## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1. Terms and conditions of Series 1 and Series 2 Optionally Convertible redeemable Preference Shares (OCRPS)

Series 1 and Series 2 Preference Shares are unsecured, unlisted, redeemable, optionally convertible preference shares. The issue price of each Series 1 & Series 2 Preference Shares is Rs. 100 (face value Rs. 10). The Series 1 and Series 2 Preference Shares shall not be entitled to any voting rights, other than as prescribed under Applicable Law and the articles of association of the Company. Each Series 1 and Series 2 Preference Share constitutes a direct obligation of the Company and shall at all times rank pari passu inter se (without any preference or priority of one over the other or others of them).

Series 1 and Series 2 Preference Shares shall be eligible to receive Redemption Premium which shall be paid along with Redemption of Series 1 and Series 2 Preference Shares (not later than 9 years from the date of allotment). Redemption Premium shall mean a premium not exceeding 15% per annum compounded annually from the date of subscription of the Series 1 and Series 2 Preference Shares that is being redeemed. The payment of Redemption Premium shall be subject to the Distributable Cash as determined by the Distribution Committee. The Redemption Premium shall be accrued, due and payable only on Redemption Date and proportionate to the Series 1 and Series 2 Preference Shares so being redeemed.

At the option of holder of the Series 1 and Series 2 Preference Shares, if the then outstanding Series 1 and Series 2 Preference Shares cannot be redeemed in full then, with the prior written unanimous approval of all the holders of the Series 1 and Series 2 Preference Shares, the Series 1 and Series 2 Preference Shares shall be converted into equity shares of the Company, in accordance with such formula as may be determined by the Company and the holder of the Series 1 and Series 2 Preference Shares, but at a price which is not less than fair market value of the equity shares at the time of such conversion.

At the time of conversion, the holder of Preference Shares will be entitled to equity shares of the Company up to the principal amount (i.e. issue price) of the outstanding OCRPS.

### 2. Gain on Fair Valuation of Optionally Convertible redeemable Preference Shares (OCRPS)

During the year ended 31<sup>st</sup> March, 2026 the fair value of OCRPS has increased from Rs. 30.22 Lakh as on 31<sup>st</sup> March, 2025 to Rs. 220.64 Lakh (Rs. 30.22 Lakh is classified as Non-current borrowings) as on 31<sup>st</sup> March, 2026 resulting in the FVTPL loss of Rs. 190.42 Lakh (Rs. 1,312.30 Lakh) (Refer Note-21) based on the external valuation carried out by the Company with the revised cashflow estimates as on reporting date.

| <b>Balance at March 31, 2026</b> | <b>432.33</b>                  |

#### Defect Liability Provisions:

Provision for defect liability represents present value of management's best estimate of the future outflow of economic resources that will be required in respect of residential units when control over the property has been transferred to the customer, the estimated cost of which is accrued during the period of construction, upon sale of units and recognition of related revenue. Management estimates the related provision for future defect liability claims based on historical cost of rectifications and is adjusted regularly to reflect new information. The residential units are generally covered under the defect liability period limited to 5 years from the date when control over the property has been transferred to the customer.

### 16. Borrowings

| Particulars                                    | (Rs. in Lakh)                      |                                    |

| Deferred tax assets derecognised during the year       | —                                               | 435.41                                          |
| Changes in recognised deductible temporary differences | (25.71)                                         | —                                               |
| <b>Total</b>                                           | <u><b>—</b></u>                                 | <u><b>864.67</b></u>                            |

### 27. Earnings per share (EPS)

Basic and diluted EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year.

The following reflects the profit and share data used in the basic and diluted EPS computations:

|                           |        |        |
|---------------------------|--------|--------|
| Diluted Earning Per Share | 102.15 | 840.89 |
|---------------------------|--------|--------|

#### (i) Basic earning per share

The earning and weighted average number of ordinary shares used in the calculation of basic earnings per share are as follows:

| Particulars                              | (Rs. in Lakh)                                   |                                                 |
|------------------------------------------|-------------------------------------------------|-------------------------------------------------|
|                                          | For the year ended 31 <sup>st</sup> March, 2026 | For the year ended 31 <sup>st</sup> March, 2025 |
| Profit after tax (Rs. in Lakh)           | 102.15                                          | 840.89                                          |
| Weighted average number of equity shares | 100,000                                         | 100,000                                         |

| Earnings per Equity share - Diluted ( in Rs.) | 102.15                                                   | 840.89                                                   |

### (ii) Diluted earning per share

The diluted earning per share has been computed by dividing the net Profit/(Loss) after tax available for equity shareholders by the weighted average number of equity shares.

| Particulars                                       | For the<br>year ended<br>31 <sup>st</sup> March,<br>2026 | For the<br>year ended<br>31 <sup>st</sup> March,<br>2025 |
|---------------------------------------------------|----------------------------------------------------------|----------------------------------------------------------|
| Profit for the year                               | 102.15                                                   | 840.89                                                   |
| Less: Fair value gain /(Loss)                     | (190.42)                                                 | —                                                        |
| Profit/(Loss) for the calculation of Diluted EPS* | 292.57                                                   | 840.89                                                   |
| Weighted average number of equity shares          | 100,000                                                  | 100,000                                                  |
| Diluted earning per share (Rs.)                   | 102.15                                                   | 840.89                                                   |

\* Antidilutive potential preference shares are disregarded in the calculation of diluted EPS.

The weighted average number of ordinary shares for the purpose of diluted earnings per share reconciles to the weighted average number ordinary shares used in the calculation of basic earnings per share as follows:

| Particulars                                                                     | For the<br>year ended<br>31 <sup>st</sup> March,<br>2026 | For the<br>year ended<br>31 <sup>st</sup> March,<br>2025 |
|---------------------------------------------------------------------------------|----------------------------------------------------------|----------------------------------------------------------|

## 28. Disclosures as per IND AS 115

### (1) Contract Balances

- Amounts received before the related performance obligation is satisfied are included in the balance sheet (Contract liability) as "Advances received from Customers/Income received in Advance" in note no. 19- Other Current Liabilities amounting to Rs 3,311.23 lakhs (previous year Rs 10,557.69 lakhs). Amounts billed for development milestones achieved but not yet paid by the customer are included in the balance sheet under note no.8 - Trade Receivables amounting to Rs. 1,057.18 lakhs (previous year Rs. 557.91 lakhs).
- During the year, the Company recognised Revenue of Rs. 8,138.27 lakhs (previous year Rs. 17,067.69 lakhs) from opening contract liability of Rs. 10,557.69 lakhs (previous year Rs. 26,192.26 lakhs).
- There were no significant changes in the composition of the contract liabilities during the reporting period other than on account of periodic invoicing and one new project opened for sale.
- Amounts previously recorded as contract liabilities increased due to further milestone based invoices raised during the year and one new project opened for sale.
- There are no contract assets outstanding at the end of the year.
- The aggregate amount of the transaction price allocated to the performance obligations that are completely or partially unsatisfied

as at March 31, 2026, is Rs. 7072.06 lakhs (previous year Rs. 14,640.71lakhs). Out of this, the Company expects, based on current projections, to recognize revenue of around 100 % (previous year 89.19%) within the next one year. This includes contracts that can be terminated for convenience with a penalty as per the agreement since, based on current assessment, the occurrence of the same is not expected to be material.

- (g) Reconciliation of revenue recognised with the contracted price is as follows:

| Particulars                                                                                      | For the<br>year ended<br>31 <sup>st</sup> March,<br>2026 | For the<br>year ended<br>31 <sup>st</sup> March,<br>2025 |

### (2) Contract costs

| Particulars                                                                      | As at<br>31 <sup>st</sup> March,<br>2026 | As at<br>31 <sup>st</sup> March,<br>2025 |
|----------------------------------------------------------------------------------|------------------------------------------|------------------------------------------|
| Contract costs included in Prepaid Expenses in Note no. 11- Other Current Assets | 207.85                                   | 371.28                                   |

The Company incurs commissions & incentives that are incremental costs of obtaining a contract with a customer. Under Ind AS 115, the Company recognises the incremental costs of obtaining a contract as assets under Prepaid Expenses under Note no. 11 - Other Current Assets and amortises it upon completion of the related property sale contract.

For the year ended March 31, 2026, amortisation amounting to Rs. 324.1 lakhs (Previous Year Rs. 577.68 lakhs) was recognised as brokerage cost. There was no impairment loss in relation to the costs capitalised.

### Terms and conditions of transactions with related parties

The transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables.

### 30. Employee benefits

#### (a) Defined Contribution Plan

The Company's contribution to Provident Fund and Superannuation Fund aggregating is NIL (31<sup>st</sup> March, 2025 NIL) has been recognised in the Statement of Profit or Loss under the head Employee Benefits Expense. There are no employees as on 31<sup>st</sup> March, 2026.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### (b) Defined Benefit Plans:

#### Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the amount calculated as per the Payment of Gratuity Act, 1972. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The scheme is unfunded as on March 31, 2026.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

#### Investment Risk

The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

#### Interest Risk

A decrease in the bond interest rate will increase the plan liability.

#### Longevity Risk

The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

#### Salary Risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The significant actuarial assumptions used for the purposes of the actuarial valuations were as follows:

|                                                            | As at                        |                              |
|------------------------------------------------------------|------------------------------|------------------------------|

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to previous year.

### Maturity profile of defined benefit obligation:

### 31. Financial Instruments

#### Capital management

The Company's capital management objectives are-

- safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders
- maintain an optimal capital structure to reduce the cost of capital

The Management of the Company monitors the capital structure using net debt equity ratio which is determined as the proportion of net debt to total equity.

### 32. Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factor.

#### CREDIT RISK

##### Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises from cash and cash equivalents and other financial assets.

##### Trade Receivables

The Company's trade receivables include receivables on sale of residential flats. As per the Company's flat handover policy, a flat is handed over to a customer only upon payment of entire amount of consideration. Thus, the Company is not exposed to any credit risk on receivables from sale of residential flats.

##### Cash and cash equivalents and other financial assets

For Cash and bank balances only highly rated banks are accepted. The Company holds cash and cash equivalents with banks which are having highest safety ratings based on ratings published by various credit rating agencies. The Company considers that its cash and cash equivalents have low credit risk based on external credit ratings of the counterparties.

For other financial assets, the Company assesses and manages credit risk based on reasonable and supportive forward looking information. The Company does not have significant credit risk exposure for these items.

#### LIQUIDITY RISK

##### (i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of Directors who have established an appropriate liquidity risk management framework for the management of the Company's short, medium and long term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### (ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

### MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk such as equity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. All such transactions are carried out within the guidelines set by the Board of Directors.

### CURRENCY RISK

Foreign currency risk is the risk that the fair value or the future cash flows of an exposure will fluctuate because of changes in the foreign exchange rate. The Company does not undertake any transactions in foreign currency.

### INTEREST RATE RISK

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and floating rate loans and borrowings.

### Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit/(loss) before tax is affected through the impact on floating rate borrowings, as follows:

|---------|----------------------------|---------------------------------------------------------|-----------------------------------------|-----------------------------------|-----------------------------------|------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| i)      | Net profit ratio           | Profit/(Loss) After Tax                                 | Revenue from Operations                 | 0.93%                             | 4.19%                             | (77.73%)   | Decrease in ratio due to decrease in revenue recognition and increase in Net loss arising on financial liabilities designated at Fair Value through Profit or Loss (FVTPL). |
| j)      | Return on Capital employed | Earning before interest & taxes (Refer note (iv) below) | Capital employed (Refer note (v) below) | 4.02%                             | 130.17%                           | (96.91%)   | Increase in capital employed due to increase in Profits and reduction in borrowings.                                                                                        |

Schedule III require explanation where the change in the ratio is more than 25% as compared to the preceding year. Accordingly explanation is given only for the said ratios.

The company operates in real estate business and is governed by IND AS 115 for recording the revenue as per completion contract method. Accordingly, above mentioned ratios may not be strictly comparable.

**Formula used for calculation of Ratios and Financial Indicators are as below :**

- (i) Earnings available for debt service = Net Profit/(loss) before taxes + Non-cash operating expenses like depreciation and other amortizations (including FVTPL loss/(gain)) + Interest Expense
- (ii) Debt Service = Borrowing + Interest Payment
- (iii) Working Capital = Current Asset - Current Liabilities
- (iv) Earning before interest & taxes = Profit/(Loss) before Tax + Finance Cost
- (v) Capital Employed = Equity + Borrowing - Intangible Assets

### 34. Additional regulatory information

#### a) Details of benami property held

The company does not have any benami property and no proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

#### b) Corporate Social Responsibility (CSR)

The provisions of Corporate Social Responsibility (CSR) expenditure are not applicable to the company.

#### c) Relationship with struck off companies

The Company does not have any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956.

#### d) Utilisation of borrowed funds and securities premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

#### e) Undisclosed income

There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

#### f) Details of crypto currency or virtual currency

The Company has not traded or invested in crypto currency or virtual currency during the current or previous year.

#### g) Registration of Charges or satisfaction with Registrar of Companies (ROC)

There are no charges or satisfaction which are yet to be registered with the Registrar of Companies beyond the statutory period.

#### h) Audit trail

The Company has used accounting software systems for maintaining its books of account for the financial year ended, March 31, 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems.

### 35. Discrepancies between books of accounts & quarterly statements submitted to bank

The company has short term borrowings secured against current assets. The quarterly statements comprising raw material, construction work in progress, finished goods, debtors and creditors filed by the Company with such bank are in agreement with the unaudited books of accounts for the quarter ended 30<sup>th</sup> June 2025, 30<sup>th</sup> September 2025 and 31<sup>st</sup> December 2025 and no material discrepancies have been observed. The company is yet to submit the statement for the quarter ended 31<sup>st</sup> March 2026 to the bank.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 36. Contingent Liabilities

| Particulars                                                                                                                                                                                                      | (Rs. in Lakh)              |                            |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|----------------------------|
|                                                                                                                                                                                                                  | As at<br>March 31,<br>2026 | As at<br>March 31,<br>2025 |
| <b>Claims against the company not acknowledged against as debts-</b>                                                                                                                                             |                            |                            |
| <b>Claims received from parties not acknowledged as debts</b>                                                                                                                                                    |                            |                            |
| Represent cases filed by parties in the Consumer Forum including RERA and Civil Courts disputed by the Company as advised by advocates. In the opinion of the management the claims are not sustainable.         | <b>8.00</b>                | 15.26                      |
| <b>Indirect Tax matter under appeal</b>                                                                                                                                                                          |                            |                            |
| Goods and Service Tax claims disputed by the Company relating to issues of ineligible Input Tax Credit and discharge of liability. The Company is pursuing the matter with the appropriate Appellate Authorities | <b>30.51</b>               | 30.51                      |

In the opinion of the management the above claims are not sustainable and the Company does not expect any outflow of economic resources in respect of above claims and therefore no provision is made in respect thereof.

### 37. Segment information

From the current year, considering similar and interconnected nature of the services and products and associated risk and returns, the Chief Operating Decision Maker has started allocating resource and assessing the performance of the operating segment i.e construction and development of real estate projects as a single operating segment, which has resulted in change in segment disclosure compared to earlier year.

Considering that there is only one reportable segment, there are no additional disclosures to be provided under Ind AS 108 - Segment information, other than to the extent already provided in these financial statements.

### 38. Leases

The company does not have any leasing arrangement during the year ended 31<sup>st</sup> March 2026.

### 39. Events after the reporting period

No material events have occurred after the Balance Sheet date and upto the date of approval of the financial statements.

### 40. Going Concern

As the net worth of the Company has been fully eroded and the current liabilities exceeds current assets, the financial statements of the Company have been prepared on a going concern basis considering support from the Holding Company.

### 41. Previous year figures

The figures for previous year have been regrouped wherever necessary to confirm to current year's classification.

### 42. Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

## INDEPENDENT AUDITOR'S REPORT

### To the Members of Mahindra Knowledge Park Mohali Limited Report on the audit of the financial statements

#### Opinion

We have audited the accompanying financial statements of **Mahindra Knowledge Park Mohali Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2026 and the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, the Statement of Changes in Equity for the year then ended and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its **Profit** and cash flows for the year ended on that date.

#### Basis for opinion

We conducted our audit in accordance with the standards on auditing (SAs) specified under Section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

#### Information other than the financial statements and auditors' report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the financial statements

The Company's Board of Directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the

circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report agree with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section

133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv.
    - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
    - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

- v. No dividend has been declared or paid during the year by the Company.
  - vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.
- 3. As required by Section 197(16) of the Act, based on our audit, we report that the Company has not paid remuneration to its directors for the year under audit. Hence, this clause is not applicable to the Company.

## ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

- i. As per information provided by the Company to us and examination of the books of accounts, the Company does not have Property, Plant and Equipment and Intangible assets, accordingly, the requirements under paragraph 3 (i) (a), (b), (c), (d) and (e) are not applicable to the Company.
- ii. (a) As per information and explanation provided by the Company to us and examination of the books of accounts, the Company does not have Inventories, accordingly, the requirements under paragraph 3 (ii) (a) is not applicable to the Company.  
(b) As per information and explanation provided by the Company to us, the Company does not have any sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, paragraph 3 (ii) (b) of the Order is not applicable to the Company.
- iii. As per information and explanation provided by the Company to us, during the year the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, paragraph 3 (iii) of the Order is not applicable to the Company.
- iv. According to the Information and explanation given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, Investments made, guarantees given and security as applicable.
- v. The Company has not accepted any deposits from the public within the meaning of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there-under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- vi. The maintenance of cost records as specified under subsection (1) of the section 148 of the Act are not applicable to the Company and hence relevant provisions of the Order is not applicable.
- vii. (a) According to information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including income tax, Goods and Service Tax (GST), and other material statutory dues, as applicable, with the appropriate authorities and there are no outstanding as on the last day of the financial year concerned for a period of more than six months. The Company has no obligation under Provident Fund and Employee State Insurance Rules. Payment of Sales Tax, Wealth Tax, Customs and Excise duties and Value Added Tax is not applicable to the Company during the period of Audit period.  
(b) According to the records of the company, there are no dues outstanding with respect to income tax, provident fund, employees state insurance, GST and Cess, as applicable, on account of dispute.
- viii. As per information and explanation provided by the Company to us, there are no transactions which are not recorded in the books of account have been surrendered or disclosed as income during the Audit period in the tax assessments under the Income Tax Act, 1961. Hence relevant provision of the Order is not applicable.
- ix. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.  
(b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution or government authority.  
(c) According to the information and explanations given to us by the management, the Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.  
(d) According to the information and explanations given to us, we report that funds raised on short-term basis have not been utilized for long term purposes by the Company.  
(e) According to the information and explanations given to us, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.  
(f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) or by way of private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.  
(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi. (a) During the course of our examination of the books and records of the company, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company nor any fraud on the Company has been noticed or reported during the year nor have we been informed of any such instance by the management.  
(b) During the course of our examination of the books and records of the company and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the order is not applicable to the Company.  
(c) According to the information and explanation given to us, and as represented to us by the management, no whistle-

blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

- xii. The Company is not a Nidhi Company and so relevant clause is not applicable.
- xiii. During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us all transactions with related parties have been disclosed in the financial statements.
- xiv. The Company is the unlisted public limited company and does not have paid up share capital of fifty crore rupees or more during the preceding financial year; turnover of two hundred crore rupees or more during the preceding financial year; or outstanding loans or borrowings from banks or public financial institutions exceeding one hundred crore rupees or more at any point of time during the preceding financial year; outstanding deposits of twenty five crore rupees or more at any point of time during the preceding financial year. Hence, section 138 is not applicable and so relevant clause is not applicable.
- xv. The Company has not entered into any non-cash transactions with directors or persons connected with any director of the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- xvii. The Company has not incurred cash losses in the audit period or in the immediately preceding financial year.
- xviii. During the year no, statutory auditors has been resigned, hence relevant clause is not applicable.
- xix. (a) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which

causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

- (b) We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. (a) There were no amounts which were required to be transferred to fund specified under Schedule VII of Companies Act, 2013.
- (b) The company does not have net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year. Hence Section 135 is not applicable and so relevant clause is not applicable.
- xxi. Clause (xxi) of the Order is not applicable to the Company since report is of Standalone Financial Statement.

## ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MAHINDRA KNOWLEDGE PARK MOHALI LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Mahindra Knowledge Park Mohali Limited** (“the Company”) as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1. Corporate information

Mahindra Knowledge Park (Mohali) Limited ("the Company") is a public company incorporated in India on 11 July, 1994 under the provisions of erstwhile Companies Act, 1956. The registered office of the Company is located at 4th Floor Mahindra Towers, Dr G.M.Bhosale Marg, P.K. Kurne Chowk, Worli, Mumbai - 400018.

### 2. Significant Accounting Policies

#### 2.1 Statement of compliance and Basis of preparation and presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016.

All assets and liabilities are classified as current if it is expected to realise or settle within 12 months after the Balance Sheet date.

The financial statements are presented in Indian Rupees (Rs.) which is also the Company's functional currency.

The financial statements were approved by the Board of Directors and authorised for issue on 10th April, 2026.

#### 2.2 Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets upto the date the assets are ready for use. The estimated useful lives, residual values, are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in the statement of profit and loss.

Depreciation on assets (other than impaired assets) is calculated on straight line method which is based on useful life indicated in part C of schedule II to the Companies Act, 2013.

#### 2.3 Impairment of assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement profit and loss.

### 2.4 Inventories

Inventories are stated at the lower of cost and net realisable value, whichever is lower. Cost is arrived at on first-in-first-out basis and includes overheads on absorption basis, where appropriate.

### Financial assets and Liabilities

#### 2.5 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of profit or loss.

#### 2.6 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

##### 2.6.1 Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets. With respect to trade receivables, the Company measures the loss allowances at an amount equal to lifetime expected credit losses.

##### 2.6.2 Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the statement of profit and loss if such gain or loss would have otherwise been recognised in the statement of profit and loss on disposal of that financial asset.

#### 2.7 Financial liabilities and equity instruments

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

##### 2.7.1 Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in the statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

#### 2.7.1.1 Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at Fair value through profit and loss.

#### 2.7.1.2 Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

### 2.8 Revenue recognition

Revenue on account of sale of services is recognised under the completed service contract method to the extent it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers.

Dividend income is recognised in the statement of profit and loss when the right to receive payment is established.

Interest Income is accounted for on time proportion basis.

### 2.9 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

#### 2.9.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

#### 2.9.2 Deferred tax

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences could be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

#### 2.9.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

#### 2.9.4 Minimum Alternate Tax (MAT):

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

#### 2.10 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 2.11 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/ (loss) for the year is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

### 3. Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses, etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

## Rights, preferences and restrictions attached to equity shares

The Company has only one class of equity shares having par value of Rs.10 per share. Each holder of equity share is entitled to one vote per share. In the event of liquidation of the Company, the holders of the equity shares will be entitled to receive remaining assets of the Company. The Distribution will be in proportion to the amount paid up on equity shares held by the shareholders.

## (ii) Details of shares held by each shareholder holding more than 5% shares:

## NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH, 2026

### Note No. 16 - Financial Instruments

#### Capital management

The company's capital management objectives are:

- to ensure the company's ability to continue as a going concern
- to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of the statement of financial position.

The Company manages capital risk in order to maximize shareholders' profit by maintaining sound/optimal capital structure through monitoring of financial ratios, such as debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary. There is no change in the overall capital risk management strategy of the Company compared to last year.

The Company uses debt ratio as a capital management index and calculates the ratio as total liabilities divided by total equity. Total liabilities and total equity are based on the amounts stated in the separate financial statements.

The Company is not subject to externally enforced capital regulation.

Debt-to-equity ratio as of 31 March 2025, 31 March 2026 is as follows:

|                               | 31-Mar-26     | 31-Mar-25     |
|-------------------------------|---------------|---------------|
| Debt (A).....                 | 5.00          | 5.00          |
| Equity (B).....               | (118.46)      | (121.88)      |
| <b>Debt Ratio (A/B) .....</b> | <b>(0.04)</b> | <b>(0.04)</b> |

#### Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk list all such risks as applicable. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

#### Credit Risk

Credit risk arises when a counterparty defaults on its contractual obligations to pay, resulting in financial loss to the Company.

#### Credit risk related to financial instruments

Credit risk from balances with banks and financial institutions is managed by Treasury in accordance with the Company's policy. Investments of surplus funds are made only by investment them in mutual funds. Hence the company is not exposed to any credit risk in this respect.

#### LIQUIDITY RISK

- Liquidity risk management**  
Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
- Maturities of financial liabilities**  
The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

| Particulars                                 | Less than 1 Year | 1-3 Years   | 3 Years to 5 Years | 5 years and above | TOTAL         |

#### Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk such as equity price risk and commodity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company uses derivatives to manage market risks. Derivatives are only used for economic hedging purposes and not as speculative investments. All such transactions are carried out within the guidelines set by the Board of Directors and Risk Management Committee.

There has been no significant changes to the company's exposure to market risk or the methods in which they are managed or measured.

**NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH, 2026****Currency Risk**

The Company undertakes transactions denominated only in India Rupees and hence there is no risk of foreign exchange fluctuations.

**Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

**Note No. 17 - Fair Value Measurement**

Set out below, is a comparison by class of the carrying amounts and fair value of the Group's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

| Particulars             | (₹ in lakh)    |           |                  |           |
|-------------------------|----------------|-----------|------------------|-----------|
|                         | Carrying Value |           | Fair value as at |           |
|                         | 31-Mar-26      | 31-Mar-25 | 31-Mar-26        | 31-Mar-25 |
| <b>Financial assets</b> |                |           |                  |           |
| Investments .....       | -              | -         | -                | -         |
| Trade Receivables ..... | -              | -         | -                | -         |

**Fair Value Hierarchy**

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities

**Quantitative disclosures fair value measurement hierarchy for assets 31 March 2026**

|                                            | (₹ in lakh)                               |                                         |                                           |               |

## INDEPENDENT AUDITOR'S REPORT

### To the Members of Deep Mangal Developers Private Limited Report on the audit of the financial statements

#### Opinion

We have audited the accompanying financial statements of **M/s. Deep Mangal Developers Private Limited** ("the Company"), which comprise the Balance sheet as at March 31, 2026 and the Statement of Profit and Loss and statement of cash flows for the year then ended, the Statement of Changes in Equity for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its **Profit** and cash flows for the year ended on that date.

#### Basis for opinion

We conducted our audit in accordance with the standards on auditing (SAs) specified under Section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

#### Information other than the financial statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the financial statements

The Company's Board of Directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv.
    - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.
- vi. As required by Section 197(16) of the Act, based on our audit, we report that the Company has not paid remuneration to its directors for the year under audit. Hence, this clause is not applicable to the Company.
- vii. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for

all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

## ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

- i. As per information provided by the Company to us, it does not have any Property, Plant and Equipment and intangible assets as on 31st March, 2026. Accordingly, paragraph 3 (i) (a), (b), (d) and (e) of the orders is not applicable to the company.
- As per information provided by the Company to us, the Company is having a Land as immovable properties and the title deed of such property is on the name of the Company.
- ii. (a) The Company is having inventory and work in progress; and it is physically verified by its management at reasonable intervals. Procedures adopted by the Company's management for physical verification of inventories are adequate and reasonable according to the size and nature of its business.
- (b) As per information and explanation provided by the Company to us, the Company does not have any sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, paragraph 3 (ii) (b) of the Order is not applicable to the Company.
- iii. As per information and explanation provided by the Company to us, during the year the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, paragraph 3 (ii) (b) of the Order is not applicable to the Company.
- iv. According to the Information and explanation given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, Investments made, guarantees given and security as applicable.
- v. The Company has not accepted any deposits from the public within the meaning of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there-under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- vi. The maintenance of cost records as specified under subsection (1) of the section 148 of the Act are not applicable to the Company and hence relevant provisions of the Order is not applicable.
- vii. (a) According to information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including income tax, Goods and Service Tax (GST), and other material statutory dues, as applicable, with the appropriate authorities and there are no outstanding as on the last day of the financial year concerned for a period of more than six months. The Company has no obligation under Provident Fund and Employee State Insurance Rules. Payment of Sales Tax, Wealth Tax, Customs and Excise duties and Value Added Tax is not applicable to the Company during the period of Audit period.
- (b) According to the records of the company, there are no dues outstanding with respect to income tax, provident fund, employees state insurance, GST and Cess, as applicable, on account of dispute.
- viii. As per information and explanation provided by the Company to us, there are no transactions which are not recorded in the books of account have been surrendered or disclosed as income during the Audit period in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Hence relevant provision of the Order is not applicable.
- ix. According to the records of the company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of any loans since it has not availed of any loans from any bank nor has borrowed from any financial institution. The Company has also not issued any debentures as at the balance sheet date.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) or by way of private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi. (a) During the course of our examination of the books and records of the company, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company nor any fraud on the Company has been noticed or reported during the year nor have we been informed of any such instance by the management.
- (b) During the course of our examination of the books and records of the company and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the order is not applicable to the Company.
- (c) According to the information and explanation given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. The Company is not a Nidhi Company and so relevant clause is not applicable.
- xiii. During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us all transactions with related parties have been disclosed in the financial statements.
- xiv. The Company is the private limited company and does not have turnover of two hundred crore rupees or more during the preceding financial year; or outstanding loans or borrowings from banks or public financial institutions exceeding one hundred crore rupees or more at any point of time during the preceding financial year. Hence Section 138 is not applicable and so relevant clause is not applicable.
- xv. The Company has not entered into any non-cash transactions with directors or persons connected with any director of the Company.

**xvi.** The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

**xvii.** The Company has incurred cash loss in the Audit Period of Rs. Nil and cash loss in the immediately preceding financial year (FY 2024-25) is 12.30 lakhs.

**xviii.** During the year the no statutory auditors has been resigned, hence relevant clause is not applicable.

**xix.** (a) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

(b) We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of

one year from the balance sheet date, will get discharged by the company as and when they fall due.

**xx.** (a) There were no amounts which were required to be transferred to fund specified under Schedule VII of Companies Act, 2013.

(b) The company does not have net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year. Hence Section 135 is not applicable and so relevant clause is not applicable.

**xxi.** Clause (xxi) of the Order is not applicable to the Company since report is of Standalone Financial Statement.

## ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF DEEP MANGAL DEVELOPERS PRIVATE LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Deep Mangal Developers Private Limited** (“the Company”) as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1. Corporate information

Deep Mangal Developers Private Limited ("the Company") is a public company incorporated in India on 25 May, 1989 under the provisions of erstwhile Companies Act, 1956. The registered office of the Company is located at 4<sup>th</sup> Floor, Mahindra Towers, Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli, Mumbai – 400 018.

The Company is subsidiary of Mahindra Lifespace Developers Limited, Mumbai, a company incorporated in India. The ultimate parent company is Mahindra & Mahindra Limited.

### 2. Material Accounting Policies

#### 2.1 Statement of compliance and Basis of preparation and presentation

The Standalone Financial Statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 (the Act) and other relevant provision of the act. The aforesaid financial statements have been approved by the Company's Board of Directors and authorised for issue in the meeting held on 17th April, 2026.

#### 2.2 Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets upto the date the assets are ready for use. The estimated useful lives, residual values, are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in the statement of profit and loss.

Depreciation on assets (other than impaired assets) is calculated on straight line method which is based on useful life indicated in part C of schedule II to the Companies Act, 2013.

#### 2.3 Impairment of assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement profit and loss.

#### 2.4 Inventories

Inventories are stated at the lower of cost and net realisable value, whichever is lower. Cost is arrived at on first-in-first-out basis and includes overheads on absorption basis, where appropriate.

### Financial assets and Liabilities

#### 2.5 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of profit or loss.

#### 2.6 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

#### 2.6.1 Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets. With respect to trade receivables, the Company measures the loss allowances at an amount equal to lifetime expected credit losses.

#### 2.6.2 Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the statement of profit and loss if such gain or loss would have otherwise been recognised in the statement of profit and loss on disposal of that financial asset.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 2.7 Financial liabilities and equity instruments

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

#### 2.7.1 Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in the statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

#### 2.7.1.1 Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at Fair value through profit and loss.

#### 2.7.1.2 Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

### 2.8 Revenue recognition

Revenue on account of sale of services is recognised under the completed service contract method to the extent it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers.

Dividend income is recognised in the statement of profit and loss when the right to receive payment is established.

Interest Income is accounted for on time proportion basis.

### 2.9 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

#### 2.9.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

### 2.9.2 Deferred tax

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences could be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

### 2.9.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

### 2.9.4 Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

### 2.10 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### 2.11 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/ (loss) for the year is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

## 3. Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses, etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

\* Previous year figures are in *Italic*

### Note No. 18

The accounts of the Company for the year ended 31<sup>st</sup> March, 2026 have been prepared on the basis of going concern.

### Note No. 19 - Financial Instruments

#### [I] Capital management

The Company's capital management objectives is to ensure the Company's ability to continue as a going concern

The capital structure of the Company consists of equity.

The Company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

#### [II] Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

#### A) CREDIT RISK

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primary trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

#### (i) Financial instruments and cash deposits:

Credit risk from balances with banks is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only with bank.

#### B) LIQUIDITY RISK

##### (i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

##### (ii) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

### MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

There has been no significant changes to the Company's exposure to market risk or the methods in which they are managed or measured.

#### (i) Currency Risk

The Company undertakes transactions denominated only in Indian Rupees and hence, there is no risk of foreign exchange fluctuations.

#### (ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have significant exposure to the risk of changes in market interest rates.

#### (iii) Other price risk

The Company does not have significant other price risk.

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in markets that are not active
- inputs other than quoted prices that are observable for the asset or liability, for example interest rates and yield curves observable at commonly quoted interval
- implied volatilities
- credit spreads
- inputs that are derived principally from or corroborated by observable market data by correlation or other means ('market-corroborated inputs')

#### Level 3 Inputs:

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. An entity develops unobservable inputs using the best information available in the circumstances, which might include the entity's own data, taking into account all information about market participant assumptions that is reasonably available.

### Note No. 20 - Fair Value Measurement

#### Fair Valuation Techniques and Inputs used

This section explains the judgment and estimates made in determining the fair value of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair value are disclosed in financial statements. To provide an indication about the reliability of the inputs used in determining the fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standards.

#### Level 1 Inputs:

Level 1 inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date. A quoted market price in an active market provides the most reliable evidence of fair value and is used without adjustment to measure fair value whenever available, with limited exceptions. If an entity holds a position in a single asset or liability and the asset or liability is traded in an active market, the fair value of the asset or liability is measured within Level 1 as the product of the quoted price for the individual asset or liability and the quantity held by the entity, even if the market's normal daily trading volume is not sufficient to absorb the quantity held and placing orders to sell the position in a single transaction might affect the quoted price.

#### Level 2 Inputs:

Level 2 inputs are inputs other than quoted market prices included within level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include:

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF MOONSHINE CONSTRUCTION PRIVATE LIMITED

#### Report on the audit of the financial statements

##### Opinion

We have audited the accompanying financial statements of **M/s. Moonshine Construction Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2026 and the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, the Statement of Changes in Equity for the year then ended and Notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its Loss and cash flows for the year ended on that date.

##### Basis for opinion

We conducted our audit in accordance with the standards on auditing (SAs) specified under Section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

##### Information other than the financial statements and auditors' report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

##### Responsibilities of Management and Those Charged with Governance for the financial statements

The Company's Board of Directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

##### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to

issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report agree with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in

our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
  
b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.
- vi. As required by Section 197(16) of the Act, based on our audit, we report that the Company has not paid remuneration to its directors for the year under audit. Hence, this clause is not applicable to the Company.
- vii. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

**ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT**

- i. As per information provided by the Company to us, it does not have any fixed asset as on 31st March, 2026. Accordingly, paragraph 3 (i) of the Order is not applicable to the Company.
- ii. (a) The Company does not have inventory. Accordingly, clause 3 (ii) (a) of the Order is not applicable.  
(b) As per information and explanation provided by the Company to us, the Company does not have any sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, paragraph 3 (ii) (b) of the Order is not applicable to the Company.
- iii. As per information and explanation provided by the Company to us, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, paragraph 3 (iii) of the Order is not applicable to the Company.
- iv. According to the Information and explanation given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, Investments made, guarantees given and security as applicable.
- v. The Company has not accepted any deposits from the public within the meaning of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there-under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- vi. The maintenance of cost records as specified under subsection (1) of the section 148 of the Act are not applicable to the Company and hence relevant provisions of the Order is not applicable.
- vii. (a) According to information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including income tax, Goods and Service Tax (GST), and other material statutory dues, as applicable, with the appropriate authorities and there are no outstanding as on the last day of the financial year concerned for a period of more than six months. The Company has no obligation under Provident Fund and Employee State Insurance Rules. Payment of Sales Tax, Wealth Tax, Customs and Excise duties and Value Added Tax is not applicable to the Company during the period of Audit period.
- (b) According to the records of the company, there are no dues outstanding with respect to income tax, provident fund, employees state insurance, GST and Cess, as applicable, on account of dispute.
- viii. As per information and explanation provided by the Company to us, there are no transactions which are not recorded in the books of account have been surrendered or disclosed as income during the Audit period in the tax assessments under the Income Tax Act, 1961. Hence relevant provision of the Order is not applicable.
- ix. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.  
(b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution or government authority.  
(c) According to the information and explanations given to us by the management, the Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.  
(d) According to the information and explanations given to us, we report that funds raised on short-term basis have not been utilized for long term purposes by the Company.  
(e) According to the information and explanations given to us, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.  
(f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) or by way of private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi.** (a) During the course of our examination of the books and records of the company, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company nor any fraud on the Company has been noticed or reported during the year nor have we been informed of any such instance by the management.
- (b) During the course of our examination of the books and records of the company and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the order is not applicable to the Company.
- (c) According to the information and explanation given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii.** The Company is not a Nidhi Company and so relevant clause is not applicable.
- xiii.** During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us all transactions with related parties have been disclosed in the financial statements.
- xiv.** The Company is the private limited company and does not have turnover of two hundred crore rupees or more during the preceding financial year; or outstanding loans or borrowings from banks or public financial institutions exceeding one hundred crore rupees or more at any point of time during the preceding financial year. Hence Section 138 is not applicable and so relevant clause is not applicable.
- xv.** The Company has not entered into any non-cash transactions with directors or persons connected with any director of the Company.
- xvi.** The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- xvii.** The Company has incurred cash losses in the Audit Period of Rs.1.21 Lakhs and incurred a cash loss in the immediately preceding financial year (F.Y. 2024-25) NIL.
- xviii.** During the year no, statutory auditors has been resigned, hence relevant clause is not applicable.
- xix.** (a) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- (b) We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx.** (a) There were no amounts which were required to be transferred to fund specified under Schedule VII of Companies Act, 2013.
- (b) The company does not have net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year. Hence Section 135 is not applicable and so relevant clause is not applicable.
- xxi.** Clause (xxi) of the Order is not applicable to the Company since report is of Standalone Financial Statement.

## ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MOONSHINE CONSTRUCTION PRIVATE LIMITED

### Act Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Moonshine Construction Private Limited** (“the Company”) as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1. Corporate information

Moonshine Construction Private Limited ("the Company") is a private limited company incorporated in India on 16 May, 1996 under the provisions of erstwhile Companies Act, 1956. The registered office of the Company is located at 4th Floor, Mahindra Towers, Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli, Mumbai – 400 018.

The Company is subsidiary of Mahindra Lifespace Developers Limited, Mumbai, a company incorporated in India. The ultimate parent company is Mahindra & Mahindra Limited.

### 2. Significant Accounting Policies

#### 2.1 Statement of compliance and Basis of preparation and presentation

The Standalone Financial Statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 (the Act) and other relevant provision of the act. The aforesaid financial statements have been approved by the Company's Board of Directors and authorised for issue in the meeting held on 10th April 2026.

#### 2.2 Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets upto the date the assets are ready for use. The estimated useful lives, residual values, are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in the statement of profit and loss.

Depreciation on assets (other than impaired assets) is calculated on straight line method which is based on useful life indicated in part C of schedule II to the Companies Act, 2013.

#### 2.3 Impairment of assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is

increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement profit and loss.

#### 2.4 Inventories

Inventories are stated at the lower of cost and net realisable value, whichever is lower. Cost is arrived at on first-in-first-out basis and includes overheads on absorption basis, where appropriate.

### Financial assets and Liabilities

#### 2.5 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of profit or loss.

#### 2.6 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

##### 2.6.1 Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets. With respect to trade receivables, the Company measures the loss allowances at an amount equal to lifetime expected credit losses.

##### 2.6.2 Derecognition of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets. With respect to trade receivables, the Company measures the loss allowances at an amount equal to lifetime expected credit losses.

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the statement of profit and loss if such gain or loss would have otherwise been recognised in the statement of profit and loss on disposal of that financial asset.

## 2.7 Financial liabilities and equity instruments

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

### 2.7.1 Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in the statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

#### 2.7.1.1 Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at Fair value through profit and loss.

#### 2.7.1.2 Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

## 2.8 Revenue recognition

Revenue on account of sale of services is recognised under the completed service contract method to the extent it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers.

Dividend income is recognised in the statement of profit and loss when the right to receive payment is established. Interest Income is accounted for on time proportion basis.

## 2.9 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

### 2.9.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

## 2.9.2 Deferred tax

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

## 2.9.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

## 2.9.4 Minimum Alternate Tax (MAT):

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

## 2.10 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

## 2.11 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/ (loss) for the year is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

## 3. Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses, etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

\* Previous year's figures are in Italic

**Note No. 19 -** The accounts of the Company for the year ended 31 March, 2026 have been prepared on the basis of going concern.

**Note No. 20 - Financial Instruments****[I] Capital management**

The Company's capital management objectives is to ensure the Company's ability to continue as a going concern

The capital structure of the Company consists of equity.

The Company does not have any borrowings.

The Company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

**[II] Financial Risk Management Framework**

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

**(A) CREDIT RISK**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primary trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

**(i) Trade receivables**

Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each reporting date and the Company measures the loss allowances at an amount equal to lifetime expected credit loss. The Company does not hold collateral as security.

**(ii) Financial instruments and cash deposits:**

Credit risk from balances with banks is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only with bank.

**(B) LIQUIDITY RISK****(i) Liquidity risk management**

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

**(ii) Maturities of financial liabilities**

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

**(C) MARKET RISK**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

**(i) Currency Risk**

The Company undertakes transactions denominated only in Indian Rupees and hence, there is no risk of foreign exchange fluctuations.

**(ii) Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have significant exposure to the risk of changes in market interest rates.

**(iii) Other price risk**

The Company does not have significant other price risk.

Schedule III require explanation where the change in the ratio is more that 25% as compared to the preceding year. Accordingly explanation is given only for the said ratios.

**Note No. 22 - Additional regulatory information****Details of benami property held**

No proceedings have been initiated on or are pending against the group for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

**Relationship with struck off companies**

The Company does not have any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956.

**Wilful defaulter**

The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

**Undisclosed income**

There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

**Details of crypto currency or virtual currency**

The Company has not traded or invested in crypto currency or virtual currency during the current or previous year.

**Note No. 23- Events after the reporting period**

No material events have occurred after the Balance Sheet date and upto the approval of the Financial Statements

**Note No. 24 - Previous Year Figures**

The figures for the previous year have been regrouped wherever necessary to confirm to current year's grouping.

**Note No. 25 - Fair Value Measurement****Fair Valuation Techniques and Inputs used**

This section explains the judgment and estimates made in determining the fair value of the financial instruments that are (a) recognised and

measured at fair value and (b) measured at amortised cost and for which fair value are disclosed in financials statements. To provide an indication about the reliability of the inputs used in determining the fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standards.

**Level 1 Inputs:**

Level 1 inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date. A quoted market price in an active market provides the most reliable evidence of fair value and is used without adjustment to measure fair value whenever available, with limited exceptions. If an entity holds a position in a single asset or liability and the asset or liability is traded in an active market, the fair value of the asset or liability is measured within Level 1 as the product of the quoted price for the individual asset or liability and the quantity held by the entity, even if the market's normal daily trading volume is not sufficient to absorb the quantity held and placing orders to sell the position in a single transaction might affect the quoted price.

**Level 2 Inputs:**

Level 2 inputs are inputs other than quoted market prices included within level 1 that are observable for the asset or liability, either directly or indirectly.

Level 2 inputs include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in markets that are not active
- inputs other than quoted prices that are observable for the asset or liability, for example-interest rates and yield curves observable at commonly quoted interval
- implied volatilities
- credit spreads
- inputs that are derived principally from or corroborated by observable market data by correlation or other means ('market-corroborated inputs')

**NOTES TO THE FINANCIAL STATEMENT AS AT AND FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2026****Level 3 Inputs:**

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. An entity develops unobservable inputs using the best information available in the circumstances, which might include the entity's own data, taking into account all information about market participant assumptions that is reasonably available.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF SHREYAS STONES PRIVATE LIMITED

#### Report on the Audit of the Financial Statements

##### Opinion

We have audited the accompanying Ind AS Financial Statements of Shreyas Stones Private Limited ("the Company"), which comprise the Balance sheet as at March 31, 2026, the Statement of Profit and Loss, including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information. (herein after referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its Loss and total comprehensive Loss, its changes in equity and its cash flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

##### Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's report and the related annexures but does not include the Financial Statements and our Auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing

so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

##### Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

##### Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be

expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on other Legal and Regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
  - f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements;

- g) In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any remuneration to its directors during the year and hence provisions of Section 197 of the Companies Act, 2013 are not applicable.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company does not have any pending litigations which would have an impact on its financial position.
  - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - (iii) There were no amounts which were required to the Investor Education and Protection Fund by the Company
  - (iv) (a) The management of the company has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (b) The management of the Company has represented to us that, to the best of their knowledge and belief, no funds have been received by the Company or any of such subsidiaries from any person(s) or entity(ies) including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - (c) Based on the audit procedures, that has been considered reasonable and appropriate in the circumstances, performed by us nothing has come to our notice that has caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
  - (v) The Company has not declared/paid any dividend during the year.
  - (vi) Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

## ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

### Report on the Internal Financial Controls Under Clause (i) of Sub-Section 3 of Section 143 of The Companies Act, 2013 ("The Act")

We have audited the internal financial controls over financial reporting of **Shreyas Stones Private Limited** ("the Company") as of March 31, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these financial statements.

### Meaning of Internal Financial Controls Over Financial Reporting with Reference to these Financial Statements

A company's internal financial control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these financial statements and such internal financial controls system over financial reporting with reference to these financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

### [Referred to in paragraph 1 under 'Report on other Legal and Regulatory Requirements' section of our report of even date]

- (i) The Company does not have property, plant and equipment and intangible assets. Hence, reporting under Clause 3(i)(a) / (b) / (c) / (d) of the order are not applicable to the Company.
- (e) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) In our opinion and according to the information and explanations given to us, having regard to the nature of inventory, the physical verification by way of verification of title deed, site visits by the management and certification of extent of work completion by competent persons are done at reasonable intervals and no material discrepancies were noticed on physical verification.
- (b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.
- (iii) According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the Company.
- (iv) According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.
- (v) According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, the reporting under Clause 3(vi) of the Order is not applicable to the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, Provident Fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales tax, Service tax, Duty of Customs, Duty of Excise and Value Added Tax.
- (b) According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of outstanding statutory dues in respect of Goods and Services tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Goods and Services Tax, Provident Fund, Employees' State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other material statutory dues as at 31 March 2026, which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any loans or other borrowings during the year. Accordingly, the reporting under Clause 3(ix)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution or any other lender till the date of our audit report.
- (c) According to the information and explanations given to us, the company has not raised any money by way of term loans during the year. Hence, reporting under Clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that funds raised on short-term basis have not been utilised for long- term purposes as at the Balance Sheet date.
- (e) According to the information and explanations given to us and on an overall examination of the Financial Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) According to the information and explanations given to us and based on the audit procedures performed by us, we report that the Company has not raised any loans during the year on the pledge of securities

- held in its subsidiaries, joint ventures or associate companies. Accordingly, the reporting under Clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.
- (b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) As represented to us by the management, no whistle blower complaints were received by the Company during the year.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures, specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act, and accordingly, to this extent, the reporting under Clause 3(xiii) of the Order is not applicable to the Company.
- (xiv) In our opinion and according to the information and explanations given to us and based on our examination, the Company does not have an internal audit system and is not required to have an internal audit system as per the provisions of the Act.
- (xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding, or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clauses 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on the information and explanations given to us and the audit procedures performed by us, we report that the Group has 5 Core Investment Companies.
- (xvii) In our opinion and according to the information and explanations given to us, the Company has incurred cash losses of Rs. 308.69 lakhs during the current financial year and Rs. 218.09 lakhs in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us, CSR is not applicable to the Company as it does not meet the criteria prescribed under Section 135 of the Act. Hence, reporting under Clause 3(xx) is not applicable to the Company.

# NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31<sup>ST</sup> MARCH, 2026

## 1. General Information

Shreyas Stones Private Limited is a private limited company registered under the Companies Act, 2013 having its registered office at Bangalore, Karnataka. The Company is a wholly owned subsidiary of Mahindra Lifespaces Developers Limited. The Company is engaged in the business of development of property.

## 2. Summary of material accounting policies

### 2.1 Basis of preparation of financial statements

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and Companies (Indian Accounting Standards) Amendment Rules, 2016, as applicable.

Till Financial Year 2025-26, the Company prepared and presented the financial statements in accordance with the Accounting Standards as prescribed in section 133 of the Companies Act, 2013.

These financial statements are the Company's first Ind AS financial statements. The Company has adopted all the Ind AS standards and adoption was carried out in accordance with Ind AS 101 - First time adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition have been summarized in Note 2.22.

The Company has not applied any optional exemptions in accordance with Ind AS 101. The resulting differences between the carrying values of assets and liabilities in the financial statements as per previous GAAP and Ind AS have been recognized directly in retained earnings as at the date of transition.

### 2.2 Presentation currency

The Company's presentation currency is Indian Rupees (₹)

### 2.3 Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

### 2.4 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that affect the accounting policies and reported balances of assets and liabilities, and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

### 2.5 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### 2.6 Cash flow statement

Cash flows are reported using the indirect method, whereby profit /

(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

### 2.7 Revenue recognition

Revenue is recognized in accordance with Ind AS 115 – Revenue from Contracts with Customers when control of goods or services is transferred to customers at an amount that reflects the consideration to which the Company expects to be entitled. Revenue is measured at the transaction price, net of returns, discounts, rebates and amounts collected on behalf of third parties such as goods and services tax (GST).

Revenue from sale of goods is recognized when control of the goods passes to the customer in accordance with the terms of the contract, generally upon delivery. Revenue from services is recognized over the period in which the services are rendered and the related performance obligations are satisfied.

### 2.8 Other income

Interest income is accounted on accrual basis in the statement of profit and loss on the date that the Company's right to receive payment is established.

### 2.9 Property, plant and equipment

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Company's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

#### Capital work-in-progress

Projects under which property, plant and equipment are not yet ready for their intended use are carried at cost, comprising direct cost and related incidental expenses.

#### Capital advances

Advances paid towards acquisition of property plant and equipment are included under long-term loans and advances.

### 2.10 Depreciation and amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on property, plant and equipment has been provided using the straight-line method over the estimated useful life.

Intangible assets are amortized over their estimated useful life on straight line method. The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

### 2.11 Inventories

Inventories are valued at the lower of cost and net realizable value in accordance with Ind AS 2 – Inventories. Cost comprises cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined using the weighted average method.

Net realizable value represents the estimated selling price in the ordinary course of business less estimated costs of completion and costs necessary to make the sale. Provision is made for obsolete, slow-moving and defective inventories, wherever necessary.

# NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31<sup>ST</sup> MARCH, 2026

## 2.12 Foreign currency translation

### Initial recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

### Measurement at the balance sheet date

Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

### Treatment of exchange differences

Company: Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognized as income or expense in the Statement of Profit and Loss.

Integral foreign operations: Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company's integral foreign operations are recognized as income or expense in the Statement of Profit and Loss.

## 2.13 Borrowing costs

Borrowing costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalization of such asset are added to the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

## 2.14 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

## 2.15 Impairment of assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

## 2.16 Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognized in the financial statements.

## 2.17 GST input credit

GST input credit is accounted for in the books in the period in which the underlying goods and service received is accounted and when there is reasonable certainty in availing / utilizing the credits.

## 2.18 Taxes on income

Income tax expense is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

## 2.19 Financial Instruments

### Financial assets

#### Initial recognition and measurement

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets are classified, at initial recognition, as subsequently measured at amortized cost, fair value through other comprehensive income (OCI), and fair value through profit or loss. The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the business model for managing them. The Company initially measures a financial assets

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31<sup>ST</sup> MARCH, 2026

at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortized cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

Financial assets classified and measured at amortized cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

### Subsequent measurement

A financial asset is measured at amortized cost only if both of the following conditions are met:

- (i) It is held within a business model whose objective is to hold assets in order to collect contractual cash flows.
- (ii) The contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest ('SPPI').

After initial measurement, such financial assets are subsequently measured at amortized cost using the EIR method ('Effective Interest Rate'). Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss.

### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- (i) The rights to receive cash flows from the asset have expired, or
- (ii) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
  - The Company has transferred substantially all the risks and rewards of the asset, or
  - The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset, the difference between the carrying amount of the asset and the sum of the consideration received is recognized in the statement of profit and loss.

## 2.20 Financial liabilities and equity instruments

### Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognized at the proceeds received, net of direct issue costs.

### Financial liabilities

#### Initial recognition and measurement

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, financial liabilities are measured at fair value and subsequently measured at amortized cost.

Interest bearing debt is initially measured at fair value and are subsequently measured at amortized cost using the EIR method.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss. Any difference between the proceeds and the settlement or redemption of borrowings is recognized over the term of the borrowings in the statement of profit and loss.

### Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

## 2.21 Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31<sup>ST</sup> MARCH, 2026

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: inputs are quoted (unadjusted) market prices in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2: valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and

Level 3: valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

- a) During the year, the Company commenced real estate development activities as part of its business operations. Accordingly, parcel of land previously classified under Property, Plant and Equipment (PPE) is now held for development and sale in the ordinary course of business.

In line with the requirements of Ind AS 16 – Property, Plant and Equipment and Ind AS 2 – Inventories, the Company has reclassified such land from PPE to inventories based on a change in its intended use.

The reclassification has been carried out at the carrying amount of the land as at the date of transfer, amounting to ₹ 20,211 Lakhs. No gain or loss has been recognized on such reclassification.

The management has assessed that this represents a change in use of the asset and not a change in accounting policy.

#### 4 Deferred Tax Assets (Net)

### Note No. 24 - Earnings per share (EPS)

Basic and diluted EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year.

The following reflects the profit and share data used in the basic and diluted EPS computations:

|                           |            |            |
|---------------------------|------------|------------|
| Diluted Earning Per Share | (2,339.80) | (2,380.90) |
|---------------------------|------------|------------|

#### (i) Basic earning per share

The earning and weighted average number of ordinary shares used in the calculation of basic earnings per share are as follows:

|                                              | Rs. in Lakh                        |                                    |

**Note No. 26** The accounts of the Company for the period ended 31st March, 2026 have been prepared on the basis of going concern.

### Note No. 27 - Financial Instruments

#### [I] Capital management

The Company's capital management objectives is to ensure the Company's ability to continue as a going concern. The capital structure of the Company consists of equity.

The Company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

#### [II] Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

#### A) CREDIT RISK

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primary trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

#### (i) Financial instruments and cash deposits:

Credit risk from balances with banks is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only with bank.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2026

### Note No. 27 - Financial Instruments (continued)

#### B) LIQUIDITY RISK

- (i) **Liquidity risk management**  
Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
- (ii) **Maturities of financial liabilities**  
The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

#### MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. There has been no significant changes to the Company's exposure to market risk or the methods in which they are managed or measured.

- (i) **Currency Risk**  
The Company undertakes transactions denominated only in Indian Rupees and hence, there is no risk of foreign exchange fluctuations.
- (ii) **Interest Rate Risk**  
Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have significant exposure to the risk of changes in market interest rates.
- (iii) **Other price risk**  
The Company does not have significant other price risk.

### Note No. 28 - Fair Value Measurement

#### Fair Valuation Techniques and Inputs used

This section explains the judgment and estimates made in determining the fair value of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair value are disclosed in financials statements. To provide an indication about the reliability of the inputs used in determining the fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standards.

#### Level 1 Inputs:

Level 1 inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date. A quoted market price in an active market provides the most reliable evidence of fair value and is used without adjustment to measure fair value whenever available, with

limited exceptions. If an entity holds a position in a single asset or liability and the asset or liability is traded in an active market, the fair value of the asset or liability is measured within Level 1 as the product of the quoted price for the individual asset or liability and the quantity held by the entity, even if the market's normal daily trading volume is not sufficient to absorb the quantity held and placing orders to sell the position in a single transaction might affect the quoted price.

#### Level 2 Inputs:

Level 2 inputs are inputs other than quoted market prices included within level 1 that are observable for the asset or liability, either directly or indirectly.

Level 2 inputs include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in markets that are not active
- inputs other than quoted prices that are observable for the asset or liability, for example interest rates and yield curves observable at commonly quoted interval
- implied volatilities
- credit spreads
- inputs that are derived principally from or corroborated by observable market data by correlation or other means ('market-corroborated inputs')

#### Level 3 Inputs:

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. An entity develops unobservable inputs using the best information available in the circumstances, which might include the entity's own data, taking into account all information about market participant assumptions that is reasonably available.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2026

| The applicable Indian statutory tax rate for the period ended March 31, 2026 and March 31, 2025 is 25.168%.                                      |                  |                  |                                                                                                                                     |                  |                  |
| The following table provides the details of income tax assets and income tax liabilities as of March 31, 2026, March 31, 2025 and April 1, 2024: |                  |                  |                                                                                                                                     |                  |                  |

The movement in gross deferred income tax assets and liabilities (before set off) for the period ended December 31, 2025 is as follows:

| Particulars                                    | Rs. in Lakh                        |                                 |                     |                                        |
|------------------------------------------------|------------------------------------|---------------------------------|---------------------|----------------------------------------|
|                                                | Carrying value as of April 1, 2025 | Changes through profit and loss | Changes through OCI | Carrying value as of December 31, 2025 |
| Deferred income tax assets/(liabilities)       |                                    |                                 |                     |                                        |
| Inventories                                    | 1,985                              | —                               | —                   | 1,985                                  |
| Total deferred income tax assets/(liabilities) | 1,985                              | —                               | —                   | 1,985                                  |

The movement in gross deferred income tax assets and liabilities (before set off) for the year ended March 31, 2025 is as follows:

| Particulars                                    | Rs. in Lakh                        |                                 |                     |                                     |
|------------------------------------------------|------------------------------------|---------------------------------|---------------------|-------------------------------------|
|                                                | Carrying value as of April 1, 2024 | Changes through profit and loss | Changes through OCI | Carrying value as of March 31, 2025 |
| Deferred income tax assets/(liabilities)       |                                    |                                 |                     |                                     |
| Inventories                                    | —                                  | —                               | (1,985)             | (1,985)                             |
| Total deferred income tax assets/(liabilities) | —                                  | —                               | (1,985)             | (1,985)                             |

Deferred tax assets and deferred tax liabilities have been offset wherever the Company has a legally enforceable right to set off current tax assets against current tax liabilities and where the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment.

## INDEPENDENT AUDITOR'S REPORT

### TO THE BOARD OF DIRECTORS OF MAHINDRA BLOSSOM DEVELOPERS LIMITED

#### Report on the Audit of the Special Purpose Financial Statements

##### Opinion

We have audited the accompanying Special Purpose Financial Statements of Mahindra Blossom Developers Limited (the "Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2026, the statement of profit and loss, the statement of cash flows and the statement of changes in equity for the period ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred as "the Special Purpose Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid special purpose financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2026, its loss, its cash flows and the changes in equity for the period ended on that date.

##### Basis for Opinion

We conducted our audit of the Special Purpose Financial Statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Companies Act, 2013 (the "Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Special Purpose Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Special Purpose Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Special Purpose Financial Statements.

##### Emphasis of Matter - Basis of Accounting and Restriction on Distribution and Use

We draw attention to Note 2.1 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the Company in complying with the financial reporting provisions of the contract. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Company and Mitsui Fudosan (Asia) Pte Limited and should not be distributed to or used by parties other than the Company or Mitsui Fudosan (Asia) Pte Limited. Our opinion is not modified in respect of this matter.

#### Responsibilities of Management and Board of Directors for the Special Purpose Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Special Purpose Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Special Purpose Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of the Special Purpose Financial Statements

Our objectives are to obtain reasonable assurance about whether the Special Purpose Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Special Purpose Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Special Purpose Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Special Purpose Financial Statements, including the disclosures, and whether the Special Purpose Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Special Purpose Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Special Purpose Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Special Purpose Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or related safeguards.

## NOTES FORMING PART OF THE SPECIAL PURPOSE FINANCIAL STATEMENTS

### 1. General Information

Mahindra Blossom Developers Limited ('the Company') is a company incorporated in India on 02<sup>nd</sup> January 2026. Its Corporate Identification Number is (CIN) U41000MH2026PLC464693.

The registered office of the company is located at 4th Floor, A Wing Mahindra, Towers Dr GM Bhosale Marg, Worli, Mumbai, Mumbai - 400018, Maharashtra. The company is engaged in the business of development of residential complexes.

### 2. Material Accounting Policies

#### 2.1 Statement of compliance and basis of preparation and presentation

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under the Companies (Indian Accounting Standards) Rules, 2015, as amended, and notified under Section 133 of the Companies Act, 2013 (the "Act"), and other relevant provisions of the Act.

The aforesaid special purpose financial statements have been approved by the Company's Board of Directors on 27 April 2026.

These are the Company's special purpose financial statements prepared for the period from 2 January 2026 to 31 March 2026.

These financial statements have been prepared as Special Purpose Financial Statements (SPFS) to meet the specific requirements of the management and / or other identified users and may not be suitable for any other purpose.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use

#### 2.2 Basis of measurement

These financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

**Historical Cost:** Assets are recorded at the amount of cash or cash equivalents paid or the fair value of the other consideration given to acquire them at the time of their acquisition. Liabilities are recorded at the amount of proceeds received in exchange for the obligation, or in some circumstances (for example, income taxes), at the amounts of cash or cash equivalents expected to be paid to satisfy the liability in the normal course of business.

#### 2.3 Measurement of Fair Values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these standalone financial statements is determined on such basis, except for share-based payment transactions that are within the scope of Ind AS 102 – "Share based Payments", leasing transactions within the scope of Ind AS 116, "Leases" and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – "Inventories" or value in use in Ind AS 36 – "Impairment of Assets".

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 : Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 : Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

### 2.4 Revenue Recognition

#### 2.4.1 Revenue from Projects

- i. The Company develops and sells residential and commercial properties. Revenue from contracts is recognised when control over the property has been transferred to the customer. An enforceable right to payment does not arise until the development of the property is completed. Therefore, revenue is recognised at a point in time as per IND AS 115 when (a) the seller has transferred to the buyer all significant risks and rewards of ownership and the seller retains no effective control of the real estate unit to a degree usually associated with ownership, (b) The seller has effectively handed over possession of the real estate unit to the buyer forming part of the transaction; (c) No significant uncertainty exists regarding the amount of consideration that will be derived from real estate unit sales; and (d) It is not unreasonable to expect ultimate collection of revenue from buyers. The revenue is measured at the transaction price agreed under the contract.
- ii. The Company invoices the customers based on achieving performance-related milestones.
- iii. For certain contracts involving the sale of property under development, the Company offers deferred payment schemes to its customers. The Company adjusts the transaction price for the effects of the significant financing component.
- iv. Costs to obtain contracts ("Contract costs") relate to fees paid for obtaining property sales contracts. Such costs are recognised as assets when incurred and amortised upon recognition of revenue from the related property sale contract.
- v. Contract assets is the Company's right to consideration in exchange for goods or services that the Company has transferred to a customer when that right is conditioned on something other than the passage of time.
- vi. The Company recognizes revenue at a point in time in each reporting period considering the estimates like reasonableness of collections from customers, disputes with the customer which may result in the cancellation of the contract, which are re assessed periodically by the management. The effect of these changes to estimates is recognised in the period when changes are determined. Accordingly any revenues attributable to such changes and the corresponding Cost of Goods Sold ("COGS") previously recognised are reversed and reduced from the current year's Revenue and COGS respectively.

#### 2.4.2 Dividend and interest income

Dividend income from investments in shares is recognized when right to receive is established, which is generally when shareholders approve the dividend.

Dividend income from investment in mutual funds is recognised when the unit holder's right to receive payment has been established.

## NOTES FORMING PART OF THE SPECIAL PURPOSE FINANCIAL STATEMENTS

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

### 2.5 Current versus non-current classification

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

Based on the nature of activity carried out by the company and the period between the procurement and realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 3 to 5 years for the purpose of Current – Non Current classification of assets & liabilities.

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

The Company classifies all other assets as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Borrowings are classified as current if they are due to be settled within 12 months after the reporting period.

### 2.6 Foreign exchange transactions and translation

Transactions in foreign currencies i.e. other than the Company's functional currency are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated using the closing rate prevailing at that date. Non-monetary items measured at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was measured. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements shall be recognised in profit or loss in the period in which they arise except for:

- Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are

included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings; and

- Exchange differences on transactions entered to hedge certain foreign currency risks.

## 2.7 Employee Benefits

### 2.7.1 Defined contribution plans

The Company's contribution to provident fund and superannuation fund is considered as defined contribution plan and is charged as an expense in profit and loss based on the amount of contribution required to be made. The Company has no further payment obligations once the contributions have been paid.

### 2.7.2 Defined benefit plan

Defined benefit gratuity plan is wholly or partly funded by contributions by the Company. The liability or assets recognised in the Balance Sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of the plan assets. The defined benefit obligation is calculated by actuaries using an actuarial technique, the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows with reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

Net interest on the net defined benefit liability (asset) is the change during the period in the net defined benefit liability (asset) that arises from the passage of time.

The net interest cost is calculated applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in the employee benefit expenses in the Statement of Profit and Loss.

### 2.7.3 Remeasurement gains/losses

Remeasurement of defined benefit plans, comprising of actuarial gains or losses, return on plan assets excluding interest income are recognised immediately in balance sheet with corresponding debit or credit to other comprehensive income. They are included in Retained Earnings in the Statement of Changes in Equity and in the Balance Sheet. Remeasurements of the net defined benefit liability (asset) recognised in other comprehensive income shall not be reclassified to profit or loss in subsequent period.

Remeasurement gains or losses on long term compensated absences that are classified as other long term benefits are recognised in profit or loss.

### 2.7.4 Short-term and other long-term employee benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

## NOTES FORMING PART OF THE SPECIAL PURPOSE FINANCIAL STATEMENTS

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of expected future payments to be made in respect of services provided by employees upto the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Statement of Profit and Loss.

### 2.8 Cash and Cash Equivalents

Cash and cash equivalent in the Balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

### 2.9 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Ind AS - 33 on 'Earnings per Share'. Basic earnings per share is computed by dividing the profit or loss attributable to ordinary equity holders of the Company for the year by the weighted average number of Equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit or loss attributable to ordinary equity holders of the Company for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares except where the results are anti-dilutive.

### 2.10 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until substantially all the activities necessary to prepare the qualifying assets for its intended use or sale are complete.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

### 2.11 Income Taxes

Income Tax expense represents the sum of tax currently payable and deferred tax

#### 2.11.1 Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in Equity.

#### 2.11.2 Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a

business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

#### 2.11.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

### 2.12 Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Furniture & Fixtures and Office equipment's are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation on tangible fixed assets has been provided on pro-rata basis, on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except for certain assets as indicated below:

Lease hold improvements are amortised over the period of lease/estimated period of lease.

Vehicles used by employees are depreciated over the period of 48 months considering this period as the useful life of the vehicle for the Company.

## NOTES FORMING PART OF THE SPECIAL PURPOSE FINANCIAL STATEMENTS

Sales office and the sample flat/ show unit cost at site is amortised over 5 years or the duration of the project (as estimated by management) whichever is lower.

Computers, computer equipment's and furniture and fixtures are depreciated over the period of 1 year to 10 years.

Plant and equipment's are depreciated over the period of 1 year to 7 years.

Fixed Assets held for disposal are measured at the lower of their carrying value and fair value less costs to sell.

### 2.13 Impairment of tangible asset

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount, which is the higher of the value in use or fair value less cost to sell, of the asset or cash generating unit, as the case may be, is estimated and the impairment loss (if any) is recognised and the carrying amount is reduced to its recoverable amount. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

### 2.14 Inventories

Raw materials are valued at lower of cost and net realisable value. Cost is determined based on a weighted average basis.

Stock of units in completed projects and construction work-in-progress are valued at lower of cost and net realisable value. Cost includes land cost, materials, contract works, direct expenses and allocated interest & manpower costs and expenses incidental to the projects undertaken by the Company.

### 2.15 Cost of Construction/Development

Cost of Construction/Development (including cost of land) incurred is charged to the statement of profit and loss proportionate to project area sold. Costs incurred for projects which have not received Occupancy/Completion Certificate is carried over as construction work-in-progress. Costs incurred for projects which have received Occupancy/Completion Certificate is carried over as Completed Properties.

### 2.16 Provisions and contingent liabilities

#### 2.16.1 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the

present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions and contingent liabilities are reviewed at each Balance Sheet date.

#### 2.16.2 Contingent liabilities

Contingent liability is disclosed in case of:

- a) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- b) a present obligation arising from past events, when no reliable estimate is possible.

### 2.17 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss. However, trade receivables that do not contain a significant financing component are measured at transaction price.

#### 2.17.1 Classification and subsequent measurement

##### 2.17.1.1 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace. All recognised financial assets are subsequently measured at either amortised cost or fair value depending on their respective classification.

On initial recognition, a financial asset is classified as - measured at:

- Amortised cost; or
- Fair Value through Other Comprehensive Income (FVTOCI) - debt investment; or
- Fair Value through Other Comprehensive Income (FVTOCI) - equity investment; or
- Fair Value Through Profit or Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

All financial assets not classified as measured at amortised cost or FVTOCI are measured at FVTPL.

## NOTES FORMING PART OF THE SPECIAL PURPOSE FINANCIAL STATEMENTS

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain and loss on derecognition is recognised in profit or loss.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Debt investment at FVTOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in Other Comprehensive Income (OCI). On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVTOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for medium or long term strategic purpose.

Equity investments that are not designated as measured at FVTOCI are designated as measured at FVTPL and subsequent changes in fair value are recognised in profit or loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

### 2.17.1.2 Financial liabilities and equity instruments

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

#### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of directly attributable transaction costs.

#### Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative (that does not meet hedge accounting requirements) or it is designated

as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

### 2.17.2 Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

### 2.17.3 Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

### 2.17.4 Impairment of financial assets

The Company applies the expected credit loss (ECL) model for recognising impairment loss on financial assets. With respect to trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVTOCI, the loss allowance is recognised in OCI and is not reduced from the carrying amount of the financial asset in the balance sheet.

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

#### Investment in Subsidiaries and Joint Ventures:

The entire carrying amount of the investment in subsidiaries, associates and joint ventures is tested for impairment in accordance with Ind AS 36 Impairment of Assets as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment.

### 2.17.5 Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability

## NOTES FORMING PART OF THE SPECIAL PURPOSE FINANCIAL STATEMENTS

(whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and/or payable is recognised in profit or loss.

### 2A Use of estimates and judgements

In the application of the Company's accounting policies, which are described in note 2, the management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only the period of the revision and future periods if the revision affects both current and future periods.

#### Key sources of estimation uncertainty

In the process of applying the Company's accounting policies, management has made the following judgements based on estimates and assumptions, which have the significant effect on the amounts recognised in the financial statements:

#### A. Useful lives of property, plant and equipment and Intangible Asset

The Company reviews the useful life of property, plant and equipment and Intangible Asset at the end of each reporting period. This re-assessment may result in change in depreciation expense in future periods.

#### B. Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of various assets, liabilities and share based payments are disclosed in the notes to the financial statements.

#### C. Actuarial Valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. Such valuation depends upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in notes to the financial statements.

#### D. Taxes

Deferred tax assets are recognised for temporary differences to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

#### E. Determination of the timing of revenue recognition on the sale of completed and under development property

The Company has evaluated and generally concluded that the recognition of revenue over the period of time criteria are not met owing to non-enforceable right to payment for performance completed to date and, therefore, recognises revenue at a point in time. The Company has further evaluated and concluded that based on the analysis of the rights and obligations under the terms of the contracts relating to the sale of property, the revenue is to be recognised at a point in time when control transfers which coincides with receipt of Occupation Certificate.

#### F. Determination of performance obligations

With respect to the sale of property, the Company has evaluated and concluded that the goods and services transferred in each contract constitute a single performance obligation. In particular, the promised goods and services in contracts for the sale of property is to undertake development of property and obtaining the Occupation Certificate. Generally, the Company is responsible for all these goods and services and the overall management of the project. Although these goods and services are capable of being distinct, the Company accounts for them as a single performance obligation because they are not distinct in the context of the contract.

#### G. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of IND AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonable certain to exercise that option and period covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. The Company revises the lease term if there is a change in the non-cancellable period of the lease.

The discount rate is generally based on increment borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

#### H. Net realisable value of inventories

Inventories comprising of finished goods and construction work-in progress are valued at lower of cost and net realisable value (NRV). NRV for completed inventory is assessed by reference to market conditions and prices existing at the reporting date and is determined by the Company, based on comparable transactions identified by the Company for properties in the same geographical market serving the same real estate segment. NRV in respect of inventory under construction is assessed with reference to market prices at the reporting date for similar completed property, less estimated costs to complete construction and estimate of time value of money till date of completion.

### Note No. 24. - Earning per share

Basic EPS amounts are calculated by dividing the profit/(loss) for the year attributable to equity holders of the Company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit/(loss) attributable to equity holders of the Company (after adjusting for dividend on preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the profit/(loss) and share data used in the basic and diluted EPS computations:

|                                              | (Rs in Lakh)<br>For the period<br>Jan 02, 2026 to<br>March 31, 2026 |

### Terms and conditions of transactions with related parties

The transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables.

### Note No. 26 - Financial Instruments

#### Capital management

The Company's capital management objectives are:

- safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders
- maintain an optimal capital structure to reduce the cost of capital

The Management of the Company monitors the capital structure using debt equity ratio which is determined as the proportion of net debt to total equity.

| <b>Financial liabilities</b>                                     |                                      |
| <b>Current liabilities</b>                                       |                                      |
| Trade payables                                                   | 1,924.40                             |
| Other financial liabilities-non derivative financial liabilities | 37.53                                |
| <b>Total financial liabilities</b>                               | <b>1,961.93</b>                      |

### Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factor.

### CREDIT RISK

#### Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises from trade receivables, cash and cash equivalents and other financial assets.

#### Trade Receivables

The Company's trade receivables include receivables on sale of residential flats. As per the Company's flat handover policy, a flat is handed over to a customer only upon payment of entire amount of consideration. Thus, the Company is not exposed to any credit risk on receivables from sale of residential flats.

#### Cash and Cash Equivalents & Other Financial Assets

For banks and financial institutions, only high rated banks/institutions are accepted. The Company holds cash and cash equivalents with bank and financial institution counterparties, which are having highest safety ratings based on ratings published by various credit rating agencies. The Company considers that its cash and cash equivalents have low credit risk based on external credit ratings of the counterparties.

For other financial assets, the Company assesses and manages credit risk based on reasonable and supportive forward looking information. The Company does not have significant credit risk exposure for these items.

### LIQUIDITY RISK

#### (i) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Board of directors who have established an appropriate liquidity risk management framework for the management of the Company's short, medium and long term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

## NOTES FORMING PART OF THE SPECIAL PURPOSE FINANCIAL STATEMENTS

### (ii) *Maturities of financial liabilities*

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

| Particulars                                 | (Rs in Lakh)        |           |           |                      |
|---------------------------------------------|---------------------|-----------|-----------|----------------------|
|                                             | Less than<br>1 Year | 1-3 Years | 3-5 Years | 5 Years<br>and above |
| <b>Non-derivative financial liabilities</b> |                     |           |           |                      |
| <b>As at March 31, 2026</b>                 |                     |           |           |                      |
| Borrowings                                  | —                   | —         | —         | 32,600.00            |
| Trade payables                              | 1,924.40            | —         | —         | —                    |
| Other financial liabilities                 | 37.53               | —         | —         | —                    |
| <b>Total</b>                                | <b>1,961.93</b>     | <b>—</b>  | <b>—</b>  | <b>32,600.00</b>     |

### Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk such as equity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. All such transactions are carried out within the guidelines set by the Board of Directors.

Future specific market movements cannot be normally predicted with reasonable accuracy.

### Currency Risk

Foreign currency risk is the risk that the fair value or the future cash flows of an exposure will fluctuate because of changes in the foreign exchange rate. The Company has not undertaken any transaction in foreign currency during the year ended March 31, 2026.

### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

### Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's financial statements are affected through the impact on floating rate borrowings, as follows:

| Particulars                 | (Rs in Lakh)                              |                                       |
|-----------------------------|-------------------------------------------|---------------------------------------|
|                             | Increase /<br>decrease in<br>basis points | Effect on<br>financial<br>statements* |
| <b>As at March 31, 2026</b> |                                           |                                       |
| INR                         | +100                                      | (326.00)                              |
| INR                         | -100                                      | 326.00                                |

\* The effect as mentioned above will have impact on Profit/(Loss) Before Tax.

| k)       | Return on investment               | Income generated from Investment (6)   | Average investments (Gross) | 0.00%                                                               |

Schedule III require explanation where the change in the ratio is more than 25% as compared to the preceding year. Accordingly explanation is given only for the said ratios.

The company operates in real estate business and is governed by IND AS 115 for recording the revenue as per completion contract method. Accordingly, abovementioned ratios may not be strictly comparable

**Formula used for calculation of Ratios and Financial Indicators are as below :**

- 1) Earning for Debt Service = Net Profit before taxes + Non-cash operating expenses like depreciation and other amortizations + Interest
- 2) Debt Service = Borrowing + Interest Payment
- 3) Working Capital = Current Asset - Current Liabilities
- 4) Earning before interest & taxes = Profit/(loss) before Tax + Finance Cost

5) Capital Employed = Equity + Borrowing - Intangible Assets

6) Income generated from Investment = Profit on sale of investment + Net Gain/(loss) arising on Financial Assets measured at Fair Value through Profit and Loss

### Note No. 28 - Expenditure on Corporate Social Responsibility (CSR)

The provisions of Corporate Social Responsibility (CSR) expenditure are not applicable to the company.

### Note No. 29 - Additional regulatory information

#### a) Details of benami property held

No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

This feature of recording audit trail has operated throughout the year.

### Note No. 30 - Transfer of business undertaking

Mahindra Blossom Developers Limited ("MBLDL") has been incorporated on 2nd January, 2026, as a wholly owned subsidiary of Mahindra Lifespace Developers Limited (MLDL). MLDL sold 49% of its equity stake in Mahindra Blossom Developers Limited to Mitsui Fudosan (Asia) Pte Ltd pursuant to a share purchase arrangement dated 23rd March 2026, at its carrying value.

During the year, the Company has acquired the Alembic undertaking from MLDL on a slump sale basis, as defined under Section 2(42C) of the Income-tax Act, 1961 as a going concern, pursuant to the terms of the Business Transfer Agreement, with effect from 23rd March 2026, for a lump sum consideration of Rs 55,880 lakhs. Consequent to the transfer, all assets and liabilities pertaining to the said undertaking have been recognised in the books of the Company at their respective values as given below.

These are the Company's first set of special purpose financial statements prepared for the period from 2 January 2026 to 31 March 2026. Accordingly, comparative information is not presented.

| Particulars                   | (Rs in Lakh)     |
|-------------------------------|------------------|
|                               | Amount           |
| Property, plant and equipment | 612.47           |
| Income tax assets (net)       | 0.54             |

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF MAHINDRA HOLIDAYS & RESORTS INDIA LIMITED

#### Report on the Audit of the Standalone Financial Statements

##### Opinion

We have audited the standalone financial statements of Mahindra Holidays & Resorts India Limited (the "Company") which comprise the standalone balance sheet as at March 31, 2026, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

##### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Revenue from Contracts with Customers under Ind AS 115<br>See Note no. 36 and 53 to standalone financial statements                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

| <p>The Company has investments in subsidiaries of ₹ 14,421 lakhs (held at cost less impairment of ₹ 23,369 lakhs).</p> <p>The Company's investments in subsidiaries are carried at cost less any impairment. The investments are assessed for impairment when an indicator of impairment exists. The impairment assessment involves use of estimates and judgements. The identification of impairment event and the determination of impairment charge also require the application of significant judgement by the Company. The judgement is with respect to the timing, quantity and estimation of future discounted cash flows of the underlying entities. It involves significant estimates and judgment, due to the inherent uncertainty involved in forecasting and discounting future cash flows.</p> <p>In view of the significance of these investments and estimates and judgments involved, we consider impairment evaluation of investments in subsidiaries to be a key audit matter.</p> <p>Refer Note 2(a) of material accounting policy and Note 7 in standalone financial statements.</p> | <p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> <li>– Assessed the Company's accounting policies relating to impairment of investment in subsidiaries in accordance with applicable accounting standards.</li> <li>– Evaluated design and implementation and, testing operating effectiveness of controls over the Company's process of impairment assessment and approval of forecasts.</li> <li>– Analysed the possible indications of impairment and understanding Company's assessment of those indications.</li> <li>– Assessed the valuation methods used for determining recoverable amount, financial position of the subsidiaries and assessing profit history of those subsidiaries.</li> <li>– Understood from the Company regarding the basis and assumptions used for the projected profitability.</li> <li>– Compared the carrying amount of investments with recoverable amount based on discounted cash flow analysis.</li> <li>– Tested the assumptions used in the discounted cash flow forecast analysis based on our knowledge of the Company and the markets in which the subsidiaries operate. We challenged these assumptions with the assistance of our valuations team.</li> <li>– Assessed the comparability of the forecasts with historical information.</li> <li>– Challenged the significant assumptions considered by the Company while making impairment assessment with respect to revenue forecast, future cash flows, margins, terminal growth rate and discount rate.</li> <li>– Performed a sensitivity analysis of the key assumptions applied to determine the recoverable value and considered the resulting impact on the impairment testing.</li> <li>– Evaluated the adequacy of disclosures including key estimates and assumptions used, in respect of the impairment evaluation of investments in subsidiaries</li> </ul> |

| <b>Directions by the Regulator</b><br><b>See Note no. 58 to standalone financial statements</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

| <b>The key audit matter</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | <b>How the matter was addressed in our audit</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <p>Pursuant to a complaint made by a customer against the Company, National Financial Reporting Authority ('NFRA') passed an order dated March 29, 2023 ('the Order') providing directions to the Company. As per the order, NFRA has made certain observations in respect of:</p> <ul style="list-style-type: none"> <li>– the identification and disclosure of segments by the Company; and</li> <li>– Company's accounting policy for recognition of revenue on a straight-line basis over the period of the membership fees and annual subscription fees.</li> </ul> <p>As per the Order, the Company has carried out review of policies and practices in areas of operating segments and timing of recognition of revenue from customers and submitted its response to NFRA.</p> <p>Given the significance of the findings of NFRA on the policies and practices adopted by the Company, this has been considered as a key audit matter.</p> | <p>Our procedures included the following:</p> <ul style="list-style-type: none"> <li>– Read the Order received by the Company and us from NFRA;</li> <li>– Evaluated the findings in the Order with reference to segment reporting under Ind AS 108 and revenue recognition under Ind AS 115;</li> <li>– Communicated the findings of the Order with those charged with governance;</li> <li>– Inquired and assessed the Company's existing practices and policies followed by the Company in respect of the findings made by NFRA.</li> <li>– Reviewed the Company's response to NFRA as required by the Order.</li> <li>– Submitted our report to NFRA, based on our review of Company's aforesaid response.</li> </ul> <p><b>Segment Reporting</b></p> <ul style="list-style-type: none"> <li>– Inquired with the Chief Operating Decision Maker (CODM) on the current process of identification of segments.</li> <li>– Obtained and inspected the operating results regularly reviewed by Company's CODM.</li> <li>– Assessed the adequacy of disclosures of operating segments in accordance with Ind AS 108.</li> </ul> <p><b>Revenue Recognition</b></p> <ul style="list-style-type: none"> <li>– Evaluated the accounting policy for recognition of revenue for contracts entered with members against requirements of Ind AS 115 with reference to fulfillment of performance obligations by the Company.</li> <li>– Inspected and tested, on sample basis, relevant customer contracts and assessing revenue is recognised on satisfaction of performance obligation.</li> <li>– Assessed the adequacy of disclosures in accordance with Ind AS 115.</li> </ul> |

### Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the Board's Report, but does not include the financial statements and auditor's report thereon, which we obtained prior to the date of this auditor's report, and the Annual Report, which is expected to be made available to us after that date.

Our opinion on the standalone financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this

other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

### Management's and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of

appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material

uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - c. The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

- e. On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of its directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
  - f. the modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company has disclosed the impact of pending litigations as at March 31, 2026 on its financial position in its standalone financial statements - Refer Note 44 to the standalone financial statements.
  - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - d. (i) The management has represented that, to the best of their knowledge and belief, as disclosed in the Note 57 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (ii) The management has represented that, to the best of their knowledge and belief, as disclosed in the Note 57 to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- e. The Company has neither declared nor paid any dividend during the year.
- f. Based on our examination which included test checks, the Company has used accounting softwares (along with access management tool) for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective softwares except that in case of an accounting software relating to payroll records, operated by a third-party software service provider, based on an independent auditor's report in relation to controls, the audit trail (edit log) facility was not enabled to capture old values for direct data changes made at the database level. Further, where audit trail (edit log) facility was enabled and operated throughout the year, we did not come across any instance of audit trail feature being tampered with during the course of our audit. Additionally, where audit trail (edit log) facility was enabled and operated in the previous years, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
- In our opinion and according to the information and explanations given to us, the remuneration payable by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid/payable to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

## ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA HOLIDAYS & RESORTS INDIA LIMITED FOR THE YEAR ENDED MARCH 31, 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company, except for the following which are not held in the name of the Company:

| Description of property | Gross carrying value<br>(₹ in lakhs) | Held in the name of                    | Whether promoter, director or their relative or employee | Period held- indicate range, where appropriate              | Reason for not being held in the name of the Company. Also indicate if in dispute                                                                                                  |
|-------------------------|--------------------------------------|----------------------------------------|----------------------------------------------------------|-------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Freehold Land Manali    | 1,243.05                             | Competent Hotels Private Limited       | No                                                       | Merger date February 09, 2016 effective from April 01, 2015 | Received on merger of erstwhile companies. | Building Jaisalmer      | 1,211.15                             | Divine Heritage Hotels Private Limited | No                                                       | Merger date February 29, 2016 effective from April 01, 2015 |                                                                                                                                                                                    |

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned

working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.

(iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made investments or provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. The Company has made investments in Mutual Funds and granted loans to companies, in respect of which the requisite information is as below. The Company has not granted any loans to firms, limited liability partnership or any other parties.

(a) Based on the audit procedures carried on by us and as per the information and explanations given to us the Company has provided loans as below:

| Particulars                                         | (₹ in lakhs) |
|-----------------------------------------------------|--------------|
|                                                     | Loans        |
| Aggregate amount during the year                    |              |
| <b>Subsidiaries*</b>                                |              |
| Mahindra Hotels and Residences India Limited        | 6,786        |
| Mahindra Holidays and Resorts Harihareshwar Limited | 28           |
| Balance outstanding as at balance sheet date        |              |
| <b>Subsidiaries*</b>                                |              |
| MH Boutique Hospitality Limited                     | 801          |
| Gables Promoters Private Limited                    | 6,007        |
| Mahindra Hotels and Residences India Limited        | 16,085       |
| Heritage Bird (M) Sdn Bhd                           | 466          |
| Infinity Hospitality Group Company Limited          | 4,992        |
| Mahindra Holidays and Resorts Harihareshwar Limited | 167          |

\*As per the Companies Act, 2013

(b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the terms and conditions of investments made and grant of loans during the year are not prejudicial to the interest of the Company.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular. Further, the Company has not given any advance in the nature of loan to any party during the year.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given. Further, the Company has not given any advances in the nature of loans to any party during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.

(f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.

(iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made investments, provided any guarantee or security as specified under Section 185 and 186 of the Companies Act, 2013 ("the Act"). In respect of the loans given by the Company, in our opinion the provisions of Section 186 of the Act have been complied with.

(v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

(vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the services provided by it. Accordingly, clause 3(vi) of the Order is not applicable.

(vii) (a) The Company does not have liability in respect of service tax, duty of excise and sales tax during the year since effective July 1, 2017, these statutory dues have been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues have been regularly deposited by the Company with the appropriate authorities, except Income Tax of ₹ 5,757 lakhs related to earlier years, which the Company identified in the current year and voluntarily disclosed to Government Authorities. This amount has been duly paid along with applicable interest during the year (refer note no. 60 to the standalone financial statements)

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Value added tax, Duty of Customs or Cess or other statutory dues were in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Value added tax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

| Name of the statute                   | Nature of the dues                | Gross Amount<br>(₹ in lakhs) | Amount paid<br>under<br>protest (₹ in lakhs) | Period to which<br>the amount relates | Forum where<br>dispute is pending    |
|---------------------------------------|-----------------------------------|------------------------------|----------------------------------------------|---------------------------------------|--------------------------------------|
| Income Tax Act, 1961                  | Income tax, interest and penalty  | 56,980                       | 30,279                                       | A.Y. 1999 to 2011                     | High Court                           |
|                                       |                                   | 61,079                       | 21,759                                       | A.Y. 2010, A.Y. 2012 to 2016          | ITAT                                 |

Note: The above amounts are inclusive of interest and penalty upto the date of the respective orders.

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, the Company has not obtained any term loans during the year and the term loans obtained in the previous periods were fully utilised in the respective periods. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint venture as defined under the Act.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint venture or associate companies (as defined under the Act).
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) During the course of our examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of our audit procedures.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations provided to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) has more than one CIC as part of the Group. The Group has five CICs as part of the Group.

(xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee

nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

## **ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF MAHINDRA HOLIDAYS & RESORTS INDIA LIMITED FOR THE YEAR ENDED MARCH 31, 2026**

**Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act**

**(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

### **Opinion**

We have audited the internal financial controls with reference to financial statements of Mahindra Holidays & Resorts India Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

### **Management's and Board of Directors' Responsibilities for Internal Financial Controls**

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the

assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

### **Meaning of Internal Financial Controls with Reference to Financial Statements**

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

## 1 Corporate Information

Mahindra Holidays & Resorts India Limited ('the Company') was incorporated on September 20, 1996. The Company is domiciled in India with its registered office address being Mahindra Towers, 1st Floor, 'A' Wing, Dr. G.M. Bhosale Marg, P.K. Kurne Chowk, Worli, Mumbai – 400 018, Maharashtra, India. The Company is in the business of selling vacation ownership and providing holiday facilities.

## 2(a) Material accounting policies

### (i) Statement of compliance

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

### (ii) Basis of preparation and presentation

The standalone financial statements of the Company have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

All amounts have been rounded off to the nearest lakhs, unless stated otherwise.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these standalone financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The standalone financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the standalone financial statements.

### (iii) Revenue recognition

#### a. Revenue from sale of Vacation Ownership

The Company's business is to sell vacation ownership and provide holiday facilities to members for a specified period each year or over a number of years.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price allocated to that performance obligation.

## Revenue from Membership fees

The Company recognises the membership fees over the tenure of membership as the performance obligation is fulfilled over the tenure of membership (33 years / 25 years / 10 years or any other tenure applicable to the respective member). The Company will recognise revenue on a straight line basis over the tenure of membership after considering the expected customer unexercised rights from date of admission of each member. The revenue which will be recognised in future periods are disclosed under other liabilities – contract liability - deferred revenue-vacation ownership. Revenue from consumer offers and other benefits provided on membership are recognized as and when such benefits are provided to members at its respective fair value. The payment for membership fee is collected either in full upfront, or on a deferred payment basis (ranging between 3 to 48 months).

Income from resorts include income from room rentals, food and beverages, etc. and is recognized when services are rendered and includes revenue relating to complimentary breakfast as recognised evenly over the period for which the benefit is offered.

Discounts and other incentives provided to the customer's are reduced from the overall contract value.

## Deferred Acquisition Cost

Incremental costs of acquisition of the members are deferred over the period of effective membership in line with revenue deferral. Incremental costs are those that would not have been incurred if the contract was not obtained. Such cost which will be amortised in the future period are disclosed under deferred acquisition cost.

## Revenue from Annual subscription fees

Annual subscription fee dues from members are recognized as income on accrual basis and fees pertaining to the period beyond the date of the Balance Sheet is grouped under Other liabilities - Deferred revenue – Annual subscription fee and payment is due as per due date mentioned in invoice.

## Interest income on deferred payment plans

Interest revenue is recognised only to the extent that a contract asset (or receivable) or a contract liability is recognised in accounting for a contract with the customer. Also refer accounting policy for financial instruments (Note no. xv)

Revenue is recognized only when it is probable that the economic benefits associated with the transaction will flow to the Company. Revenue with respect to instalments/contracts where there is an uncertainty about collectability, is deferred (even though the membership is not cancelled). The estimation of such revenues where there is uncertainty in collection has been made by the Company based on past trends of year-wise cancellation of memberships and considering factors impacting future collections.

- b. Income from resorts include income from room rentals, food and beverages, etc. and is recognized when services are rendered.

### (iv) Leases

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases.

The right-of-use assets are initially recognized at cost, which comprises the present value of future lease liability. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the period of lease term. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. In addition, the right-of-use asset is periodically reduced by impairment losses (as part of cash generating units (CGUs)), if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Group's incremental borrowing rate. Generally, the Company uses incremental borrowing rate as the discount rate.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

#### (v) **Foreign currencies**

The standalone financial statements of the Company are presented in Indian Rupees (₹), which is the Company's functional currency. In preparing the standalone financial statements of the Company, transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

#### (vi) **Employee benefits**

Employee benefits include short term and long term employee benefits, provident fund, superannuation fund, employee state insurance scheme, gratuity fund and compensated absences.

##### **Defined contribution plans**

A defined contribution plan is a post-employment benefit plan where the Company's legal or constructive obligation is limited to the amount that it contributes to a separate legal entity. The Company makes specified monthly contributions towards government administered schemes.

The Company's contribution to provident fund, superannuation fund and employee state insurance scheme are considered as defined contribution plans and are recognized as an expense when employees have rendered service entitling them to the contributions.

##### **Defined benefit plans**

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plan is calculated by estimating the amount of future benefit employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan asset. The wages considered for the calculation are as per new Labour Code.

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out by an independent

actuary at the end of each reporting period. Defined benefit costs are categorised as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments; settlements);
- Net interest expense or income; and
- Re-measurement

The Company presents the first two components of defined benefit costs in the statement of profit or loss in the line item 'Employee benefits expense'. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income and is not reclassified to statement of profit and loss. Curtailment gains and losses are accounted for as past service costs. Past service cost is recognized in the statement profit and loss in the period of a plan amendment.

The obligation recognized in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

##### **Short-term and other long-term employee benefits**

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Accumulated absences expected to be carried forward beyond twelve months is treated as long-term employee benefit for measurement purposes. The Company's net obligation in respect of other long-term employee benefit of accumulating compensated absences is the amount of future benefit that employees have accumulated at the end of the year. That benefit is discounted to determine its present value. The obligation is measured annually by a qualified actuary using the projected unit credit method. Remeasurements are recognised in statement of profit and loss in the period in which they arise.

The obligations are presented as current liabilities in the balance sheet if the Company does not have an unconditional right to defer the settlement for at least twelve months after the reporting date.

#### (vii) **Share based payment arrangements**

Equity-settled share based payments to employees are measured at the fair value of the equity instruments at the grant date. Details regarding the determination of the fair value of equity-settled share-based transactions are set out in Note 24.

The fair value determined at the grant date of the equity-settled share based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognized in the statement of profit and loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to share options outstanding account in Reserves & Surplus.

#### (viii) **Taxation**

Income tax expense represents the sum of the tax currently payable

and deferred tax. The Company has determined that interest and penalties related to income taxes, including uncertain tax positions.

#### **Current tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted by the end of the reporting period.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

#### **Deferred tax**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred taxes are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on the tax rates and the tax laws enacted or substantively enacted as at the reporting date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax are recognized in the standalone statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

#### **(ix) Property, plant and equipment ('PPE')**

Buildings held for use in the supply or production of goods or services, or for administrative purposes, are stated in the standalone balance sheet at cost less accumulated depreciation and accumulated impairment losses.

Freehold land is valued at fair value based on valuations by external independent valuers at sufficient intervals between 3-5 years to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period. The Company reviews the fair value annually to assess if there is any significant change in the fair value to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

Any revaluation surplus is recognised in other comprehensive income and accumulated in equity under revaluation reserve, except to the extent that it reverses a revaluation decrease of the same asset previously recognised in the standalone statement of profit and loss, in which case the increase is recognised in statement of profit and loss. A revaluation deficit is recognised in the standalone statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset carried in the revaluation reserve.

Furniture and Fixtures and Office equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Plant and Equipment in the course of construction for supply, production or administrative purposes are carried at cost, less any recognized impairment loss. Cost includes professional fees, other directly attributable expenses and, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliably.

| Category of Asset                                         | Estimated useful lives | Useful lives as per schedule II |
|-----------------------------------------------------------|------------------------|---------------------------------|
| Leasehold Building                                        | Period of lease        | Period of lease                 |
| Buildings (other than those mentioned below)              | 30 - 60 years          | 60 years                        |
| Floating cottages (grouped under buildings)               | 25 years               | 30 years                        |
| Plant & equipment                                         | 5 - 15 years           | 8-20 years                      |
| Furniture and Fixtures (other than those mentioned below) | 5 - 10 years           | 10 years                        |
| Furniture and Fixtures (in Club Mahindra Holiday World)   | 3 years                | 10 years                        |
| Vehicles (other than those mentioned below)               | 8 years                | 8 years                         |
| Motor vehicles/other assets provided to employees         | 4- 5 years             | 10 years                        |
| Office equipment                                          | 5 years                | 8-20 years                      |

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Items of property, plant and equipment are derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

#### **(x) Intangible assets**

Development expenditure is capitalised as part of the cost of the resulting intangible asset only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Company

intends to and has sufficient resources to complete development and to use or sell the asset. Otherwise, it is recognised in statement of profit and loss as incurred. Subsequent to initial recognition, development expenditure is measured at cost less accumulated amortisation and any accumulated impairment losses.

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in statement of profit and loss as incurred.

Intangible assets with finite useful lives are carried at cost less accumulated amortisation and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

| Category of Asset                              | Estimated useful lives | Useful life as per schedule II |
|------------------------------------------------|------------------------|--------------------------------|
| Computer Software and website development cost | 3 years                | 2-5 years                      |

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in statement of profit and loss when the asset is derecognized.

**(xi) Impairment of tangible and intangible assets including investments**

At the end of each reporting period, the Company reviews the carrying amounts of its tangible, intangible assets and investment in subsidiaries to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). In assessing Value in Use, future cash flows are discounted to present value. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in standalone statement of profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in standalone statement of profit and loss.

**(xii) Inventories**

Inventories are carried at the lower of cost and net realizable value.

Costs of inventories are determined on moving weighted average basis. Cost includes the purchase price, non-refundable taxes and delivery handling cost. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

**(xiii) Provisions and contingent liabilities**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

**Contingent liability**

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the standalone financial statements.

**(xiv) Financial instruments**

Trade receivables are initially recognised when they originate. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in standalone statement of profit and loss.

All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through the statement of profit and loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Interest income from other financial assets is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income from investments is recognized when the shareholder's right to receive payment has been established, provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

**Effective interest method**

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts/payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts)

through the expected life of the instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

**(xv) Financial assets**

**Equity**

Equity instruments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in profit or loss. The net gain or loss recognized in statement of profit and loss incorporates any dividend earned on the financial asset and is included under 'Other income'.

Investments in equity instruments of subsidiaries, joint venture and associates are measured at cost.

**Impairment of financial assets**

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses considering the nature of industry and the deferred payment schemes operated.

**Derecognition of financial assets**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party or when the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to the another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in statement of profit and loss if such gain or loss would have otherwise been recognized in the statement of profit and loss on disposal of that financial asset.

**Foreign exchange gains and losses on financial assets**

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognized in statement of profit and loss.

Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognized in the standalone statement of the other comprehensive income.

**(xvi) Financial liabilities and equity instruments**

**Classification as debt or equity**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

**Equity instruments**

Repurchase of the Company's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

**Financial liabilities**

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

**Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

**Financial liabilities subsequently measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included under 'Finance costs'.

**Financial guarantee contracts**

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognized less, when appropriate, the cumulative amount of income recognized.

**Foreign exchange gains and losses on financial liabilities**

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains are determined based on the amortised cost of the instruments and are recognized in "Other income" and losses are recognised in "Finance Cost" to the extent it is related to borrowings.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognized in standalone statement of profit and loss.

**(xvii) Cash flow statements**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows from operating activities are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the Company are segregated based on the available information.

**(xviii) Earnings per share**

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number

of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

**(xix) Operating cycle**

Based on the nature of services / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

**2(b) Critical accounting judgements and key sources of estimation uncertainty**

In the application of the Company's accounting policies, which are described above, the management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only the period of the revision and future periods if the revision affects both current and future periods.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

**a. Share based payments**

The entity initially measures the cost of equity settled transactions with employees using the Black Scholes model to determine the fair value of the options granted. Estimating the fair value of the share options granted require determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them. The assumptions and models used for estimating the fair value for the share based payment transactions are disclosed in Note 24.

**b. Defined benefit plans (gratuity)**

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Further details about the gratuity obligation are disclosed in Note 45.

**c. Customer unexercised rights**

The Company considers the expected Customers unexercised rights, while determining the effective membership period over which the membership fee needs to be recognised. This customer unexercised right is computed based on past trend of utilisation of membership by the customer.

**d. Fair valuation of Freehold land**

Freehold land is measured at Fair value based on valuations by external independent valuers using the market approach at sufficient

intervals between 3-5 years to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

**e. Intangible assets under development**

The Company capitalizes intangibles under development in accordance with the accounting policy. Initial capitalization of costs is based on management's judgement that technological and economic feasibility is confirmed.

**f. Estimation towards revenue deferred due to uncertainty of collection**

The quantum of revenue deferred due to uncertainty of collection is computed based on past trends of year-wise cancellation of memberships and considering factors impacting future collections.

**g. Litigation for taxation matters**

The Company is subject to tax litigation, the outcome of which is subject to many uncertainties inherent in litigation such as interpretation of legislation, outcome of appeals etc. Litigation provisions are reviewed at each accounting period and revisions made for the change in facts and circumstances.

**h. Significant financing component**

Given the nature of vacation ownership business, the Company has determined that membership fee does not include a significant financing component. Where the payment is received in installments, the Company charges appropriate interest to the members.

**i. Leases**

The Company makes an assessment on the expected lease term on a lease-by lease basis as per the contract period. Further, discount rate is based on the incremental borrowing rate of the company at the time of commencement of lease.

**3 Recent pronouncements:**

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the current year, MCA notified amendments to Ind AS 1 relating to the classification of liabilities, as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. Amendments to Ind AS 12 relating to International Tax Reform – Pillar Two Model Rules, the amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. Amendments to Ind AS 21 relating to the determination of exchange rates where currencies are subject to a lack of exchangeability. The adoption of these amendments did not have a material impact on the financial position, financial performance, or cash flows of the Company for the year ended March 31, 2026.

**Standards issued but not yet effective**

Ind AS 1 - Presentation of Financial Statements - If a covenant breach occurs on or before the reporting date and the liability becomes payable on demand, it must be classified as current, even if the lender subsequently agrees not to demand repayment. The Company does not have any long-term borrowing with covenants attached and hence the above amendments will not have any impact on the Company.

All amounts are in ₹ Lakhs unless otherwise stated

<sup>#</sup>Amount is below the rounding off norms adopted by the company

During the year ended March 31, 2026, the Company recognised an impairment charge amounting to ₹ 23,369.59 lakhs (Previous Year March 31, 2025: NIL) on its investment in MHR Holdings (Mauritius) Limited, equivalent to the carrying value of the investment as at the reporting date.

The impairment assessment was carried out considering the adverse economic conditions prevailing in Finland, which have significantly impacted the operations of Holiday Club Resorts (HCR), a company incorporated in Finland. HCR is ultimately a wholly owned subsidiary of the Company.

Impairment was assessed using the Discounted Cash Flow (DCF) method. The inputs used in performing the impairment assessment at March 31, 2026 were as follows:

|                      |                |
|----------------------|----------------|
| Assumptions          |                |
| Revenue Growth Rate  | 3.73% - 10.18% |
| Discount Rate        | 10.90%         |
| Terminal Growth Rate | 2.50%          |

The key assumptions in performing the impairment assessment are as follows:

|                      |                                                                                                                                                                                                                                              |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Assumptions          | Basis of assumptions                                                                                                                                                                                                                         |
| Discount Rate        | Nominal discount rate reflects the market assessment of the risks specific to the Company and estimated based on the weighted average cost of capital.                                                                                       |
| Growth Rate          | The growth rates into perpetuity used are in line with the nominal long-term average growth rates of the respective industry and country in which the entity operates and are consistent with the internal / external sources of information |
| Terminal Growth Rate | This is based on the market benchmark for similar company                                                                                                                                                                                    |

^ Refer Note No. 60

All amounts are in ₹ Lakhs unless otherwise stated

have been granted to certain eligible employees. The share-based payment reserve is used to recognise the value of equity-settled share-based payments provided to employees, including key management personnel, as part of their remuneration.

- d) **Capital Reserve:** Capital Reserves are mainly the reserves created during business combination for the gain on bargain purchase and common control mergers. It is not available for distribution as dividend.
- e) **Capital Redemption Reserve:** The capital redemption reserve is used towards issue of fully paid bonus shares of the Company.
- f) **Revaluation Reserve:** The revaluation reserve is credited on account of revaluation of freehold land. It is not available for distribution as dividend.
- g) **Transition Difference:** The Cumulative effect of applying Ind AS 115 Revenue from Contract with Customers, Ind AS 116 Leases (net of deferred tax) is recognised as an adjustment to other equity, by separately disclosing it in Transition Difference. Subsequent impact of unwinding of transition adjustments of Ind AS 115 and Ind AS 116 is included in retained earnings.

| In respect of certain States, the Company has received demands for payment of luxury tax for member stay at resorts as summarised below:                                                                                     |                      |                      |                      |
| Demands raised (inclusive of penalty)                                                                                                                                                                                        | 5,143.23             | 5,143.23             | 6,790.98             |
| <b>(d) GST matters:</b>                                                                                                                                                                                                      |                      |                      |                      |
| GST demand on issues relating to output tax liability on room accommodation services availed by members (on sale of membership services) and availment of Input Tax Credit (inclusive of penalty where quantified in demand) | 7,844.11             | 7,525.13             | 1,705.75             |

The Company has challenged the above demands before various appellate authorities / High Court, the outcome of which is pending.

\* For matters pertaining to timing differences, if liability were to crystallise, there would be future tax benefits, except to the extent of tax rate differences and interest, if any which currently is not determinable.

##### Notes:

- The above amounts are based on demands raised, which the Company is contesting with the concerned authorities. Outflows, if any, arising out of these claims would depend on the outcome of the decision of the appellate authorities and the Company's rights for future appeals. No reimbursements are expected.
- The Company had received show cause notices from service tax authorities of ₹ 21,991.33 Lakhs. The detailed reply to the SCN and rectification application were submitted by the Company in prior financial years in response to the Order in Original from the Principal Commissioner of CGST and Central Exercise. The Principal Commissioner confirmed the demand amounting to ₹ 43,105.47 Lakhs including interest and penalty and the same has been disclosed as Contingent liability in above table. As the Principal Commissioner rejected rectification application without giving any opportunity for personal hearing, the Company filed Writ Application before Madras High Court and Madras High Court on March 08, 2023 accepted the Company's request to provide an opportunity for hearing and set aside the Order passed by Principal Commissioner. On March 29, 2023, the Principal Commissioner reaffirmed the Original Order dated February 16, 2022 and rejected the Company's rectification application. The Company has filed a Writ Application before the Madras High Court against the said Order of Principal Commissioner. Madras High Court has passed an interim order on February 16 2026 restraining any recovery of the demand in connection with Service tax matter.
- The Company has accounted for service tax receivable of ₹ 8.92 Lakhs (Previous year: ₹ 712.16 Lakhs) in relation to the service tax paid on ASF and Membership fee invoices for contracts which have been cancelled post GST implementation.

| Outstanding amount against guarantees (₹) (Refer Note no. 52) | —                    | —                    | 62,305.36            |

All amounts are in ₹ Lakhs unless otherwise stated

**(f) Other matters under appeal (Property related)**

- (i) The Government of Kerala through the Sub Collector, District of Devikulam issued an Order dated July 03, 2007 cancelling the assignment of land underlying the Munnar resort and directed repossession of land on the ground that it is agricultural land and cannot be used for commercial purposes. The Company had filed an appeal before the Commissioner of Land Revenue, Trivandrum against the said Order stating that the Patta issued does not specify that the land should be used only for agricultural purpose. The Commissioner of Land Revenue, Trivandrum vide his Order dated November 22, 2007 dismissed the appeal filed by the Company and cancelled the assignment of land underlying the Munnar Resort (Total Purchase Value ₹ 605.12 Lakhs) and further directed repossession of land on the ground that it is agricultural land and cannot be used for commercial purposes. The Company had filed a writ petition before the Kerala High Court against the said Order. The writ Petition has been disposed of by an Order dated May 21, 2019. Against the said Order, the company has filed a Writ Appeal and by an order dated June 19, 2019, the Court granted an interim stay of all further proceedings. The Writ Appeal has been dismissed by a Judgement dated May 25, 2022. The Company has filed Review Petition before the Kerala High Court. Review Petition is allowed vide Order dated September 11, 2025 and the Writ Appeal and the Interim Order passed in the Writ Appeal is revived. The Writ Appeal will now come up in due course.

- (ii) With respect to certain claims of neighbouring property owners, the Company filed a suit in the Civil Court, Pune seeking inter-alia permanent injunction against them disturbing the possession of the Company's resort property at Lonavala, Maharashtra and obtained an interim stay. In another development, notwithstanding these proceedings, the neighbouring property owner obtained an order from the local Mamlatdar's Court for alleged access to his property through the resort property. The Company obtained a stay against the said order of the Mamlatdar. All matters with respect to the neighbouring property owner are currently pending before the Civil Court, Pune. Further, on account of the cancellation of the Non-Agricultural land conversion order by the Collector, Pune on the basis of complaint made by the said neighbouring owner and subsequently confirmed by the Additional Divisional Commissioner, Pune, the Company has also filed another Civil Suit at Civil Court, Pune against State of Maharashtra and Others, inter alia, seeking declaration that the proceedings and Orders in respect of cancellation of the Non-Agricultural status of the land underlying the resort property at Lonavala (Total Purchase Value ₹ 1,545.01 Lakhs) are not enforceable and also sought other reliefs. Ad-interim stay has been granted against State of Maharashtra and the Collector, Pune not to give effect to the Orders of Non-Agricultural cancellation and the matter is pending for further hearing.

**(g) Other matters**

The Company engaged a building contractor for construction of a resort. As the construction did not proceed as per agreed timelines the Company terminated the contract. The contractor has claimed ₹ 1,256.15 Lakhs as damages for termination of the Contract. The Company has made a counter claim of ₹ 2,003.56 Lakhs towards liquidated damages and other losses.

By an Award dated September 11, 2023 ("Award"), partially allowing the claim of the Contractor, the Company has been directed to pay an amount of ₹ 653.52 lakhs together with interest at the rate of 9 % p.a. from October 14, 2011 till the date of realisation. The Company has challenged the Award by filing a Petition before the High Court of Madras. By an interim Order dated March 25, 2024, the Hon'ble Madras High Court has, pending the disposal of the said Petition, granted a stay of the execution of the said Award, subject to the Company furnishing Bank Guarantee in favour of the Contractor for an amount of ₹ 119.12 Lakhs together with interest thereon at the rate of 9% p.a. from the date of the claim petition viz., December 14, 2011 till the date of filing the Petition viz. February 12, 2024 within a period of four weeks. The Company has complied with the order by submitting Bank Guarantee of ₹ 249.64 Lakhs to the Registry of the Madras High Court and by renewing it from time to time. Thus the stay of the execution is confirmed. The matter is pending and will come up for arguments on the petition challenging the Award, as and when listed.

- (h) With respect to member complaints pending before various consumer forum and other matters: Estimated amount of claims ₹ 1,443.44 Lakhs

(Previous Year: ₹ 1,282.77 Lakhs). In addition, there are claims by some members seeking certain reliefs which are not agreed by the company, the financial impact of these claims are currently not ascertainable and hence not captured in above.

**(i) Capital commitment:**

| Particulars                                                                                                                  | As at<br>March 31,<br>2026 | As at<br>March 31,<br>2025 | As at<br>April 01,<br>2024 |

| <b>IV. Major categories of plan assets:</b>                        |                         |                 |
| Deposits with Insurance companies                                  | 1,763.88                | 1,643.93        |

The significant actuarial assumptions (estimated for adequate coverage of the obligation on a prudent basis), are as under:

| Particulars                         | Valuation as at |                |
|-------------------------------------|-----------------|----------------|
|                                     | March 31, 2026  | March 31, 2025 |
| Discount rate(s)                    | 6.50%           | 6.50%          |
| Expected rate(s) of salary increase | 8.00%           | 9.00%          |
| Attrition                           | 18%-56%         | 18%-56%        |
| Mortality table                     | IALM 2012-14    | IALM 2012-14   |

Weighted average duration of the defined benefit obligation - 3 years (Previous year - 3 years).

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

| Principal assumption |           | Changes in assumption | Impact on defined benefit obligation |                        |
|----------------------|-----------|-----------------------|--------------------------------------|------------------------|
|                      |           |                       | Decrease in assumption               | Increase in assumption |
| Discount rate        | 2025-2026 | 0.50%                 | 52.56                                | (50.74)                |
|                      | 2024-2025 | 0.50%                 | 33.73                                | (32.55)                |

| Principal assumption |           | Changes in assumption | Impact on defined benefit obligation |                        |
|----------------------|-----------|-----------------------|--------------------------------------|------------------------|
|                      |           |                       | Decrease in assumption               | Increase in assumption |
| Salary growth rate   | 2025-2026 | 0.50%                 | (50.28)                              | 51.57                  |
|                      | 2024-2025 | 0.50%                 | (31.96)                              | 32.79                  |
| Attrition rate       | 2025-2026 | 0.50%                 | 274.64                               | (158.13)               |
|                      | 2024-2025 | 0.50%                 | 224.84                               | (112.28)               |
| Mortality rate       | 2025-2026 | 0.10%                 | 0.05                                 | (0.05)                 |
|                      | 2024-2025 | 0.10%                 | 0.10                                 | (0.10)                 |

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the standalone Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to previous period.

The Company expects to contribute ₹ 1,511.87 Lakhs (Previous Year: ₹ 470.69 Lakhs) to the gratuity trust during the next financial year of 2026-27.

#### V. Maturity profile of defined benefit obligation:

|               | March 31, 2026 | March 31, 2025 |
|---------------|----------------|----------------|
| Within 1 year | 753.74         | 575.69         |
| 1 - 2 year    | 653.05         | 345.49         |
| 2 - 3 year    | 447.77         | 334.06         |
| 3 - 4 year    | 391.03         | 217.42         |
| 4 - 5 year    | 375.57         | 181.52         |
| > 5 years     | 1,105.05       | 545.92         |

#### Plan Assets

The fair value of Company's pension plan asset as of March 31, 2026 and March 31, 2025 by category are as follows:

| Particulars                                   | March 31, 2026 | March 31, 2025 |
|-----------------------------------------------|----------------|----------------|
| <b>Asset category:</b>                        |                |                |
| Contributions placed with Insurance companies | 1,763.88       | 1,643.93       |
|                                               | 100%           | 100%           |

The weighted average duration of the defined benefit obligation as at March 31, 2026 is 3 years (Previous year: 3 years)

#### VI. Experience Adjustments:

| Particulars                | Year Ended      |                |                |                |                |
|----------------------------|-----------------|----------------|----------------|----------------|----------------|

The Company has a robust business risk management process to identify, evaluate and mitigate risks impacting business of the Company. This framework seeks to create transparency, minimise adverse impact on the business objectives and enhance the Company's competitive advantage. This also defines the risk management approach across the enterprise at various levels including documentation and reporting. Risk management forms an integral part of the Company's Business Plan. The Company has adequate internal processes

All amounts are in ₹ Lakhs unless otherwise stated

to assess, monitor and manage financial risks. These risks include credit risk, liquidity risk and market risk.

| Risk           | Exposure primarily from | Measurement                        | Management                                                                          |
|----------------|-------------------------|------------------------------------|-------------------------------------------------------------------------------------|
| Credit risk    | Trade receivables       | Ageing analysis, Credit assessment | Assessment of customer credit worthiness at inception and through the credit period |
| Liquidity risk | Capital commitments     | Cash flow forecast                 | Availability of committed credit lines and borrowing facilities                     |

(i) **Credit risk management**

A significant portion of the Company's sales of Vacation Ownerships are by way of deferred payment schemes where the customer is obligated to pay the membership fee in Equated Monthly Instalments (EMIs) and the ensuing credit risk is managed by the Company in the following manner:

- preliminary assessment of customer credit worthiness, ensuring realisation of minimum down payment and adherence to internal KYC norms;
- collecting post dated instruments such as cheques, Automated Clearing House (ACH) mandates, standing credit card instructions from the customers at inception to ensure security cover.

From an accounting perspective, revenue is recognised only when it is probable that the economic benefits associated with the transaction will flow to the Company. The member is not allowed to use the benefits of membership until the overdue amount is regularised or fully paid in that relevant period. The Company also assesses lifetime expected credit loss by using appropriate models, as prescribed by Ind AS 109, using past trends of collections and historical credit loss experience. The categorisation of the receivables into its ageing buckets for the purposes of estimating the expected loss allowance has been profiled based on the longest overdue of that member, for example, if a member has one instalment overdue for say 12 months, the entire receivable of the member is aggregated into that ageing bucket and the credit loss allowance is determined after taking into account the credits against the member under "Contract liability- Deferred Revenue - Vacation ownership fee" (Refer Note No. 29 and 34).

The allowances for credit loss and for revenue deferred at inception referred to above, carried at the end of every reporting period, are tested for adequacy and appropriately dealt with.

The credit loss allowance carried by the Company is as under:

| Particulars                                              | March 31, 2026 | March 31, 2025 | April 01, 2024 |
|----------------------------------------------------------|----------------|----------------|----------------|
| Carrying value of receivables (Refer Note No. 8 and 17)* | 1,26,915.79    | 1,24,080.21    | 1,21,948.05    |
| Credit loss allowance                                    | 3.21           | 67.51          | –              |
| Loss allowance (%)                                       | 0.00%          | 0.05%          | 0.00%          |

\* Given that the Company is deferring recognition of revenue at inception, as explained above the risk of credit loss is reduced and the member is allowed to avail the benefits of membership only when all the overdue amount is regularised or fully paid in that relevant period. The amounts deferred at inception are adjusted from the carrying value of receivables (Refer Note No. 8 and 17) in the same proportion, except in cases where the allowance is directly attributable to a particular contract.

**Reconciliation of credit loss allowance adjusted from Trade receivables**

(ii) Liquidity risk management

The Company manages liquidity risk by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities (predominantly trade payables, retention payables, etc) with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

The Company has provided financial guarantees to its wholly owned subsidiaries. The amounts included above for financial guarantee contracts are the maximum amounts the Company could be forced to settle under the arrangement for the full guaranteed amount if that amount is claimed by the counterparty to the guarantee. Based on expectations at the end of the reporting period, the Company considers that it is more likely that such an amount will not be payable under the arrangement.

#### Financing arrangements

The Company had access to following undrawn borrowing facilities at the end of the reporting period:

| Particulars                | March 31,<br>2026 | March 31,<br>2025 | April 01,<br>2024 |
|----------------------------|-------------------|-------------------|-------------------|
| <b>Cash credit</b>         |                   |                   |                   |
| – Expiring within one year | 12,000            | 12,000            | 12,000            |

During the year, for borrowings from banks on the basis of security of current assets, quarterly returns or quarterly statements of current assets filed by the Company with banks are in agreement with the books of account.

#### (ii) Market risk management

The Company's market risk comprises solely of its foreign currency exposure which are limited and not material to the size of its operations.

#### Currency Risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company's exposure to currency risk relates primarily to the Company's investing activities when transactions are denominated in a different currency from the Company's functional currency.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

|                    |          | in ₹ Lakhs        |                   |                   |

#### Note No. 51 - Segment information

The Company is primarily engaged in the business of sale of vacation ownership and accommodation related services in India. As such, the Company operates in a single segment and there are no separate reportable segments. The same is consistent with the information reviewed by the Chief Operating Decision Maker (CODM).

Vacation Ownership and accommodation related services includes a diverse portfolio of hotels and resorts under the "Club Mahindra" an aspirational brand in the leisure hospitality industry in India.

Under vacation ownership and accommodation related services, a member is entitled to avail holidays for a prescribed period every year for different tenures in the resorts (in India and abroad) depending on the type of the membership purchased by a member. The entitlement to avail the holidays is subject to member paying the requisite membership fee, annual subscription fees, any other dues, eligibility and availability as per membership rules. Member can book and avail holiday in any resort which is available at the time of booking their holiday.

All amounts are in ₹ Lakhs unless otherwise stated

Vacation ownership resorts typically combine many of the comforts of home, such as accommodations with studio, one and two bedroom options, with resort amenities such as swimming pools, restaurants, fitness facilities and spas, as well as sports and recreation facilities appropriate for each resort's unique location.

Vacation Ownership and accommodation related services generates most of its revenues as under.

- Selling vacation ownership products —The Company sells vacation ownership products to provide holiday facilities to members for a specified period each year, over a number of years, for which membership fee is collected either in full upfront, or on a deferred payment basis. In addition to membership fee, the company earns interest income on a deferred payment option given to members for their purchase of vacation ownership products and also receives annual subscription fees from members.
- Resort operations & Ancillary services – The Company operates and manages resorts and earns revenue mainly from food and beverages, spa and other service offerings provided to resort guests (members and non-members) and room rentals from non- members.

**Note No. 57 - Reporting under Rule 11(d) of the Companies (Audit and Auditor's) Rules, 2014**

- (a) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company (Ultimate Beneficiaries).
- (b) The Company has not received any fund from any party(s) (Funding Party) with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

**Note No. 58 - NFRA order**

The Company received an order ('the Order') from National Financial Reporting Authority ('NFRA') on March 29, 2023 wherein NFRA had made certain observations on identification of operating segments by the Company in compliance with requirements of Ind AS 108 and the Company's existing accounting policy for recognition of revenue on a straight-line basis over the membership period. As per the order received from NFRA, the Company was required to complete its review of accounting policies and practices in respect of disclosure of operating segments and timing of recognition of revenue from customers and take necessary measures to address the observations made in the Order. The Company had submitted its assessment to NFRA and will consider further course of action, if any, basis directions from NFRA.

As at March 31, 2026, the management has assessed the application of its accounting policies relating to segment disclosures and revenue recognition. Basis the current assessment by the Company after considering the information available as on date; the existing accounting policies, practices and disclosures are in compliance with the respective Ind AS and accordingly have been applied by the Company in the preparation of these financial statements.

**Note No. 59 - Disclosure requirements as notified by MCA pursuant to amended Schedule III**

No transactions to report against the following disclosure requirements as notified by MCA pursuant to amended Schedule III

- (a) Crypto Currency or Virtual Currency
- (b) Benam Property held under Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder
- (c) Registration of charges or satisfaction with Registrar of Companies
- (d) Relating to borrowed funds:
- Wilful defaulter
  - Utilisation of borrowed funds & share premium
  - Borrowings obtained on the basis of security of current assets
  - Discrepancy in utilisation of borrowings
  - Compliance with scheme of arrangement
- (e) Relating to any undisclosed income that has been surrendered disclosed as income during the year in the tax assessments under the Income Tax Act. 1961

**Note No. 60 - Prior period restatement**

As part of the Company's reconciliation process of tax balances, deductible and taxable differences with Income Tax returns, the Company identified certain deductions, which were claimed in excess in prior years. The Company has voluntarily approached the income tax authorities and paid the relevant tax amount, where-payable along with interest, if any. The Company has provided for the cumulative interest of ₹ 794.93 Lakhs in the current year. Further, the Company has restated Other Equity as at April 01, 2024 and March 31, 2025 in accordance with requirements of Ind AS 8. The resultant restated Other Equity as at April 01, 2024 & March 31, 2025 is ₹ 66,578.93 Lakhs & ₹ 100,762.34 Lakhs respectively in the standalone financial results.

Additionally, there is a reclassification in tax expense between current and deferred tax for the year ended March 31, 2025 in the standalone financial results. Impact on respective captions of balance sheet and profit or loss account presented is as follows –

| Particulars                                 | As previously reported | Adjustment | As restated |

## INDEPENDENT AUDITORS' REPORT

**To the Members of Mahindra Hotels and Residences India Limited**

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying Financial Statements of Mahindra Hotels and Residences India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and a summary of material accounting policy information and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its loss and total comprehensive loss, its changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

#### Information Other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we

are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably

be expected to outweigh the public interest benefits of such communication.

## Report on other Legal and Regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-Section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
  - (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.
  - (g) The Company has not paid / provided for managerial remuneration for the year ended March 31, 2026.
  - (h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - (i) The Company does not have any pending litigations which will impact its financial positions;
    - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
    - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;

- (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement;
- (v) The Company has not declared and / or paid any dividend during the year;
- (vi) Based on our examination which included test checks, the Company has used accounting softwares (along

with access management tool) for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective softwares except that in case an accounting software relating to payroll records, operated by a third-party software service provider, based on an independent auditor's report in relation to controls, the audit trail (edit log) facility was not enabled to capture old values for direct data changes made at the database level.

Further, where audit trail (edit log) facility was enabled and operated throughout the year, we did not come across any instance of audit trail feature being tampered with during the course of our audit. Additionally, where audit trail (edit log) facility was enabled and operated in the previous years, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

## ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of Mahindra Hotels and Residences India Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included

obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

### **Meaning of Internal Financial Controls with reference to financial statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with reference to financial statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

- i. (a) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

According to the information and explanations given to us, the Company does not have intangible assets.

- (b) The property, plant and equipment and investment properties are physically verified by the Company once in three years. The physical verification of property, plant and equipment and investment properties has been conducted during the financial year and discrepancy has been properly dealt in books of accounts. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment and investment properties.
  - (c) According to the information and explanations given to us, the title deeds of immovable properties are held in the name of the Company.
  - (d) According to the information and explanations given to us, the Company has not revalued any of its property, plant and equipment or intangible assets or both during the year.
  - (e) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. (a) According to the information and explanations given to us, the inventory comprising of materials which will be used in the resort have been physically verified by the management during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancy of 10% or more was noticed on such verification between the physical inventory and the book records.
- (b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.
- iii. According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the Company.

- iv. According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.
- v. According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.
- vi. The Central Government has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, the reporting under Clause 3(vi) of the Order is not applicable to the Company.
- vii. According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, Provident fund, Employees' State Insurance, Income-tax, Value Added Tax, Cess have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales Tax, Service Tax, Duty of Customs, Duty of Excise and other material statutory dues.

According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of outstanding statutory dues in respect of Goods and Services Tax, Provident fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.

According to the information and explanations given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Income-tax, Goods and Services Tax, Provident Fund, Employees' State Insurance, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other material statutory dues as at March 31, 2026, which have not been deposited with the appropriate authorities on account of any dispute.

- viii. According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

- ix. (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.  
(b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution or any other lender till the date of our audit report.  
(c) According to the information and explanation given to us, the Company has not obtained any term loan during the year. Accordingly, the reporting under Clause 3(ix)(c) of the Order is not applicable to the Company.  
(d) According to the information and explanation given to us, the Company has not raised funds on short term basis during the year. Accordingly, the reporting under Clause 3(ix)(d) of the Order is not applicable to the Company.  
(e) According to the information and explanations given to us, the Company does not have any subsidiaries, associates or joint ventures. Accordingly, the reporting under Clauses 3(ix)(f) and 3(ix)(e) of the Order is not applicable to the Company.
- x. (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.  
(b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.  
(b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.  
(c) As represented to us by the management, no whistle blower complaints were received by the Company during the year.
- xii. According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures, specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act, and accordingly, to this extent, the reporting under Clause 3(xiii) of the Order is not applicable to the Company.
- xiv. In our opinion and based on our examination, the Company does not have an internal audit system and is not required to have an internal audit system as per the provisions of the Act. Accordingly, the reporting under Clauses 3(xiv)(a) and 3(xiv)(b) of the Order is not applicable to the Company.
- xv. According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.  
(b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities.  
(c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clauses 3(xvi)(c) of the Order is not applicable to the Company.  
(d) Based on the information and explanations given to us and the audit procedures performed by us, we report that the Group has 5 Core Investment Companies.

xvii. In our opinion and according to the information and explanations given to us, the Company has incurred cash losses of ₹ 454.59 lakhs during the current financial year and ₹ 296.30 lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is

based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

xx. According to the information and explanations given to us, the provisions of Section 135 of the Act relating to expenditure on corporate social responsibility are not applicable to the Company for the current financial period. Accordingly, the reporting under Clauses 3(xx)(a) and 3(xx)(b) of the Order is not applicable to the Company.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

### 1. Corporate Information

The Company was incorporated on April 26, 2007 (CIN: U55101TN2007PLC063285). The company is domiciled in India with its registered office address being No.17 & 18, 2nd Floor, Mahindra Towers, 2nd Floor, Pattulos Road, Chennai, Tamil Nadu, India, 600002. During the previous year, the board has approved acquisition of resorts situated in Rajasthan at a consideration along with improvement plan and acquisition of adjacent land.

### 2. Material accounting policies

#### (i) Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time.

#### (ii) Basis of preparation and presentation

The financial statements of the Company have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The principal accounting policies are set out below.

#### (iii) Revenue recognition

Income from resorts include income from room rentals, food and beverages, etc. and is recognized when services are rendered.

#### (iv) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

#### (v) Taxation

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's current tax is calculated using tax rates that have been enacted by the end of the reporting period. Since the company has commenced operations during the current year and has not generated any profit before tax, current tax is Nil.

#### (vi) Property, plant and equipment

Buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is measured at fair value and not depreciated.

Freehold land is valued at fair value based on valuations by external independent valuers at sufficient intervals between 3-5 years to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period. The Company reviews the fair value annually to assess if there is any significant change in the fair value to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

Any revaluation surplus is recognised in other comprehensive income and accumulated in equity under revaluation reserve, except to the extent that it reverses a revaluation decrease of the same asset previously recognised in the standalone statement of profit and loss, in which case the increase is recognised in statement of profit and loss. A revaluation deficit is recognised in the standalone statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset carried in the revaluation reserve.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

PPE in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, commences when the assets are ready for their intended use.

| Category of Asset                                         | Estimated useful lives |
|-----------------------------------------------------------|------------------------|
| Buildings (other than those mentioned below)              | 60 years               |
| Plant & equipment                                         | 5-25 years             |
| Furniture and Fixtures (other than those mentioned below) | 6-8 years              |
| Vehicles (other than those mentioned below)               | 8 years                |
| Motor vehicles/other assets provided to employees         | 4-5 years              |
| Office equipment                                          | 5 years                |

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

**(vii) Inventories**

Inventories are carried at the lower of cost and net realizable value. Costs of inventories are determined on moving weighted average basis. Cost includes the purchase price, non-refundable taxes and delivery handling cost. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

**(viii) Provisions**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

**(xi) Financial instruments**

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

**Effective interest method**

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts/payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

**Classification of financial assets**

**Debt**

Debt instruments that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL.

Debt instruments classified as FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in profit or loss. The Company has not designated any debt instrument as at FVTPL.

**Equity**

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

**De-recognition of financial assets**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

**Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading or contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the Company is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on re-measurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

**Financial liabilities subsequently measured at amortized cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included under 'Finance costs'.

**De-recognition of financial liabilities**

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

**(ix) Cash flow statements**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid

investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit before extra-ordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the Company are segregated based on the available information.

### (x) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

### 3. Recent pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:"

- Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
- Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 - The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

**Note 34: Segment Information**

The Company is primarily engaged in the business of maintenance & running of resorts and related services in India. As such, the Company operates in a single segment and there are no separate reportable segments. The same is consistent with the information reviewed by the chief operating decision maker (CODM).

**Note 35: Commitments**

| Particulars                                                                                                          | ₹ in Lakhs           |                      |
|----------------------------------------------------------------------------------------------------------------------|----------------------|----------------------|
|                                                                                                                      | As at March 31, 2026 | As at March 31, 2025 |
| (a) Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) | 662.36               | 500.32               |

**Note 36: Contingent Liability**

The Company has received (i) a notice dated December 12, 2025 from the Sub-Registrar, Tala, District Jaipur, pursuant to audit objections, raising a demand aggregating to ₹729.5 lakhs towards alleged short payment of stamp duty, surcharge and interest in respect of a sale deed registered in May 2023, and (ii) a subsequent notice dated March 4, 2026 issued under Section 54 of the Rajasthan Stamp Act, 1998, reassessing the market value of the said property and quantifying differential stamp duty, surcharge and registration fees of ₹729.5 lakhs. The Company has disputed the basis of reassessment and recovery and the matter is pending adjudication before the appropriate authority. Based on management's assessment, no provision has been recognised as the outflow of economic resources is not considered probable at this stage, and the amount has been disclosed as a contingent liability.

|                                                                           | March 31, 2026         | March 31, 2025 |
| <b>Change in the obligation during the year</b>                           |                        |                |
| Present value of defined benefit obligation at the beginning of the year  | 2.75                   | 2.49           |
| Expenses Recognised in the Statement of Profit and Loss                   |                        |                |
| - Current Service Cost                                                    | 2.80                   | 2.50           |
| - Past Service Cost                                                       | 2.73                   | (2.50)         |
| - Interest Expense                                                        | 0.27                   | 0.18           |
| Recognised in Other Comprehensive Income                                  | 1.22                   | 0.08           |
| <b>Present value of defined benefit obligation at the end of the year</b> | 9.77                   | 2.75           |

The significant actuarial assumptions (estimated for adequate coverage of the obligation on a prudent basis), are as under:

| Particulars                            | ₹ in Lakhs           |                      |
|----------------------------------------|----------------------|----------------------|
|                                        | Valuation as at      |                      |
|                                        | March 31, 2026       | March 31, 2025       |
| Discount Rate(s)                       | 6.54%                | 6.54%                |
| Expected Rate(s) of salary increase    | 8.00%                | 5.00%                |
| Expected rate of return on plan assets | N.A.                 | N.A.                 |
| Attrition Rate                         | 45.00%               | 25.00%               |
| Mortality table                        | 100% of IALM 2012-14 | 100% of IALM 2012-14 |

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

| Principal assumption | Year      | Changes in assumption | ₹ in Lakhs                           |                        |
|----------------------|-----------|-----------------------|--------------------------------------|------------------------|
|                      |           |                       | Impact on defined benefit obligation |                        |
|                      |           |                       | Increase in assumption               | Decrease in assumption |
| Discount rate        | 2025-2026 | 0.50%                 | 0.15                                 | (0.15)                 |
|                      | 2024-2025 | 0.50%                 | (0.07)                               | 0.08                   |
| Salary growth rate   | 2025-2026 | 0.50%                 | (0.15)                               | 0.15                   |
|                      | 2024-2025 | 0.50%                 | 0.08                                 | (0.07)                 |
| Attrition rate       | 2025-2026 | 0.50%                 | 0.10                                 | (0.10)                 |
|                      | 2024-2025 | 0.50%                 | (0.06)                               | 0.05                   |
| Mortality rate       | 2025-2026 | 5.00%                 | 0.00                                 | (0.00)                 |
|                      | 2024-2025 | 5.00%                 | 0.00                                 | (0.00)                 |

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

**Maturity profile of defined benefit obligation:**

| Years         | ₹ in Lakhs   |               |
|---------------|--------------|---------------|
|               | Current Year | Previous Year |
| Within 1 year | 1.79         | 0.01          |
| 1 - 2 year    | 2.29         | 0.01          |
| 2 - 3 year    | 2.94         | 0.01          |
| 3 - 4 year    | 2.14         | 0.68          |
| 4 - 5 year    | 1.15         | 0.92          |
| 6 - 10 years  | 1.55         | 1.69          |
| > 11 years    | 0.11         | 0.71          |

The weighted average duration of the defined benefit obligation as at March 31, 2026 is **3 years** (Previous Year: 7 years)

**Experience Adjustments:**

| Particulars                                              | ₹ in Lakhs   |      |      |      |      |
|----------------------------------------------------------|--------------|------|------|------|------|
|                                                          | Period Ended |      |      |      |      |
|                                                          | 2026         | 2025 | 2024 | 2023 | 2022 |
| Defined Benefit Obligation                               | 9.77         | 2.75 | 2.49 | –    | –    |
| Fair value of plan assets                                | –            | –    | –    | –    | –    |
| Surplus/(Deficit)                                        | 9.77         | 2.75 | 2.49 | –    | –    |
| Experience adjustment on plan liabilities [(Gain)/ Loss] | 3.50         | –    | 0.01 | –    | –    |
| Experience adjustment on plan assets [Gain/(Loss)]       | –            | –    | –    | –    | –    |

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

**Other Long Term Benefits (Compensated absences)**

The amount recognized as an expense in respect of Compensated absences is ₹ **11.08 Lakhs** (Previous Year: ₹ 5.21 Lakhs).

**Explanation for variances in ratios by more than 25%**

The Company has incurred loss in the current year and an addition of 39 rooms to the existing rooms.

**Note 40: Other Statutory Informations**

- The Company does not have any benami property, where any proceeding has been initiated or pending against the Company for holding any benami property.
- The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
  - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (ultimate beneficiaries) or
  - provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.
- The Company has not received any fund from any person(s) or entity(ies), including foreign entities (funding party) with the understanding (whether recorded in writing or otherwise) that the Group shall:
  - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or
  - provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.
- The Company does not have any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
- The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017.

- (g) The Company is not declared wilful defaulter by and bank or financials institution or lender during the year.
- (h) The Company has used the borrowings from banks and financial institutions for the specific purpose for which it was obtained.
- (i) The Company does not have transactions with any struck off entity.
- (j) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies.

**Note 41: Rounding Off and Regrouping/Reclassification of items**

The amount has been rounded off to nearest ₹ (INR) and previous year figures have been regrouped / reclassified to correspond with current year's classification / disclosure, wherever deemed necessary.

**Note 42:** The Financial Statements have been approved for issue by Company's Board of Directors on April 15, 2026.

## INDEPENDENT AUDITORS' REPORT

### To the members of Gables Promoters Private Limited

#### Report on the audit of the Financial Statements

##### Opinion

We have audited the accompanying Financial Statements of Gables Promoters Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit and other comprehensive loss, its changes in equity and its cash flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

##### Information Other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially

inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

##### Management's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

##### Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and

timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on other Legal and Regulatory requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-Section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
  - (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A.
- (B) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors)

Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company does not have any pending litigations which will impact its financial positions.
- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- (v) The Company has neither declared nor paid any dividend during the year.
- (vi) Based on our examination which included test checks, the Company has used accounting softwares (along with access management

tool) for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective softwares except that in case an accounting software relating to payroll records, operated by a third-party software service provider, based on an independent auditor's report in relation to controls, the audit trail (edit log) facility was not enabled to capture old values for direct data changes made at the database level. Further, where audit trail (edit log) facility was enabled and operated throughout the year, we did not come across any instance of audit trail feature being tampered with during the course of our audit. Additionally, where audit trail (edit log) facility was enabled and operated in the previous years, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

- (C) In our opinion and according to the information and explanations given to us, the Company being a Private Company, Section 197 of the Act relating to managerial remuneration is not applicable.

## ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

### Report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

#### Opinion

We have audited the internal financial controls with reference to financial statements of Gables Promoters Private Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to

financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

#### Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**

**[Referred to in Clause 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]**

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.  
 (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year.
- (e) According to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.
- iii. According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the Company.
- iv. According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.
- v. According to the information and explanations given to us, the Company has not accepted deposits or amounts which are deemed to be deposits from the public to which directives issued by Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder apply. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.
- vi. The Central Government has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, the reporting under Clause 3(vi) of the Order is not applicable to the Company.
- vii. The Company does not have liability in respect of service tax, duty of excise and sales tax during the year since effective July 1, 2017, these statutory dues has been subsumed into GST.  
 According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Value added Tax, Duty of Customs or Cess or other statutory dues have been generally regularly deposited with the appropriate authorities.  
 According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Value added tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues were in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
- viii. According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as

- income during the year in the tax assessments under the Income-tax Act, 1961 as income during the year.
- ix. (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
  - (b) According to the information and explanations given to us, the Company has not been declared a wilful defaulter by any bank or financial institution or any other lender till the date of our audit report.
  - (c) According to the information and explanations given to us by the management, the Company has not obtained any term loans during the year. Accordingly, clause 3(ix)(c) of the Order is not applicable.
  - (d) According to the information and explanation given to us, the Company has not raised funds on short term basis during the year. Accordingly, the reporting under Clause 3(ix)(d) of the Order is not applicable to the Company.
  - (e) According to the information and explanations given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Accordingly reporting under Clauses 3(ix)(e) of the Order is not applicable to the company.
  - (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, associates or joint ventures. Accordingly reporting under Clauses 3(ix)(f) of the Order is not applicable to the company.
  - x. (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.
  - (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, Clause 3(x)(b) of the order is not applicable to the company.
  - xi. (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
  - (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditor's) Rules, 2014 with the Central Government.
  - (c) As represented to us by the management, no whistle blower complaints were received by the Company during the year.
  - xii. According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.
  - xiii. In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
  - xiv. In our opinion and according to the information and explanations given to us and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
  - xv. According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company.
  - xvi. (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under paragraph 3(xvi)(a) of the order is not applicable to the Company.
  - (b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid certificate of registration (COR) from the Reserve Bank of India as per Reserve Bank of India, 1934. Accordingly, reporting under paragraph 3(xvi)(b) of the Order is not applicable to the company.
  - (c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clauses 3(xvi)(c)

and 3(xvi)(d) of the Order is not applicable to the Company.

- (d) As represented to us, the Group does not have any CIC as part of the Group. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.

xvii. The Company has not incurred cash losses in the current and in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period

of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

xx. In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS

### 1 Corporate Information

The Company was incorporated on January 9, 2012 (CIN:U45209CH2012PTC033473). The company is domiciled in India with its registered office address being S.C.O. 64-65, 1st Floor, Sector 17-A, Madhya Marg, Chandigarh - 160017. The principle business of construction, maintenance & running of hotels, resorts, shopping malls, buildings and other commercial & residential apartments.

### 2 Material accounting policies

#### (i) Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time.

#### (ii) Basis of preparation and presentation

The financial statements of the Company have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The principal accounting policies are set out below.

#### (iii) Revenue recognition

Income from resorts include income from room rentals, food and beverages, etc. and is recognized when services are rendered.

#### (iv) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

#### (v) Taxation

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's current tax is calculated using tax rates that have been enacted by the end of the reporting period. Since the company has commenced operations during the current year and has not generated any profit before tax, current tax is Nil.

#### (vi) Property, plant and equipment

Buildings held for use in the production or supply of goods or services,

or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is measured at fair value and not depreciated.

Freehold land is valued at fair value based on valuations by external independent valuers at sufficient intervals between 3-5 years to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period. The Company reviews the fair value annually to assess if there is any significant change in the fair value to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

Any revaluation surplus is recognised in other comprehensive income and accumulated in equity under revaluation reserve, except to the extent that it reverses a revaluation decrease of the same asset previously recognised in the standalone statement of profit and loss, in which case the increase is recognised in statement of profit and loss. A revaluation deficit is recognised in the standalone statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset carried in the revaluation reserve.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

PPE in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, commences when the assets are ready for their intended use.

| Category of Asset                                         | Estimated useful lives |
|-----------------------------------------------------------|------------------------|
| Buildings (other than those mentioned below)              | 60 years               |
| Plant & equipment                                         | 5-25 years             |
| Furniture and Fixtures (other than those mentioned below) | 6-8 years              |
| Vehicles (other than those mentioned below)               | 8 years                |
| Motor vehicles/other assets provided to employees         | 4-5 years              |
| Office equipment                                          | 5 years                |

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

#### (vii) Inventories

Inventories are carried at the lower of cost and net realizable value. Costs of inventories are determined on moving weighted average basis. Cost includes the purchase price, non-refundable taxes and delivery handling cost. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

#### (viii) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

#### (xi) Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

#### Effective interest method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts/payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

#### Classification of financial assets

##### Debt

Debt instruments that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL.

Debt instruments classified as FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in profit or loss. The Company has not designated any debt instrument as at FVTPL.

##### Equity

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

#### De-recognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

#### Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading or contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the Company is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on re-measurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

#### Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included under 'Finance costs'.

#### De-recognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

#### (ix) Cash flow statements

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit before extra-ordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the Company are segregated based on the available information.

#### (x) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

### Note No. 3 - Recent pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

- Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
- Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 - The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

**Financial Risk Management Framework**

The Company has a business risk management process to identify, evaluate and mitigate risks impacting business of the Company. This framework seeks to create transparency, minimise adverse impact on the business objectives and enhance the Company's competitive advantage. The Company has adequate internal processes to assess, monitor and manage financial risks. These risks include credit risk, liquidity risk and market risk.

**Credit Risk Management**

The Company's principal business comprises construction, maintenance & running of hotels, resorts, shopping malls, buildings and other commercial & residential apartments, and is accordingly exposed to credit risk arising primarily from trade receivables, security deposits and balances with banks and financial institutions. Credit risk represents the risk of financial loss to the Company if a customer or counterparty fails to meet its contractual obligations.

**Liquidity risk management**

The Company manages liquidity risk by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

**Maturities of financial liabilities**

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities (predominantly trade payables, retention payables, etc.). The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

**Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: Foreign currency risk, interest rate risk and other price risk. The Company's exposure to market risk is on account of foreign currency risk and interest rate risk.

**Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowings with floating interest rates. The fixed rate borrowings are carried at amortised cost, hence, they are not subject to interest rate risk since the carrying amount and future cash flows will not fluctuate because of change in market interest rates. The Company does not have any floating rate borrowings and thus, it is not exposed to interest rate risk.

**Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a different currency from the Company's functional currency). The Company has no foreign currency denominated monetary assets and liabilities. The Company is not exposed to this risk.

### Note No. 43 - Employee benefit plans

#### A. Defined contribution plans

The Company's contribution to Provident Fund and Superannuation Fund aggregating ₹ **24.79 Lakhs** (Previous Year: ₹ 23.39 Lakhs) has been recognised in the Statement of Profit and Loss under the head Employee Benefits Expense.

#### B. Defined benefit plans

The Company does not have a funded Gratuity Scheme for its employees and gratuity liability has been provided based on the actuarial valuation done at the year end. The Gratuity scheme of the Company is not funded. Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

##### Asset volatility

The plan liabilities are calculated using a discount rate set with references to government bond yields; if plan assets under perform compared to the government bonds discount rate, this will create or increase a deficit.

##### Changes in bond yields

A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plans' bond holdings and interest rate hedging instruments.

##### Inflation risk

Some of the Company's pension obligations are linked to inflation, and higher inflation will lead to higher liabilities (although, in most cases, caps on the level of inflationary increases are in place to protect the plan against extreme inflation). The plans hold a significant proportion of assets in index linked gilts, together with other inflation hedging instruments and also assets which are more loosely correlated with inflation. However an increase in inflation will also increase the deficit to some degree.

##### Life expectancy

The majority of the plan's obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plan's liabilities. This is particularly significant in the Company's defined benefit plans, where inflationary increases result in higher sensitivity to changes in life expectancy.

#### Defined benefit plans – as per actuarial valuation:

|                                                                            | Unfunded Plan Gratuity |                |

| Financial Assumptions                                   | 1.98           | 0.42        |
| Experience Adjustment                                   | (11.89)        | —           |
| Net (income) / Expense for the period recognised in OCI | <b>(13.00)</b> | <b>0.42</b> |

#### Net Liability recognised in the Balance Sheet

|                                                |              |              |
|------------------------------------------------|--------------|--------------|
| 1. Present value of defined benefit obligation | 19.82        | 23.66        |
| 2. Fair value of plan assets                   | —            | —            |
| <b>3. Deficit</b>                              | <b>19.82</b> | <b>23.66</b> |
| 4. Current portion of the above                | 7.57         | 5.33         |
| 5. Non current portion of the above            | 12.25        | 18.33        |

#### Change in the obligation during the year

|                                                                           |              |              |
|---------------------------------------------------------------------------|--------------|--------------|
| Present value of defined benefit obligation at the beginning of the year  | 23.66        | 2.46         |
| Expenses Recognised in the Statement of Profit and Loss                   |              |              |
| – Current Service Cost                                                    | 3.05         | 1.62         |
| – Past Service Cost                                                       | 4.77         | 18.98        |
| – Interest Expense                                                        | 1.33         | 0.18         |
| Recognised in Other Comprehensive Income                                  | (13.00)      | 0.42         |
| <b>Present value of defined benefit obligation at the end of the year</b> | <b>19.81</b> | <b>23.66</b> |

The significant actuarial assumptions (estimated for adequate coverage of the obligation on a prudent basis), are as under:

| Particulars                         | Valuation as at      |                      |
|-------------------------------------|----------------------|----------------------|
|                                     | March 31, 2026       | March 31, 2025       |
| Discount Rate(s)                    | 6.30%                | 6.54%                |
| Expected Rate(s) of salary increase | 8.00%                | 5.00%                |
| Attrition Rate                      | 45.00%               | 25.00%               |
|                                     | 100% of IALM 2012-14 | 100% of IALM 2012-14 |
| Mortality table                     |                      |                      |

Weighted average duration of the defined benefit obligation - 2 years (Previous year - 4 years)

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

|                      |           |                       | ₹ in Lakhs                           |                        |
|----------------------|-----------|-----------------------|--------------------------------------|------------------------|
| Principal assumption | Year      | Changes in assumption | Impact on defined benefit obligation |                        |
|                      |           |                       | Increase in assumption               | Decrease in assumption |
| Discount rate        | 2025-2026 | 0.50%                 | (0.23)                               | (0.24)                 |
|                      | 2024-2025 | 0.50%                 | (0.63)                               | 0.68                   |
| Salary growth rate   | 2025-2026 | 0.50%                 | 0.23                                 | 0.23                   |
|                      | 2024-2025 | 0.50%                 | 0.68                                 | (0.65)                 |
| Attrition rate       | 2025-2026 | 0.50%                 | (0.07)                               | (0.07)                 |
|                      | 2024-2025 | 0.50%                 | (0.07)                               | 0.07                   |
| Mortality rate       | 2025-2026 | 5.00%                 | 0.00                                 | (0.00)                 |
|                      | 2024-2025 | 5.00%                 | 0.00                                 | (0.00)                 |

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

**Maturity profile of defined benefit obligation:**

| Years         | ₹ in Lakhs   |               |
|---------------|--------------|---------------|
|               | Current year | Previous year |
| Within 1 year | 7.57         | 5.33          |
| 1 - 2 year    | 5.44         | 4.36          |
| 2 - 3 year    | 4.42         | 3.81          |
| 3 - 4 year    | 2.30         | 3.76          |
| 4 - 5 year    | 1.71         | 2.65          |
| 5 - 10 years  | 1.68         | 7.28          |
| > 11 years    | 0.10         | 1.88          |

The weighted average duration of the defined benefit obligation as at March 31, 2026 is **2 years** (Previous Year: 4 years)

**Experience Adjustments:**

| Particulars                                             | ₹ in Lakhs   |         |        |        |        |
|---------------------------------------------------------|--------------|---------|--------|--------|--------|
|                                                         | Period Ended |         |        |        |        |
|                                                         | 2026         | 2025    | 2024   | 2023   | 2022   |
| Defined Benefit Obligation                              | 19.81        | 23.66   | 2.46   | 1.48   | 2.74   |
| Fair value of plan assets                               | —            | —       | —      | —      | —      |
| Surplus/ (Deficit)                                      | (19.81)      | (23.66) | (2.46) | (1.48) | (2.74) |
| Experience adjustment on plan liabilities [(Gain)/Loss] | (11.89)      | —       | —      | —      | —      |
| Experience adjustment on plan assets [Gain/(Loss)]      | —            | —       | —      | —      | —      |

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

**Other Long Term Benefits (Compensated absences)**

The amount recognized as an expense in respect of Compensated absences is ₹ **8.21 Lakhs** (Previous Year: ₹ 25.74 Lakhs).

**Note No. 44 - Ratios**

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF HERITAGE BIRD (M) SDN. BHD.

(Incorporated in Malaysia)

#### Report on the Audit of the Financial Statements

##### Opinion

We have audited the financial statements of Heritage Bird (M) Sdn. Bhd., which comprise the statement of financial position as at March 31, 2026, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 12 to 36.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at March 31, 2026 and of its financial performance and its cash flows for the year then ended in accordance with Malaysian Private Entities Reporting Standard and the requirements of the Companies Act, 2016 in Malaysia.

##### Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Independence and Other Ethical Responsibilities

We are independent of the Company in accordance with the *By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

##### Information Other than the Financial Statements and Auditors' Report Thereon

The directors of the Company are responsible for the other information. The other information comprises the Directors' Report but does not include the financial statements of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Company does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we are required to report that fact. We have nothing to report in this regard.

##### Responsibilities of the Directors for the Financial Statements

The directors of the Company are responsible for the preparation of financial statements of the Company that give a true and fair view in accordance with Malaysian Private Entities Standards and the requirements of the Companies Act, 2016 in Malaysia. The directors are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

##### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report.
- Evaluate the overall presentation, structure and content of the financial statements of the Company, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Report on Other Legal and Regulatory Requirements**

In accordance with the requirements of the Companies Act, 2016 in Malaysia, we also report that in our opinion, the accounting and other records and the registers required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

#### **Other Matters**

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act, 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

## NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2026

### 1. General Information

The Company is a private company, incorporated and domiciled in Malaysia. The registered office is situated at 802, 8th Floor, Block C, Kelana Square, 17 Jalan SS 7/26, 47301 Petaling Jaya, Selangor, and its principal place of business is located at 3A07, Block B, Phileo Damansara II, 15 Jalan 16/11, Off Jalan Damansara, 46350 Petaling Jaya, Selangor.

The Company's principal activities are holding of investment properties and lease rental under time share Agreement.

The financial statements of the Company are presented in Ringgit Malaysia (RM).

### 2. Compliance With Financial Reporting Standards and the Companies Act, 2016

The financial statements have been prepared in compliance with the Malaysian Private Entities Reporting Standard (MPERS) issued by the Malaysian Accounting Standards Board (MASB) and the provisions of the Malaysian Companies Act, 2016.

### 3. Basis of Preparation

The financial statements of the Company have been prepared using cost bases which include historical cost, amortised cost, and lower of cost and net realisable value and fair value bases which include fair value basis and fair value less costs to sell basis.

The management has used estimates and assumptions in measuring the reported amounts of assets and liabilities at the end of the reporting year and the reported amounts of revenues and expenses during the reporting year. Judgements and assumptions are applied in measurement, and hence, the actual results may not coincide with the reported amounts. The areas involving significant judgements and estimation uncertainties are disclosed in Note 6.

### 4. Significant Accounting Policies

#### a) Property, plant and equipment

Operating tangible assets that are used for more than one accounting period in the production and supply of goods and services, for administrative purposes or for rental to others are recognised as property, plant and equipment when the Company obtains control of the asset. These include assets constructed or acquired for environmental protection purposes and investment property measured on the cost model. The assets, including major spares, stand-by equipment and servicing equipment, are classified into appropriate classes based on their nature. Any subsequent replacement of a significant component in an existing asset is capitalised as a new component in the asset and the old component is derecognised.

All property, plant and equipment are initially measured at cost. For a purchased asset, cost comprises purchase price plus all directly attributable costs incurred in bringing the asset to its present location and condition for management's intended use. For a self-constructed asset, cost comprises all direct and indirect costs of construction (including provision for restoration and cost of major inspection) but excludes internal profits. For an exchange of non-monetary asset that has a commercial substance, cost is measured by reference to the fair value of the asset received. For an asset transferred from a customer or a grantor, cost is measured by reference to the fair value of the asset.

All property, plant and equipment are subsequently measured at cost less accumulated depreciation and accumulated impairment losses.

All other property, plant and equipment are depreciated by allocating the depreciable amount of significant component or of an item over the remaining useful life. The depreciation methods used and the useful lives of the respective classes of property, plant and equipment are as follows:

|                        | Method        | Useful life (years) |
|------------------------|---------------|---------------------|
| Furniture and fittings | Straight-line | 5                   |
| Building               | Straight-line | 50                  |

At the end of each reporting period, the residual values, useful lives and depreciation methods for the property, plant and equipment are reviewed for reasonableness. Any changes in estimate of an item is adjusted prospectively over its remaining useful life, commencing in the current period.

#### b) Impairment of non-financial assets

An impairment loss arises when the carrying amount of a Company's asset exceeds its recoverable amount.

At the end of each reporting date, the Company assesses whether there is any indication that a stand-alone asset or a cash-generating unit may be impaired by using external and internal sources of information. If any such indication exists, the Company estimates the recoverable amount of the asset or cash-generating unit.

If an individual asset generates independent cash inflows, it is tested for impairment as a stand-alone asset. If an asset does not generate independent cash inflows, it is tested for impairment together with other assets in a cash generating unit at the lowest level in which independent cash inflows are generated and monitored for internal management purposes.

The recoverable amount of an asset or cash-generating unit is the higher of its fair value less costs to sell and the value in use. The Company determines the fair value less costs to sell of an asset or a cash-generating unit in a hierarchy based on: (i) price in a binding sale agreement; (ii) market price traded in an active market; and (iii) estimate of market price using the best available information. The value in use is estimated by discounting the net cash inflows (by an appropriate discount rate) of the asset or unit, using reasonable and supportable management's budgets and forecasts of five years and extrapolation of cash inflows for periods beyond the five-year forecast or budget.

For an asset measured on a cost-based model, any impairment loss is recognised in the profit or loss. For a property, plant and equipment measured on the revaluation model, any impairment loss is treated as a revaluation decrease.

For a cash-generating unit, any impairment loss is first allocated to reduce the carrying amount of goodwill allocated to the unit, if any, and the balance of the impairment loss is then allocated to the other assets of the unit pro rata based on the relative carrying amounts of the assets.

The Company reassesses the recoverable amount of an impaired asset or a cash generating unit if there is any indication that an impairment loss recognised previously may have reversed.

Any reversal of impairment loss for an asset carried at a cost-based model is recognised in profit or loss, subject to the limit that the revised carrying amount does not exceed the amount that would have been determined had no impairment loss been recognised previously.

#### c) Share capital and distribution

##### (i) Share capital

Ordinary shares issued that carry no put option and no mandatory contractual obligation: (i) to deliver cash or another financial asset; or (ii) to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavourable to the Company, are classified as equity instruments.

When ordinary shares and other equity instruments are issued in a private placement or in a rights issue to existing shareholders, they are recorded at the issue price. For ordinary shares and other equity instruments issued in exchange for non-monetary assets, they are measured by reference to the fair values of the assets received.

When ordinary shares and other equity instruments are issued as consideration transferred in a business combination or as settlement of an existing financial liability, they are measured at fair value at the date of the exchange transaction.

Transaction costs of an equity transaction are accounted for as a deduction from equity, net of any related income tax effect.

**(ii) Distributions**

Distributions to holders of an equity instrument are recognised as equity transactions and are debited directly in equity, net of any related income tax effect.

A dividend declared is recognised as a liability only after it has been appropriately authorised, which is the date when the Board of Directors declares an interim dividend, or in the case of a proposed final dividend, the date the shareholders of the Company approve the proposed final dividend in an annual general meeting of shareholders. For a distribution of non-cash assets to owners, including a distribution in specie, the Company measures the dividend payable at the fair value of the assets to be distributed. At the end of each reporting period and at the date of settlement, the Company reviews and adjusts the carrying amount of the dividend payable to reflect changes in the fair value of the assets to be distributed, with any changes recognised in equity as adjustments to the amount of the distribution. Upon settlement, the difference between the carrying amount of the dividend payable and the carrying amount of the assets distributed is recognised as a gain or loss in profit or loss.

**d) Financial instrument**

**(i) Initial recognition and measurement**

The Company recognises a financial asset or a financial liability (including derivative instruments) in the statement of financial position when, and only when, it becomes a party to the contractual provisions of the instrument.

On initial recognition, all financial assets and financial liabilities are measured at fair value, which is generally the transaction price, plus transaction costs if the financial asset or financial liability is not measured at fair value through profit or loss. For instruments measured at fair value through profit or loss, transaction costs are expensed to profit or loss when incurred.

**(ii) Derecognition of financial instrument**

For derecognition purposes, the Company first determines whether a financial asset or a financial liability should be derecognised in its entirety as a single item or derecognised part-by-part of a single item or a group of similar items.

A financial asset is derecognised when, and only when, the contractual rights to receive the cash flows from the financial assets expire, or when the Company transfers the contractual rights to receive cash flows of the financial asset, including circumstances when the Company acts only as a collecting agent of the transferee, and retains no significant risks and rewards of ownership of the financial asset or no continuing involvement in the control of the financial asset transferred.

A financial liability is derecognised when, and only when, it is legally extinguished, which is either when the obligation specified in the contract is discharged, cancelled or expires. A substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. For this purpose, the Company considers a modification as substantial if the present value of the revised cash flows of the modified terms discounted at the original effective interest rate differs by 10% or more than compared with the carrying amount of the original liability.

**(iii) Subsequent measurement of financial assets**

For the purpose of subsequent measurement, the Company classifies financial assets into two categories namely (i) financial assets at fair value through profit or loss; and (ii) financial assets at amortised cost.

After initial recognition, the Company measures investments in quoted preference shares, quoted ordinary shares and

derivatives that are assets at their fair values by reference to the active market prices, if observable, or otherwise by a valuation technique, without any deduction for transaction costs it may incur on sale or other disposal.

Investments in debt instruments, whether quoted or unquoted, are subsequently measured at amortised cost using the effective interest method. Investments in unquoted equity instruments and whose fair value cannot be reliably measured are measured at cost.

Other than financial assets measured at fair value through profit or loss, all other financial assets are subject to review for impairment in accordance with Note 4(d)(vii).

**(iv) Subsequent measurement of financial liabilities**

After initial recognition, the Company measures all financial liabilities are measured at amortised cost using the effective interest method, except for derivatives instruments that are liabilities and financial guarantee contracts, which are measured at fair value.

**(v) Fair value measurement of financial instruments**

The fair value of a financial asset or a financial liability is determined by reference to the quoted market price in an active market, and in the absence of an observable market price, by a valuation technique using reasonable and supportable assumptions.

**(vi) Recognition of gains and losses**

Fair value changes of financial assets and financial liabilities classified as at fair value through profit or loss are recognised in profit or loss when they arise.

For financial assets and financial liabilities carried at amortised cost, a gain or loss is recognised in profit or loss only when the financial assets or liability is derecognised or impaired, and through the amortization process of the instrument.

**(vii) Impairment and uncollectibility of financial assets**

At the end of each reporting year, the Company examines whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Evidences of trigger loss events include: (i) significant difficulty of the issuer or obligor; (ii) a breach of contract, such as a default or delinquency in interest or principal payments; (iii) granting exceptional concession to a customer; (iv) it is probable that a customer will enter bankruptcy or other reorganization; (v) the disappearance of an active market for that financial asset because of financial difficulties; or (vi) any observable market data indicating that there may be a measurable decrease in the estimated future cash flows from a group of financial assets.

For a non-current loan and receivable carried at amortised cost, the revised estimated cash flows are discounted at the original effective interest rate. Any impairment loss is recognised in profit or loss and a corresponding amount is recorded in a loss allowance account. Any subsequent reversal of impairment loss of the financial asset is reversed in profit or loss with a corresponding adjustment to the loss allowance account, subject to the limit that the reversal should not result in the revised carrying amount of the financial asset exceeding the amount that would have been determined had no impairment loss been recognised previously.

For short-term trade and other receivables, where the effect of discounting is immaterial, impairment loss is tested for each individually significant receivable wherever there is any indication of impairment. Individually significant receivables for which no impairment loss is recognised are grouped together with all other receivables by classes based on credit risk characteristics and aged according to their past due year. A collective allowance is estimated for a class group based on the Company's experience of loss ratio in each class, taking into consideration current market conditions.

For an unquoted equity investment measured at cost less impairment, the impairment is the difference between the asset's carrying amount and the best estimate (which will necessarily be an approximation) of the amount (which might be zero) that the Company expects to receive for the assets if it were sold at the reporting date. The Company may estimate the recoverable amount using an adjusted net asset value approach.

**e) Related parties**

Related parties refer to persons connected to the directors and/or shareholders of the Company, and companies in which the directors and/or shareholders or persons connected to the said directors and/or shareholders have substantial equity interest.

**f) Cash and cash equivalents**

Cash comprises cash at bank.

**g) Provisions**

The Company recognises a liability as a provision if the outflows required to settle the liability are uncertain in timing or amount.

A provision for warranty costs, restoration costs, restructuring costs, onerous contracts or lawsuit claims is recognised when the Company has a present legal or constructive obligation as a result of a past event, and of which the outflows of resources on settlement are probable and a reliable estimate of the amount can be made. No provision is recognised if these conditions are not met.

Any reimbursement attributable to a recognised provision from a counterparty (such as an insurer) is not off-set against the provision but recognised separately as an asset when, and only when, the reimbursement is virtually certain.

A provision is measured at the best estimate of the expenditure required to settle the present obligation at the end of the reporting year. For a warranty provision, a probability-weighted expected outcome of the resources required to settle the obligation is applied, taking into account the Company's experiences of similar transactions and supplemented with current facts and circumstances. For a restoration provision, where a single obligation is being measured, the Company uses the individual most likely outcome as the best estimate of the liability by reference to current prices that contractors would charge to undertake such obligations, and taking into account likely future events that may affect the amount required to settle an obligation.

For an onerous contract, provision is measured based on the amount by which costs to fulfil the contract exceed the benefits. For a lawsuit provision, a probability-weighted expected outcome is applied in the measurement, taking into account past court judgements made in similar cases and advices of legal experts.

A provision is measured at the present value of the expenditures expected to be required to settle the obligation using a discount rate that reflects the time value of money and the risk that the actual outcome might differ from the estimate made. The unwinding of the discount is recognised as an interest expense.

**h) Foreign currency transactions and balances**

Transactions denominated in foreign currencies are translated and recorded at the rates of exchange prevailing at the respective dates of transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at the end of the period (i.e. the closing rates). Non-monetary items carried at revalued amounts or at fair values that are denominated in foreign currencies are retranslated at the rates prevailing at the dates the fair values were determined. Non-monetary items that are measured at their historical cost amounts continue to be translated at their respective historical rates and are not retranslated.

All exchange differences arising on settled transactions and on unsettled monetary items are recognised in profit or loss in the period except for: (i) loans and advances that form part of the net investment in a foreign operation; and (ii) transactions entered into in order to hedge foreign currency risks of net investments in foreign operations.

**i) Tax assets and tax liabilities**

A current tax for current and prior periods, to the extent unpaid, is recognised as a current tax liability. If the amount already paid in respect of current and prior periods exceeds the amount due for those periods, the excess is recognised as a current tax asset. A current tax liability (asset) is measured at the amount the equity expects to pay (recover) using tax rates and laws that have been enacted or substantially enacted by the reporting date.

A deferred tax liability is recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from: (a) the initial recognition of goodwill; or (b) the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit (or tax loss). The exceptions for initial recognition differences include items of property, plant and equipment that do not qualify for capital allowances and acquired intangible assets that are not deductible for tax purposes.

A deferred tax asset is recognised for all deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary differences can be utilised, unless the deferred tax asset arises from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit (or tax loss). The exceptions for the initial recognition differences include non-taxable government grants received and reinvestment allowances and investment tax allowances on qualifying property, plant and equipment. However, for deductible temporary differences related to investments in subsidiaries and branches, a deferred tax asset is recognised to the extent, and only to the extent that, it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

A deferred tax asset is recognised for the carry-forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

Deferred taxes are measured using tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred taxes reflects the tax consequences that would follow from the manner in which an entity in the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets or liabilities. For an investment property measured at fair value, if the owner-entity of the Group does not have a business model to hold the property solely for rental income, the deferred tax liability on the fair value gain is measured based on the presumption that the property is recovered through sale at the end of the reporting period.

At the end of each reporting period, the carrying amount of a deferred tax asset is reviewed, and is reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of a part or all of that deferred tax asset to be utilised. Any such reduction will be reversed to the extent that it becomes probable that sufficient taxable profit will be available.

A current or deferred tax is recognised as income or expense in profit or loss for the period, except to the extent that the tax arises from items recognised outside profit or loss. For an income or expense item recognised in other comprehensive income, the current or deferred tax expense or tax income is recognised in other comprehensive income. For items recognised directly in equity, the related tax effect is also recognised directly in equity. Deferred tax assets and liabilities arising from a business combination, including tax effects of any fair value adjustment, are recognised as part of the net assets acquired.

**j) Revenue recognition**

The Company measures revenue from sale of residential space under a time share Agreement at contracted rates.

**k) Fair value measurement**

For assets, liabilities and equity instruments whether financial or non-financial items that require fair value measurement disclosure, the Company establishes a fair value measurement hierarchy that gives the highest priority to quoted prices (unadjusted) in active markets for identical assets, liabilities or equity instruments and the lowest priority to unobservable inputs.

A fair value measurement of an item is estimated using a quoted price in an active market if that price is observable. The active market is the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability; and for which the Company can enter into a transaction for the asset or liability at the price in that market at the measurement date.

In the absence of an active market price, the fair value of an item is estimated by an established valuation technique using inputs from the marketplace that are observable for substantially the full term of the asset or liability.

**5. Financial Risk Management Policies**

The Company's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Company's business whilst managing its risks. The Company operates within clearly defined guidelines that are approved by the Board and the Company's policy is not to engage in speculative transactions.

The main areas of financial risks faced by the Company and the policy in respect of the major areas of treasury activity are set out as follows:

**a) Liquidity and cash flow risks**

The Company ensures that there are adequate funds to meet all its obligations in a timely and cost-effective manner.

**b) Foreign currency risk**

The Company is exposed to foreign currency risk as a result of its normal trading activities, where the currency denomination differs from the local currency, Ringgit Malaysia (RM). The Company manages its exposure to foreign currency risk by monitoring fluctuations in foreign exchange and by timing its payments in foreign currencies accordingly.

**c) Credit risk**

Credit risk is controlled by monitoring procedures and by internal credit review where credit risk is material.

**d) Interest rate risk**

The Company's interest rate exposure arises principally from the borrowings. The interest rate risk is managed through the use of fixed and floating rate financial instruments.

Apart from the above, the Company does not face any material financial risks in other areas such as market risk, etc.

**6. Critical Judgement and Estimation Uncertainty**

The preparation of the financial statements in conformity with Malaysian Private Entities Standard requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in the future periods effected.

In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are described below:

**a) Loss allowances of financial assets**

The Company recognises impairment losses for loans and receivables using the incurred loss model. Individually significant loans and receivables are tested for impairment separately by estimating the cash flows expected to be recoverable. All others are grouped into credit risk classes and tested for impairment collectively, using the Company's past experiences of loss statistics, ageing of past due amounts and current economic trends. The actual eventual losses may be different from the allowance made and this may affect the Company's financial position and results.

**b) Depreciation of property, plant and equipment**

The cost of an item of property, plant and equipment is depreciated on the straight-line method or another systematic method that reflects the consumption of the economic benefits of the asset over its useful life. Estimates are applied in the selection of the depreciation method, the useful lives and the residual values. The actual consumption of the economic benefits of the property, plant and equipment may differ from the estimates applied and this may lead to a gain or loss on an eventual disposal of an item of property, plant and equipment.

**c) Measurement of income taxes**

Significant judgement is required in determining the Company's provision for current and deferred taxes because the ultimate tax liability for the Company as a whole is uncertain. When the final outcome of the taxes payable is determined with the tax authorities in each jurisdiction, the amounts might be different from the initial estimates of the taxes payable. Such differences may impact the current and deferred taxes in the period when such determination is made. The Company will adjust for the differences as over- or under-provision of current or deferred taxes in the current period in which those differences arise.

**d) Measurement of a provision**

The Company uses a "best estimate" as the basis for measuring a provision. Management evaluates the estimates based on the Company's historical experiences and other inputs or assumptions, current developments and future events that are reasonably possible under the particular circumstances. In the case when a provision relates to large population of customers (such as a warranty provision), a probability-weighted estimate of the outflows required to settle the obligation is used. In the case of a single estimate (such as a provision for environmental restoration costs), a referenced contractor's price or market price or market price is used as the best estimate. If an obligation is to be settled overtime, the expected outflows are discounted at a rate that takes into account the time value of money and the risk that the actual outcome might differ from the estimates made.

**7. Property, Plant and Equipment**

**9. Amount Due To Holding Company**

The holding company is Mahindra Holidays & Resorts India Ltd., a company incorporated in India, which holds the entire issued and paid up capital of the Company.

The amount due to holding company, consisting of non-trade balances, is unsecured and bears interest at the rate of 4.59% p.a. (2025: 4.6% p.a.). The amount due is renewed on expiry and payable if it is not renewed by holding company.

**10. Revenue**

Revenue represents income from lease rental under time share contractual Agreement.

**11. Profit From Operations**

The following items have been charged in arriving at profit from operations:-

|                                               | 2026<br>RM | 2025<br>RM |
|-----------------------------------------------|------------|------------|
| Assessment and quit rent                      | 3,873      | 3,238      |
| Audit fee                                     | 14,000     | 18,000     |
| Depreciation of property, plant and equipment | 98,822     | 98,822     |
| Directors' fee                                | 14,000     | 14,000     |

**12. Finance Costs**

|                                               | 2026<br>RM | 2025<br>RM |
|-----------------------------------------------|------------|------------|
| Interest expense on loan from holding company | 99,641     | 120,346    |

**13. Taxation**

|                                      | 2026<br>RM     | 2025<br>RM     |
|--------------------------------------|----------------|----------------|
| Current year provision               | 106,396        | 104,617        |
| (Over)/Under provision in prior year | 73             | (669)          |
|                                      | <b>106,469</b> | <b>103,948</b> |

A reconciliation of income tax expense applicable to profit before taxation at the statutory income tax rate to income tax expense at the effective income tax rate of the Company is as follows:

|                                                                 | 2026<br>RM     | 2025<br>RM     |
|-----------------------------------------------------------------|----------------|----------------|
| Profit for the year before taxation                             | 344,191        | 331,251        |
| Tax at statutory income tax rate of 24%                         | 82,606         | 79,500         |
| Tax effect of expenses that are not deductible for tax purposes | 23,790         | 25,117         |
| (Over)/Under provision in prior year                            | 73             | (669)          |
|                                                                 | <b>106,469</b> | <b>103,948</b> |

**14. Related Party Transactions**

|                  | 2026<br>RM | 2025<br>RM |
|------------------|------------|------------|
| Revenue          | (720,000)  | (720,000)  |
| Interest on loan | 99,641     | 120,346    |

The directors are of the opinion that the above transactions have been entered into in the normal course of business and have been established on a negotiated basis.

**15. Employees**

The number of employees of the Company as at March 31, 2026 is Nil (2025 : Nil).

**16. Date of Authorisation for Issue of the Financial Statements**

The financial statements have been approved for issue in accordance with a resolution of the Board of Directors on April 17, 2026.

**DETAILED INCOME STATEMENT FOR THE YEAR ENDED MARCH 31, 2026**

## INDEPENDENT AUDITOR'S REPORT

### To the Shareholders of Infinity Hospitality Group Company Limited

#### Report on the Audit of the Financial Statements

##### Opinion

We have audited the financial statements of Infinity Hospitality Group Company Limited (the Company), which comprise the statement of financial position as at March 31, 2026, the statement of income and statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at March 31, 2026, and its financial performance for the year then ended in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities.

##### Basis for Opinion

We conducted our audit in accordance with Thai Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics for Professional Accountants including Independence Standards issued by the Federation of Accounting Professions (Code of Ethics for Professional Accountants) that are relevant to my audit of the financial statements, and we have fulfilled my other ethical responsibilities in accordance with the Code of Ethics for Professional Accountants. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

##### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee

that an audit conducted in accordance with Thai Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## NOTES TO FINANCIAL STATEMENTS AS AT MARCH 31, 2026

### 1 GENERAL INFORMATION

#### Company status

Infinity Hospitality Group Company Limited, "The Company", is a limited company under Thai Civil and Commercial Code and domiciled in Thailand. It was incorporated on May 6, 2005, with registration no. 0105548060791

#### Place of company

20, Soi Sukhumvit 7 (Lerdsin 2), Sukhumvit Rd., North Klongtoey, Wattana, Bangkok, Thailand

#### Business and operation

The objective of the Company are services and rent of hotel, apartment, mansion and condominium.

### 2 BASIC OF FINANCIAL STATEMENT PREPARATION

The financial statements have been prepared in accordance with Thai Accounting Standards And Thai Financial Reporting Standards for Non-Publicly Accountable Entities enunciated on Notification of Federation of Accounting Professions (FAP) no. 48 (B.E.2565) under the Accounting Profession Act B.E.2547 which is effective on the financial statements for fiscal year beginning on or after January 1, 2023.

The presentation of the financial statements has been made in compliance with the Notification of the Department of Business Development; Define Financial statement abstract B.E.2566 dated October 27, 2023, issued under the Accounting Act B.E.2543 which is effective on the financial statements for fiscal year beginning on or after January 1, 2024.

The financial statements have been prepared on a historical cost basis except where otherwise disclosed in the accounting policies.

### 3 SUMMARIZED SIGNIFICANT ACCOUNTING POLICIES

#### 3.1 Cash and cash equivalents

Cash and cash equivalents consist of cash on hand and deposit at banks including time deposit and temporary investment which is not over than 3 months to maturity date excepted cash deposit with obligation.

#### 3.2 Inventories

Inventories are stated at the lower of cost or net realizable value. Cost being determined on first-in, first-out method. The Company determine to accrue provision for decline in value of inventories on deteriorated or obsolescent inventories.

#### 3.3 Property, plant and equipment

Land are stated at cost, Building and Equipment are stated at cost less accumulated depreciation. Depreciation is calculated by a straight-line method over their estimated useful life as follows:

|                               | Useful life |
|-------------------------------|-------------|
| Land                          | —           |
| Building                      | 20 Years    |
| Improvement & Decoration      | 5-20 Years  |
| Furniture Fixture & Equipment | 5 Years     |
| General Equipment             | 5 Years     |
| Computer                      | 3-5 Years   |

#### 3.4 Intangible assets

Intangible assets are stated at cost less accumulated amortisation. Amortisation is calculated by reference to their costs on the straight-line basis over the expected future period, for which the assets are expected to generate economic benefit, as follows:

|                   | Year life |
|-------------------|-----------|
| Computer software | 3-5 Years |

#### 3.5 Employee benefits

Salaries, wages and contributions to the social security fund are recognized as expenses when incurred.

#### 3.6 Provisions and contingent liabilities

The Company recognized provision in the best estimated amount of expenses which have to be paid on current obligation as at the end of accounting period.

#### 3.7 Revenue and expenses recognition

Hotel revenues from rooms, food and beverage and other services are recognised when the rooms are occupied, food and beverage are sold and the services are rendered.

The company record other revenue and expenses base on accrual basis.

#### 3.8 Income tax expense

The Company record income tax as expenses by calculating on profit and loss of tax regulation basis.

### 4 TRADE AND OTHER CURRENT RECEIVABLES

### 11 RELATED PARTIES TRANSACTIONS

Enterprises and individuals that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, the company, including holding companies, subsidiaries and fellow subsidiaries are related parties of the company. Associates and individuals owning, directly or indirectly, an interest in the voting power of the company that gives them significant influence over the enterprise, key management personnel, including directors and officers of the company and close members of the family of these individuals and companies associated with these individuals also constitute related parties.

In considering each possible related-party relationship, attention is directed to the substance of the relationship, and not merely the legal form.

Relationship with related parties were as follows:

| Name of entities                          | Country of incorporation/ nationality | Nature of relationships |
|-------------------------------------------|---------------------------------------|-------------------------|
| Mahindra Holidays & Resorts India Limited | India                                 | 49% shareholder         |
| MH Boutique Hospitality Limited           | Thailand                              | 51% shareholder         |

The Pricing policies for particular types of transactions are explained further below:

| Transactions                   | Pricing policies          |
|--------------------------------|---------------------------|
| Revenue from rent and services | Contractually agreed rate |
| Corporate guarantee charged    | Contractually agreed rate |
| Loan interest                  | Contractually agreed rate |

Relationships with related parties that control or jointly control the Company or are being controlled or jointly controlled by the Company or have transactions with the Group were as follows:

|                                                             | Currency : Baht |               |

### 12 APPROVAL OF FINANCIAL STATEMENT

These financial statement were authorized for issue by company's authorized director on April 13, 2026

For and on behalf of the Board of Directors

**Jakravut Ruthirawat**  
Director

Date : April 13, 2026

## INDEPENDENT AUDITOR'S REPORT

### To the Shareholders of MH Boutique Hospitality Limited Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of MH Boutique Hospitality Limited (the Company), which comprise the statement of financial position as at March 31, 2026, the statement of income and statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at March 31, 2026, and its financial performance for the year then ended in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities.

#### Basis for Opinion

We conducted our audit in accordance with Thai Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics for Professional Accountants including Independence Standards issued by the Federation of Accounting Professions (Code of Ethics for Professional Accountants) that are relevant to my audit of the financial statements, and we have fulfilled my other ethical responsibilities in accordance with the Code of Ethics for Professional Accountants. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Thai Standards on Auditing will always detect a material misstatement when

it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### 6. RELATED PARTIES TRANSACTIONS

Enterprises and individuals that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, the company, including holding companies, subsidiaries and fellow subsidiaries are related parties of the company. Associates and individuals owning, directly or indirectly, an interest in the voting power of the company that gives them significant influence over the enterprise, key management personnel, including directors and officers of the company and close members of the family of these individuals and companies associated with these individuals also constitute related parties.

In considering each possible related-party relationship, attention is directed to the substance of the relationship, and not merely the legal form.

Relationship with related parties were as follows:

| Name of entities                          | Country of incorporation/ nationality | Nature of relationships |
|-------------------------------------------|---------------------------------------|-------------------------|
| Mahindra Holidays & Resorts India Limited | India                                 | 49% shareholder         |

The Pricing policies for particular types of transactions are explained further below:

## INDEPENDENT AUDITORS' REPORT

### To the member of MHR Holdings (Mauritius) Ltd

#### Report on the Audit of the Financial Statements

##### Opinion

We have audited the financial statements of MHR Holdings (Mauritius) Ltd, the "Company", which comprise the statement of financial position as at March 31, 2026, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at March 31, 2026 and of its financial performance and its cash flows for the year then ended in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board (IASB) and as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Global Business Licence and in compliance with the requirements of the Mauritius Companies Act 2001.

##### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* (the "IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Material Uncertainty Related to Going Concern

We draw attention to Note 19 in the financial statements which indicates that the Company had accumulated losses of EUR 11,315,998 (2025: EUR 11,001,766) including a loss of EUR 314,232 (2025: EUR 1,123,184) for the year ended March 31, 2026. As stated in Note 19, these conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The shareholder has undertaken to provide financial support to ensure continuation of the Company's operations. Our opinion is not modified in respect of this matter.

##### Information Other than the Financial Statements and Auditors' Report Thereon ("Other Information")

Management is responsible for the Other Information. The Other Information comprises the information included under the Corporate Data and Commentary of the Directors sections, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Other Information and, in doing so, consider whether the Other Information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

##### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with IFRS Accounting Standards as issued by the IASB and as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Global Business Licence and in compliance with the requirements of the Mauritius Companies Act 2001, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

##### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Report on Other Legal and Regulatory Requirements**

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or any interests in, the Company other than in our capacity as auditors;
- we have obtained all the information and explanations we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as it appears from our examination of those records.

### **Other Matter**

Our report is made solely to the member of the Company as a body in accordance with Section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's member those matters we are required to state to it in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's member as a body, for our audit work, for this report, or for the opinion we have formed.

The accompanying notes are an integral part of these financial statements.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

## 1. GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH IFRS ACCOUNTING STANDARDS

MHR Holdings (Mauritius) Ltd, the "Company", was incorporated in the Republic of Mauritius under the Mauritius Companies Act 2001 on June 26, 2014 as a private company with liability limited by shares and holds a Global Business Licence issued by the Financial Services Commission. The Company's registered office is at 6<sup>th</sup> Floor, Two Tribeca, Tribeca Central, Trianon 72261, Republic of Mauritius.

The principal activity of the Company is to hold investments.

The financial statements of the Company have been prepared in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board and as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Global Business Licence.

## 2. ADOPTION OF NEW AND AMENDED STANDARDS

### 2.1 New and amended Standards that are effective for the current year

The following new and amended Standard and Interpretation are mandatory for the first time for the financial year commencing on April 01, 2025.

|        |                                                |
|--------|------------------------------------------------|
| IAS 21 | Lack of Exchangeability (Amendments to IAS 21) |
|--------|------------------------------------------------|

Management has assessed the impact of this new and revised amendment and concluded that it does not have an impact on these financial statements.

### 2.2 Standards, amendments and Interpretations to existing Standards that are not yet effective and have not been adopted early by the Company

At the date of authorisation of these financial statements, several new, but not yet effective, Standards, amendments to existing Standards and Interpretations have been published by the IASB. None of these Standards, amendments or Interpretations have been adopted early by the Company.

Management anticipates that all relevant pronouncements, will be adopted in the Company's accounting policies for the first period beginning on or after the effective date of the pronouncement. Information on new Standards, amendments to existing Standards and Interpretations is provided as follows:

|                   |                                                                                                             |
|-------------------|-------------------------------------------------------------------------------------------------------------|
| IFRS 9 and IFRS 7 | Amendments to the Classification and Measurement of Financial Instruments (Amendments to IFRS 9 and IFRS 7) |
| IFRS 9 and IFRS 7 | Contracts Referencing Nature-dependent Electricity (Amendments to IFRS 9 and IFRS 7)                        |
| IFRS 18           | Presentation and Disclosure in Financial Statements                                                         |
| IFRS 19           | Subsidiaries without Public Accountability Disclosures                                                      |
| Various Standards | Annual Improvements to IFRS Accounting Standards - Volume 11                                                |
| IFRS 19           | Amendments to IFRS 19 'Subsidiaries without Public Accountability: Disclosures'                             |
| IFRS 19           | IFRS for SMEs – third edition                                                                               |
| IAS 21            | Translation to a Hyperinflationary Presentation Currency (Amendments to IAS 21)                             |

Management has yet to assess the impact of the above Standards, amendments to existing Standards and Interpretations on the Company's financial statements.

## 3. MATERIAL ACCOUNTING POLICIES

### 3.1 Overall considerations

The financial statements have been prepared using the material accounting policies and measurement bases summarised below.

### 3.2 Revenue

Interest income is recognised on the accrual basis using the effective interest method, unless collectability is in doubt.

### 3.3 Expenses

All expenses are accounted for in the statement of comprehensive income on the accrual basis.

### 3.4 Taxation

Tax expense recognised in the statement of comprehensive income comprises of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Current income tax assets and/or liabilities comprise of those obligations to, or claims from, fiscal authorities relating to the current period, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

### Corporate Climate Responsibility ("CCR") Levy

The Company is subject to CCR Levy and the contribution is at the rate of 2% on chargeable income if the revenue of the Company is more than MUR 50 million (equivalent to USD 1.1 million).

### 3.5 Financial instruments

#### Recognition and derecognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instruments.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

#### Classification and initial measurement of financial assets

Except for trade receivables that do not contain a significant financing component and are measured at the transaction price in accordance with IFRS 15: Revenue from contracts with customers, all financial assets are initially measured at fair value adjusted for transaction costs, where appropriate.

Financial assets, other than those designated and effective as hedging instruments, are classified into the following categories:

- amortised cost;
- fair value through profit or loss (FVTPL); and
- fair value through other comprehensive income (FVOCI).

In the current year, the Company does not have any financial assets categorised as FVTPL and FVOCI.

The classification is determined by both:

- the Company's business model for managing the financial asset; and
- the contractual cash flow characteristics of the financial asset.

All income and expenses relating to financial assets are recognised in the statement of comprehensive income.

#### Financial assets at amortised cost

Financial assets are measured at amortised cost using the effective interest method if the assets meet the following conditions (and are not designated as FVTPL):

- they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows; and
- the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Discounting is omitted where the effect of discounting is immaterial. The Company's cash and cash equivalents and loans fall into this category of financial instruments.

### Impairment of financial assets

IFRS 9's impairment requirements use more forward-looking information to recognise expected credit losses – the 'expected credit loss (ECL) model'. For the Company, instruments within the scope of the new requirements include its loans.

Recognition of credit losses is no longer dependent on the Company's first identifying a credit loss event. Instead, the Company considers a broader range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument.

In applying this forward-looking approach, a distinction is made between:

- Financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk ("Stage 1"); and
- Financial instruments that have deteriorated significantly in credit quality since initial recognition and whose credit risk is not low ("Stage 2").

'Stage 3' would cover financial assets that have objective evidence of impairment at the reporting date.

'12-month expected credit losses' are recognized for the first category while 'lifetime expected credit losses' are recognized for the second category.

Measurement of the expected credit losses is determined by a probability-weighted estimate of credit losses over the expected life of the financial instrument.

### Classification and subsequent measurement of financial liabilities

The Company's financial liabilities consist of borrowings, other payables and accruals.

Financial liabilities are measured subsequently at amortised cost using the effective interest rate method.

### Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### 3.6 Consolidated financial statements

The financial statements are separate financial statements which contain information about MHR Holdings (Mauritius) Ltd as an individual company and do not contain consolidated financial information as the parent of a group.

The Company holds a Global Business Licence issued by the Financial Services Commission and has taken advantage of the exemption given in Section 12 of Part 1 of the Fourteenth Schedule of the Mauritius Companies Act 2001 from the requirement to prepare consolidated financial statements as it is a wholly owned subsidiary of a quoted company incorporated in the Republic of India, Mahindra Holidays and Resorts India Limited.

### 3.7 Investment in subsidiary

A subsidiary is an entity over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

Investment in subsidiary is initially shown at cost. Where an indication of impairment exists, the recoverable amount of the investment is assessed. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is charged to the statement of comprehensive income.

On disposal of an investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the statement of comprehensive income.

### 3.8 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank. Cash equivalents are short term, highly liquid investments maturing within 90 days from the date of acquisition that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

### 3.9 Equity

Stated capital represents the value of shares that have been issued.

Share premium includes any premiums received on issue of shares. Any transaction costs associated with the issuing of shares are deducted from share premium, net of any related income tax benefits.

Accumulated losses include current and prior years' results as disclosed in the statement of comprehensive income.

### 3.10 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be estimated reliably.

Provisions are measured at the estimated expenditure required to settle the present obligation based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. The increase in the provision due to passage of time is recognised as interest expense in the statement of comprehensive income.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole.

### 3.11 Related parties

A related party is a person or company where that person or company has control or joint control of the reporting Company; has significant influence over the reporting Company; or is a member of the key management personnel of the reporting Company or of a parent of the reporting Company.

### 3.12 Foreign currency translation

#### Functional and presentation currency

The financial statements are presented in Euro ("EUR"), which is the Company's functional and presentation currency.

#### Foreign currency transactions and balances

Foreign currency transactions are translated into the functional currency of the Company using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the remeasurement of monetary items denominated in foreign currency at year-end exchange rates are recognised in the statement of comprehensive income.

Non-monetary items are not retranslated at year-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

### 3.13 Borrowings

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the year of the borrowings using the effective interest rate method.

Fees paid on loan facilities are recognised as transaction costs and are deducted from borrowings and amortised over the period of the facility to which it relates.

### 3.14 Impairment of assets

At each reporting date, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered any impairment loss. When an indication of impairment loss exists, the carrying amount of the asset is assessed and written down to its recoverable amount.

### 3.15 Comparatives

Where necessary, comparative figures have been adjusted to conform to changes in presentation in the current year.

#### 4. SIGNIFICANT MANAGEMENT JUDGEMENT IN APPLYING ACCOUNTING POLICIES AND ESTIMATION UNCERTAINTY

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

##### Significant management judgements

The following are the significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

##### Determination of functional currency

The determination of the functional currency of the Company is critical since recording of transactions and exchange differences arising therefrom are dependent on the functional currency selected. The directors have considered those factors and have determined that the functional currency of the Company is the EUR.

##### Going concern assumption

The directors have exercised significant judgement in assessing that the preparation of these financial statements on a going concern basis is appropriate. In making this assessment, the directors have considered the Company's future business projects, future cash flows and future profitability.

##### Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

##### Impairment losses on financial assets

The loss allowances for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

##### Impairment of investments in subsidiary

In assessing impairment, management estimates the recoverable amount of each asset based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate. The directors have assessed the recoverable amount of the investments and confirmed that the carrying amount has not suffered any impairment in value at the reporting date.

#### 5. FINANCIAL INSTRUMENTS RISK

##### Risk management objectives and policies

The Company is exposed to various risks in relation to its financial instruments. The main types of risks are market risk, credit risk and liquidity risk.

The Company's financial assets and financial liabilities by category are summarised below.

|                                           | 2026              | 2025              |
|-------------------------------------------|-------------------|-------------------|
|                                           | EUR               | EUR               |
| <b>Financial assets at amortised cost</b> |                   |                   |
| <b>Current</b>                            |                   |                   |

| Cash and cash equivalents                 | 19,385            | 169,507           |
|                                           | <b>76,043,858</b> | <b>73,598,445</b> |
| <b>Total financial assets</b>             | <b>76,043,858</b> | <b>73,598,445</b> |

|                                                         | 2026              | 2025              |
|---------------------------------------------------------|-------------------|-------------------|
|                                                         | EUR               | EUR               |
| <b>Financial liabilities measured at amortised cost</b> |                   |                   |
| <b>Non-current</b>                                      |                   |                   |
| Borrowings                                              | 43,000,000        | 82,025,000        |
| <b>Current</b>                                          |                   |                   |
| Borrowings                                              | 42,143,290        | 333,296           |
| Other payables and accruals                             | 13,975            | 38,778            |
|                                                         | <b>42,157,265</b> | <b>372,074</b>    |
| <b>Total financial liabilities</b>                      | <b>85,157,265</b> | <b>82,397,074</b> |

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and in the Company's activities.

##### 5.1 Market risk analysis

The Company is exposed to market risk through its use of financial instruments. Market risk is comprised specifically of currency risk and interest rate risk, which result from both its operating and investing activities.

##### Foreign currency sensitivity

Foreign currency risk, as defined in IFRS 7: Financial Instruments: Disclosures, arises as the value of future transactions, recognised monetary assets and monetary liabilities denominated in other currencies fluctuate due to changes in foreign exchange rates.

The Company is not exposed to any currency risk as most of its financial assets and financial liabilities are denominated in the Euro, which is the functional currency of the Company.

The currency profile of its financial assets and liabilities is as follows:

|                            | Financial assets<br>2026 | Financial liabilities<br>2026 |
|----------------------------|--------------------------|-------------------------------|
|                            | EUR                      | EUR                           |
| <b>Long term exposure</b>  |                          |                               |
| Euro (EUR)                 | –                        | 43,000,000                    |
| <b>Short term exposure</b> |                          |                               |
| Euro (EUR)                 | 76,043,858               | 42,143,290                    |
| United States Dollar (USD) | –                        | 13,975                        |
|                            | <b>76,043,858</b>        | <b>85,157,265</b>             |
|                            | Financial assets<br>2025 | Financial liabilities<br>2025 |
|                            | EUR                      | EUR                           |
| <b>Long term exposure</b>  |                          |                               |
| Euro (EUR)                 | –                        | 82,025,000                    |
| <b>Short term exposure</b> |                          |                               |
| Euro (EUR)                 | 73,598,445               | 363,914                       |
| United States Dollar (USD) | –                        | 8,160                         |
|                            | <b>73,598,445</b>        | <b>82,397,074</b>             |

**Interest rate sensitivity**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company's interest-bearing financial assets are in the form of loans to the subsidiary at a fixed rate of interest and therefore are not subject to market fluctuations.

As at March 31, 2026, the Company has interest bearing financial liabilities in the form of bank loans from HSBC Bank (Mauritius) Limited and DBS Bank Limited.

The Company has taken the following loans from HSBC Bank (Mauritius) Limited and DBS Bank Limited:

**Loans from HSBC Bank (Mauritius) Limited****Loan of EUR 45,820,000**

Pursuant to facility agreements dated August 19, 2024 and February 19, 2025 respectively which were later revised on May 14, 2025, HSBC Bank (Mauritius) Limited granted a total commitment of EUR 45,820,000 to the Company. The total commitment comprised of the following:

- Revolving Credit Facility 2, for EUR 775,000 (reduced from EUR 17,000,000) bearing interest rate of 3 months EURIBOR plus 1.39% p.a. margin maturing on November 10, 2025 with an option to roll over for another 0.99 year. As at March 31, 2026, the loan had matured and been fully repaid.
- Term Loan Facility 5, for EUR 15,000,000 bearing interest rate of 3 months EURIBOR plus 1.39% p.a. margin maturing on August 18, 2027.
- Term Loan Facility 6 of EUR 28,000,000, bearing interest rate of 3 months EURIBOR plus 1.25% margin p.a. maturing on February 21, 2028.
- Revolving Credit Facility 3 amounting to EUR 2,820,000 bearing interest rate of 3 or 6 months EURIBOR plus 1.25% p.a. margin maturing 0.99 year from the date of the first drawdown with an option to rollover for another 0.99 year.

During the year ended March 31, 2026, interest expense amounted to EUR 1,537,824 (2025: EUR 535,256) and interest accrued EUR 172,640 (2025: EUR 168,747).

**Loan from DBS Bank Limited****Loan of EUR 50,000,000**

The Company (the "Borrower") entered into a Facility Agreement with DBS Bank Limited ("the Lender") whereby the Lender shall make available to the Borrower credit facilities aggregating to EUR 80 million on August 14, 2024. The loan is repayable within 2 years from the date of each drawdown. The loan bears interest at EURIBOR 3 months plus a margin of 1.25% per annum on fixed basis. It was agreed that if EURIBOR was negative, it would be deemed to be zero for the purpose of this facility. However, pursuant to a Reduction of Term Loan Facility letter dated March 31, 2025, the existing term loan facility has been reduced to EUR 50 million. During the year ended March 31, 2025, EUR 38,250,000 had been disbursed and as at March 31, 2026 an additional EUR 750,000 has been disbursed. During the year ended March 31, 2026, interest expense amounted to EUR 1,327,433 (2025: EUR 756,144) and interest accrued EUR 150,650 (2025: EUR 164,551).

**Interest rate sensitivity analysis**

The following table illustrates the sensitivity of loss and shareholder's deficit to reasonably possible changes in interest rates of +/- 1% for the year ended March 31, 2026. These changes are considered to be reasonably possible based on observation of current market conditions. The calculations are based on a change in the average market interest rates for each year, and the financial instruments held at each reporting date that are sensitive to changes in interest rates. All other variables are held constant.

A 1% increase in interest rate will have the following impact:

|               | 2026              |                       | 2025              |                       |
|---------------|-------------------|-----------------------|-------------------|-----------------------|
|               | Loss for the year | Shareholder's deficit | Loss for the year | Shareholder's deficit |
|               | EUR               | USD                   | EUR               | USD                   |
| 1% (2025: 1%) | <b>851,433</b>    | <b>851,433</b>        | 823,583           | 823,583               |

A 1% decrease in interest rate would have the reverse impact.

**5.2 Credit risk analysis**

Credit risk is the risk that the counterparty fails to discharge an obligation to the Company.

The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at the reporting date, as summarised as follows:

|                           | 2026              | 2025       |
|---------------------------|-------------------|------------|
|                           | EUR               | EUR        |
| <b>ASSETS</b>             |                   |            |
| <b>Current assets</b>     |                   |            |
| Loans                     | <b>76,024,473</b> | 73,428,938 |
| Cash and cash equivalents | <b>19,385</b>     | 169,507    |
|                           | <b>76,043,858</b> | 73,598,445 |

The Company has sanctioned several loans to its Subsidiary. The terms and conditions of the loans are detailed in Note 11 of these financial statements.

The Company measures credit risk and ECL using probability of default, exposure at default and loss given default of the loans to subsidiary. The directors consider both historical analysis and forward-looking information in determining any ECL. The directors consider the probability of default to be close to zero as the Subsidiary has strong capacity to meet their contractual obligations and have not defaulted in the past. As a result, no loss allowance has been recognised based on 12-month ECL under Stage 1 of the ECL model.

The credit risk for the bank balance is considered negligible, since the counterparty is a reputable bank with high quality external credit ratings.

The carrying amounts disclosed above are the Company's maximum possible credit risk exposure in relation to these instruments.

None of the Company's financial assets are secured by collateral or other credit enhancements. The borrowings taken are secured against an Unconditional and Irrevocable Corporate Guarantee from Mahindra Holidays and Resorts India Limited, the parent company.

**5.3 Liquidity risk analysis**

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due.

The Company's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

As at March 31, 2026, the Company has contractual maturities which are summarised below:

|                             | 2026              |                   | 2025             |                  |
|-----------------------------|-------------------|-------------------|------------------|------------------|
|                             | Less than 1 year  | More than 1 year  | Less than 1 year | More than 1 year |
|                             | EUR               | EUR               | EUR              | EUR              |
| Borrowings                  | <b>42,143,290</b> | <b>43,000,000</b> | 333,296          | 82,025,000       |
| Other payables and accruals | <b>13,975</b>     | —                 | 38,778           | —                |
| <b>Total</b>                | <b>42,157,265</b> | <b>43,000,000</b> | 372,074          | 82,025,000       |

## 6. FAIR VALUE MEASUREMENT

### 6.1 Fair value measurement of financial instruments

The Company has financial assets and financial liabilities, and they are measured at their carrying amounts which approximate their fair values.

### 6.2 Fair value measurement of non-financial instruments

The Company's non-financial assets consist of investments in subsidiary and prepayments for which fair value measurement is not applicable since these are not measured at fair value on a recurring or non-recurring basis in the statement of financial position. At the reporting date, the Company did not have any non-financial liabilities.

## 7. CAPITAL MANAGEMENT POLICIES AND PROCEDURES

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns to its member.

In order to maintain or adjust the capital structure, the Company may adjust the amounts of dividends paid to its member, buy back shares or issue new shares.

The Company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital.

The details of the gearing ratio are disclosed as follows:

|                                 | 2026       | 2025       |
|---------------------------------|------------|------------|
|                                 | EUR        | EUR        |
| Borrowings                      | 85,143,290 | 82,358,296 |
| Less: cash and cash equivalents | (19,385)   | (169,507)  |
| Net debt                        | 85,123,905 | 82,188,789 |
| Total equity                    | 14,079,002 | 14,393,234 |
| Total capital                   | 99,202,907 | 96,582,023 |
| Gearing ratio (%)               | 86%        | 85%        |

The directors consider that this level of gearing is necessary taking into account the Company's business activities.

## 8. TAXATION

### (i) Income tax

The Company holds a Global Business Licence for the purpose of the Financial Services Act 2007 of Mauritius. Pursuant to the enactment of the Finance Act 2018, with effect as from January 1, 2019, the deemed tax credit has been phased out, through the implementation of a new tax regime. Companies which had obtained their Global Business Licence on or before October 16, 2017, including the Company, have been grandfathered and would benefit from the deemed tax credit regime up to June 30, 2021.

Accordingly, the Company is entitled to a foreign tax credit equivalent to the higher of the actual foreign tax suffered or 80% of the Mauritian tax ("Deemed tax credit") on its foreign source income resulting in an effective tax rate on net income of up to 3%, up to June 30, 2021. Further, the Company is exempted from income tax in Mauritius on profits or gains arising from sale of securities. In addition, there is no withholding tax payable in Mauritius in respect of payments of dividends to Shareholder or in respect of redemptions or exchanges of shares.

Post June 30, 2021 and under the new tax regime and subject to meeting the necessary substance requirements as required under the Financial Services Act 2007 (as amended by the Finance Act 2018) and such guidelines issued by the Financial Services Commission, the Company would be entitled to either (a) a foreign tax credit equivalent to the actual foreign tax suffered on its foreign income against the Company's tax liability computed at 15% on such income, or (b) a partial exemption of 80% of some of the income derived, including but not limited to foreign source dividends or interest income.

At March 31, 2026, the Company has accumulated tax losses of EUR 3,560,435 (2025: EUR 3,642,590) which will be carried forward and available for set off against future taxable profit as follows:

|                                     | EUR              |
|-------------------------------------|------------------|
| Up to the year ending 31 March 2027 | 342,363          |
| Up to the year ending 31 March 2028 | 668,235          |
| Up to the year ending 31 March 2029 | 1,412,083        |
| Up to the year ending 31 March 2030 | 849,237          |
| Up to the year ending 31 March 2031 | 288,517          |
|                                     | <b>3,560,435</b> |

### (ii) Deferred tax

Deferred income tax is calculated on all temporary differences under the liability method at the rate of 15%. At March 31, 2026, no deferred tax has been recognised in respect of the tax losses carried forward as it is not probable that taxable profits will be available in the foreseeable future.

### (iii) Income tax reconciliation

The income tax on the Company's loss before tax differs from the theoretical amount that would arise using the effective tax rate of the Company as follows:

|                   | 2026      | 2025        |
|-------------------|-----------|-------------|
|                   | EUR       | EUR         |
| Loss for the year | (314,232) | (1,123,184) |
| Tax expense       | —         | —           |

### (iv) Corporate Climate Responsibility ("CCR") Levy

The Company is not liable to CCR Levy since there is no chargeable income for the year ended March 31, 2026.

## 9. INVESTMENTS IN SUBSIDIARY

|                                  | 2026       | 2025       |
|----------------------------------|------------|------------|
|                                  | EUR        | EUR        |
| (i) Unquoted investment at cost: |            |            |
| At April 01 and March 31         | 23,182,500 | 23,182,500 |

### (ii) Details pertaining to the unquoted investments are as follows:

| Name of investee company | Country of incorporation | Type of investments | Number of shares | Cost 2026  | Cost 2025  |
|--------------------------|--------------------------|---------------------|------------------|------------|------------|
|                          |                          |                     |                  | EUR        | EUR        |
| Covington S.à.r.l        | Luxembourg               | Equity              | 12,500           | 17,500     | 17,500     |
| Covington S.à.r.l        | Luxembourg               | Non-equity          | —                | 23,165,000 | 23,165,000 |
|                          |                          |                     | 12,500           | 23,182,500 | 23,182,500 |

### (iii) Pursuant to a Share Sale and Purchase Agreement dated July 17, 2014 between the Company (the "Purchaser") and D.LAW (the "Seller"), the Company purchased 12,500 shares without nominal value corresponding to 100% of the share capital of Covington S.à.r.l, a private limited company incorporated in Luxembourg, for a total consideration of EUR 17,500.

In addition, pursuant to Contribution Agreements dated July 31, 2014, November 10, 2014 and August 18, 2015 between the Company and Covington S.à.r.l (the "Receiver"), the Company contributed EUR 3,165,000, EUR 4,000,000, and EUR 16,000,000 respectively to the Receiver.

### (iv) The directors have assessed the recoverable amount of the investments (equity and non-equity) and confirmed that the carrying amount of these investments have not suffered any impairment in value at the reporting date.

- (v) The Company has 100% shareholding in Covington S.à.r.l and is therefore considered as the Company's subsidiary since it has control over the subsidiary through its 100% voting rights. The Company holds a Global Business Licence issued by the Financial Services Commission and has therefore taken advantage of Section 12 of Part 1 of the Fourteenth Schedule of the Mauritius Companies Act 2001 which dispenses it from presenting consolidated financial statements as it is a wholly owned subsidiary of a company incorporated in the Republic of India.
- (vi) The non-equity investment in Covington S.à.r.l represents funds invested as "capital contribution" and settlement is not likely within one year. Repayment would be agreed between the Company and its investee company.

## 10. FINANCE INCOME AND FINANCE COSTS

|                                       | 2026              | 2025              |
|---------------------------------------|-------------------|-------------------|
|                                       | EUR               | EUR               |
| <b>10.1 Finance income</b>            |                   |                   |
| Corporate Guarantee Commission income | 38,475            | 39,644            |
| Interest on loans                     | 2,595,535         | 3,111,133         |
|                                       | <b>2,634,010</b>  | <b>3,150,777</b>  |
|                                       |                   |                   |
|                                       | 2026              | 2025              |
|                                       | EUR               | EUR               |
| <b>10.2 Finance costs</b>             |                   |                   |
| Interest on borrowings                | 2,865,257         | 3,801,270         |
| Commissions on Corporate Guarantee    | –                 | 253,244           |
| Amortisation of transaction costs     | –                 | 161,354           |
| Annual charges                        | 25,716            | 20,703            |
|                                       | <b>2,890,973</b>  | <b>4,236,571</b>  |
|                                       |                   |                   |
| <b>11. LOANS</b>                      |                   |                   |
|                                       | 2026              | 2025              |
|                                       | EUR               | EUR               |
| <u>Loans to subsidiary:</u>           |                   |                   |
| Principal amounts                     | 64,120,000        | 64,120,000        |
| Interest receivable                   | 11,904,473        | 9,308,938         |
| <b>Total</b>                          | <b>76,024,473</b> | <b>73,428,938</b> |

- (i) The movements during the year on the loans as follows:

|                              | 2026              | 2025              |
|------------------------------|-------------------|-------------------|
|                              | EUR               | EUR               |
| Opening balance              | 73,428,938        | 70,317,805        |
| Interest income for the year | 2,595,535         | 3,111,133         |
| <b>Closing balance</b>       | <b>76,024,473</b> | <b>73,428,938</b> |

- (ii) During the year ended March 31, 2026, the Company renewed and extended the loans to Covington S.à.r.l for 1 year and revised interest rates to 3.61% per annum for all loans.
- (iii) The directors have taken into consideration both historical analysis and forward-looking information in determining any ECL. Consequently, the directors consider the probability of default to be close to zero as the subsidiary has a strong capacity to meet the contractual obligations in the near term and have not defaulted in the past. As a result, no loss allowance has been recognised based on 12-month ECL under Stage 1 of the ECL model.

## 12. BORROWINGS

|                           | 2026              | 2025              |
|---------------------------|-------------------|-------------------|
|                           | EUR               | EUR               |
| <b>Non-current</b>        |                   |                   |
| Bank loans (Note 12 (ii)) | 43,000,000        | 82,025,000        |
|                           |                   |                   |
| <b>Current</b>            |                   |                   |
| Bank loans (Note 12 (ii)) | 42,143,290        | 333,296           |

- (ii) Summary of bank borrowings arrangements are as follows:

### DBS Bank Limited

#### Loan of EUR 50,000,000

The Company (the "Borrower") entered into a Facility Agreement with DBS Bank Limited ("the Lender") whereby the Lender shall make available to the Borrower credit facilities aggregating to EUR 80 million on August 14, 2024. The loan is repayable within 2 years from the date of each drawdown. The loan bears interest at EURIBOR 3 months plus a margin of 1.25% per annum on fixed basis. It was agreed that if EURIBOR was negative, it would be deemed to be zero for the purpose of this facility. However, pursuant to a Reduction of Term Loan Facility letter dated March 31, 2025, the existing term loan facility has been reduced to EUR 50 million. During the year ended March 31, 2025, EUR 38,250,000 had been disbursed and as at March 31, 2026 an additional EUR 750,000 has been disbursed. During the year ended March 31, 2026, interest expense amounted to EUR 1,327,433 (2025: EUR 756,144) and interest accrued EUR 150,650 (2025: EUR 164,551).

### HSBC Bank (Mauritius) Limited

#### Loan of EUR 45,820,000

Pursuant to facility agreements dated August 19, 2024 and February 19, 2025 respectively which were later revised on May 14, 2025, HSBC Bank (Mauritius) Limited granted a total commitment of EUR 45,820,000 to the Company. The total commitment comprised of the following:

- Revolving Credit Facility 2, for EUR 775,000 (reduced from EUR 17,000,000) bearing interest rate of 3 months EURIBOR plus 1.39% p.a. margin maturing on November 10, 2025 with an option to roll over for another 0.99 year. As at March 31, 2026, the loan had matured and been fully repaid.
- Term Loan Facility 5, for EUR 15,000,000 bearing interest rate of 3 months EURIBOR plus 1.39% p.a. margin maturing on August 18, 2027.
- Term Loan Facility 6 of EUR 28,000,000, bearing interest rate of 3 months EURIBOR plus 1.25% margin p.a. maturing on February 21, 2028.
- Revolving Credit Facility 3 amounting to EUR 2,820,000 bearing interest rate of 3 or 6 months EURIBOR plus 1.25% p.a. margin maturing 0.99 year from the date of the first drawdown with an option to rollover for another 0.99 year.

During the year ended March 31, 2026, interest expense amounted to EUR 1,537,824 (2025: EUR 535,256) and interest accrued EUR 172,640 (2025: EUR 168,747).

Some HSBC Bank loans were secured against an Unconditional and Irrevocable Corporate Guarantee from Mahindra Holidays & Resorts India Limited (the "Guarantor"). In that respect, an annual commission of 0.53% on the Corporate Guarantee should be paid to the Guarantor until the loans are fully repaid. These loans were fully repaid during the year ended March 31, 2025. During the year ended March 31, 2026, no commission had been charged (2025: EUR 253,244).

Since Holiday Club Resorts Oy ("HCR"), the underlying subsidiary incorporated in the Republic of Finland, is also benefiting from the loans borrowed by the Company in terms of the pledge provided, HCR therefore pays a commission to the Company which is then partly remitted to the Guarantor. During the year under review, an amount of EUR 38,475 (2025: EUR 39,644) was charged as commission.

| Mahindra<br>Holidays<br>and<br>Resorts<br>India<br>Limited<br>(Note<br>12(ii)) | Holding<br>Company        | Commission<br>on Corporate<br>Guarantee        | 30,618                    | –                                                  | (30,618)                                           |

The terms and conditions of the loans and payable to holding company are as disclosed in notes 11 and 12 to the financial statements.

#### 18. CONTINGENT LIABILITIES

As at March 31, 2026, the Company has provided a financial guarantee in favour of its underlying subsidiary, Holiday Club Resorts Oy, amounting to EUR 2,435,128 (2025: EUR 3,166,136). The directors do not consider it probable that the related party will fail to meet its obligations, and accordingly no provision has been recognised.

#### 19. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared on the going concern basis which assumes that the Company will continue in operational existence for the foreseeable future. The validity of this assumption depends on the continued financial support of the shareholder. At March 31, 2026, the Company had accumulated losses of EUR 11,315,998 (2025: EUR 11,001,766) including a loss of EUR 314,232 (2025: EUR 1,123,184). The financial statements have been prepared on a going concern basis, the validity of which depends upon continued financial support made available by the holding company. The directors are of the opinion that financial support from the shareholder will be forthcoming over the next twelve months. They therefore believe that it is appropriate for the financial statements to be prepared on the going concern basis.

#### 20. HOLDING COMPANIES

The directors consider Mahindra Holidays and Resorts India Limited, a quoted company incorporated in the Republic of India, as the Company's immediate holding company and Mahindra and Mahindra Limited, a quoted company incorporated in the Republic of India, as the Company's ultimate holding company.

#### 21. EVENTS AFTER REPORTING DATE

There have been no significant events after the reporting date which require disclosures or amendments to the financial statements.

## REPORT OF THE APPROVED COMPANY AUDITOR

**To the Board of Managers of Covington S.à r.l.**

### Opinion

We have audited the annual accounts of Covington S.à r.l. (the “Company”), which comprise the balance sheet as at March 31, 2026, and the profit and loss account for the year then ended, and notes to the annual accounts, including a summary of significant accounting policies.

In our opinion, the accompanying annual accounts give a true and fair view of the financial position of the Company as at March 31, 2026, and of the results of its operations for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts.

### Basis for opinion

We conducted our audit in accordance with the Law of July 23, 2016 on the audit profession (the “Law of July 23, 2016”) and with International Standards on Auditing (“ISAs”) as adopted for Luxembourg by the Commission de Surveillance du Secteur Financier (“CSSF”). Our responsibilities under the Law of July 23, 2016 and ISAs as adopted for Luxembourg by the CSSF are further described in the « Responsibilities of “réviseur d’entreprises agréé” for the audit of the annual accounts » section of our report. We are also independent of the Company in accordance with the International Code of Ethics for Professional Accountants, including International Independence Standards, issued by the International Ethics Standards Board for Accountants (“IESBA Code”) as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the annual accounts, and have fulfilled our other ethical responsibilities under those ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of the Board of Managers for the annual accounts

The Board of Managers is responsible for the preparation and fair presentation of the annual accounts in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts, and for such internal control as the Board of Managers determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the Board of Managers is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Managers either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Responsibilities of the “approved company auditor” for the audit of the annual accounts

The objectives of our audit are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue a report of the “réviseur d’entreprises agréé” that includes

our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Law of July 23, 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with the Law of July 23, 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Managers.
- Conclude on the appropriateness of the Board of Managers’ use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report of the “approved company auditor” to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report of the “approved company auditor”. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual accounts, including the disclosures, and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Luxembourg, April 20, 2026

## NOTES TO THE ANNUAL ACCOUNTS

### Note 1 - General information

Covington S.à r.l., hereinafter the “Company”, was incorporated on November 27, 2013 as a “limited liability company” for an unlimited period. The Company is organised under the laws of Luxembourg, in particular the law of August 10, 1915 on commercial companies, as amended.

The registered office of the Company is established at 3 Rue Gabriel Lippmann L-5365 Munsbach (prior to November 30, 2023, the registered office was established at 68-70 boulevard de la Pétrusse, 2320 Luxembourg City) and is registered at the Trade and Companies register in Luxembourg under the number B 182 265.

The financial year of the Company starts on April 1 and ends on March 31 of each year.

Based on the criteria defined by article 1711-7 of the Luxembourg law, the Company is exempt from the obligation to draw up consolidated accounts and a consolidation management report for the year ended March 31, 2026.

The Company is included in the consolidated accounts of Mahindra Holidays & Resorts India Limited, forming the smallest and largest body of undertakings of which the Company forms a part as direct subsidiary undertakings. The registered office of that company is located at Mahindra Towers, 1st Floor, “A” Wing, Dr. G M Bhosale Marg, Worli, Mumbai - 400 018, India and the consolidated financial statements are available at the registered address.

The object of the Company is the acquisition of ownership interests, in Luxembourg or abroad, in any companies or enterprises in any form whatsoever and the administration, management, control and development of such participations. The Company may in particular acquire by way of subscription, purchase, exchange or in any other manner any stock, shares and/or other participation securities, bonds, debentures, certificates of deposit and/or other debt instruments and more generally any securities and/or financial instruments issued by any public or private entity whatsoever. It may participate in the creation, development, management and control of any company or enterprise. It may further make direct or indirect real estate investments and invest in the acquisition and management of a portfolio of patents or other intellectual property rights of any nature or origin whatsoever.

The Company may borrow in any form, except for borrowing from the public. It may issue notes, bonds, debentures and any other kind of debt and/or equity securities, including but not limited to preferred equity certificates and warrants, whether convertible or not in all cases. The Company may lend funds, including the proceeds of any borrowings and/or issues of debt securities, to its subsidiaries, affiliated companies or to any other company. It may also give guarantees and grant security interests in favour of third parties to secure its obligations or the obligations of its subsidiaries, affiliated companies or any other company. The Company may further mortgage, pledge, transfer, encumber or otherwise hypothecate all or some of its assets.

The Company may generally employ any techniques and utilize any instruments relating to its investments for the purpose of their efficient management, including techniques and instruments designed to protect the Company against creditors, currency fluctuations, interest rate fluctuations and other risks.

The Company may carry out any commercial, financial or industrial operations and any transactions with respect to real estate or movable property, which directly or indirectly, further or relate to its purpose.

### Note 2 - Summary of significant accounting policies and valuation rules

#### Basis of preparation

These annual accounts have been prepared in accordance with Luxembourg legal and regulatory requirements under the historical cost convention. Accounting policies and valuation rules are, besides the ones laid down by the amended law of December 19, 2002, (the “Law”), determined and applied by the managers of the Company (the “Board of Managers”) in conformity with the going concern basis.

The preparation of annual accounts requires the use of certain critical accounting estimates. It also requires the Board of Managers to exercise its judgement in the process of applying the accounting policies. Changes in assumptions may have a significant impact on the annual accounts in the period in which the assumptions changed. Board of Managers believes that the underlying assumptions are appropriate and that the annual accounts therefore present the financial position and results fairly.

The Company makes estimates and assumptions that affect the reported amounts of assets and liabilities in the next financial year. Estimates and judgements are

continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Although the current liabilities of the Company exceed the current assets as of March 31, 2026, the Board of Managers has prepared these annual accounts on a going concern basis. The Company has positive equity and received positive indicators from its shareholder acting as creditor that they will not ask for repayment of the principal amount nor of the accrued but unpaid interests if this repayment would trigger an insolvency for the Company and its shareholder will provide a financial support if it is needed. The Board of Managers is not aware of anything that would prevent the Company from continuing as a going concern.

#### Significant accounting policies and valuation rules

The main accounting and valuation rules applied by the Company are the following:

##### Financial fixed assets

Shares in affiliated undertakings or participating interests are valued at acquisition cost including the expenses incidental thereto. Loans to these undertakings/ investment held as fixed assets and other loans are valued at nominal value.

In the case of durable depreciation in value according to the opinion of the Board of the Managers, value adjustments are made in respect of financial fixed assets, so that they are valued at the lower figure to be attributed to them at the balance sheet date. These value adjustments are not continued if the reasons for which they were made have ceased to apply.

##### Debtors

Debtors are valued at their nominal value. They are subject to value adjustments where their recovery is compromised. These value adjustments are not continued if the reasons for which they were made have ceased to apply.

##### Cash and Cash Equivalents

Cash and cash equivalents include all cash balances in bank and in hand.

##### Creditors

Creditors are stated at their reimbursement value.

##### Current tax liability

The tax liability estimated by the Company for the financial years for which the tax assessments have not yet been received are recorded under the caption “Tax authorities”. The advance payments are shown in the assets of the balance sheet under the caption “Other Debtors”, if applicable.

##### Foreign currency translation

The Company maintains its accounting records in Euro (EUR) and the balance sheet and the profit and loss accounts are expressed in this currency.

Transactions expressed in currencies other than EUR are translated into EUR at the exchange rate effective at the time of the transaction.

Formation expenses and long term non-monetary assets expressed in currencies other than EUR are translated into EUR at the exchange rate effective at the time of the transaction. At the balance sheet date, these assets remain converted using the exchange rate at the time of the transaction (the “historical exchange rate”).

Cash at bank is translated at the exchange rate effective at the balance sheet date. Exchange losses and gains are recorded in the profit and loss account of the year.

In accordance with prudence principles found within generally accepted accounting principles in Luxembourg (“Lux Gaap”), other assets are translated separately, at the lower of the value converted using the historical exchange rate and the value converted using the exchange rate at the balance sheet date. Conversely, other liabilities are translated separately, at the higher of the value converted using the historical exchange rate and the exchange rate at the balance sheet date. Consequently, both realised and unrealised exchange losses are recorded in the profit and loss account while exchange gains are recorded in the profit and loss account when realised only.

Where there is an economic link between an asset and a liability, these are valued in total according to the method described above and the net unrealised losses are recorded in the profit and loss account while the net unrealised gains are not recognised.

**Note 3 - Financial assets**

a) The movements for the year are as follows:

|                                           | Shares in affiliated undertakings 2026<br>EUR | Total 2026<br>EUR    | Total 2025<br>EUR |
|-------------------------------------------|-----------------------------------------------|----------------------|-------------------|
| Gross book value - opening balance        | 67,884,594.23                                 | 67,884,594.23        | 67,884,594.23     |

(\*) On September 1, 2017, the Company agreed to lend to Holiday Club Resorts Oy the sum of EUR 2,000,000.00 which bears interest at a nominal rate of 2.50% per annum. The tenure of the loan is one year, extendable with the consent of the Company. On August 20, 2018, EUR 1,318,662.55 has been repaid. On November 12, 2018, the remaining amount of EUR 681,337.45 together with the EUR 2,318,662.55 out of the remaining loan of EUR 2,470,000.00 from the second loan (below) has been converted into 200,000 new shares at the subscription price of EUR 15.00 per share for a total value of EUR 3,000,000.00.

On July 13, 2018, the Company entered into a second loan agreement with Holiday Club Resorts Oy for an amount up to EUR 3,000,000.00 with an interest rate of 5.41% (2018-2023: 2.50%). On July 23, 2018, the Company paid out an amount of EUR 2,470,000.00 to Holiday Club Resorts Oy. As stated above, on November 12, 2018, EUR 2,318,662.55 of the loan have been converted into equity. The initial maturity date of this loan was July 13, 2019 and has been extended for four additional years. On July 11, 2024 the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 4.97%. On July 11, 2025 the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 3.91%. On March 31, 2026 the outstanding amount of this loan is EUR 151,337.45 and the accrued interest amount to EUR 35,221.73.

On October 4, 2018, the Company entered into a third loan agreement of EUR 3,000,000.00 with Holiday Club Resorts Oy with an interest rate of 5.41% (2018-2023: 2.50%) per annum. The initial maturity date of this loan was October 3, 2019 and has been extended until October 03, 2024. On October 03, 2024 the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 4.97%. On October 03, 2025 the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 3.91%. On March 31, 2026, the accrued interest amount to EUR 650,159.48.

On March 1, 2022, the Company entered in a fourth loan agreement up to EUR 6,000,000.00 with Holiday Club Resorts Oy with an interest rate of 2.5% per annum. On March 7, 2022, the Company transferred additional EUR 4,000,000.00 to Holiday Club Resorts Oy. The initial maturity date of this loan was set to March 1, 2024 and extended to February 28, 2025 on April 27, 2022. On February 28, 2025, the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 3.89%. On February 28, 2026, the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 3.91%. On March 31, 2026, the accrued interest amount to EUR 467,239.46.

On December 1, 2022, the Company entered into a loan agreement of EUR 2,000,000.00 with Holiday Club Resorts with an interest rate of 3.86% per annum. The maturity date of this loan is on February 28, 2025. On February 28, 2025, the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 3.89%. On February 28, 2026, the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 3.91%. On March 31, 2026, the accrued interest amount to EUR 257,877.26.

On December 29, 2022, the Company entered into a loan agreement of EUR 4,000,000.00 with Holiday Club Resorts with an interest rate of 4.36% per annum. The maturity date of this loan is on December 20, 2025. On December 27, 2025, the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 3.91%. On March 31, 2026, the accrued interest amount to EUR 557,266.85.

On October 05, 2023, the Company entered into a loan agreement of EUR 6,000,000.00 with Holiday Club Resorts Oy. First tranche was paid on October 11, 2023, amounting to EUR 4,000,000.00 with an interest rate of 6.16% per annum. The maturity date of this loan is on October 11, 2024. On October 11, 2024, the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 4.97%. On October 11, 2025, the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 3.91%. On March 31, 2026, the accrued interest amount to EUR 519,136.63.

On November 08, 2023, the second tranche of the loan agreement was paid amounting to EUR 2,000,000.00 with Holiday Club Resorts Oy with an interest rate of 5.98% per annum. The maturity date of this loan is on November 08, 2024. On October 11, 2024, the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 4.97%. On November 08, 2025, the loan agreement was renewed with a term of 1 year and extendable with the consent of the Lender, with an interest rate of 3.91%. On March 31, 2026, the accrued interest amount to EUR 249,989.26.

#### Note 5 - Capital and reserves

##### Subscribed capital and share premium (and similar premiums)

The share capital of the Company amounts to EUR 12,500.00 and is divided into 12,500 shares fully paid up to EUR 12,500.00 without nominal value.

The movements on the "Subscribed capital " caption during the year are as follows:

|                            | Total number<br>of Shares |
|----------------------------|---------------------------|
| <b>Opening balance</b>     | <b>12,500</b>             |

**Note 10 - Taxation**

The Company is subject to the general tax regulations applicable to commercial companies in Luxembourg. The group falls within the scope of the Pillar Two Model Rules. The Luxembourg Pillar Two law of December 22, 2023 has transposed the EU Minimum Taxation Directive to ensure a global minimum level of taxation for multinational groups and large-scale domestic groups in the EU. Article 53(2) of the Luxembourg Pillar Two law provides that a group in scope of Pillar Two shall take into account all the deferred tax assets and deferred tax liabilities reflected or disclosed in the financial accounts of all the constituent entities in a jurisdiction for the transition year.

As at March 31, 2026, the Company has estimated tax losses of EUR 11,469,448.72 carried forward that are available for offsetting against any future taxable profits of the Company which corresponds to a deferred tax asset of EUR 2,737,757.41 at a tax rate of 23.87% (corporate income tax and municipal business tax in Luxembourg city in FY 25). This amount is the sum of tax losses carried forward as per the last filed corporate income tax return for the year

ended March 31, 2024 (i.e. EUR 7,210,465.70) and the estimated amount of tax losses carried forward for the year ended March 31, 2025 and March 31, 2026 which have not been declared yet.

For tax losses incurred from January 1, 2017, their carry forward is limited to 17 years with older tax losses being deducted first. However, tax losses incurred before December 31, 2016, may still be carried forward without any time limitation.

Pillar 2 legislation has been enacted or substantively enacted in certain jurisdictions in which the Group operates (including Luxembourg). The Pillar 2 legislation should not have a material impact on the Company and management is not currently aware of any circumstances under which this might change.

**Note 11 - Staff**

The company did not employ any staff during the financial year ended March 31, 2026 (2025: Nil).

**Note 12 - Emoluments granted to the members of the management and supervisory bodies and commitments in respect of retirement pensions for former members of those bodies**

The Company did not grant any emoluments and has no commitments in respect of retirement pensions to members of its management during the financial year ended March 31, 2026 (2025: EUR Nil).

During the financial year, the Company incurred directors' fees for an amount of EUR 3,725 (2025: EUR 6,829.17).

**Note 13 - Advances and loans granted to the members of the management and supervisory bodies**

The Company did not grant any advances or loans to members of its management during the financial period ended March 31, 2026 (2025: Nil).

**Note 14 - Off balance sheet commitments and contingencies**

The Company does not have any off balance sheet commitments or contingencies at the end of the financial year.

**Note 15 - Subsequent events**

Effective April 2, 2026, the EUR 1,100,000.00 loan made between MHR Holdings (Mauritius) Ltd. and Covington S.à r.l., bearing interest at a nominal rate of 3.61% per annum (2025: 4.67%) was extended with new rate and maturity date.

Management has also considered the potential impact of ongoing geopolitical developments in the Middle East. While these events have contributed to heightened global economic and market uncertainty, management's assessment, based on information available as of the date of approval of these financial statements, indicates that there are no specific subsequent events requiring adjustment or additional disclosure.

No other matters or circumstances of importance other than those already described in the present notes to the accounts have arisen since the end of the financial year which could have significantly affected or might significantly affect the operations of the Company, the results of those operations or the affairs of the Company.

## INDEPENDENT AUDITOR'S REPORT

### To The Members of Guestline Hospitality Management and Development Services Limited

Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of Guestline Hospitality Management and Development Services Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Other Information

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report (including annexures thereto), Business Responsibility Statement (collectively referred to as "other information"), but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management's and Board of Directors' Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including

other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

- As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable that:
  - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
  - On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
  - With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 1". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(1) of the Act, as amended.

The clause is not applicable to the company as there was no remuneration paid to its directors by the company.

- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - The Company does not have any pending litigations which would impact its financial position.
  - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
  - The Company has not declared/paid any dividend during the year.
  - Based on our examination which included test checks, the Company has used the accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.
- As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure 2" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## Annexure 1 to our report of even date on the financial statements of Guestline Hospitality Management and Development Services Limited for the year ended March 31, 2026

### Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the financial statements of the Guestline Hospitality Management and Development Services Limited as of March 31, 2026 and for the period from April 1, 2025 to March 31, 2026 we have audited the internal financial controls over financial reporting of Guestline Hospitality Management and Development Services Limited (hereinafter referred to as "the Company"), as of that date.

### Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

### Auditor's Responsibility

Our responsibility is to express an opinion on internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls systems over financial reporting and the financial statements.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of conclusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedure may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Reporting issued by ICAI.

**Annexure 2 to the Auditor's Report referred to in our report of even date for year ended March 31, 2026**

1. The company does not own any immovable property and other property, plant and equipment. Therefore the provisions of clause 3 (i) of the order are not applicable.  
Further, there are no proceedings pending/initiated under the Benami Transactions (Prohibition Act, 1988 against the Company.
2. The Company does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the order are not applicable to the Company.
3. During the year, the Company has not granted any loans to parties covered in the register maintained under section 189 of Companies Act, 2013. Therefore clause 3(iii) (a) to (f) of the Order are not applicable to the company.
4. In our opinion and according to information and explanations given to us the Company has not granted any loans or made any investments, or provided any guarantees or securities to the parties covered under Section 185 & 186 of the Companies Act, 2013. Therefore the provisions of Clause 3(iv) of the said Order are not applicable to the company.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public. Consequently, no order has been passed by the Company Law Board or National Company Law Commission or Reserve Bank of India or any court or any other tribunal on the Company. Therefore clause 3(v) of the Order is not applicable to the company.
6. In our opinion and according to the information and explanation given to us, the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act for any of services rendered by the Company.
7. (a) According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance. Income tax, sales tax, service tax, cess and other statutory dues applicable to the company. There are no amounts payable in respect of these dues in arrears as at March 31, 2026 or a period of more than six months from the date they became payable. The provisions relating to customs duty, duty of excise, value added tax, are not applicable to the company.  
(b) According to the information and explanation given to us and records of Company examined by us, there are no dues of income tax or sales tax, Goods & Service Tax, wealth tax, service tax, duty of customs, duty of excise value added tax and cess which have not been deposited on account of any dispute.;
8. Based on our examination of the books of account and the information and explanations given to us, there are no transactions not recorded in the books of account but disclosed as income in the income tax proceedings/ assessments.
9. The company has neither borrowed from Banks/Financial Institutions nor issued debentures and therefore the provisions of clause 3(ix) of the Companies (Auditor's Report) Order are not applicable to the company.
10. On the basis of examination of relevant records and according to the information and explanations given to us, the company has neither raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans during the year nor made any preferential allotment or private placement of shares or debentures during the year and accordingly, Para 3(x) of the Order is not applicable to the Company.
11. During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing principles in India, we have neither come across any instances of frauds by or on the company by its officers or employees, noticed or reported during the year, nor have we been informed of any such cases by the management. No such report in Form No. ADT-4 has been filed by us. No whistle-blower complaint has been received by the Company during the year.
12. The Company is not a "Nidhi Company" therefore clause 3(xii) of the Order is not applicable to the Company.
13. Provisions of the Companies Act, 2013 relating to carrying out of internal audit are not applicable to the Company.
14. There is a no cash loss incurred by the Company during the current financial year and also in the preceding financial year.
15. On the basis of examination of relevant records and according to the information and explanations given to us, the Company has complied with the provisions of section 177 and 188 of Companies Act, 2013 requiring disclosure of details of such transactions, where applicable in the Financial Statements as required by the Accounting standards.
16. There has been no resignation by the statutory auditors during the year and hence the clause (xviii) of the Order is not applicable to the Company.
17. On the basis of examination of relevant records and according to the information and explanations given to us, in our opinion, the Company has not entered into any non-cash transactions with directors or person connected with them.
18. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.
19. The company is not required to obtain registration required under section 45-IA of the Reserve Bank of India.
20. The provisions related to Corporate Social Responsibility (CSR) are not applicable to the Company.
21. There have been no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

### Note 1: Corporate information

The Company was incorporated on April 6, 1994 (CIN: U55101KA1994PLC015472). The company is domiciled in India with its registered office address being 99/100 Ground floor, Prestige Towers, Residency Road, Bangalore - 560025, Richmond Town, Bangalore, Bangalore North, Karnataka, India, 560025 and at present do not have any business activity. The company will in future enter into business venture permitted by the Object Clause of the MOA after taking into consideration all the materials required.

### Note 2: Material accounting policies

#### i) Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

#### ii) Basis of preparation and presentation

The financial statements of the Company have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

#### iii) Cash flow statement

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### iv) Revenue recognition

##### Other income

Interest income from other financial assets is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

#### v) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

##### Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's current tax is calculated using tax rates that have been enacted by the end of the reporting period.

### vi) Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in statement of profit and loss.

### vii) Earnings per share

Basic / Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the period.

### Note 3: Recent pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

- Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025
- The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

- Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

## INDEPENDENT AUDITOR'S REPORT

To the Members of **MAHINDRA HOLIDAYS & RESORTS HARIHARESHWAR LIMITED**

### Report on the Financial Statements.

#### Opinion

We have audited the accompanying financial statements of **MAHINDRA HOLIDAYS & RESORTS HARIHARESHWAR LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss, the statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its loss for the year ended on that date, its changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the Provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2017.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using

the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the company's financial reporting process.

#### Auditor's Responsibility for the audit of the financial statements:

Our responsibility is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have compiled with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, a statement on the matter specified in paragraph 3(xxi) of CARO 2020.
2. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity, and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
  - e) On the basis of the written representations received from the directors of the Company as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g) The Company has not paid/provided for managerial remuneration for the year ended March 31, 2026.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    1. The Company does not have any pending litigations which would impact its financial positions.
    2. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    3. There were no amounts required to be transferred, to the Investor Education and Protection Fund by the Company.

4. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
5. The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and,
6. Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
7. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
8. Based on our examination which included test checks, the company has used the accounting software which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all the relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instances of tampering of audit trail feature and the audit trail has been preserved by the company as per the statutory requirements for record retention.

## ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

**Report on Companies (Auditor's Report) Order, 2020 issued by the Central Government in terms of Section 143(11) of the Companies Act, 2013 ('the Act') of Mahindra Holidays & Resorts Harihareshwar Limited. ('the Company')**

### 1) In respect of the Company's fixed assets:

- a) The Company does not have any Fixed Assets. Hence reporting under clause 3(i)(a) of the order is not applicable.
- b) The Company does not have any Fixed Assets. Hence reporting under clause 3(i)(b) of the order is not applicable.
- c) According to the information and explanation given to us, there are no immovable properties held in the name of the Company.
- d) The Company does not have any Fixed Assets. Hence reporting under clause 3(i)(d) of the order is not applicable.
- e) According to the information and explanation given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder during the year.

### 2) Inventories:

- a) As informed by the management of the company, there are no inventories in the company, so reporting under this clause is not applicable.
  - b) The company has not been sanctioned any working capital limit from banks or financial institutions on the basis of security of the current assets at any point of time during the year. Hence reporting under clause 3(ii) (b) of the order is not applicable.
- 3) During the year the company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions of clauses 3(iii) of the Order are not applicable.
  - 4) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
  - 5) The Company has not accepted deposits during the year and does not have any unclaimed deposits as at 31st March 2026 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
  - 6) Reporting under clause 3(vi) of the Order is not applicable as the Company's business activities are not covered by the Companies (Cost Records and Audit) Rules, 2014.
  - 7) According to the information and explanations given to us, in respect of statutory dues:

- a) The Company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
  - b) There are no dues in respect of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues that have not been deposited with the appropriate authorities on account of any dispute.
- 8) According to the information and explanation given to us, company has no transactions, not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
  - 9)
    - a) In our opinion, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year;
    - b) Company is not declared willful defaulter by any bank or financial institution or other lender;
    - c) According to the information and explanation given to us, loans were applied for the purpose for which the loans were obtained;
    - d) According to the information and explanation given to us, funds raised on short term basis have not been utilized for long term purposes;
    - e) According to the information and explanation given to us, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures;
    - f) According to the information and explanation given to us, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies;
  - 10) The company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3 (x) of the Order is not applicable.
  - 11)
    - a) To the best of our knowledge and according to the information and explanations given to us, any fraud by the Company and or any fraud on the Company has not been noticed or reported during the year.
    - b) According to the information and explanation given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
    - c) According to the information and explanation given to us, no whistle-blower complaints, received during the year by the company.

- 12) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- 13) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- 14) In our opinion and based on our examination, the company does not have an internal audit system commensurate with the size and nature of its business and is not required to have an internal audit system as per the provisions of section 138 of the company's act, 2013
- 15) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its Directors and hence provisions of Section 192 of the Act are not applicable.
- 16) a) The Company is not required to be registered under Section 45-I of the Reserve Bank of India Act, 1934.  
b) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, accordingly the provisions of sub-clause (c) and (d) of clause 3(xvi) of the Order are not applicable.
- 17) According to the information and explanations given to us and based on the audit procedures conducted we are of opinion that the company has incurred cash losses of ₹12.76 Lakhs during the current financial year and ₹10.86 lakhs in the immediately preceding financial year.
- 18) There has not been any resignation of statutory auditors during the year.
- 19) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that company is incapable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- 20) The provisions of Section 135 towards corporate social responsibility are not applicable on the company. Accordingly, the provisions of clause 3(xx) of the Order is not applicable.

## ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1 (f) of the Independent Auditors Report of even date to the members of Mahindra Holidays & Resorts Harihareshwar Limited on the financial statements for year ended March 31, 2026.

### Report on the Internal Financial Control under Clause (i) of Sub-section 3 of Section 143 of the Act.

We have audited the internal financial controls over financial reporting of Mahindra Holidays & Resorts Harihareshwar Limited as of March 31, 2026 in conjunction with our audit of the financial statement of the Company for the year ended on that date.

#### Managements Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Notes on Audit of Internal Financial Control over Financial Reporting issued by Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO ACCOUNTS FOR THE YEAR ENDED MARCH 31, 2026

### 1 Corporate information

The Company was incorporated on August 23, 2022 (U55101MH2022PLC389112). The company is domiciled in India with its registered office address being Mahindra Towers, A-Wing, 1st Floor, Dr.G.M.Bhosle Marg, P.K.Kume Chowk, Worli, Mumbai City, Mumbai, Maharashtra, India, 400018 and has not yet started to generate revenue. The Company has entered into an agreement with Maharashtra Tourism Development Corporation for the purpose of development and operation of resort.

### 2 Material accounting policies

#### i Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

#### ii Basis of preparation and presentation

The financial statements of the Company have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below. All amounts have been rounded off to the nearest lakhs, unless stated otherwise.

#### iii Cash flow statement

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### iv Revenue recognition

##### Other income

Interest income from other financial assets is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

#### v Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

##### Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's current tax is calculated using tax rates that have been enacted by the end of the reporting period.

#### vi Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in statement of profit and loss.

#### vii Earnings per share

Basic / Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any)

by the weighted average number of equity shares outstanding during the period.

### 3 Recent pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies. Indian Accounting Standards Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

- Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
- Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 - The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

## AUDITOR'S REPORT

### To the Annual General Meeting of Holiday Club Resorts Oy

#### Report on the Audit of the Financial Statements

##### Opinion

We have audited the financial statements of Holiday Club Resorts Oy (business identity code 2033337-1) for the year ended March 31, 2026. The financial statements comprise the balance sheets, the income statements, cash flow statements and notes for the group as well as for the parent company.

In our opinion, the financial statements give a true and fair view of the group's and the company's financial performance and financial position in accordance with the laws and regulations governing the preparation of financial statements in Finland and comply with statutory requirements.

##### Basis for Opinion

We conducted our audit in accordance with good auditing practice in Finland. Our responsibilities under good auditing practice are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the parent company and of the group companies in accordance with the ethical requirements that are applicable in Finland and are relevant to our audit, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of the Board of Directors and the Managing Director for the Financial Statements

The Board of Directors and the Managing Director are responsible for the preparation of financial statements that give a true and fair view in accordance with the laws and regulations governing the preparation of financial statements in Finland and comply with statutory requirements. The Board of Directors and the Managing Director are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors and the Managing Director are responsible for assessing the parent company's and the group's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting. The financial statements are prepared using the going concern basis of accounting unless there is an intention to liquidate the parent company or the group or cease operations, or there is no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with good auditing practice will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with good auditing practice, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the parent company's or the group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the Board of Directors' and the Managing Director's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the parent company's or the group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events so that the financial statements give a true and fair view.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Other Reporting Requirements**

#### **Other Information**

The Board of Directors and the Managing Director are responsible for the other information. The other information comprises the report of the Board of Directors. Our opinion on the financial statements does not cover the other information.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. Our responsibility also includes considering whether the report of

the Board of Directors has been prepared in compliance with the applicable provisions.

In our opinion, the information in the report of the Board of Directors is consistent with the information in the financial statements and the report of the Board of Directors has been prepared in compliance with the applicable provisions.

If, based on the work we have performed, we conclude that there is a material misstatement of the report of the Board of Directors, we are required to report that fact. We have nothing to report in this regard.

## ACCOUNTING PRINCIPLES FOR THE CONSOLIDATED FINANCIAL STATEMENTS

### Basic information of the Group

The Group's main branch of business is to sell and rent the timeshare weeks and Villas apartments constructed by the Group. The Group also operates in the Spa hotel business. Group has activities in three countries: Finland, Sweden and Spain.

Holiday Club Resorts Oy is a parent company for the Group, having its registered domicile in Helsinki at Konepajankuja 5 C, FI-00510 Helsinki.

Holiday Club Resorts Oy is a subsidiary of Covington S.a.r.l. The Company's registered domicile is in Luxembourg. Covington S.a.r.l owns 100% of the company's shares. Covington S.a.r.l is a subsidiary of MHR Holdings (Mauritius) Limited and in turn Mahindra Holidays & Resorts India Limited (domicile in India) and in turn subsidiary of the ultimate holding company Mahindra & Mahindra Limited (domicile in India).

### Consolidation principles

#### Intragroup ownership

Subsidiaries are consolidated using the acquisition method. The subsidiaries' acquisition cost and the corresponding share of the difference in shareholder's equity has been allocated partly to fixed assets, partially presented as goodwill and as group reserve. The acquired subsidiaries are consolidated from the moment the control has been obtained and divested subsidiaries until the day that the control has ceased to exist.

The consolidated financial statements include the parent company, Holiday Club Resorts Oy and all the subsidiaries in which it holds, directly or indirectly, over 50% of the voting rights or over which it otherwise has control. This does not include timeshare and Villas apartment companies as they are represented in the current assets. Also, according to the Finnish Accounting Act's chapter six, companies which do not have a material impact on the group's result and financial position, have been left out of the consolidated financial statements.

Intra-group transactions, unrealized internal margin, receivables, liabilities and dividends between group companies are eliminated in consolidation.

The subsidiaries' financial statements are prepared in correspondence of the accounting principles used by the group.

#### Associated companies and joint ventures

Associated companies and joint ventures are consolidated using the equity method in accordance with the instructions of the Finnish Accounting Board. The group's share of the results of the associated companies are shown under other operating income.

All timeshare and Villas apartment companies, including the ones of which the group owns more than 20%, are presented in the current assets as they are actively traded.

### Foreign Currency Translation

#### Transactions in foreign currencies

Items in the subsidiaries' financial statements are valued in the currency, which is used in each subsidiary's main operating environment (functional currency). The consolidated financial statements are presented in euros, which is the functional and presentation currency of the group. Assets and liabilities are translated into euros at the closing rate of the balance sheet date. Exchange differences resulting from sales and purchases are recorded as adjustments to the corresponding items above the operating profit. At the company level, exchange gains from foreign currency denominated loans are presented in the accrued expenses according to the principle of prudence. Exchange losses are recognized through profit and loss. At the group level, exchange gains and losses are recognized in equity as retained earnings.

#### Foreign subsidiaries

Foreign subsidiaries' income statements are translated into euros using the average exchange rates for the period. All balance sheet items, except profit for the period, are translated into euros using the closing exchange rates. The translation differences arising from the translation of income statement and

balance sheet at different exchange rates and from eliminating the foreign subsidiaries equity is recognized in the group's equity. When a subsidiary is divested entirely or partially, the cumulative translation difference is recognized in the income statement as a part of the gain or loss from the sale.

### Valuation and depreciation of non-current assets

#### Non-current assets

##### Goodwill

Goodwill represents the excess of the acquisition cost and the acquired company's net assets at the fair value at the date of the acquisition. Goodwill is allocated to cash-generating units, if such can be designated. As a main rule, goodwill is amortized and if the expected future operating cash flow is lower than the carrying amount of the goodwill, an impairment loss is recognized as an expense in the income statement.

##### Other intangible assets

Intangible assets are recorded in the balance sheet at their original acquisition cost, if the cost can be measured reliably and if it is probable that the expected benefits of the asset will benefit the company. Significant renovations are capitalized and amortized over the remaining useful life of the asset, if it is probable that the future benefits associated with the asset will benefit the company.

Intangible assets mainly include software licenses and renovation investments.

##### Tangible assets

The subsidiaries' tangible assets have been valued in the balance sheet at historical cost less accumulated, straight-line depreciations and possible impairment losses. Land areas are not depreciated.

Residual values and useful lifetimes are reviewed at each balance sheet date and, if necessary, adjusted to reflect the changes of expected economic benefits.

Additional investments are capitalized and depreciated over the remaining useful life of the asset, if it is probable that the future benefits associated with the asset will benefit the company. Capital gains are presented in other operating income and losses under other operating expenses. The interest expenses related to the acquisition of the asset are expensed.

#### Fixed asset amortization and depreciation periods

The useful lives of the different asset categories are as follows:

|                             |             |
|-----------------------------|-------------|
| Intangible rights           | 5-10 years  |
| Goodwill and group goodwill | 5-10 years  |
| Long-term expenses          | 5-10 years  |
| Buildings                   | 50-60 years |
| Other constructions         | 10 years    |
| Machinery and equipment     | 5-10 years  |
| Renovations                 | 5-10 years  |
| Other tangible assets       | 10 years    |

#### Investments

Investments have been valued with original acquisition cost less possible impairments in the balance sheet.

#### Group reserve

The group reserve is allocated, in accordance with the share of ownership, to those assets and liabilities of the subsidiary that the group reserve is considered to derive from. The unallocated portion is recognized in the group's balance sheet as a separate item before liabilities. The group

reserve is recognized as income when the corresponding expenditure or loss is recorded as an expense in the income statement of the subsidiary or where it corresponds to a realized return. The unallocated group reserve is recognized as income over time. These procedures are in accordance with the Finnish Accounting Act.

#### **Received grants**

Grants received by the company are recorded as other operating income in the income statement during the periods in which the related expenses are incurring. Investment grant for the acquisition of fixed assets is recorded in the balance sheet as accrued expense and recognized in the income statement as revenue over the asset's systematical depreciation period.

#### **Inventory**

Inventory is valued at the original acquisition cost or the lower net realizable value. Net realizable value is the estimated selling price less the estimated costs of completion and selling in the ordinary course of business. The cost of finished and unfinished products comprises of raw materials, direct labor costs and other direct costs. The costs of selling and financing are not allocated to the acquisition cost.

#### **Receivables**

Receivables are valued at the nominal value or the lower probable value.

#### **Financial assets**

The group's cash and cash equivalents consist of cash, bank deposits and other short-term highly liquid investments. Cash and cash equivalents have a maximum maturity of three months from the acquisition date. Financial assets are recognized on the settlement date and derecognized when the group has lost its contractual rights to the cash flows or when it has transferred substantial part of all the risks and rewards of ownership to parties outside the group.

#### **Liabilities**

Liabilities are valued at the nominal value. Transaction costs are expensed as incurred.

#### **Deferred tax assets and liabilities**

Deferred tax assets and liabilities of the Group are calculated with a current tax rate as temporary differences between taxation and financial statements. Deferred tax assets are recognized at the probable amount in the balance sheet. The deferred tax assets have been booked only to the amount of confirmed tax losses in the local taxation.

Deferred taxes are not recognized in parent company income statement nor balances sheet.

#### **Ordinary repair and maintenance**

Ordinary repair and maintenance costs are expensed as they incur.

#### **External services**

External services include among other things expenses from rented personnel and expenses from cleaning and laundry services used by the hotel.

#### **Pensions**

Payments for defined contribution plans are made to a pension insurance company. Payments made for defined contribution plans are recognized as expenses in the income statement for the financial period to which the debit relates.

#### **Direct taxes**

Taxes based on taxable income for the period are calculated on taxable income using the tax rate that is in force in the country in which the particular subsidiary is based. The amount of tax is adjusted for any taxes concerning previous periods.

#### **Revenue recognition**

Revenue from services is recognized as income when the service is rendered to the customer. Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer. At that time, the group has no longer any supervision or control power over the good sold.

Rental income from holiday homes and revenue from hotels are recognized when the customer has accommodated. Income from restaurants and from other services related to hotel activities are recognized as revenue when the service is rendered. Rental income from retail premises is recognized on a straight-line basis over the rental period.

Income from Villas apartments, and starting end of financial year 2021, also income from Timeshare apartments, is recognized by using the stage of completion method in accordance with the guidelines of the Confederation of Finnish Construction Industries and the Finnish Accounting Board. The percentage of completion is defined based on the percentage of the completion of the construction project and the percentage of the shares sold.

At the closing of the Timeshare deal, the company will record a cancellation provision in case of future cancellation of deals. This is done based on previous experience and statistics on customer behavior. Statutory cancellation time is 14 days from the moment the deal was signed.

#### **Use of estimates and assumptions**

The preparation of financial statements requires management to make estimates and assumptions regarding future events. Actual results may differ from these estimates and assumptions. In addition, management must exercise judgment in applying accounting principles. Estimates are based on management's best knowledge at the time. Possible changes in estimates and assumptions are recognized during the period in which the estimates or assumptions are adjusted and in all subsequent financial periods.

The key assumptions and uncertainties concerning the future, which may cause significant changes in the carrying values of assets and liabilities within the next financial year are as follows:

#### **Impairment losses**

The group reviews fixed assets and inventory annually and evaluates indications of impairment as set out above in the accounting policies. The deferred tax assets have been booked only to the amount of confirmed tax losses in the local taxation.

#### **Revenue recognition**

Timeshare weeks have a 14-day cancellation right stated by the Consumer Protection Act. The cancellation policy is taken into account in profit recognition by taking advantage of the experience and statistics on customer behavior.

#### **Receivables**

From uncertain loans and any permanent impairments, the group recognizes a credit loss in accordance with the principle of prudence.

**Investing commitments**

Holiday Club Resorts Oy has a commitment in the construction of two timeshare buildings to Levi. Valid until the project is completed, includes two exit possibilities. HCR's liability in case of exit is annual real estate rents of approximately 250k€/a capped on max 1m€ and land use interest annual payment of approximately 50k€ paid until exit.

Holiday Club Resorts Oy is jointly committed with Kiinteistö Oy Vierumäen Harju I (2898229-6) and Kiinteistö Oy Vierumäenharju II (3366490-3) to fulfilling the contractual obligations of the land lease agreements concerning the designated plots until the buildings required by the agreements have been constructed on the plots. If the construction phase is neglected, Fennia has the right to increase the land rent and demand the purchase of the leased property from both the tenant company and Holiday Club Resorts Oy.

**Responsibility to review tax deductions related to real estate investments**

Holiday Club Resorts Oy is responsible to annually review vat deductions made from the real estate investments and from renovation costs made to leased properties. Responsibility is for 10 years after the completion of the investment, in so far as the VAT taxable use of the property decreases during the ten-year period.

**Other liabilities and guarantees**

Other liabilities and guarantees contain a surety that the parent has given regarding the lease obligations of Holiday Club Sport and Spa Hotels AB. The surety equates the lease obligation of 12 months.

**Liabilities from customer finance agreements**

Holiday Club Resorts Oy has agreed in the customer financing agreement made in 2022 between Holiday Club Resorts Oy and OP Corporate Bank Oyj (OP Financing) the following:

In secured finance, the Property will be pledged with OP in security for finance and HCR will sign the pledge agreement for the Property with customers on OP's account. If, due to the customer's delinquency or other breach of the agreement, OP has the right to demand repayment of the customer's remaining loan or cancel the customer's financing agreement, HCR, upon OP's demand, undertakes to redeem the price of said Property, which equals 50% of the sale price of the Property under the deed of sale based on the sale price and to remit the redemption price to OP.

In loan applications where OP is not prepared to take credit risk, a 100% repurchase commitment for the entire loan amount is required of HCR to receive an approved loan decision, in other words HCR will sign a separate repurchase commitment of the debt receivable and OP will have the right to transfer the debt receivable to HCR.

In loan applications where the customer has existing finance and OP is not prepared to increase credit risk arising from the additional purchase, a repurchase commitment in euros is required of HCR to receive an approved loan decision. In such a situation, HCR will sign a separate repurchase commitment.

Holiday Club Resorts Oy has agreed in the customer financing agreement made between Holiday Club Resorts Oy and Danske Bank Oyj the following:

If Danske Bank terminates the customer's financing contract for timeshare purchase based on the terms of contract, the following risk distribution contract applies:

If Danske Bank claims, Holiday Club Resorts Oy is committed to purchase the timeshare which has been given as a collateral for a financing agreement. The purchase price is 30% of the timeshare's original purchase price. If the purchase price, calculated by the foregoing way, is more than the financier's financed part based on the sale agreement issue, the purchase price will be the amount of financed part of the sale agreement at issue. For the timeshares Holiday Club Resorts Oy has financed on its own risk, 100% buyback commitment is applied.

**Significant events after the end of the financial year**

The Company started Timeshare newbuild project in Levi, with 27 apartments to be built during the financial year 2027. Sales started on April 1, 2026.

## AUDITOR'S REPORT

### To the Annual General Meeting of Kiinteistö Oy Rauhan Liikekiinteistöt 1

#### Opinion

We have audited the financial statements of Kiinteistö Oy Rauhan liikekiinteistöt 1 (business identity code 2535232-8) for the year ended March 31, 2026. The financial statements comprise the balance sheet, income statement and notes.

In our opinion, the financial statements give a true and fair view of the company's financial performance and financial position in accordance with the laws and regulations governing the preparation of financial statements in Finland and comply with statutory requirements.

#### Basis for Opinion

We conducted our audit in accordance with good auditing practice in Finland. Our responsibilities under good auditing practice are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the company in accordance with the ethical requirements that are applicable in Finland and are relevant to our audit, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of the Board of Directors for the Financial Statements

The Board of Directors is responsible for the preparation of financial statements that give a true and fair view in accordance with the laws and regulations governing the preparation of financial statements in Finland and comply with statutory requirements. The Board of Directors is also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting. The financial statements are prepared using the going concern basis of accounting unless there is an intention to liquidate the company or cease operations, or there is no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with good auditing practice will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with good auditing practice, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events so that the financial statements give a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Helsinki, April 14, 2026

### ACCOUNTING PRINCIPLES

The financial statements have been drawn up in accordance with regulations governing small and medium-sized enterprises (Government Decree on the information presented in the financial statements of a small undertaking and micro-undertaking, 1753/2015)

#### Non-current assets

In this balance sheet, capital assets are listed as the difference between purchase price and accumulated planned depreciation.

Planned depreciation is calculated as a declining-balance depreciation based on the useful life of the object.

The indicative useful lives on which the planned depreciation is based are as follows:

|                          |               |
|--------------------------|---------------|
| – buildings              | 20 - 30 years |
| – machines and equipment | 5 - 10 years  |
| – other tangible assets  | 30 years      |

#### Current assets

Receivables and liabilities have been valued at the nominal value.

#### Company shares

There are 100 company shares. Each share confers the same right to dividends and company assets.

## AUDITOR'S REPORT

**To the general meeting of the shareholders of Ownership Service Sweden AB. Corporate identity number 556676-0327**

### Report on the annual accounts

#### Opinions

We have audited the annual accounts of Ownership Service Sweden AB for the financial year April 1, 2025 - March 31, 2026. In our opinion, the annual accounts have been prepared in accordance with the Annual Accounts Act and present fairly, in all material aspects, the financial position of Ownership Service Sweden AB as of March 31, 2026 and its financial performance for the year then ended in accordance with the Annual Accounts Act. The statutory administration report is consistent with the other parts of the annual accounts.

We therefore recommend that the general meeting of shareholders adopts the income statement and balance sheet.

#### Basis for Opinions

We conducted our audit in accordance with International Standards on Auditing (ISA) and generally accepted auditing standards in Sweden. Our responsibilities under those standards are further described in the *Auditor's Responsibilities* section. We are independent of Ownership Service Sweden AB in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

#### Responsibilities of the Board of Directors

The Board of Directors is responsible for the preparation of the annual accounts and that they give a fair presentation in accordance with the Annual Accounts Act. The Board of Directors is also responsible for such internal control as they determine is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the Board of Directors is responsible for the assessment of the company's ability to continue as a going concern. They disclose, as applicable, matters related to going concern and using the going concern basis of accounting. The going concern basis of accounting is not applied if decision has been taken to discontinue the operations.

#### Auditor's responsibility

Our objectives are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and generally accepted auditing standards in Sweden will always detect a material misstatement when it exists. Misstatements can arise from fraud

or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

A further description of our responsibility for the audit of the annual accounts is available at the website of Revisorsinspektionen (the Swedish Inspectorate of Auditors): [www.revisorsinspektionen.se/revisorsansvar](http://www.revisorsinspektionen.se/revisorsansvar).

This description is part of the auditor's report

### Report on other legal and regulatory requirements

#### Opinions

In addition to our audit of the annual accounts, we have also audited the administration of the Board of Directors of Ownership Service Sweden AB for the financial year April 1, 2025 - March 31, 2026 and the proposed appropriations of the company's profit or loss.

We recommend to the general meeting of shareholders that the profit be appropriated in accordance with the proposal in the statutory administration report and that the member of the Board of Directors be discharged from liability for the financial year.

#### Basis for Opinions

We conducted the audit in accordance with generally accepted auditing standards in Sweden. Our responsibilities under those standards are further described in the *Auditor's Responsibilities* section. We are independent of Ownership Service Sweden AB in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

#### Responsibilities of the Board of Directors

The Board of Directors is responsible for the proposal for appropriations of the company's profit or loss. At the proposal of a dividend, this includes an assessment of whether the dividend is justifiable considering the requirements which the company's type of operations, size and risks place on the size of the company's equity, consolidation requirements, liquidity and position in general.

The Board of Directors is responsible for the company's organization and the administration of the company's affairs. This includes among other things continuous assessment of the company's financial situation and ensuring that the company's organization is designed so that the accounting, management of assets and the company's financial affairs otherwise are controlled in a reassuring manner.

#### Auditor's responsibility

Our objective concerning the audit of the administration, and thereby our opinion about discharge from liability, is to obtain audit evidence to assess with a reasonable degree of assurance whether any member of the Board of Directors in any material respect:

- has undertaken any action or been guilty of any omission which can give rise to liability to the company, or
- in any other way has acted in contravention of the Companies Act, the Annual Accounts Act or the Articles of Association.

Our objective concerning the audit of the proposed appropriations of the company's profit or loss, and thereby our opinion about this, is to assess with reasonable degree of assurance whether the proposal is in accordance with the Companies Act. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted auditing standards in Sweden will always detect actions or omissions that can give rise to liability to the company, or that the proposed appropriations of the company's profit or loss are not in accordance with the Companies Act.

A further description of our responsibilities for the audit of the management's administration is located at the website of Revisorsinspektionen (the Swedish Inspectorate of Auditors): [www.revisorsinspektionen.se/revisornsansvar](http://www.revisorsinspektionen.se/revisornsansvar). ## AUDITOR'S REPORT

**To the general meeting of the shareholders of Äre Villa 3 AB.  
Corporate identity number 559137-7659**

### Report on the annual accounts

#### Opinions

We have audited the annual accounts of Äre Villa 3 AB for the financial year ended March 31, 2026.

In our opinion, the annual accounts have been prepared in accordance with the Annual Accounts Act and present fairly, in all material aspects, the financial position of Äre Villa 3 AB as of March 31, 2026 and its financial performance for the year then ended in accordance with the Annual Accounts Act. The statutory administration report is consistent with the other parts of the annual accounts.

We therefore recommend that the general meeting of shareholders adopts the income statement and balance sheet.

#### Basis for Opinions

We conducted our audit in accordance with International Standards on Auditing (ISA) and generally accepted auditing standards in Sweden. Our responsibilities under those standards are further described in the *Auditor's Responsibilities* section. We are independent of Äre Villa 3 AB in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

#### Responsibilities of the Board of Directors

The Board of Directors is responsible for the preparation of the annual accounts and that they give a fair presentation in accordance with the Annual Accounts Act. The Board of Directors is also responsible for such internal control as it determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, The Board of Directors is responsible for the assessment of the company's ability to continue as a going concern. It discloses, as applicable, matters related to going concern and using the going concern basis of accounting. The going concern basis of accounting is not applied if decision has been taken to discontinue the operations.

#### Auditor's responsibility

Our objectives are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and generally accepted auditing standards in Sweden will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

A further description of our responsibility for the audit of the annual accounts is available at the website of the Swedish Inspectorate of Auditors: [www.revisorsinspektionen.se/revisornsansvar](http://www.revisorsinspektionen.se/revisornsansvar).

This description is part of the auditor's report

### Report on other legal and regulatory requirements

#### Opinions

In addition to our audit of the annual accounts, we have also audited the administration of the Board of Directors of Äre Villa 3 AB for the financial year ended March 31, 2026 and the proposed appropriations of the company's profit or loss.

We recommend to the general meeting of shareholders that the profit be appropriated in accordance with the proposal in the statutory administration report and that the member of the Board of Directors be discharged from liability for the financial year.

#### Basis for Opinions

We conducted the audit in accordance with generally accepted auditing standards in Sweden. Our responsibilities under those standards are further described in the Auditor's Responsibilities section. We are independent of Äre Villa 3 AB in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

#### Responsibilities of the Board of Directors

The Board of Directors is responsible for the proposal for appropriations of the company's profit or loss. At the proposal of a dividend, this includes an assessment of whether the dividend is justifiable considering the requirements which the company's type of operations, size and risks place on the size of the company's equity, consolidation requirements, liquidity and position in general.

The Board of Directors is responsible for the company's organization and the administration of the company's affairs. This includes among other things continuous assessment of the company's financial situation and ensuring that the company's organization is designed so that the accounting, management of assets and the company's financial affairs otherwise are controlled in a reassuring manner.

#### Auditor's responsibility

Our objective concerning the audit of the administration, and thereby our opinion about discharge from liability, is to

obtain audit evidence to assess with a reasonable degree of assurance whether any member of the Board of Directors in any material respect:

- has undertaken any action or been guilty of any omission which can give rise to liability to the company, or
- in any other way has acted in contravention of the Companies Act, the Annual Accounts Act or the Articles of Association.

Our objective concerning the audit of the proposed appropriations of the company's profit or loss, and thereby our opinion about this, is to assess with reasonable degree of assurance whether the proposal is in accordance with the Companies Act.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted auditing standards in Sweden will always

detect actions or omissions that can give rise to liability to the company, or that the proposed appropriations of the company's profit or loss are not in accordance with the Companies Act.

A further description of our responsibilities for the audit of the management's administration is located at the website of the Swedish Inspectorate of Auditors: [www.revisorsinspektionen.se/revisornsansvar](http://www.revisorsinspektionen.se/revisornsansvar).

## AUDITOR'S REPORT

**To the general meeting of the shareholders of Holiday Club Sweden AB. Corporate identity number 556683-0385**

### Report on the annual accounts

#### Opinions

We have audited the annual accounts of Holiday Club Sweden AB for the financial year ended March 31, 2026.

In our opinion, the annual accounts have been prepared in accordance with the Annual Accounts Act and present fairly, in all material aspects, the financial position of Holiday Club Sweden AB as of March 31, 2026 and its financial performance for the year then ended in accordance with the Annual Accounts Act. The statutory administration report is consistent with the other parts of the annual accounts.

We therefore recommend that the general meeting of shareholders adopts the income statement and balance sheet.

#### Basis for Opinions

We conducted our audit in accordance with International Standards on Auditing (ISA) and generally accepted auditing standards in Sweden. Our responsibilities under those standards are further described in the *Auditor's Responsibilities* section. We are independent of Holiday Club Sweden AB in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

#### Responsibilities of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for the preparation of the annual accounts and that they give a fair presentation in accordance with the Annual Accounts Act. The Board of Directors and the Managing Director are also responsible for such internal control as they determine is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the Board of Directors and the Managing Director are responsible for the assessment of the company's ability to continue as a going concern. They disclose, as applicable, matters related to going concern and using the going concern basis of accounting. The going concern basis of accounting is not applied if decision has been taken to discontinue the operations.

#### Auditor's responsibility
