## 1. Introduction and Background

Since its inception Mahindra & Mahindra Ltd. has been a socially responsible corporate going beyond the legal & statutory requirements to make responsible investments in the community. Evidence of this is the setting up of the K C Mahindra Education Trust in 1954, followed by Mahindra Foundation in 1969, and the more recent 60<sup>th</sup> year celebrations in 2005 when the Company redefined Corporate Social Responsibility (CSR) and pledged to commit 1% PAT for its CSR initiatives specifically to benefit the economically and socially disadvantaged communities. With the belief that Education is the main route to address India's social challenges, the Company selected Education as its main thrust area for CSR. As a responsible corporate citizen M&M Ltd. also invested in the areas of public health and environment. More specifically the major CSR programs that the Company has been investing in are as follows –

- **Scholarships & Grants** – have been provided to enable students to overcome their financial challenges and fulfill their educational dreams. Some of the scholarships have provided students an opportunity to pursue their post graduate studies in reputed educational institutions overseas while others have provided students from low income group families an opportunity to earn their vocational diploma after completing their courses at government polytechnic institutes. The scholarships have also allowed deserving students an opportunity to study at the Mahindra United World College in Pune.
- **Project Nanhi Kali** – Founded in 1996, this is a sponsorship program that supports the education of under privileged girls from poor urban, remote rural and conflict afflicted tribal communities by providing them comprehensive academic and material support. Since 2005 the Project is jointly managed by the K C Mahindra Education Trust and Naandi Foundation.

- **Mahindra Pride Schools** – Since 2007, these schools have been providing livelihood training to youth from socially and economically disadvantaged communities to enable them to get lucrative jobs based on the skills learnt. Training is provided in Hospitality Craft, Sales and IT. The 5 Mahindra Pride Schools are located in Pune, Chennai, Chandigarh, Patna and Srinagar.
- **Lifeline Express** – The Company has regularly partnered with Impact India Foundation to sponsor the Lifeline Express which provides communities in remote rural areas access to health care. It conducts free surgeries for cataract removal, cleft lip and deafness correction and provides medical treatment for dental and epilepsy treatment. Breast and cervical cancer screening is also part of the services offered.
- **Project Hariyali** – Since 2007 the Company has committed to increase green cover by planting a million trees every year on an ongoing basis.
- **Watershed Management** - The Company has partnered with the Government of Madhya Pradesh to implement a watershed management project which includes water conservation, soil conservation and increasing availability of water for irrigation with the objective of increasing agricultural productivity, enhancing livelihood and increasing green cover.
- **Swachh Bharat Swachh Vidyalaya program** – In support of the Prime Minister's appeal for "Clean India", the Mahindra Group contributed to the Government's "Swachh Bharat Swachh Vidyalaya" program by constructing 4340 toilets primarily for girls in government schools. Further, a large number of public toilets were also constructed for the community. Besides maintaining the toilets for 12 months the Mahindra Group is also carrying out training programs to bring about behavioral changes in the girls, parents and school authorities towards more hygienic practices.

- **Wardha Farmer Family & Krishi Mitra Project** - The project supports small and marginal farmers by training them in effective farming practices including soil health, crop planning, and creating model farms for increased crop productivity.
- **ESOPs** - Mahindra employees have been encouraged to volunteer for various CSR projects in the areas of education, health and environment through the Employee Social options program (ESOPs). Some of the projects to which the employees have extended their volunteering efforts are skill development of youth, HIV/AIDS awareness, and health camps for expectant mothers, donations to orphanages and homes for the senior citizens etc.
- **Disaster Relief and Rehabilitation** - The Company has provided consistent and timely support to relief and rehabilitation initiatives in those parts of India which are effected by natural calamities by either contributing to the Prime Minister's or Chief Minister's Relief Fund or by directly engaging in rebuilding villages e.g. the construction of 45 houses and associated infrastructure in the villages of Pattori Gram Panchayat affected by the Kosi floods, as well as planting of trees in J&K after the floods.
