loans availed by the Company during the year, were utilised by the Company for the purposes for which the loans were obtained;

(d) According to the information and explanations given to us funds raised on short term basis have prima facie, not been used during the year for long term purposes by the Company.

(e) The Company does not have subsidiary, associate or joint venture. Accordingly, reporting on paragraph 3(ix)(e) of the Order is not applicable; and

(f) The Company does not have subsidiary, associate or joint venture. Accordingly, reporting on paragraph 3(ix)(f) of the Order is not applicable.

(x) (a) The Company has not raised monies by way of Initial Public Offer or Further Public Offer (including debt instruments) during the year and hence reporting under clause 3 (x) (a) of the order is not applicable; and

(b) The Company has not made preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during

the year under audit and hence reporting under paragraph 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) In respect of frauds noticed and reported by the Company, the following information is furnished

Nature of fraud	Amount (₹ in Lakhs)
Cases of frauds by employees	17.07

(b) No report under section 143(12) of the Act has been filed during the year by the auditors in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government; and

(c) We have taken into consideration the whistle blower complaints received by the Company during the year and upto the date of this report, while determining the nature, timing and extent of our audit procedures.

(xii) The Company is not a Nidhi Company and hence reporting under paragraph 3(xii) of the Order is not applicable.

(xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business; and

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

(xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with them and hence provisions of section 192 of the Act are not applicable to the Company.

(xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 ("the RBI Act");

(b) The Company is a Housing Finance Company and it holds a valid Certificate of Registration (CoR) from the National Housing Bank issued under Section 29A(2) of the National Housing Bank Act 1987 for conducting housing finance business. Prior to 9th August 2019, the power of registration of Housing Finance Companies was vested with the National Housing Bank and not the Reserve Bank of India.

(c) The Company is not a Core Investment Company ("CIC") as defined in the regulations made by RBI. Accordingly, reporting on paragraph 3(xvi)(c) of the Order is not applicable; and

(d) The Group as defined under Master Direction DNBR.PD.008/03.10.119/2016-17 - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016) has more than one CIC as part of the Group. There are 5 CIC forming part of the Group.

(xvii) The Company has not incurred cash losses in the financial year and in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year and accordingly reporting under paragraph 3(xviii) of the Order is not applicable.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report, that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company does not satisfy the conditions laid down in section 135 (1) of the Act relating to applicability of Corporate Social Responsibility. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

(xxi) The Company is not required to prepare Consolidated Financial Statements and therefore reporting under clause 3(xxi) of the Order is not applicable for the year.

Annexure B to the Independent Auditors' report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Mahindra Rural Housing Finance Limited of even date)

Report on the Internal Financial Controls under section 143(3)(i) of the Act

Opinion

We have audited the internal financial controls with reference to the standalone financial statements of **Mahindra Rural Housing Finance Limited** (''the Company'') as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to the standalone financial statements and such internal financial controls with reference to the standalone financial statements were operating effectively as at March 31, 2026, based on the internal control with reference to the standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's Responsibility for Internal Financial Controls with reference to Standalone Financial Statements

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to the standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility for Internal Financial Controls with reference to Standalone Financial Statements

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the standalone financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to the standalone financial statements included obtaining an understanding of internal financial controls with reference to the standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, both applicable to an audit of internal financial controls and, both issued by the ICAI.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to the standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the standalone financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

STATEMENT OF CASH FLOWS FOR THE YEAR ENDED 31 MARCH 2026

Particulars		(₹ in Lakhs) Year ended 31 March 2026	(₹ in Lakhs) Year ended 31 March 2025
CASH FLOW FROM OPERATING ACTIVITIES			
Profit / (loss) before exceptional items and tax		**8,985.46**	(30,457.57)
Add/(Less):			
Adjustments for:			
Depreciation, amortization and impairment		**2,797.79**	3,227.67
Provision for diminution in value of investments		**7,967.10**	–
Impairment on financial instruments		**9,893.69**	51,219.00
Interest income		**(1,07,742.17)**	(1,16,227.45)
Interest expense		**52,683.23**	52,101.71
Net (gain) / loss on derecognition of property, plant and equipment		**(30.67)**	52.91
Share based payments to employees		**(149.78)**	(135.14)
Net (gain) / loss on sale of investments		**(1,030.41)**	(1,260.92)
Net (gain)/ loss on fair value changes		**88.39**	(54.67)
Operating profit / (loss) before working capital changes	**I**	**(26,537.37)**	(41,534.46)
Adjustments for changes in working capital -			
(Increase)/Decrease in Stock on hire (net)			
Increase in Trade receivables			
Loans		**(1,52,484.03)**	(44,733.90)
Trade Receivable		**(773.84)**	–
Other financial assets		**(4.80)**	253.20
Other non-financial assets		**(41.85)**	110.54
Trade payable		**(782.97)**	(1,270.44)
Other liabilities		**12,421.43**	4,518.04
Provisions		**1,294.78**	(94.16)
	II	**(1,40,371.27)**	(41,216.72)
Cash generated from / (used in) operations	**(I+II)**	**(1,66,908.64)**	(82,751.18)
Interest received		**1,05,614.88**	1,13,692.50
Interest paid		**(55,642.40)**	(52,318.36)
Income tax paid (net of refunds)		**(337.80)**	1,114.99
NET CASH GENERATED FROM / USED IN OPERATING ACTIVITIES (A)		**(1,17,273.96)**	(20,262.05)
CASH FLOW FROM INVESTING ACTIVITIES			
Purchase of Property, Plant and Equipment and Intangible assets		**(1,274.74)**	(557.66)
Proceeds from sale of Property, Plant and Equipment		**583.91**	226.88
Purchase of investments measured at FVOCI		**(5,676.75)**	(34,745.54)
Proceeds from sale of investments measured at FVOCI		**–**	29,668.86
Purchase of investments measured at FVTPL		**(5,09,196.66)**	(3,72,883.19)
Proceeds from sale of investments measured at FVTPL		**4,96,784.07**	3,63,187.73
Investments in term deposits with banks		**(10,503.83)**	(9,500.21)
Proceeds from term deposits with banks		**10,000.21**	16,372.47
NET CASH GENERATED FROM / (USED IN) IN INVESTING ACTIVITIES (B)		**(19,283.79)**	(8,230.65)
CASH FLOW FROM FINANCING ACTIVITIES			
Proceeds from borrowings through Debt Securities		**2,50,000.00**	1,67,462.50
Repayment of borrowings through Debt Securities		**(1,95,000.00)**	(1,30,000.00)
Proceeds from borrowings through Subordinated Liabilities		**–**	10,000.00
Repayment of borrowings through Subordinated Liabilities		**(6,000.00)**	(1,000.00)
Proceeds from Borrowings (Other than Debt Securities)		**3,68,631.96**	77,875.00
Repayment of Borrowings (Other than Debt Securities)		**(2,88,208.73)**	(1,38,535.31)
Payments of lease liability		**(1,828.60)**	(1,383.73)
NET CASH GENERATED FROM / (USED IN) FINANCING ACTIVITIES (C)		**1,27,594.63**	(15,581.54)

STATEMENT OF CASH FLOWS FOR THE YEAR ENDED 31 MARCH 2026 (CONTD...)

Particulars	(₹ in Lakhs) Year ended 31 March 2026	(₹ in Lakhs) Year ended 31 March 2025
NET INCREASE / (DECREASE) IN CASH AND CASH EQUIVALENTS (A+B+C)	**(8,963.12)**	(44,074.24)
CASH AND CASH EQUIVALENTS AT THE BEGINNING OF THE YEAR	**13,599.02**	57,673.26
CASH AND CASH EQUIVALENTS AT THE END OF THE YEAR	**4,635.90**	13,599.02
Components of Cash and Cash Equivalents		
Cash and cash equivalents at the end of the year		
– Cash on hand	**441.84**	800.58
– Balances with banks in current accounts	**2,187.41**	2,849.25
– Term deposits with original maturity up to 3 months	**2,006.65**	9,949.19
Total	**4,635.90**	13,599.02

Notes:

1) The above Statement of Cash Flow has been prepared under the 'Indirect method' as set out in the Ind AS 7 'Statement of Cash Flows'.

Notes to the Financial Statements for the year ended 31 March 2026

1 COMPANY INFORMATION

Mahindra Rural Housing Finance Limited ('the Company'), having corporate identification number CIN: U65922MH2007PLC169791, incorporated in India is a Housing Finance Company ('HFC') engaged in providing housing finance through its pan India branch network. In exercise of the powers conferred on the National Housing Bank vide Section 29A of The National Housing Bank Act, 1987, the Company has been granted Certificate of Registration dated 13 August 2007 to commence the business of a housing finance institution without accepting public deposits.

The Company fulfils the Principal Business Criteria as laid down under paragraph 10 (9) , of the Master Direction - Reserve Bank of India (Housing Finance Companies) Directions, 2025 ('Master Directions'). The Company's financial assets constitute more than 60% of its total assets and out of the total assets, the Company has financed over 50% towards housing loans to individuals.

The Company is a subsidiary of Mahindra & Mahindra Financial Services Limited. Mahindra & Mahindra Limited is the ultimate holding company. The Company's registered office is at Mahindra Towers, 4th Floor, Dr. G. M. Bhosale Marg, Worli, Mumbai 400018, India.

2 MATERIAL ACCOUNTING POLICY INFORMATION

2.1 Statement of compliance and basis for preparation and presentation of financial statements

These standalone or separate financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 ("the Act") and in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. Further, the Company has complied with all the directions related to Implementation of Indian Accounting Standards prescribed for Non-Banking Financial Companies (NBFCs) in accordance with the Reserve Bank of India Direction no. RBI/DOR/2025-26/359 DOR.ACC.REC.No.278/21.04.018/2025-26 dated November 28, 2025.

Any application guidance/ clarifications/ directions issued by Reserve Bank of India (RBI), National Housing Bank (NHB) or other regulators are implemented as and when they are issued/ applicable.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Company presents its Balance Sheet in the order of liquidity.

The Company prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

These separate financial statements were approved by the Company's Board of Directors and authorised for issue on 15th April 2026.

2.2 Functional and presentation currency

These financial statements are presented in Indian Rupees ('INR' or '₹') which is also the Company's functional currency. All amounts are rounded-off to the nearest lakhs, unless otherwise indicated.

2.3 Basis of measurement

The financial statements have been prepared on the historical cost convention and on an accrual basis, except for certain financial instruments which are measured at fair values as required by relevant Ind AS.

2.4 Measurement of fair values

The Company's certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

2.5 Use of estimates and judgements and Estimation uncertainty

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were issued. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions as and when they occur.

Following are the areas that involve a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

(i) Effective Interest Rate (EIR)

The Company recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other fee income/expense that are integral parts of the instrument.

(ii) Impairment of Financial Assets

The measurement of impairment losses on loan assets and commitments, requires judgement, in estimating the amount and timing of future cash flows and recoverability of collateral values while determining the impairment losses and assessing a significant increase in credit risk.

The Company's Expected Credit Loss (ECL) calculation is the output of a complex model with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL model that are considered accounting judgements and estimates include:

- The Company's criteria for assessing if there has been a significant increase in credit risk
- The classification of financial assets when their ECL is assessed on a collective basis
- Development of ECL model, including the various formulas and the choice of inputs
- Selection of forward-looking macroeconomic scenarios and their probability weights, to derive the economic inputs into the ECL model
- Management overlay used in circumstances where management judges that the existing inputs, assumptions and model techniques do not capture all the risk factors relevant to the Company's lending portfolios.

It has been the Company's policy to regularly review its model in the context of actual loss experience and adjust when necessary (refer note 45)

(iii) Provisions and other contingent liabilities:

The Company does not recognise a contingent liability but discloses its existence in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic

Notes to the Financial Statements for the year ended 31 March 2026

benefits will arise, the asset and related income are recognised in the year in which the change occur Contingent Liabilities in respect of show cause notices are considered only when converted into demands.

The reliable measure of the estimates and judgements pertaining to litigations and the regulatory proceedings in the ordinary course of the Company's business are disclosed as contingent liabilities.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision is made. The disclosure of contingent liability is made when there is a possible obligation or present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligation for which a reliable estimate cannot be made as a contingent liability.

(iv) Provision for income tax and deferred tax assets:

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax, including the amount expected to be paid / recovered for uncertain tax positions. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting year.

(v) Defined Benefit Plans / Compensated absences:

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(vi) Going Concern

The financial statements of the Company are prepared on a going concern basis for the year ended March 31, 2026.

The Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources. (refer note 43 and note 44 (iii))

2.6 Revenue recognition :

a) Recognition of interest income

Effective Interest Rate (EIR) method

Interest income is recognized in Statement of profit and loss using the effective interest method for all financial instruments measured at amortized cost, debt instruments measured at Fair Value Through Other Comprehensive Income (FVOCI) and debt instruments designated at Fair Value Through Profit and Loss (FVTPL). The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through interest income in the Statement of Profit and Loss.

Interest income

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired, the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial assets cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis (amortised cost). Additional interest levied on customers for delay in repayments/ non payment of contractual cashflows is recognised on realisation.

b) Fees and commission income

The Company recognises service and administration charges at point in time towards rendering of additional services to its loan customers on satisfactory completion of service delivery.

Fees and commission that are not directly linked to the sourcing of financial assets are recognised at point in time in the Statement of Profit and Loss when the right to receive the same is established.

Instrument Return Charges levied on customers for non payment of instalments on the contractual date is recognised on realisation.

Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognised on realisation.

Commission/Distribution income on distribution of insurance/other products are earned by distribution of services and products of other entities under distribution arrangements. The income is recognised on distribution on behalf of other entities subject to there being reasonable certainty of its recovery.

Other income includes fees and charges that are not considered integral to the EIR. These are recognised in accordance with Ind AS 115 – Revenue from Contracts with Customers, when the performance obligation is satisfied and it is probable that economic benefits will flow to the Company. This includes insurance commission, foreclosure/ prepayment charges, cheque bounce charges, etc.

c) Dividend and interest income on investments

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of dividend income can be measured reliably). The gain / loss on account of redemption of units of mutual funds is recognised in the period in which redemption occurs.

Interest income from investment is recognised when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time proportionate basis, by reference to the principle outstanding and at the effective interest rate applicable.

d) Net gain/(loss) on fair value changes :

The Company designates certain financial instruments for subsequent measurement at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI) as per the criteria in Ind AS 109. The Company recognises gains/(losses) on fair value change of financial instruments and realised gains/(losses) on derecognition of financial instruments measured at FVTPL and FVOCI on net basis.

2.7 Property, Plant and Equipment (PPE)

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any. Cost of acquisition consists of purchase price or construction cost which is the amount paid, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Notes to the Financial Statements for the year ended 31 March 2026

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured.

Other repairs and maintenance costs are expensed off as and when incurred.

Advances paid towards the acquisition of PPE (excluding lease improvements) outstanding at each balance sheet date are disclosed separately as "Capital advances" under other non-financial assets. Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date and cost of leasehold improvements. Capital work-in-progress is stated at cost, net of impairment loss, if any. On completion of work related to leasehold property improvements, the relevant cost is capitalized and the same is amortized over the lease term.

Depreciation on PPE is provided on straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis assuming no residual life at the end of useful life of the asset, subject to exceptions listed here below. Depreciation methods, useful lives and residual values are reviewed in each financial year, and changes, if any, are accounted for prospectively.

In accordance with Ind AS 116 - Leases, the Right-Of-Use assets are initially recognized at cost which comprises of initial amount of lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. These are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-Of-Use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The estimated useful lives used for computation of depreciation are as follows:

Assets	Useful life
Buildings	60 years
Computers	3 years
Furniture and fixtures	10 years
Vehicles	8 years
Office equipments	5 years
Right-Of-Use assets	Over the lease term of the respective agreements
Leasehold premises	Over the lease term of the respective agreements

Exceptions to useful lives specified in Schedule II to the Companies Act, 2013-

- Assets costing less than ₹5000/- are fully depreciated in the year of purchase.
- Vehicles provided to employees as part of Cost-To-Company (CTC) scheme are depreciated using estimated useful life of 4 years

PPE is derecognized on disposal or when no future economic benefits are expected from its use. Assets retired from active use and held for disposal are generally stated at the lower of their carrying amount & fair value less costs to sell. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognized in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognized.

2.8 Intangible assets :

Intangible assets are stated at cost less accumulated amortization and accumulated impairment loss, if any.

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognized in profit or loss as incurred.

Intangible assets comprises of computer software which is amortized over the estimated useful life. The maximum year for such amortization is taken as 36 months based on management's estimates of useful life. Amortisation is calculated using the Straight line method to write down the cost of intangible assets over their estimated useful lives.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.

2.9 Financial instruments :

Recognition and initial measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair Value Through Profit and Loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of Profit and Loss.

Classification and subsequent measurement

- ***Financial assets***

  On initial recognition, a financial asset is classified as measured at

  - *Amortised cost;*
  - *Fair Value Through Other Comprehensive Income (FVTOCI) - debt instruments;*
  - *Fair Value Through Other Comprehensive Income (FVTOCI) - equity instruments;*
  - *Fair Value Through Profit and Loss (FVTPL)*

Amortized cost -

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held with the objective to hold financial asset in order to collect contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest ('SPPI') on the principal amount outstanding. Accordingly, the Company measures Bank balances, Loans, Trade receivables and other financial instruments that meet the SPPI criterion at amortized cost.

FVOCI - debt instruments -

The Company measures its debt instruments at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets; and the contractual terms of the financial asset meet the SPPI test.

FVOCI - equity instruments -

The Company subsequently measures all equity investments at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments and are not held for trading.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in Other Comprehensive Income. This cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of such instruments. Investments representing equity interest in subsidiary and associate are carried at cost less any provision for impairment.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the year the Company changes its business model for managing financial assets.

All financial assets not classified as measured at amortised cost or FVTOCI are measured at FVTPL.

Notes to the Financial Statements for the year ended 31 March 2026

Subsequent measurement and gains and losses:

Financial assets classified at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income and impairment are recognised in Statement of profit and loss. Any gain and loss on derecognition is recognised in Statement of Profit and Loss.

Debt investment at FVOCI are subsequently measured at fair value. Interest income at effective interest rate and impairment provision, if any, are recognised in Statement of profit and loss. Net gains or losses on fair valuation are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of profit and loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of Profit and Loss.

Financial instruments :

Financial liabilities and equity instruments:

Classification as debt or equity -

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments -

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

Financial liabilities -

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in the Statement of Profit and Loss.

Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in the Statement of Profit and Loss.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value.

Derivative financial instruments

The Company enters into derivative financial instruments to manage its borrowing exposure to interest rate risks.

Derivatives embedded in non-derivative host contracts are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL.

Derivatives are initially recognised at fair value on the date on which the contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting year. A derivative with a positive fair value is recognised as a financial asset whereas a derivative with a negative fair value is recognised as a financial liability. The resulting gain/ loss is recognised in Statement of profit and loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

At the inception of the hedge relationship, the Company documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Company documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in the statement of profit and loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

Impairment of financial instruments

Equity instruments are not subject to impairment under Ind AS 109.

Financial assets carried at amortised cost:

The Company recognises lifetime expected credit loss (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial assets carried at amortised cost is credit impaired. If the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 month ECL. The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial instrument.

When determining whether credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on historical experience and forward-looking information.(Refer Note 45)

Management overlay is used to adjust the ECL allowance in circumstances where management judges that the existing inputs, assumptions and model techniques do not capture all the risk factors relevant to the Company's lending portfolio. Emerging local or global macro economic, micro economic or political events, and natural disasters that are not incorporated in to the current parameters, risk ratings, or forward looking information are examples of such circumstances. The use of management overlay may impact the amount of ECL recognised.

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial instrument. It has been the Company’s policy to regularly review its model in the context of actual loss experience and provide for additional impairment allowance due to management overlay when necessary (refer note 45)

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets. For debt securities measured at FVOCI, the loss allowance is recognized in OCI.

Loan contract renegotiation and modifications:

Loans are identified as renegotiated and classified as credit impaired when the Company modifies the contractual payment terms due to significant credit distress of the borrower. Renegotiated loans remain classified as

Notes to the Financial Statements for the year ended 31 March 2026

credit impaired until there is sufficient evidence to demonstrate a significant reduction in the risk of non payment of future cash flows and retain the designation of renegotiated until maturity or derecognition.

Mandatory and general offer loan modifications that are not borrower-specific, for example market-wide customer relief programmes announced by the Regulator or other statutory body, have not been classified as renegotiated loans and so have not resulted in derecognition, but their stage allocation is determined considering all available and supportable information under our ECL impairment policy.

A loan that is renegotiated is derecognised if the existing agreement is cancelled and a new agreement is made on substantially different terms, or if the terms of an existing agreement are modified such that the renegotiated loan is a substantially different financial instrument. Any new loans that arise following derecognition events in these circumstances are considered to be originated credit impaired financial asset and will continue to be disclosed as renegotiated loans.

Other than originated credit-impaired loans, all other modified loans could be transferred out of stage 3 if they no longer exhibit any evidence of being credit impaired and, in the case of renegotiated loans, there is sufficient evidence to demonstrate a significant reduction in the risk of non-payment of future cash flows over the minimum observation year, and there are no other indicators of impairment. These loans could be transferred to stage 1 or 2 based on the risk assessment mechanism by comparing the risk of a default occurring at the reporting date (based on the modified contractual terms) and the risk of a default occurring at initial recognition (based on the original, unmodified contractual terms). Any amount written off as a result of the modification of contractual terms would not be reversed.

Loan modifications that are not identified as renegotiated are considered to be commercial restructuring. Where a commercial restructuring results in a modification (whether legalised through an amendment to the existing terms or the issuance of a new loan contract) such that the Company's rights to the cash flows under the original contract have expired, the old loan is derecognised and the new loan is recognised at fair value. The rights to cash flows are generally considered to have expired if the commercial restructure is at market rates and no payment-related concession has been provided.

Collateral repossessed:

In the normal course of business, the Company does not physically repossess assets/properties in its loan portfolio, but engages external agents to repossess and recover funds, generally by selling at auction, to settle outstanding debt. Any surplus funds are returned to the customers/ obligors As a result of this practice, the assets/ properties under legal repossession processes are not separately recorded on the balance sheet.

Write offs:

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made from written off assets are netted off against the amount of financial assets written off during the year under "bad debts/loss on termination" forming part of "impairment on financial instruments" in Statement of Profit and Loss.

2.10 Employee benefits:

a) Short-term employee benefits

All employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. Short-term employee benefit obligations are measured on an undiscounted basis and these are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b) Contribution to Provident Fund, ESIC and National Pension Scheme

The defined contribution plans i.e. provident fund (administered through Regional Provident Fund Office), superannuation fund and employee state insurance corporation and National Pension Scheme are post-employment benefit plans under which a Company pays fixed contributions and will have no legal and constructive obligation to pay further amounts beyond its contributions. The Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India and the Company has no obligation to the scheme beyond its contributions.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Company's contribution paid/payable during the year to provident fund, superannuation scheme, employees state insurance corporation (ESIC) and national pension scheme (NPS) is recognised in the Statement of Profit and Loss.

c) Gratuity and post retirement medical benefit -

The Company's liability towards gratuity and post retirement medical benefit schemes are determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognized at the earlier of the plan amendment / curtailment and recognition of related restructuring costs/termination benefits.

The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the year by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual year to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the year as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.

"When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contribution to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement gains/losses

Remeasurement of defined benefit plans, comprising of actuarial gains / losses, return on plan assets excluding interest income are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent year.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

d) Leave encashment / compensated absences / sick leave

The Company provides for the encashment / ailment of leave with pay subject to certain rules as per leave policy of the Company. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

e) Employee stock options :

Compensation cost on Equity-settled share-based payments to employees are recognized as an expense at the fair value of equity stock options at the grant date. The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the graded vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

f) Long-Term Incentive Plan:

The Company pays Long Term Incentives to certain employees on fulfilment of prescribed criteria/conditions. The Company's liability

Notes to the Financial Statements for the year ended 31 March 2026

towards Long Term Incentive is determined actuarially based on certain assumptions regarding rate of Interest, staff attrition and mortality as per Projected Unit Credit Method. Expenses towards long term incentive are recognised in the Statement of Profit and Loss.

2.11 Finance costs :

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at amortised cost, i.e., bank term loans, non-convertible debentures, inter corporate deposits, commercial papers and subordinated debts, to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the Statement of Profit and Loss.

Interest expense on lease liabilities (Ind AS 116 - Leases) computed by applying the Company's weighted average incremental borrowing rate has been included under finance costs.

2.12 Taxation - Current and deferred tax:

Income tax expense comprises of current tax and deferred tax. Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively. Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time years.

a) Current tax :

Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect of previous years The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting year. Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Current tax is recognised in statement of profit or loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current tax is also recognised in other comprehensive income or directly in equity respectively.

The management yearly evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b) Deferred tax :

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting year. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Company expects, at the end of the reporting year, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is recognised in statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity respectively.

Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off current tax assets against current tax liabilities and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities on a net basis or simultaneously.

2.13 Securities issue expenses :

Expenses incurred in connection with the fresh issue of Share capital are adjusted against Securities premium reserve. In current year there is no fresh issue of Share capital

2.14 Impairment of non financial assets :

The Company reviews the carrying amounts of its tangible and other intangible assets at the end of each reporting year, to determine whether there is any indication that those assets have impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the assets is considered impaired, and is written down to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount such that the increased carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised for the asset (or cash-generating unit) in prior years The reversal of an impairment loss is recognised in the Statement of Profit and Loss.

2.15 Leases :

The Company as a lessee -

As a lessee, the Company's lease asset class primarily consist of buildings or part thereof taken on lease for office premises and certain IT equipment and general purpose office equipements used for operating activities. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a year of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the year of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. ROU assets and corresponding lease liabilities constitute lease contracts for office premises.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost which comprises of initial amount of lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. These are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term

The lease liability is initially measured at amortized cost at the present value of the future lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

In the Balance Sheet, ROU assets have been included in property, plant and equipment and Lease liabilities have been included in Other financial liabilities and the principal portion of lease payments have been classified as financing cash flows. The Company has used a single discount rate to a portfolio of leases with similar characteristics.

In accordance with Ind AS 116, Leases, the financial information have been presented in the following manner.

a) ROU assets and lease liabilities have been included within the line items "Property, Plant and Equipment" and "Other financial liabilities" respectively in the Balance sheet;

b) Interest expenses on the lease liability and depreciation charge for the right-to-use asset have been included within the line items "Finance costs" and "Depreciation, amortization and impairment" respectively in the statement of profit or loss;

c) Short-term lease payments and payments for leases of low-value assets, where exemption as permitted under this standard is availed, have been recognized as expense on a straight line basis over the lease term in the statement of profit or loss.

d) Cash payments for the principal and interest of the lease liability have been presented within "financing activities" in the statement of cash flows;

The disclosures pertaining to Ind AS 116 are set out under **note no. 37.**

2.16 Provisions, contingent liabilities and contingent assets:

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed. Provisions are not recognised for future operating losses.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision is made. The disclosure of contingent liability is made when there is a possible obligation or present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligation for which a reliable estimate cannot be made as a contingent liability. Contingent Liabilities are reviewed at each Balance Sheet date.

A contingent asset is disclosed where an inflow of economic benefit is probable.

When some or all economic benefits required to settle a provision are expected to be recovered from third party, a receivable is recognised as an asset, if it is virtually certain that reimbursement will be received and the amount can be measured reliably.

Commitments are future liabilities for contractual obligation. The commitments are classified and disclosed as follows:

i. The estimated amount of contracts remaining to be executed on capital account and not provided for; and

ii. Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of the Management.

2.17 Cash and Cash Equivalents :

Cash and cash equivalents comprise the net amount of short-term, highly liquid investments that are readily convertible to known amounts of cash (short-term deposits with an original maturity of three months or less) and are subject to an insignificant risk of change in value, cheques on hand and balances with banks.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash on hand, cheques on hand, balances with banks (of the nature of cash and cash equivalents), and short- term deposits.

2.18 Earnings per share :

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 - Earnings per Share. Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

2.19 Exceptional Items :

Exceptional items are those items of income or expense from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure in the financial statements is considered necessary to explain the performance of the Company.

2.20 Other Expenses :

Expenses are recognised on accrual basis net of the goods and services tax, except where credit for the input tax is not statutorily permitted.

2.21 New standards or amendments to the existing standards and other pronouncements :

Recent pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. As on March 31, 2026, there is no new standard notified or amendment to any of the existing standards under Companies (Indian Accounting Standards) Rules, 2015.

On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has considered such incremental impact as exceptional item in the Statement of Profit and Loss for the year ended March 31, 2026. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect based on such developments as needed.”

* Government Securities being risk free the Company has not recognised any provision under Expected Credit Loss on such Investments.

The Company has sold loans to an Asset Reconstruction Company (ARC) on August 25, 2025 and August 25, 2025 SRs were received as considerations for the transfer of loans. However, as the legal form of the asset has changed from loans to investments, it is accounted under investments. SRs have followed the same measurement/ classification approach and ECL has been recognised in a similar manner as applicable to the underlying loans.

Impairment allowance includes management overlay of ₹7967.10 lakhs on security receipts as on March 31, 2026.

22 Other Equity

Description of the nature and purpose of Other Equity :

Statutory reserve

As per Section 29C of the National Housing Bank Act, 1987, the Company is required to transfer at least 20% of its net profits every year to a reserve before any dividend is declared. The Company transfers an amount to Special Reserve at year end. The Company does not anticipate any withdrawal from Special Reserve in the foreseeable future.

Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

General reserve

General reserve was created through transfer of profits at a specified percentage in accordance with applicable regulations under the erstwhile Companies Act, 1956. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid up capital of the Company for that year, then the total dividend distribution is less than the total distributable profits for that year. Consequent to introduction of the Companies Act, 2013, the requirement to mandatorily transfer specified percentage of net profits to General reserve has been withdrawn. However, the amount previously transferred to the General reserve can be utilised only in accordance with the specific requirements of the Companies Act, 2013.

Employee stock options outstanding

The Employee Stock Options outstanding represents amount of reserve created by recognition of compensation cost at grant date fair value on stock options vested but not exercised by employees.

Retained earnings

Retained earnings or accumulated surplus represents total of all profits retained since Company's inception. Retained earnings are credited with current year profits, reduced by losses, if any, dividend payouts, transfers to General reserve or any such other appropriations to specific reserves.

23 Interest income

33 Earning Per Share

Basic EPS is calculated in accordance with Ind AS 33 'Earnings Per Share' by dividing the net profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is calculated by dividing the net profit attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares of the Company. In case diluted EPS is increased when taking the dilutive shares into account, the dilutive shares are anti-dilutive and are ignored in the calculation of diluted EPS.

The following reflects the income and share data used in the basic and diluted EPS computations:

	31 March 2026	31 March 2025
Profit/(loss) for the year attributable to equity shareholders (Rupees in lakhs)	**5,801.04**	(22,793.95)
Weighted average number of equity shares used in computing basic EPS	**12,25,04,224**	12,23,88,069
Effect of potential dilutive equity shares	**1,89,321**	4,15,197
Weighted average number of equity shares used in computing diluted EPS	**12,26,93,544**	12,28,03,266
Basic earnings per share (₹) (Face value of ₹ 10/- per share)	**4.74**	(18.62)
Diluted earnings per share (₹)	**4.73**	(18.62)

34 Employee Stock Option Scheme:

The Company has used fair value method to account for the compensation cost of stock options. Fair value of options is based on the valuation of the independent valuer using the Black -Scholes model.

(₹ in Lakhs)

Notes to the Financial Statements for the year ended 31 March 2026

Description of ESOP Scheme:

Particulars	ESOP
Vesting requirements	Stock Options due for vesting on each vesting date shall vest on the basis of time i.e. mere continuance of employment as on relevant date of vesting.
Vesting Conditions	25% on expiry of 12 months from the date of grant
	25% on expiry of 24 months from the date of grant
	25% on expiry of 36 months from the date of grant
	25% on expiry of 48 months from the date of grant
Method of Settlement	Equity settled

The Fair value of options, based on the valuation of the independent values as on the date of grant are:

	31 March 2026			31 March 2025		
Vesting Date	**No of years vesting**	**Fair Value (₹) per share**	**Exercise Price (₹)**	No of years vesting	Fair Value (₹) per share	Exercise Price (₹)
	NIL			**NIL**		

The Key assumptions used in Black-Scholes model for calculating fair value as on the date of grant are:

Variables#	**31 March 2026**	31 March 2025
1) Risk free interest rate	**NIL**	NIL
2) Expected life	**NIL**	NIL
3) Expected volatility	**NIL**	NIL
4) Price of the underlying share at the time of option grant (₹)	**NIL**	NIL

the value mentioned against each of the variables are based on the weighted average percentage of vesting.

Notes to the Financial Statements for the year ended 31 March 2026

35 Employee Benefits

General description of defined benefit plans:

Gratuity

The Company provides for the gratuity, a defined benefit retirement plan covering qualifying employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under The Code on Social Security, 2020. The Company makes annual contribution to the gratuity scheme administered by the Life Insurance Corporation of India through its gratuity fund.

Post retirement medical cover

The Company provides for post retirement medical cover to select grade of employees to cover the retiring employee and their spouse upto a specified age through mediclaim policy on which the premiums are paid by the Company. The eligibility of the employee for the benefit as well as the amount of medical cover purchased is determined by the grade of the employee at the time of retirement.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Investment risk -

The plan liabilities are calculated using a discount rate set with references to government bond yields; if plan assets underperform compared to this yield, this will create or increase a deficit.

Interest rate risk -

A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plan's investment in debt instruments.

Variability in withdrawal rates -

If actual withdrawal rates are higher than assumed withdrawal rate assumption then the gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

Regulatory Risk -

Gratuity Benefit must comply with the requirements of the Payment of Gratuity Act, 1972 (as amended up-to-date). There is a risk of change in the regulations requiring higher gratuity payments (e.g. raising the present ceiling of ₹ 20.00 Lakhs, raising accrual rate from 15/26 etc.).

Inflation risk -

The present value of some of the defined benefit plan obligations are calculated with reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability. The post retirement medical benefit obligation is sensitive to medical inflation and accordingly, an increase in medical inflation rate would increase the plan's liability.

Salary Risk -

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk -

The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Concentration Risk -

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very low.

Life expectancy -

The present value of defined benefit plan obligation is calculated by reference to the best estimate of the mortality of plan participants, both during and after the employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

If actual mortality rates are higher than assumed mortality rate assumption than the gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cashflow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

On November 21, 2025, the Government of India notified the provisions of four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively "new Labour Codes") which consolidate 29 existing labour laws into a unified framework governing employee benefits during employment and post-employment.

In accordance with the new Labour Codes, the Company has currently estimated the incremental impact of Gratuity to be ₹900.32 lakhs and Leave Encashment to be ₹257.34 lakhs on the basis of Actuarial Valuation. This has been presented under "Exceptional Items" in the standalone financial statements for the year ended March 31, 2026.

The Company continues to monitor developments on the Rules to be notified by regulatory authorities, including clarifications/ additional guidance from authorities and will continue to assess the accounting implications, basis such developments/ guidance.

Details of defined benefit plans as per actuarial valuation are as follows:

		Funded Plan Gratuity		Unfunded Plan-Post retirement medical benefits

5th Following Year	**281.42**	53.38	**1.09**	1.10
Sum of Years 6 To 10	**530.92**	95.86	**8.57**	7.17
Sum of Years 11 and above	**146.99**	8.34	**51.19**	19.84

The estimate of future salary increases, considered in actuarial valuation, considers inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The plan assets have been primarily invested in government securities and corporate bonds.

The cost of the defined benefit plans and other long term benefits are determined using actuarial valuations. Actuarial valuations involve making various assumptions that may differ from actual developments in the future. These includes the determination of the discount rate, future salary increases and mortality rate. Due to these complexity involved in the valuation it is highly sensitive to the changes in these assumptions. All assumptions are reviewed at each reporting date. The present value of the defined benefit obligation and the related current service cost and planned service cost were measured using the projected unit cost method.

Contribution to funds

The Company's contribution to provident fund ,superannuation fund & national pension scheme aggregating ₹ 1390.36 lakhs (31 March 2025: ₹ 1,684.18 lakhs) has been recognised in the statement of profit and loss under the head employee benefits expenses.

(₹ in Lakhs)

Notes to the Financial Statements for the year ended 31 March 2026

Compensated Absences

The principal assumptions used in determining obligations for the Company are shown below:

Particulars	31 March 2026	31 March 2025
Rate of discounting	**6.48%**	6.54%
Expected rate of salary increase	**8.00%**	7.00%
Rate of employee turnover	**47.82% for age upto 30, 36.58% for age 31-44, 25.83% for above 44**	83.05% for age upto 30, 70.76% for age 31-44, 35.55% for above 44
Mortality	**Indian Assured Lives Mortality (2012-14) Urban**	Indian Assured Lives Mortality (2012-14) Ultimate
Expenses recognised in statement of profit and loss	232.36	276.70

The Company has not funded its compensated absences liability and the same continues to remain as unfunded as at March 31, 2026.

The estimate of future salary increase takes into account inflation, seniority, promotion and other relevant factors.

Discount rate is based on the prevailing market yields of Indian Government Bonds as at the balance sheet date for the estimated term of the obligation.

Contribution to funds

Long Term Incentive Scheme

The Long-Term Incentive Plan is annually granted along with the performance cycle at the end of the financial year and determined on the individual performance rating criteria, awarded LTIP will vest equally in 3 years. This incentive scheme is launched in current financial year.

Actuarial assumptions and Sensitivity

Particulars	31 March 2026	31 March 2025
Retirement Age	**60 years**	
Discount Rate	**6.48%**	
Attrition Rate	**6.90%**	
Performance Measurement	**85%**	

Reconciliation of the Liability recognised in the Balance Sheet:

Particulars	31 March 2026	31 March 2025
Opening Net Liability	**–**	–
Expense recognised in the P&L	**11.52**	–

Amount recognised in the Balance Sheet under "Provision for Retirement Benefits"	**11.52**	–

The Company has not funded its compensated absences liability and the same continues to remain as unfunded as at 31st March 2026.

Discount rate is based on the prevailing market yields of Indian Government Bonds as at the balance sheet date for the estimated term of the obligation.

36 Operating segments

Primary segment (Business Segment)

The Group's business is organised in to following segments and the management reviews the performance based on the business segments as mentioned below:

Segment	Activities covered
Financing activities	Providing Housing Finance Services
Insurance agency business	Corporate Insurance agency Business.

Income for each segment has been specifically identified. Expenditure, assets and liabilities are either specifically identifiable with individual segments or have been allocated to segments on a systematic basis. Based on such allocation, segment disclosures relating to revenue, results, assets and liabilities have been prepared.

Secondary segment (Geographical Segment)

Since the business operations of the Company are primarily concentrated in India, the Company is considered to operate only in the domestic segment and therefore there is no reportable geographic segment.

The following table gives information as required under the Ind AS -108 on Operating Segments:

Particulars	Year Ended March 31, 2026			Year Ended March 31, 2025

ii)	Interest expense on lease liabilities (presented under note - 27 "Finance costs")	**596.60**	512.77
iii)	Expense relating to short-term leases		–
iv)	Expense relating to leases of low-value assets	**202.03**	272.67
v)	Payments for lease liability	**1,755.76**	1,896.49
vi)	Additions to right-of-use assets during the year	**2,376.55**	804.57
vii)	Carrying amount of right-of-use assets at the end of the reporting year by class of underlying asset -	**–**	–
	– Property taken on lease for office premises (presented under note - 10 "Property, plant and equipment")	**6,311.59**	6,669.97
viii)	Lease liabilities (presented under note - 18 "Other financial liabilities")	**7,464.76**	7,938.56

38 Frauds reported during the year

There were 15 cases (31 March 2025: 50 cases) of frauds amounting to ₹ 17.07 Lakhs (31 March 2025: ₹ 82.68 Lakhs) reported during the year. The Company has recovered an amount of ₹ 19.83 Lakhs (31 March 2025: ₹ 18.28 Lakhs) and wherever required has initiated appropriate legal actions against the individuals involved. The claims for the un-recovered losses are lodged with the insurance companies on a merit basis.

39 Contingent liabilities and commitments (to the extent not provided for)

		31 March 2026	31 March 2025
i)	**Claims against the Company not acknowledged as debt**		
	Legal suits filed by customers	**133.26**	170.78
	Income Tax matters where Company has gone in Appeal	**144.52**	144.35
	GST matters where Company has gone in Appeal	**128.67**	
ii)	**Commitments**		
	Estimated amount of contracts remaining to be executed on capital account and not provided for	**598.69**	340.51
Other commitments:			
Amount on account of loan sanctioned but not disbursed		**81,717.18**	53,169.04
Total		**82,722.32**	53,824.68

The Company's pending litigations comprise of claims against the Company primarily by the customers and proceedings pending with Income Tax authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed the contingent liabilities where applicable, in its financial statements. The amount of provisions/contingent liabilities is based on management's estimate, and no significant liability is expected to arise out of the same.

The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial performance and financial position regarding the amounts disclosed above, it is not practicable to disclose information on the possibility of any reimbursements as it is determinable only on the occurrence of uncertain future events.

40 The Company has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Company has reviewed and ensured that adequate provision as required under any law/accounting standards for material foreseeable losses on such long term contracts has been made in the books of accounts.

41 Capital Management

The Reserve Bank of India Master Direction RBI/DOR/2025-26/359 DOR. ACC.REC.No.278/21.04.018/2025-26 and Master Direction RBI/DoR/2025-26/365 DoR.FIN.REC.284/03-10-119/2025-26 dated November 28, 2025 (as amended), outlines the regulatory guidance in relation to Ind AS financial statements. This includes the guidance for computation of 'owned funds', 'net owned funds' and 'regulatory capital'. Accordingly, the 'regulatory capital' has been computed in accordance with these requirements.

The Company's capital management strategy is to effectively determine, raise and deploy capital so as to create value for its shareholders The same is done through a mix of either equity and/or convertible and/or combination of short term /long term debt as may be appropriate.

The Company determines the amount of capital required on the basis of its operations, capital expenditure and strategic investment plans. The capital structure is monitored on the basis of net debt to equity and maturity profile of overall debt portfolio.

The Company is subject to the capital adequacy requirements as per Chapter-III – Prudential Regulation – Capital; of Master Directions. As per Capital requirement guidelines, the Company is required to maintain a capital adequacy ratio on an going basis consisting of Tier I and Tier II Capital which shall not be less than 15% of its aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet. The Tier I capital at any point of time shall not be less than 10 percent. The total of Tier II Capital at any point of time, shall not exceed 100 percent of Tier I Capital.

Company has complied with all regulatory requirements related to regulatory capital and capital adequacy ratios as prescribed by RBI.

(₹ in Lakhs)

Notes to the Financial Statements for the year ended 31 March 2026

Regulatory capital

	31 March 2026	31 March 2025
Tier 1 capital	**1,14,352.04**	1,06,953.75
Tier 2 capital	**25,535.12**	32,020.98
Total capital	**1,39,887.16**	1,38,974.73
Risk weighted assets	**5,34,231.12**	4,07,832.23
Tier 1 capital ratio	**21.40%**	26.23%
Tier 2 capital ratio	**4.78%**	7.85%
Total capital ratio	**26.18%**	34.08%

"Tier I Capital" means owned fund as reduced by investment in shares of other non-banking financial companies including housing finance companies and in shares, debentures, bonds, outstanding loans and advances including hire purchase and lease finance made to and deposits with subsidiaries and companies in the same group exceeding, in aggregate, ten per cent of the owned fund.

"Owned Fund" means paid up equity capital, preference shares which are compulsorily convertible into equity, free reserves including balance in share premium account and capital reserves representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of asset, as reduced by accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any.

"Tier II capital" includes the following -

a. Preference shares other than those which are compulsorily convertible into equity;

b. Revaluation reserves at discounted rate of fifty-five per cent.

c. General provisions and loss reserves to the extent these are not attributable to actual diminution in value or identifiable potential loss in any specific asset and are available to meet unexpected losses, to the extent of one and one fourth per cent of risk weighted assets;

d. Hybrid debt capital instruments and

e. Subordinated debt;

to the extent the aggregate does not exceed Tier I capital.

Notes to the Financial Statements for the year ended 31 March 2026

b The table below summarises the contractual expiry by maturity of the undiscounted cash flows of the Company's loan commitments

31 March 2025	Up to 3 months	Over 3 months & upto 12 months	Total
Loan commitments	41,454.77	11,714.27	53,169.04

45 Financial Risk Management Framework

In the course of its business, the Company is exposed to certain financial risks namely credit risk, interest risk, currency risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors.

Board of Directors of the Company have established Asset and Liability Committee (ALCO), which is responsible for developing and monitoring risk management policies for its business. The Company's businesses are exposed to high credit risk given the unbanked rural customer base. The credit risk is managed through credit norms established based on historical experience and regulatory requirements.

i) Market Risk

Market the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, etc. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximizing the return.

a) Pricing Risk

The Company's Investments in Commercial Papers and Mutual Funds are exposed to pricing risk. Other financial instruments held by the company does not possess any risk associated with trading. A 5 percent increase in Net Assets Value (NAV) would increase profit before tax by approximately ₹ 1761.32 lakhs (31st March 2025: ₹ 1,091.87 lakhs). A similar percentage decrease would have resulted equivalent opposite impact.

b) Currency Risk

The Company does not have significant foreign currency exposure. As a result, the Company is not exposed to currency risk.

c) Interest Rate Risk

The Company uses a mix of cash and borrowings to manage the liquidity & fund requirements of its day-to-day operations. Further, certain interest bearing liabilities carry variable interest rates.

Interest Rate risk on fixed rate borrowings is managed by way of interest rate swaps, wherever necessary.

Interest Rate sensitivity

The sensitivity analyses below have been determined based on exposure to financial instruments at the end of the reporting year. For floating rate liabilities, analysis is prepared assuming the amount of liability outstanding at the end of the reporting year was outstanding for the whole year. The following table demonstrates the sensitivity to a reasonably possible change in interest rates on the financial assets & liabilities.

With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings and floating rate advances given, as follows:

	Currency	Increase/ decrease in basis points	Effect on profit before tax	Effect on pre-tax equity
Year ended 31 March 2026	**INR**	**100**	**4,680.58**	**–**
Year ended 31 March 2025	INR	100	3,256.69	–

Offsetting of balances: The Company has not offset financial assets and financial liabilities.

ii) Credit Risk Management

Credit risk is the risk that the Company will incur a loss because its customers fail to discharge their contractual obligations. The Company has a comprehensive framework for monitoring credit quality of its loans primarily based on days past due monitoring as at a year end. Repayment by individual customers and portfolio is tracked regularly and required steps for recovery are taken through follow ups and legal recourse.

Credit quality of financial assets

The following table sets out information about credit quality of loan assets measured at amortised cost primarily based on days past due information. The amount represents gross carrying amount.

Particulars	31 March 2026	31 March 2025
Gross carrying value of loan assets		
Neither Past due nor impaired	**7,78,314.68**	6,12,727.71
Past Due but not impaired		
30 days past due	**23,962.27**	24,634.89
31 - 90 days past due	**28,602.59**	48,051.54
Impaired (more than 90 days past due)	**20,335.15**	64,894.81
Total Gross carrying value as at reporting date	**8,51,214.69**	7,50,308.95

The Credit quality of the loan is monitored concurrently. Since the company is into retail home loan lending business, there is no significant credit risk of any individual customer that may impact company adversely, and hence, the Company has calculated its ECL allowances on a collective basis.

Inputs considered in the ECL model

In assessing the impairment of loan assets under Expected Credit Loss (ECL) Model, the assets have been classified into three stages. The three stages reflect the general pattern of credit deterioration of a financial instrument. The differences in accounting between stages, relate to the recognition of expected credit losses and the measurement of interest income.

The Company categorises loan assets into stages primarily based on the Days Past Due status at end of day (EOD) at borrower level.

Stage 1: 0-30 days past due

Stage 2: 31-90 days past due

Stage 3: More than 90 days past due

(a) Definition of default

The Company considers a financial asset to be in "default" and therefore Stage 3 (credit impaired) for ECL calculations when the borrower exceeds 90 days past due on its contractual payments.

(b) Exposure at default

"Exposure at Default" (EAD) represents the gross carrying amount of the assets subject to impairment calculation. Future Expected Cash flows (Principal and adjusted EIR) for future years has been used as exposure for Stage 2.

(c) Estimations and assumptions considered in the ECL model

The Company has made the following assumptions in the ECL Model:

a. "Loss given default" (LGD) is common for all three Stages and is based on loss in past portfolio. LGD methodology uses workout approach to include active accounts completed recovery period along with closed accounts. Loss rates are arrived at after adjusting for recovery costs.

b. "Probability of Default" (PD) is applied on Stage 1 and Stage 2 on portfolio basis and for Stage 3 PD at 100%. Through the

(₹ in Lakhs)

Notes to the Financial Statements for the year ended 31 March 2026

cycle- TTC PD methodology all active accounts are grouped into monthly cohorts of performing customers, ensuring only non-defaulted accounts at the start of each period are considered. The performance of these active accounts is evaluated at the end of the 12th month, and the Observed Default Rate is calculated as the proportion of customers who default within each monthly cohort during the defined observation period.

c. Coverages for new business: Industry bench mark coverage will be used for new business not having company history.

(d) Measurement of ECL

The assessment of credit risk and estimation of ECL are unbiased and probability weighted.

It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of respective portfolios over a period of time have been applied to determine impact of macroeconomic factors.

ECL allowance (or provision) on Stage 1 and Stage 2 assets is measured using portfolio approach, whereas impairment provisions on Stage 3 assets is measured at each individual asset/instrument level.

- Financial assets that are not credit impaired at the reporting date:

  ECL for Stage 1: Gross exposure is multiplied by PD and LGD percentage to arrive at the ECL allowance;

- Financial assets that have had a significant increase in credit risk (SICR) since initial recognition (unless they have low credit risk at the reporting date) but that do not have objective evidence of impairment:

  ECL for Stage 2: Future Expected Cash flows (Principal and Adjusted EIR) for respective future years is multiplied by respective years Marginal PDs and LGD percentage and thus arrived ECL allowance to calculate the present value of ECL allowance.

- Financial assets that are credit impaired at the reporting date:

  ECL for Stage 3: (Future principal + Overdue EMI (Principal + interest) – Unamortised EIR adjusted) X LGD%

  Stage 3 Interest: Overdue EMI Interest * (1- LGD%)

Undrawn loan commitments:

ECL on undrawn loan commitments is calculated basis the Stage in which that particular customer already exists.

(e) Forward Looking Adjustments

The Historical PDs are converted into forward looking Point-in-Time PDs using statistical model incorporating the forward looking economic outlook, as required by Ind AS 109.

PiT PD methodology considers development of an initial macroeconomic variable (MEV) framework, where lagged variables and appropriate transformations are applied to capture delayed and non-linear relationships. Standard regression assumptions are then tested to ensure model validity and statistical robustness. Final models are shortlisted based on explanatory power (R^2 greater than 60%) and consistency with recent index trends, ensuring both statistical strength and economic interpretability.

(f) Assessment of significant increase in credit risk

When determining whether the credit risk has increased significantly since initial recognition, the Company considers both quantitative and qualitative information and analysis based on the Company's historical experience, including forward-looking information. The Company considers reasonable and supportable information that is relevant and available without undue cost and effort. The Company's accounting policy is not to use the practical expedient that the financial assets with 'low' credit risk at the reporting date are deemed not to have had a significant increase in credit risk. As a result, the Company monitors all financial assets and loan commitments that are subject to impairment for significant increase in credit risk (SICR).

As per Ind AS 109, loans are required to be moved from Stage 1 to Stage 2 if and only if they have been the subject of a SICR. A SICR occurs when there has been a significant increase in the risk of a default occurring over the expected life of a financial instrument. In case of government endorsed instalment moratoriums, it cannot be assumed that those borrowers that are granted moratoriums have suffered a SICR. In line with Basel guidance on ECL, the definition of default and the convention for counting days past due adopted for accounting purposes will be guided by the definition used for regulatory purposes. Therefore, we consider that use of government-endorsed instalment moratoriums by a borrower would not on its own trigger the counting of days past due for the 30 days past due backstop used to determine SICR or the 90 days past due backstop used to determine default.

Moreover, the acceptance of such moratorium may indicate short-term liquidity or cash flow problems but is likely to provide little information to differentiate borrower's lifetime credit risk. Thus, the grant of such moratorium cannot be considered as the sole indicator that SICR has occurred or even as the basis to adjust the borrower's probability of default.

(g) Policy for write off of Loan Assets

The gross carrying amount of a financial asset is written off to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the customer does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the loan outstanding dues. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made from written off assets are netted off against the amount of financial assets written off during the year under "bad debts/loss on termination" forming part of "impairment on financial instruments" in statement of profit and loss.

(h) **Inputs to the Model**

Macro-Economic Modelling:

a. Observed Default Rates (ODRs) over past 5 years for each product category

b. Macro-economic variables provided by Economist Intelligence Unit (EIU)# for the past 5 years

c. Macro-economic variables projected by EIU for the next 4 years

d. 61 factors are considered as the key indicators that have been shortlisted by the management. These are selected based on suitability to the business type.

The Economist Intelligence Unit (EIU) is the research and analysis division of the Economist Group, providing forecasting, macro-economic analysis and advisory services through research and analysis, such as monthly country reports, five-year country economic forecasts, country risk service reports, and industry reports.

Model Process

A. Process

a. Macro-economic historical yearly numbers are converted into monthly figures using the cubic spline technique.

b. In addition to the original raw variables, transformations and lag indicators are applied to evaluate plausible associations with the dependent variable.

c. All variables, along with their transformations, are tested for statistical robustness and filtered based on correlation, stationarity, and directionality.

d. Acceptable variables are regressed against historical Observed Default Rates (ODRs), considering two or three variables at a time.

(₹ in Lakhs)

Notes to the Financial Statements for the year ended 31 March 2026

e. Following regression, assumption testing of Ordinary Least Squares (OLS) regression is conducted, and all models that pass the tests are selected.

f. This combination is processed through the regression equation, and the derived scalars from TTC PDs are used to project PDs.

B. In the selection of macro-economic variables out of the list of 61 shortlisted variables, the management considers best combination of variables for its respective product categories based on statistically tested models as well as those which have business relevance as per management assessment.

C. In the selection of macro-economic variables for the best combination, the following parameters are considered:

a. Assumption Testing

b. Trend Analysis

c. Adjusted R Square (Minimum 60%)

Impairment loss

The expected credit loss allowance provision for loans is determined as follows:

Particulars	Performing Loans - 12 month ECL	Under performing loans - lifetime ECL not credit impaired	Impaired loans - lifetime ECL credit impaired	Total
Gross Balance as at 31 March 2026	**8,02,276.93**	**28,602.62**	**20,335.15**	**8,51,214.69**
Expected credit loss rate	**0.30%**	**9.67%**	**69.09%**	
Carrying amount as at 31 March 2026 (net of impairment provision)	**7,99,841.62**	**25,835.79**	**6,286.00**	**8,31,963.41**
Gross Balance as at 31 March 2025	6,37,362.60	48,051.54	64,894.81	7,50,308.95
Expected credit loss rate	0.17%	9.90%	84.90%	
Carrying amount as at 31 March 2025 (net of impairment provision)	6,36,281.62	43,292.67	9,798.78	6,89,373.07

Level of Assessment - Aggregation Criteria

The Company recognises the expected credit losses (ECL) on a collective basis that takes into account comprehensive credit risk information.

Considering the economic and risk characteristics, pricing range, sector concentration, the Company calculates ECL on a collective basis for all stages - Stage 1, Stage 2 and Stage 3 assets.

(i) An analysis of changes in the gross carrying amount and the corresponding ECLs in relation to loans

Gross exposure reconciliation - Loans

ECL allowance balance as at 31 March 2026	**185.34**	**5.02**	**0.01**	**190.38**

The increase in ECL of the portfolio was driven by an increase in the size of the portfolio, movements between stages as a result of increases in credit risk and due to deterioration in economic conditions.

Significant changes in the gross carrying value that contributed to change in loss allowance

The Company provides loans to retail individual customers in rural, semi urban and urban areas. Change in any single customer repayment will not impact significantly to Company's provisioning. All customers are being monitored based on past due and corrective actions are taken accordingly to limit the Company's risk.

Concentration of Credit Risk

Company's loan portfolio is predominantly to finance retail home loans. The Company manages concentration of risk primarily by geographical region in India. The following tables show the geographical concentrations of loans:

Particulars	As at 31 March 2026	As at 31 March 2025
Concentration by geographical region in India:		
North	**1,31,321.99**	1,06,811.86
East	**23,493.38**	20,717.27
West	**3,99,474.48**	3,21,102.77
South	**2,96,924.84**	3,01,677.05
Total	**8,51,214.69**	7,50,308.95

Maximum exposure to credit risk

The maximum exposure to credit risk of loans is their carrying amount. The maximum exposure is before considering the effect of mitigation through collateral.

(j) Collaterals

Narrative description of collateral

Collateral primarily include land and constructed/purchased house property by retail loan customers Company generally does not obtain additional collateral during the term of the loan.

(₹ in Lakhs)

Notes to the Financial Statements for the year ended 31 March 2026

The below tables provide an analysis of the fair values of collateral held for credit impaired assets:

31 March 2026	Maximum exposure to Credit Risk	Land and Building	Surplus Collateral	Total Collateral	Net Exposure	Associated ECL
Loans:						
a) Loans against assets	**20,335.15**	**98,390.48**	**78,230.78**	**20,159.70**	**175.45**	**14,049.34**
b) Others	**–**	**–**	**–**	**–**	**–**	**–**
Total	**20,335.15**	**98,390.48**	**78,230.78**	**20,159.70**	**175.45**	**14,049.34**

31 March 2025	Maximum exposure to Credit Risk	Land and Building	Surplus Collateral	Total Collateral	Net Exposure	Associated ECL
Loans:						
a) Loans against assets	64,894.81	1,39,531.65	76,484.09	63,047.56	1,847.25	55,096.03
b) Others	–	–	–	–	–	–
Total	64,894.81	1,39,531.65	76,484.09	63,047.56	1,847.25	55,096.03

The Company has provided for additional impairment for the shortfall in collateral value on its credit impaired assets.

Collaterals repossessed

Company did not obtain non financial assets during the year by taking possession of collateral it held as security.

Quantitative information of collateral - credit impaired assets

The company's concentrations of risk are managed based on Loan to value (LTV) segregation. The following tables stratify credit exposures from housing and other loans to customers by range of Loan to value (LTV) ratio. LTV is calculated as the ratio of gross amount of loan or the amount committed for loan commitments to the value of collateral. The value of the collateral for housing and other loans is based on collateral value at origination.

Gross value of total loans to value of collateral:

	Gross Value of total loans	
Loan To Value	**31 March 2026**	31 March 2025
Upto 50%	**3,19,364.76**	2,97,369.48
51 - 70%	**2,62,969.23**	2,39,154.74
71 - 100%	**2,59,844.34**	2,13,773.17
Above 100%	**–**	–
	8,42,178.32	7,50,297.39

Gross value of credit impaired loans to value of collateral:

	Gross value of loans in stage 3	
Loan To Value	**31 March 2026**	31 March 2025
Upto 50%	**8,616.58**	30,913.87
51 - 70%	**7,204.46**	24,793.34
71 - 100%	**4,512.97**	9,187.60
Above 100%	**–**	–
	20,334.00	64,894.81

iii) Liquidity Risk Management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established Asset and Liability Committee (ALCO) for the management of the Company's short, medium and long term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. The Company also has Inter corporate deposits line available from holding company and fellow subsidiary companies within its group to meet any short term fund requirements.

a) Maturity profile of non-derivative financial liabilities

The following table details the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment years. The amount disclosed in the tables have been drawn up based on the undiscounted contractual cash flows of financial liabilities based on the earliest date on which the Company may be required to pay.

(₹ in Lakhs)

Notes to the Financial Statements for the year ended 31 March 2026

The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is calculated considering interest rate prevailing as at respective year end date.

b) Maturity profile of derivative financial liabilities

The following table details the Company's liquidity analysis for its derivative financial instruments. The table has been drawn up based on the undiscounted gross inflows and outflows on those derivatives that require gross settlement. There is no derivative instruments that is settled on a net basis. When the amount payable or receivable is not fixed, the amount disclosed has been determined by reference to the projected interest rates as illustrated by the yield curves at the end of the reporting year.

iv) Measurement of Fair Value

Valuation technique for fair value measurement

Fair value of loans and borrowings are calculated using a portfolio based approach, grouping them as far as possible into homogenous groups based on similar characteristics (such as tenor and rates of interest). Using the discounted cash flow approach, the values are then calculated for the portfolio considering all significant characteristics of the loans and borrowings.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

– Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
– Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
– Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and cash equivalent, trade receivables, balances other than cash and cash equivalents, term deposits, other payable and trade payables.

Loans and Advances to customers

The fair values of loans and advances are estimated by discounted cash flow models based on contractual cash flows using actual yields

(₹ in Lakhs)

Notes to the Financial Statements for the year ended 31 March 2026

Financial Investments

For Government securities and bonds, the quoted market price as on date of reporting is considered for fair value computations. Where such price is not available, quoted market price of similar instruments as on date of reporting is considered.

Borrowings other than deposits from public

The fair value of borrowings is estimated by a discounted cash flow model incorporating interest rate estimates from market-observable data such as secondary prices for its traded debt itself.

There were no transfers between Level 1, Level 2 and Level 3 during the year.

Financial instruments regularly measured using fair value - recurring items

Since the total impairment allowances under Ind AS 109 is higher than the total provisioning required under IRACP (including standard asset provisioning) as at 31 March 2026, no amount is required to be transferred to 'Impairment Reserve' for the financial year. The gross carrying amount of asset as per Ind AS 109 and Loss allowances (Provisions) thereon includes interest accrual on net carrying value of stage - 3 assets as permitted under Ind AS 109. While, the provisions required as per IRACP norms does not include any such interest as interest accrual on NPAs is not permitted under IRACP norms.

The balance in the 'Impairment Reserve' (as and when created) shall not be reckoned for regulatory capital. Further, no withdrawals shall be permitted from this reserve without prior permission from the Department of Supervision, RBI

ii) In terms of recommendations as per above referred notification, the Company has complied with Ind AS 109, Financial Instruments and the Board approved Expected Credit Loss (ECL) policy in the computation and measurement of impairment allowance. For the purpose of provisions as per IRACP norms the Company has adopted the definition used for regulatory purposes.

As at 31 March 2026 and 31 March 2025, there were no loan accounts that are past due beyond 90 days but not treated as impaired, i.e. all 90+ days ageing loan accounts have been classified as Stage-3 and no dispensation is considered in stage-3 classification.

iii) *The gross carrying amount of stage 1 and 2 in non performing assets section are classified in respective stages as per Ind AS.

48 Disclosure to the Stock Exchange as per SEBI circular SEBI/HO/DDHS/PoD1/P/CIR/2024/54 dated May 22, 2024 (as amended from time to time) & SEBI/HO/DDHS/PoD1/ P/CIR/2023/119 update dated 7th July 2023

As per the definition given in above referred notification, the Company is a Large Corporate and hence is required to disclose the following information about its borrowings.

Initial Disclosure to be made by an entity identified as a Large Corporate

(To be submitted to the Stock Exchange(s) within 30 days from the beginning of the FY)

3	Other short-term liabilities	25,803.55	3.38%	3.23%	2.77%

Institutional set-up for liquidity risk management

The ultimate responsibility for liquidity risk management rests with the Board of directors, which has established Asset and Liability Committee (ALCO), Asset and Liability Management Committee (ALMCO) for the management of the Company's short, medium and long-term funding and liquidity management requirements. The ALCO and ALMCO meets regularly to review the liquidity position based on future cash flows. The Company manages liquidity risk by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities. The Company also maintains adequate liquid assets, banking facilities and reserve borrowing facilities to hedge against unexpected requirements.

In order to achieve above, the Company also has an Investment Policy to ensure that safety, liquidity and return on the surplus funds are given appropriate weightages and are placed in that order of priority. Investments are as per the operational parameters and framework within the limits as may be set by the Board for investment. The Board approves revising the limit as and when required. The policy is also reviewed periodically in the background of developments in the money markets and the on the external factors proactively to reduce the risk in the investments. A well-defined front and back office mechanism is in place to ensure a system of checks and balances.

Definition of terms as used in the table above:

a) Significant counterparty

A "Significant counterparty" is defined as a single counterparty or group of connected or affiliated counterparties accounting in aggregate for more than 1% of the NBFC's total liabilities.

b) Significant instrument/product:

A "Significant instrument/product" is defined as a single instrument/product of group of similar instruments/products which in aggregate amount to more than 1% of the NBFC's total liabilities.

c) Total liabilities:

Total liabilities include all external liabilities (other than equity).

d) Public funds:

"Public funds" includes funds raised either directly or indirectly through public deposits, inter-corporate deposits, bank finance and all funds received from outside sources such as funds raised by issue of commercial papers, debentures etc. but excludes funds raised by issue of instruments compulsorily convertible into equity shares within a year not exceeding 5 years from the date of issue.

It includes total borrowings outstanding under all types of instruments/products.

e) Other short-term liabilities:

All short-term borrowings other than CPs and NCDs with original maturity less than 12 months.

Notes:

1) The average LCR is calculated as simple average of daily observations over the quarter. The weightage factor is applied to compute weighted average value.

2) Prior to introduction of LCR framework, the company used to maintain a substantial share of its liquidity in form of fixed deposits with banks and investment in debt mutual funds. Post the introduction of LCR framework, the Company has consciously worked towards increasing its investment in High Quality Liquid Assets (HQLA) as per the RBI guidelines in order to meet the LCR requirement.

3) Components of High Quality Liquid Assets (HQLA)

Particulars	Quarter ended 31 March 2026		Quarter ended 31 December 2025##		Quarter ended 30 September 2025##		Quarter ended 30 June 2025##

* Unweighted values calculated as outstanding balances maturing or callable within 30 days (for inflows and outflows).

Weighted values calculated after the application of respective haircuts (for HQLA) and stress factors on inflow and outflow.

(₹ in Lakhs)

Notes to the Financial Statements for the year ended 31 March 2026

The figures pertaining to December 31, 2025, September 30, 2025 & June 30, 2025 are unaudited and are as represented by the management.

Qualitative information:

The Company has implemented the guidelines on Liquidity Risk Management Framework prescribed by the Reserve Bank of India requiring maintenance of Liquidity Coverage Ratio (LCR), which aim to ensure that an NBFC maintains an adequate level of unencumbered HQLAs that can be converted into cash to meet its liquidity needs for a 30 calendar day time horizon under a significantly severe liquidity stress scenario.

LCR = Stock of High-Quality Liquid Assets (HQLAs)/Total Net Cash Outflows over the next 30 calendar days

HQLAs comprise of Cash*, Investment in Central and State Government Securities, and highly-rated Corporate Bonds and Commercial papers, including those of Public Sector Enterprises, as adjusted after assigning the haircuts as prescribed by RBI.

* Cash would mean Cash on hand and demand deposits with Scheduled Commercial Banks

Total net cash outflows are arrived after taking into consideration total expected cash outflows minus total expected cash inflows for the subsequent 30 calendar days. As prescribed by RBI, total net cash outflows over the next 30 days = Stressed Outflows - [Min (stressed inflows; 75% of stressed outflows)]. Total expected cash outflows (stressed outflows) are calculated by multiplying the outstanding balances of various categories or types of liabilities and off-balance sheet commitments by 115% (15% being the rate at which they are expected to run off further or be drawn down). Total expected cash inflows (stressed inflows) are calculated by multiplying the outstanding balances of various categories of contractual receivables by 75% (25% being the rate at which they are expected to under-flow).

The Liquidity Risk Management framework of the Company is governed by its Liquidity Risk Management Policy and Procedures approved by the Board. The Asset Liability Committee of the Board (ALCO) and Asset Liability Management Committee (ALMCO) oversee the implementation of liquidity risk management strategy of the Company and ensure adherence to the risk tolerance/limits set by the Board.

The Company maintains a robust funding profile with no undue concentration of funding sources. In order to ensure a diversified borrowing mix, concentration of borrowing through various sources is monitored. Further, the Company has prudential limits on investments in different instruments to maintain a healthy investment profile. The above is periodically monitored by ALMCO and reviewed by ALCO.

The average LCR is computed at as simple averages of daily observations over the previous quarter.

The Company has implemented the LCR framework and has maintained LCR well above the regulatory threshold. The average LCR for the quarter ended March 31, 2026 is 126.70%, for the quarter ended December 31, 2025 is 133.35% which is above the regulatory requirement of 100% and for the quarter ended September 30, 2025 average LCR was stood at 133% and for the quarter ended June 30, 2025 average LCR was stood at 111%, which is above the regulatory requirement of 85%.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Mahindra Manulife Investment Management Private Limited

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

OPINION

We have audited the standalone financial statements of Mahindra Manulife Investment Management Private Limited ("the Company"), which comprise the standalone balance sheet as at 31st March 2026, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

KEY AUDIT MATTERS

Key audit matters ("KAM") are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of Key Audit Matters as per the requirement of SA 701 are not applicable to the Company as it is an unlisted company.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's management and the Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The other information is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's management and the Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to

influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by management and the Board of Directors.
- Conclude on the appropriateness of management and the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- As required by Section 143(3) of the Act, we report that:
  a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  c. The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
  d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act.
  e. On the basis of the written representations received from the directors as on 31 March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
  f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
     i. The Company has disclosed the impact of pending litigation on its financial position in its financial statements-Refer Note 35 to the financial statements;
     ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
     iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
     iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
        - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
        - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (a) and (b) contain any material mis-statement.

v. No dividend has been declared or paid during the year by the Company.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026, which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of audit we did not come across any instance of the audit trail feature being tampered with from the date of its implementation and according to the information provided to us, the audit trail has been preserved by the company as per the statutory requirements for record retention.

h. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act, as amended, in our opinion and according to the information and explanation given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT (REFERRED TO IN PARAGRAPH (1) UNDER 'REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS' SECTION OF OUR REPORT OF EVEN DATE)

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of Intangible assets.

(b) According to the information and explanations given to us, the Company has a regular programme of physical verification of its Property, Plant and equipment by which all Property, Plant and equipment are verified in a phased manner. In our opinion, the periodicity of physical verification is reasonable having regard to size of the Company and the nature of its assets. The property, plant and equipment have been physically verified by the management during the year and the discrepancies noticed between the books records and the physical records have been properly dealt with in the books of accounts.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company do not hold any immovable properties. Thus, paragraph 3(i)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment (including Right-of-use assets) or Intangible assets or both during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) (a) The Company's business does not involve holding of any inventories. Accordingly, paragraph 3(ii)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees from banks or financial institutions on the basis of security of current assets. Accordingly, paragraph 3(ii)(b) of the Order is not applicable to the Company.

(iii) (a) In our opinion and according to the information and explanations given to us, during the year, the Company has not provided loans or provided advances in the nature of loans, or stood guarantee, or provided security to any other entity.

(b) In our opinion and according to the information and explanations given to us, the Company has not provided guarantees or given security. The investments made by the company is not prejudicial to the company's interest.

(c) In our opinion and according to the information and explanations given to us, the Company has not provided loans or provided advances in the nature of loans. Hence, this clause (iii) (c) to (iii) (f) are not applicable.

(iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans or provided guarantees or security in connection with any director or any person in whom the director is interested which attract the provisions of sections 185 of the Act. The Company has complied with the provisions of section 186 of the Act, with respect to investments made by the Company.

(v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits as per the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.

(vi) The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.

(vii) (a) The Company has been regular in depositing undisputed statutory dues, including provident fund, employees' state insurance, income tax, goods and service tax, cess and other material statutory dues applicable to it to the appropriate authorities. As explained to us, the Company did not have any undisputed statutory dues on account of sales tax, wealth tax, duty of customs and duty of excise value added tax, cess and any other statutory dues to the appropriate authorities. No undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, goods and service tax, cess and other material statutory dues were in arrears as at 31st March 2026 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of records, there are no dues of income tax, goods and service tax, cess, provident fund, employees' state insurance and other material statutory dues that have not been deposited on account of any dispute.

(viii) In our opinion and according to the information and explanations given to us, there is no transactions of the earlier year that was not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Accordingly, paragraph 3(viii) of the Order is not applicable to the Company.

(ix) In our opinion and according to the information and explanations given to us, the Company does not have any outstanding loans or borrowings from banks, financial institutions or government. Accordingly, clause (a) to (f) of paragraph 3(ix) of the Order is not applicable to the Company.

(x) (a) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not raised any monies by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, Clause (a) of paragraph 3(x) of the Order is not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.
Accordingly, Clause (b) of paragraph 3(x) of the Order is not applicable to the Company.

(xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) According to the information and explanations given to us and based on our examination of the records of the Company, no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, Clause (b) of paragraph 3(xi) of the Order is not applicable to the Company.

(c) According to the information and explanations given to us and based on our examination of the records of the Company, no whistle-blower complaints, have been received during the year by the company;

(xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company as per the Act. Accordingly, clauses (a) to (c) of paragraph 3(xii) of the Order are not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

(xiv) (a) According to the information and explanations given to us and based on our examination of the records of the Company, we confirm that the company has an internal audit system commensurate with the size and nature of its business.

(b) The reports of the Internal Auditors for the period under audit provided by the company were considered by the statutory auditor.

(xv) According to the information and explanations given to us and based on our examination of the records of the Company, we confirm that the company has not entered into any non-cash transactions with directors or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Thus, paragraph 3(xv) of the Order is not applicable to the Company.

(xvi) (a) According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and based on our examination of the records of the Company, the company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable to the Company.

(c) According to the information and explanations given to us and based on our examination of the records of the Company, the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us and the audit procedures performed by us, we report that the Group has five Core Investment Companies.

(xvii) According to the information and explanations given to us and based on our examination of the records of the Company, the company has not incurred any cash losses in the current financial year but has incurred Rupees 109 Lakhs in the immediately preceding financial year.

(xviii) According to the information and explanations given to us and based on our examination of the records of the Company, there is no resignation of statutory auditor during the year.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged.

(xx) In our opinion, the provisions of section 135 of the Act regarding Corporate Social Responsibilities are not applicable to the Company. Therefore, reporting under sub clause (a) and (b) of clause 3(xx) of the Order is not applicable to the Company;

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT (REFERRED TO IN PARAGRAPH 2(F) UNDER 'REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS' SECTION OF OUR REPORT OF EVEN DATE)

REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE AFORESAID STANDALONE FINANCIAL STATEMENTS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013

Opinion

We have audited the internal financial controls with reference to financial statements of Mahindra Manulife Investment Management Private Limited ("the Company") as of 31st March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these financial statements and such internal financial controls over financial reporting with reference to these financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's and Board of Director's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

1. CORPORATE INFORMATION

Mahindra Manulife Investment Management Private Limited ('the Company'), was incorporated under the Companies Act, 1956 on June 20, 2013, with its registered office in Mumbai, Maharashtra, India. The company is a joint venture of Mahindra & Mahindra Financial Services Ltd. and Manulife Investment Management (Singapore) Pte. Ltd. The Company has a license from the Securities & Exchange Board of India to provide investment management services to the schemes of Mahindra Manulife Mutual Fund. SEBI granted the certificate of registration to Mahindra Manulife Mutual Fund on February 4, 2016. The Company is primarily engaged to act as an investment manager to Mahindra Manulife Mutual Fund and was managing twenty-seven schemes of Mahindra Manulife Mutual Fund as on March 31, 2026.

2. SUMMARY OF MATERIAL ACCOUNTING POLICIES

2.1. Statement of compliance and basis for preparation and presentation of financial statements

These standalone or separate financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act, as amended from time to time.

The financial statements of the Company for the year ended March 31, 2026, were approved for issue by the Company's Board of Directors on April 20, 2026.

2.2. Functional and presentation currency

These financial statements are presented in Indian Rupees ('INR' or '₹') which is also the Company's functional currency. All amounts are rounded off to the nearest lakh upto two decimal places, unless otherwise indicated.

2.3. Basis of measurement

The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair value as required by relevant Ind AS.

2.4. Measurement of fair values

A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

2.5. Use of estimates and judgments

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. The management believes that these estimates are prudent and reasonable and are based upon the management's best knowledge of current events and actions as on the reporting date. Actual results could differ from these estimates and differences between actual results and estimates are recognised in the periods in which the results/actions are known or materialise. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities:

Property, Plant and Equipment

The estimates of useful lives and residual value of property, plant and equipment, and other intangible assets

RoU assets and liabilities

Determination of lease term and discount rate for lease liabilities

Fair value of financial instruments

The Company measures certain financial assets and liabilities on fair value basis at each balance sheet date or at the time they are assessed for impairment. Fair value measurement that are based on significant unobservable inputs (Level 3) require management's best estimate about future developments.

Defined benefit obligations

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

In addition to above, critical policies that involves critical accounting estimates includes impairment of non-financial assets, estimates of useful lives and residual value of property, plant and equipment and intangible assets, discount rate for lease liabilities and provisions and contingencies.

Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable and are based upon the management's best knowledge of current events and actions as on the reporting date.

2.6. Revenue recognition

Revenue (other than for those items to which Ind AS 109 Financial instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers

The Company recognises revenue from contracts with customers based on five-step model as set out in Ind AS 115

Step 1: identification of contract(s) with customers: A contract is defined as an agreement between two or more parties that create enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identification of the separate performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determination of transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocation of transaction price to the separate performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognition of revenue when (or as) the Company satisfies a performance obligation.

The Company principally generates revenue by providing asset management services to Mahindra Manulife Mutual fund and by providing investment advisory services to the Manulife Investment Management (Singapore) Pte. Ltd.

Investment management fees

Fees from management of mutual fund schemes are recognised on an accrual basis at specific rates, applied on the average daily net assets of the schemes of Mahindra Manulife Mutual Fund in accordance with the Investment Management Agreement between the Company and the Trustees of Mahindra Manulife Mutual Fund and SEBI (Mutual Fund) Regulations, 1996 as amended from time to time. Amount disclosed as fees are exclusive of Goods and Services Tax. The maximum amount of management fee that can be charged is subject to applicable SEBI regulations.

The contract includes a single performance obligation (series of distinct services) that is satisfied over time and the investment management

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

fees earned are considered as variable consideration. Invoices becomes payable when the bills are issued to the customer.

Investment Advisory Fees

Investment Advisory Fees are recognised on satisfaction of a performance obligation at a point in time in accordance with the respective terms of contract with counterparties.

Other Income
